COME ON, KIDS—WE'RE GOING TO  
SEE WHAT'S HAPPENING INSIDE A HOSPITAL—  
I'LL SHOW YOU AND YOUR FOLKS HOW YOU  
CAN GET GOOD JOBS AND TAKE CARE  
OF PEOPLE AT THE SAME TIME.

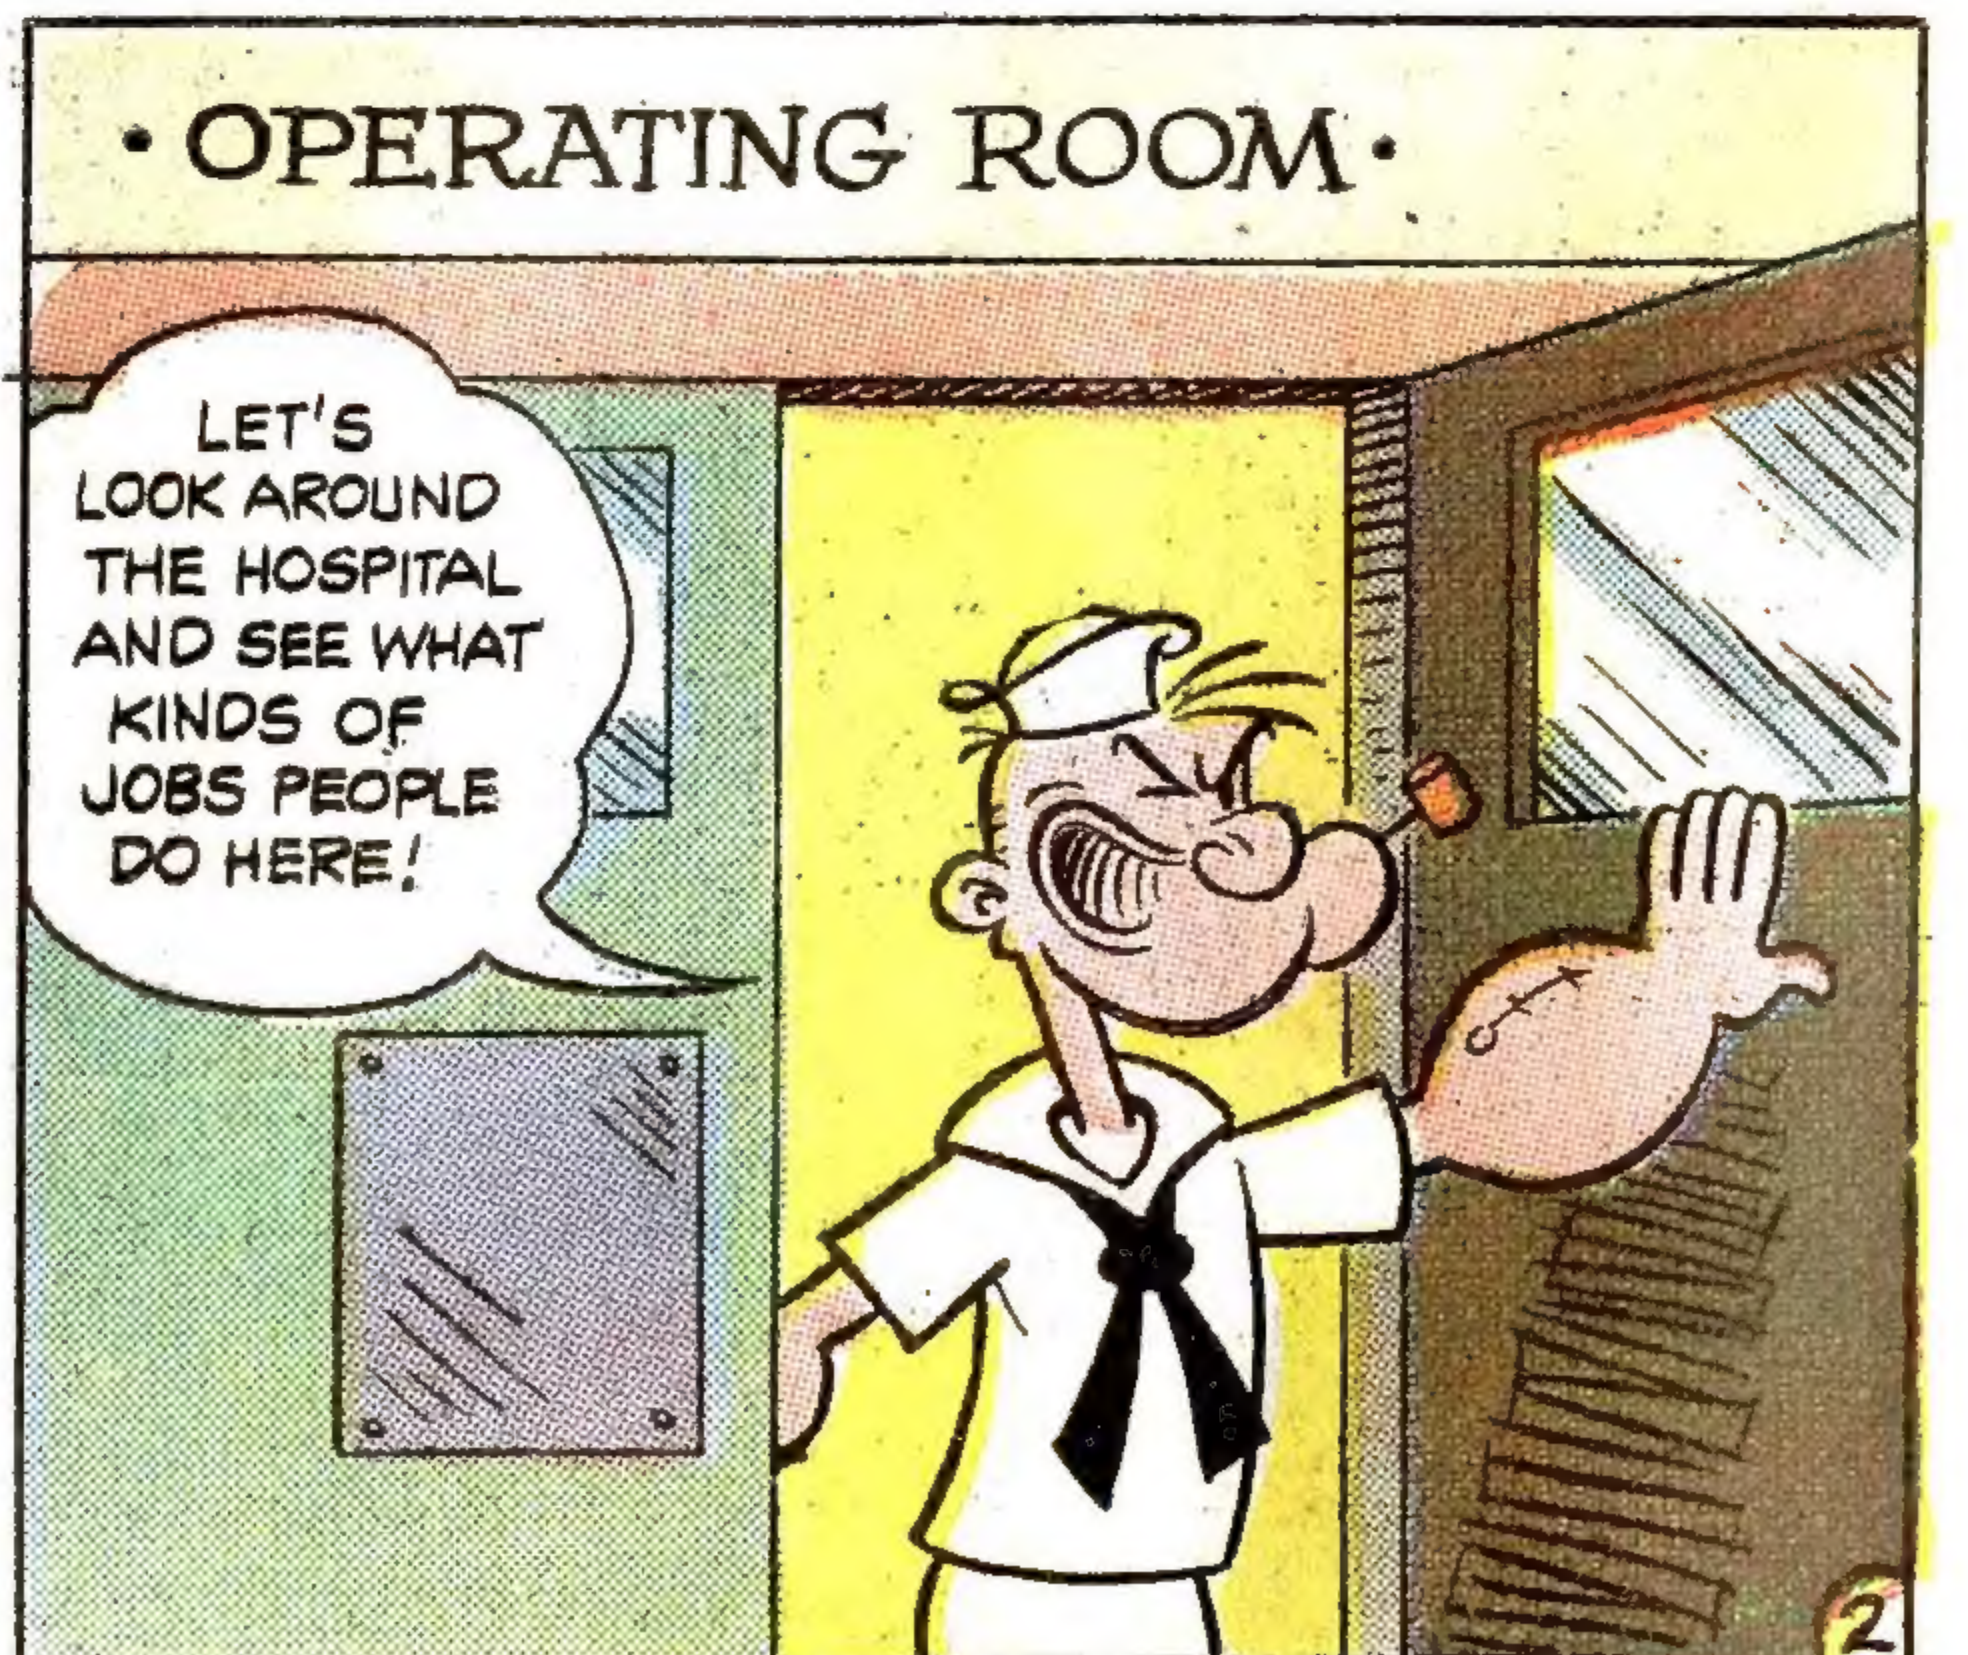

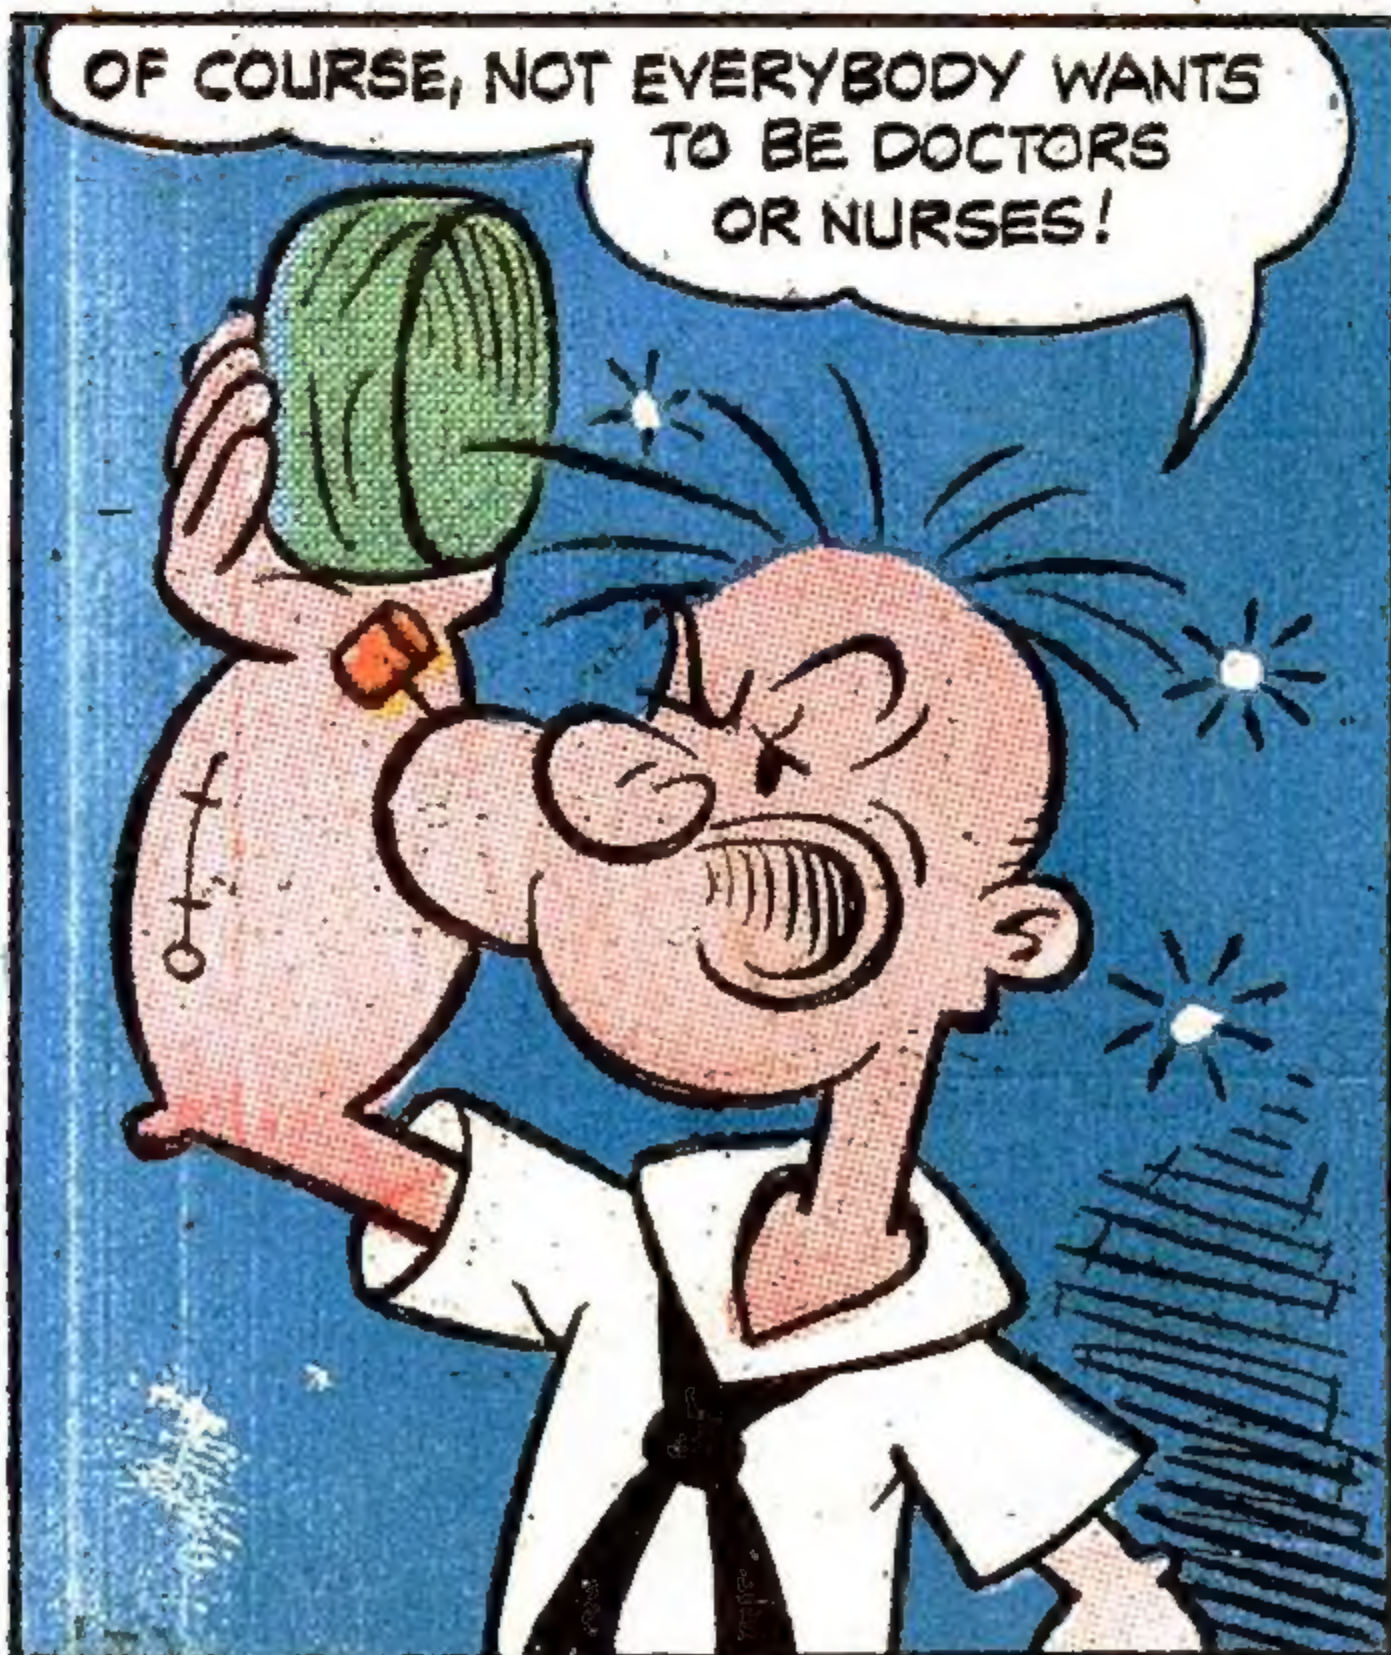

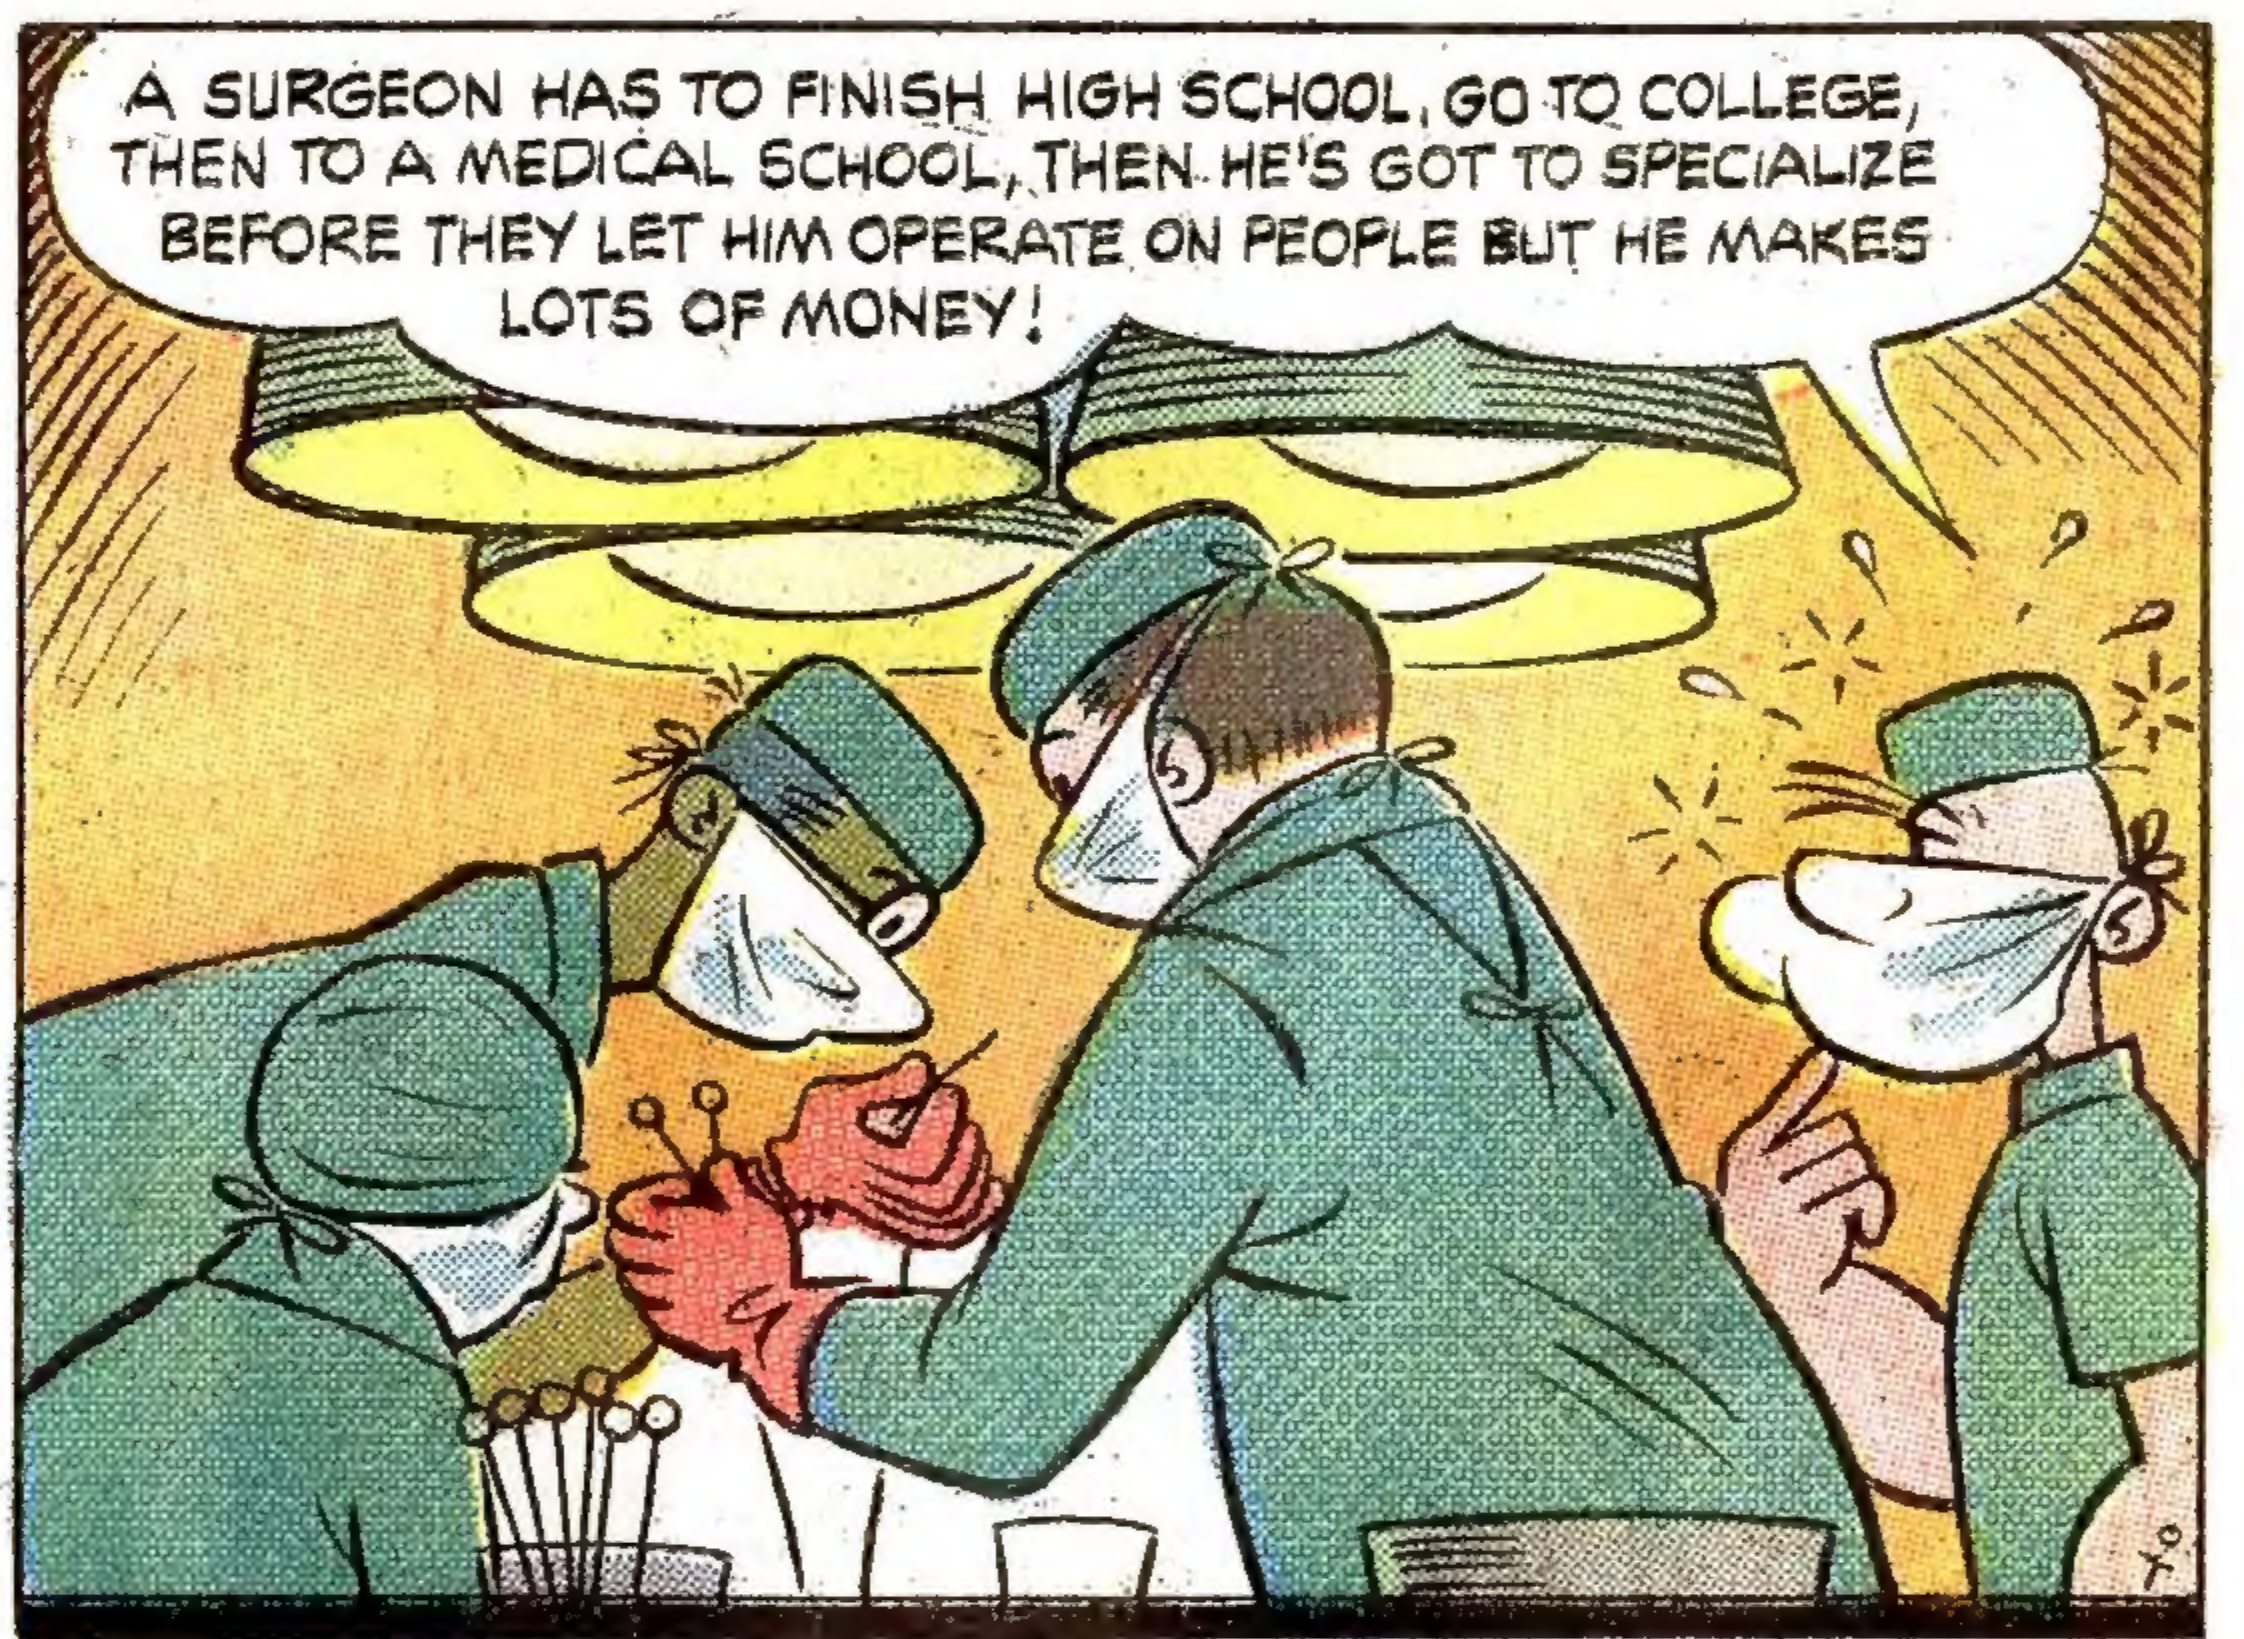

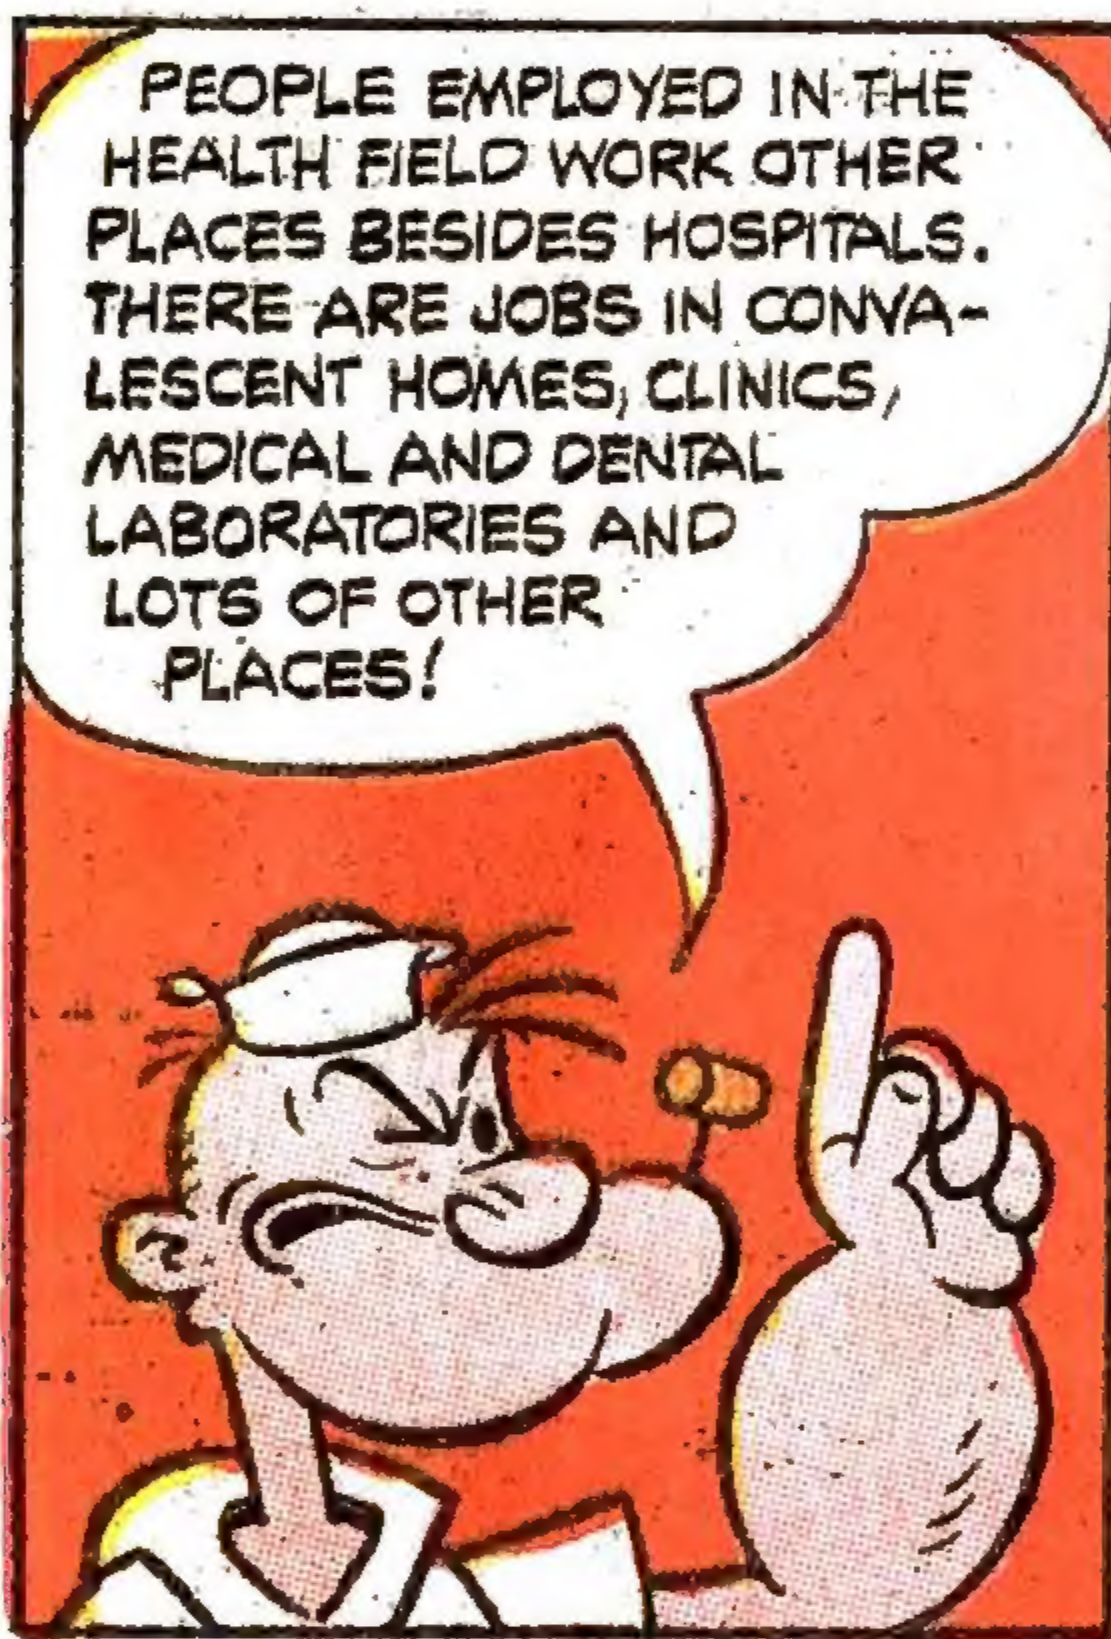

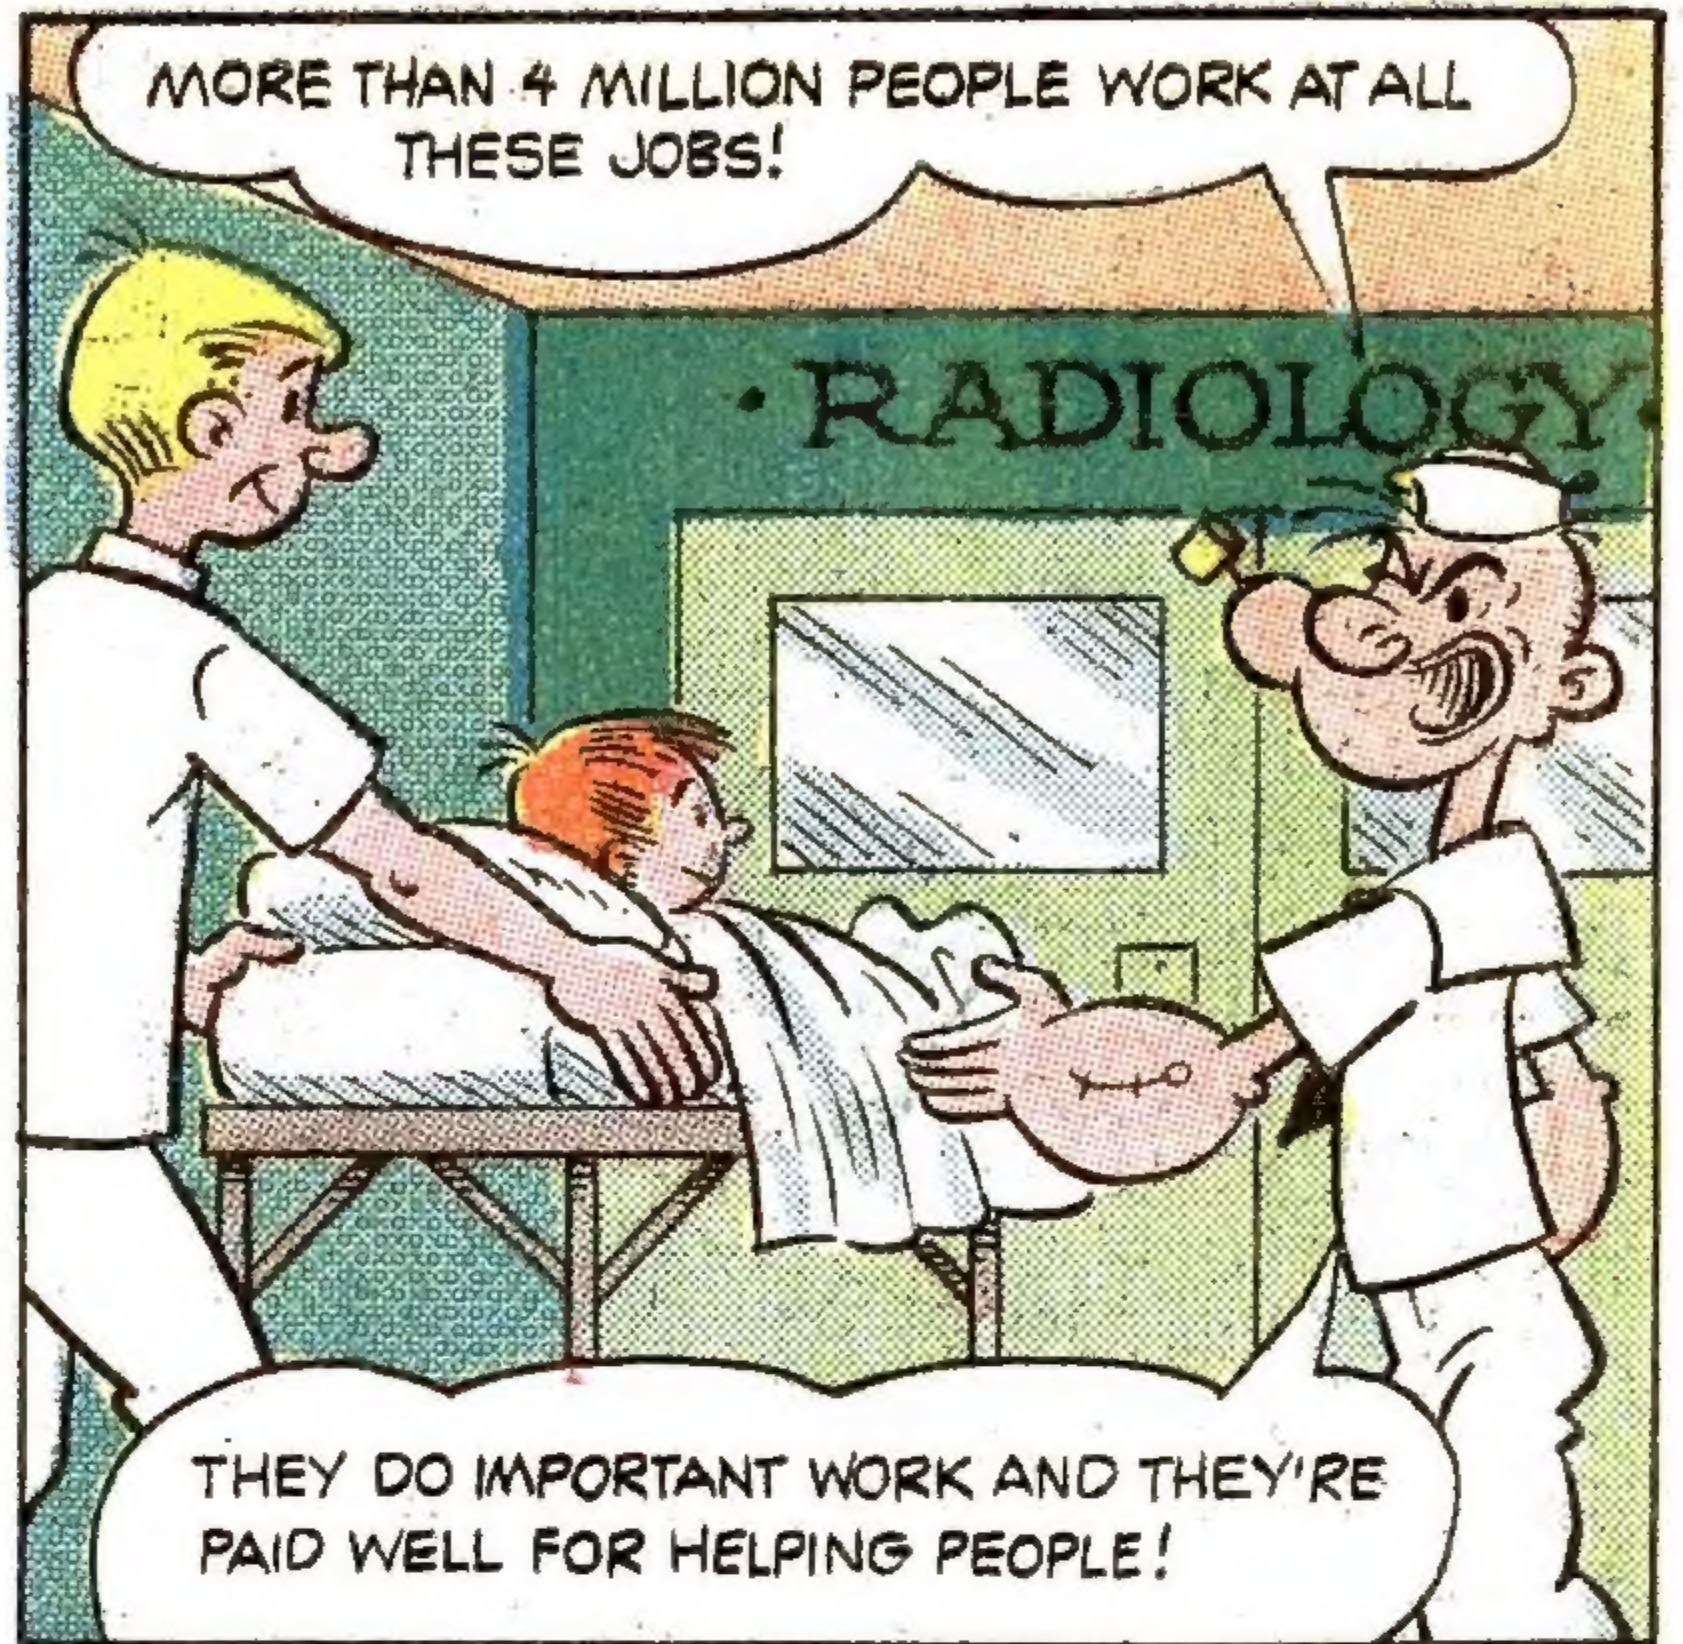

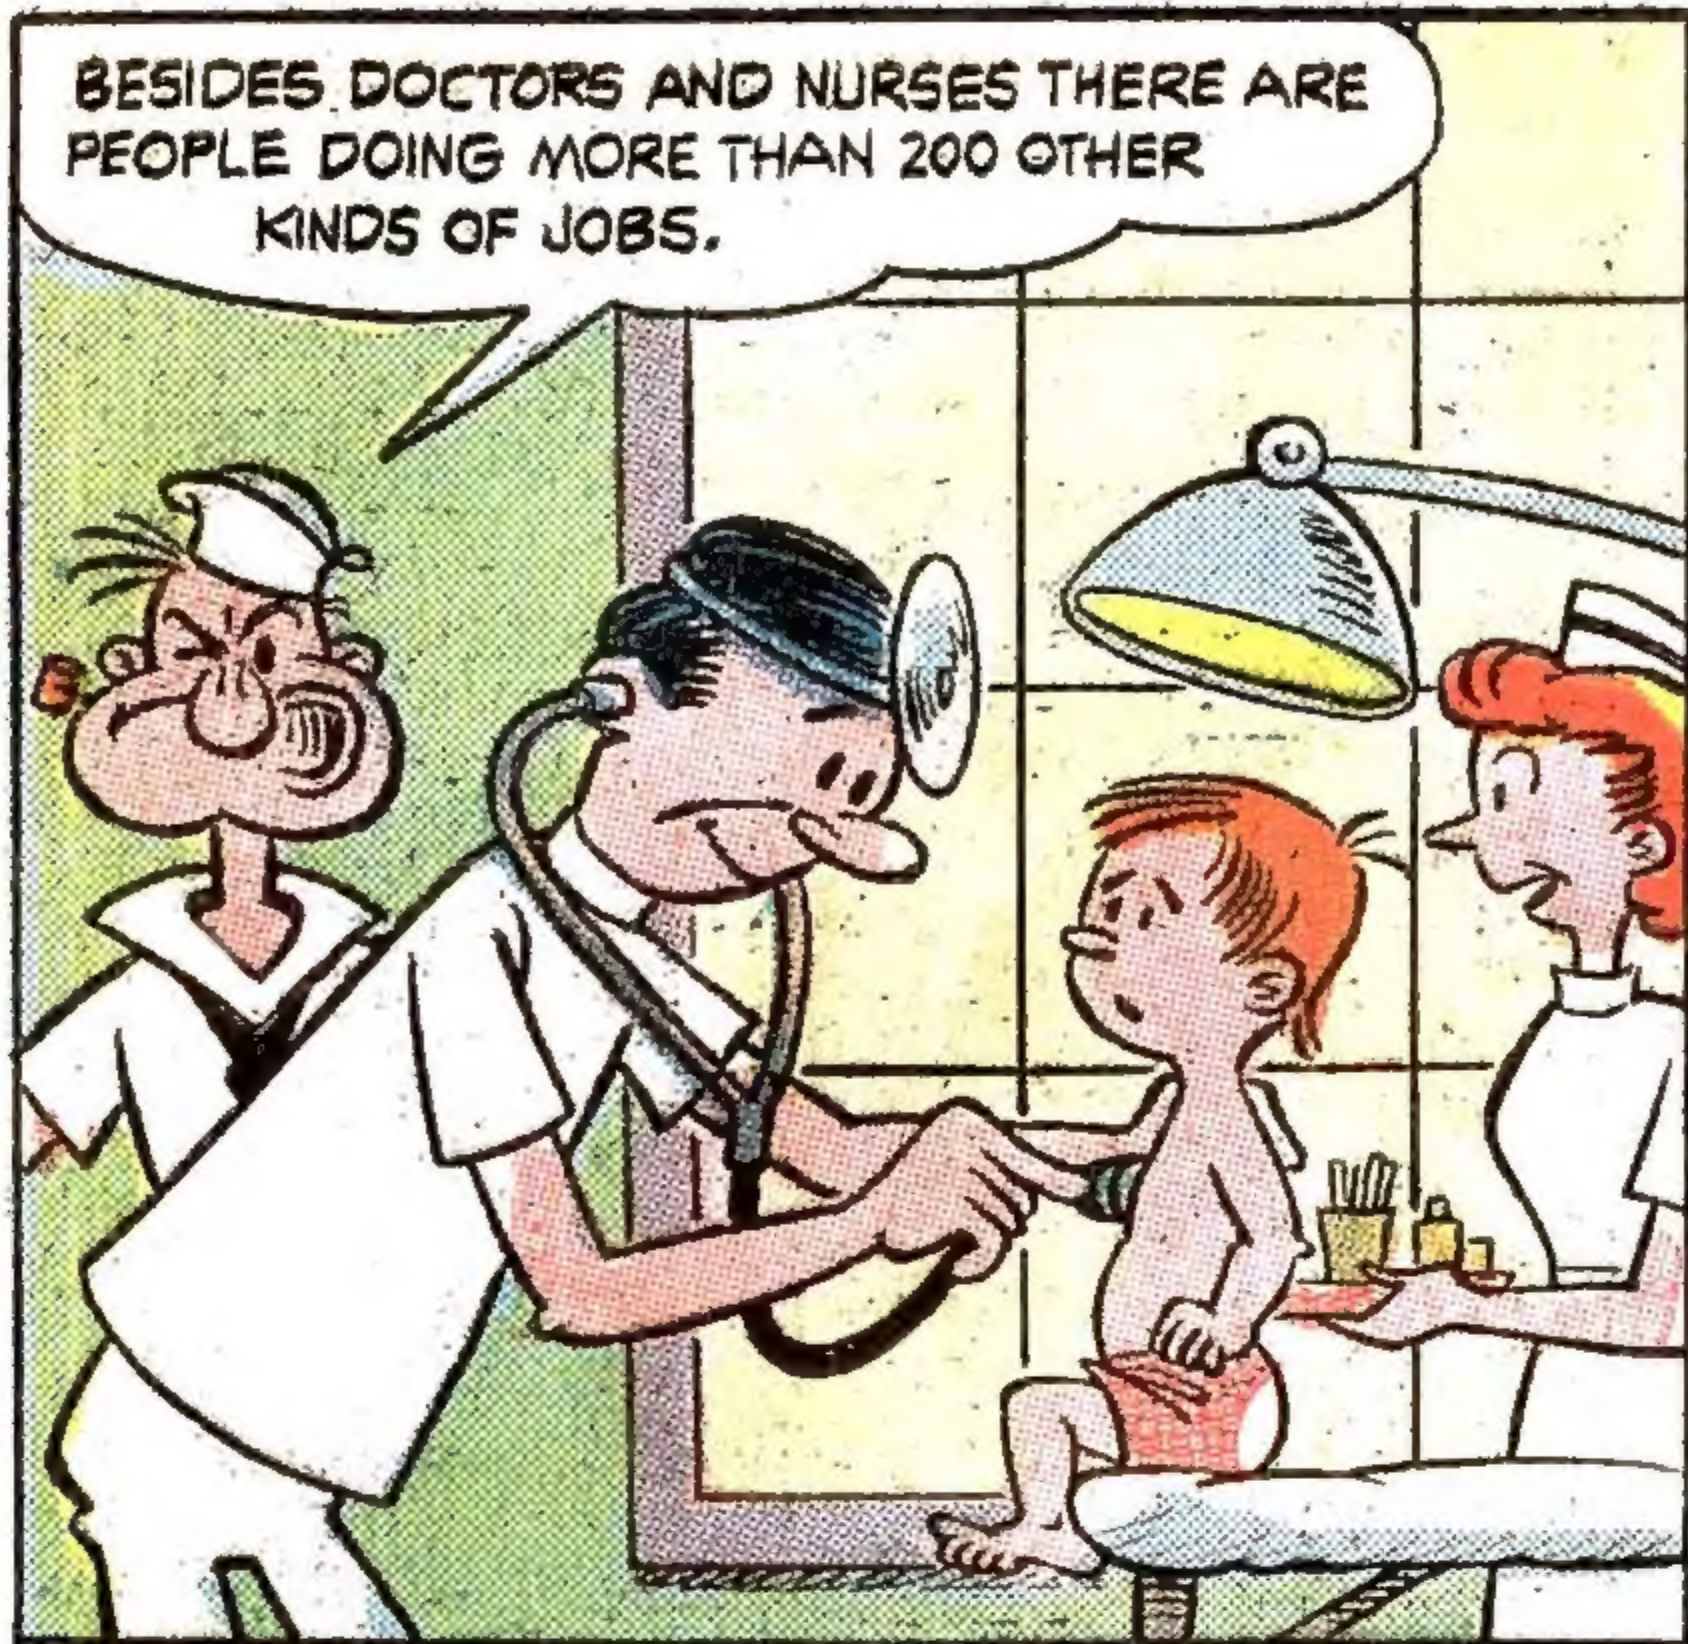

HOSPITAL  
**QUIET**  
ZONE

WRITER: JOE GILL  
ARTIST: GEORGE WILDMAN

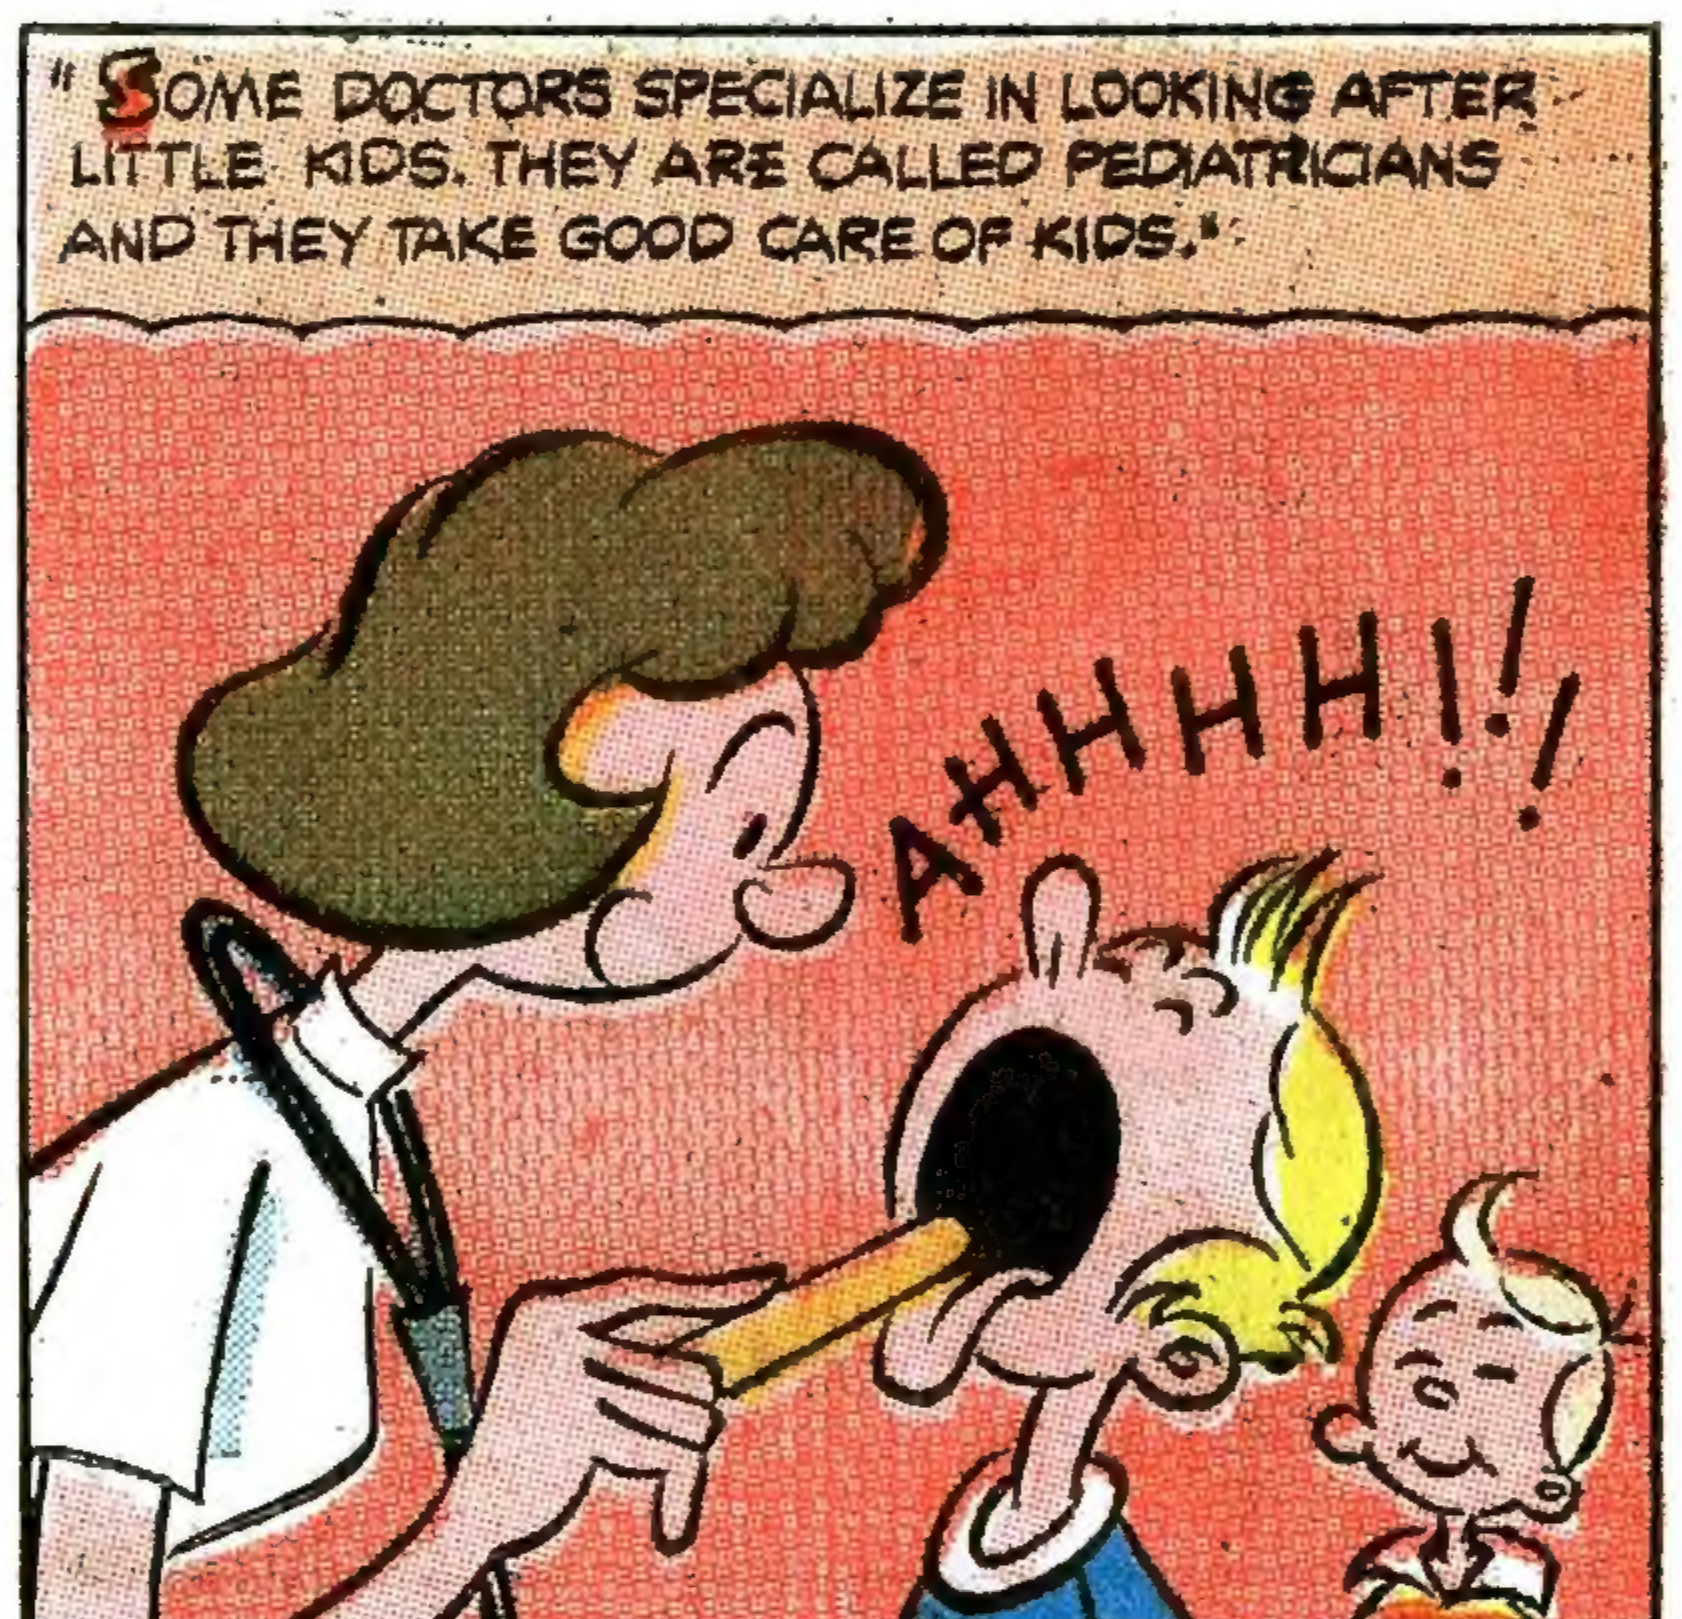

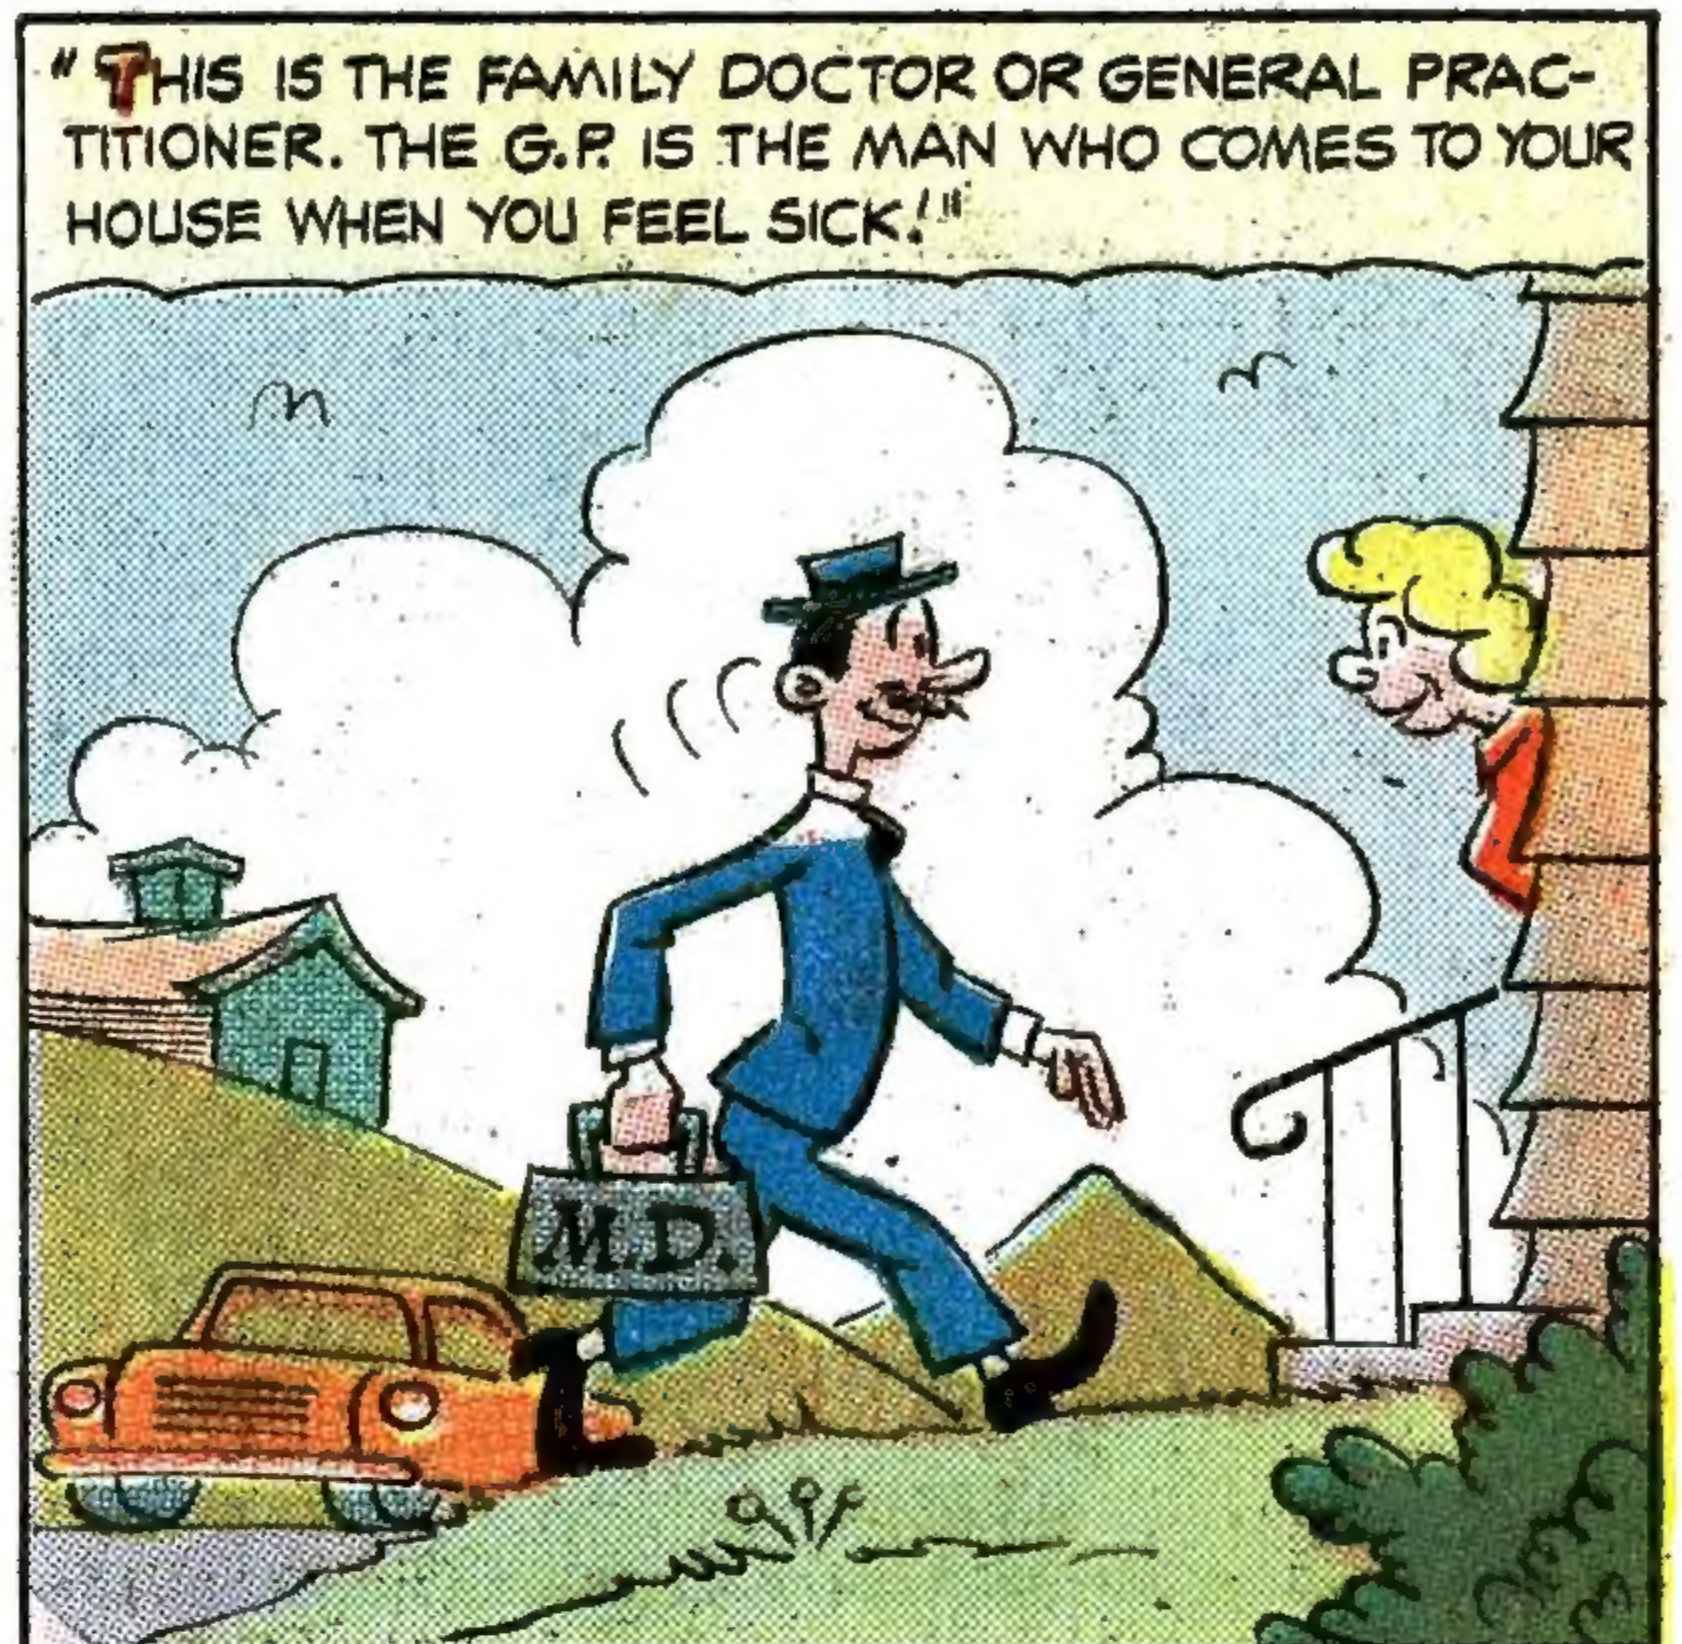

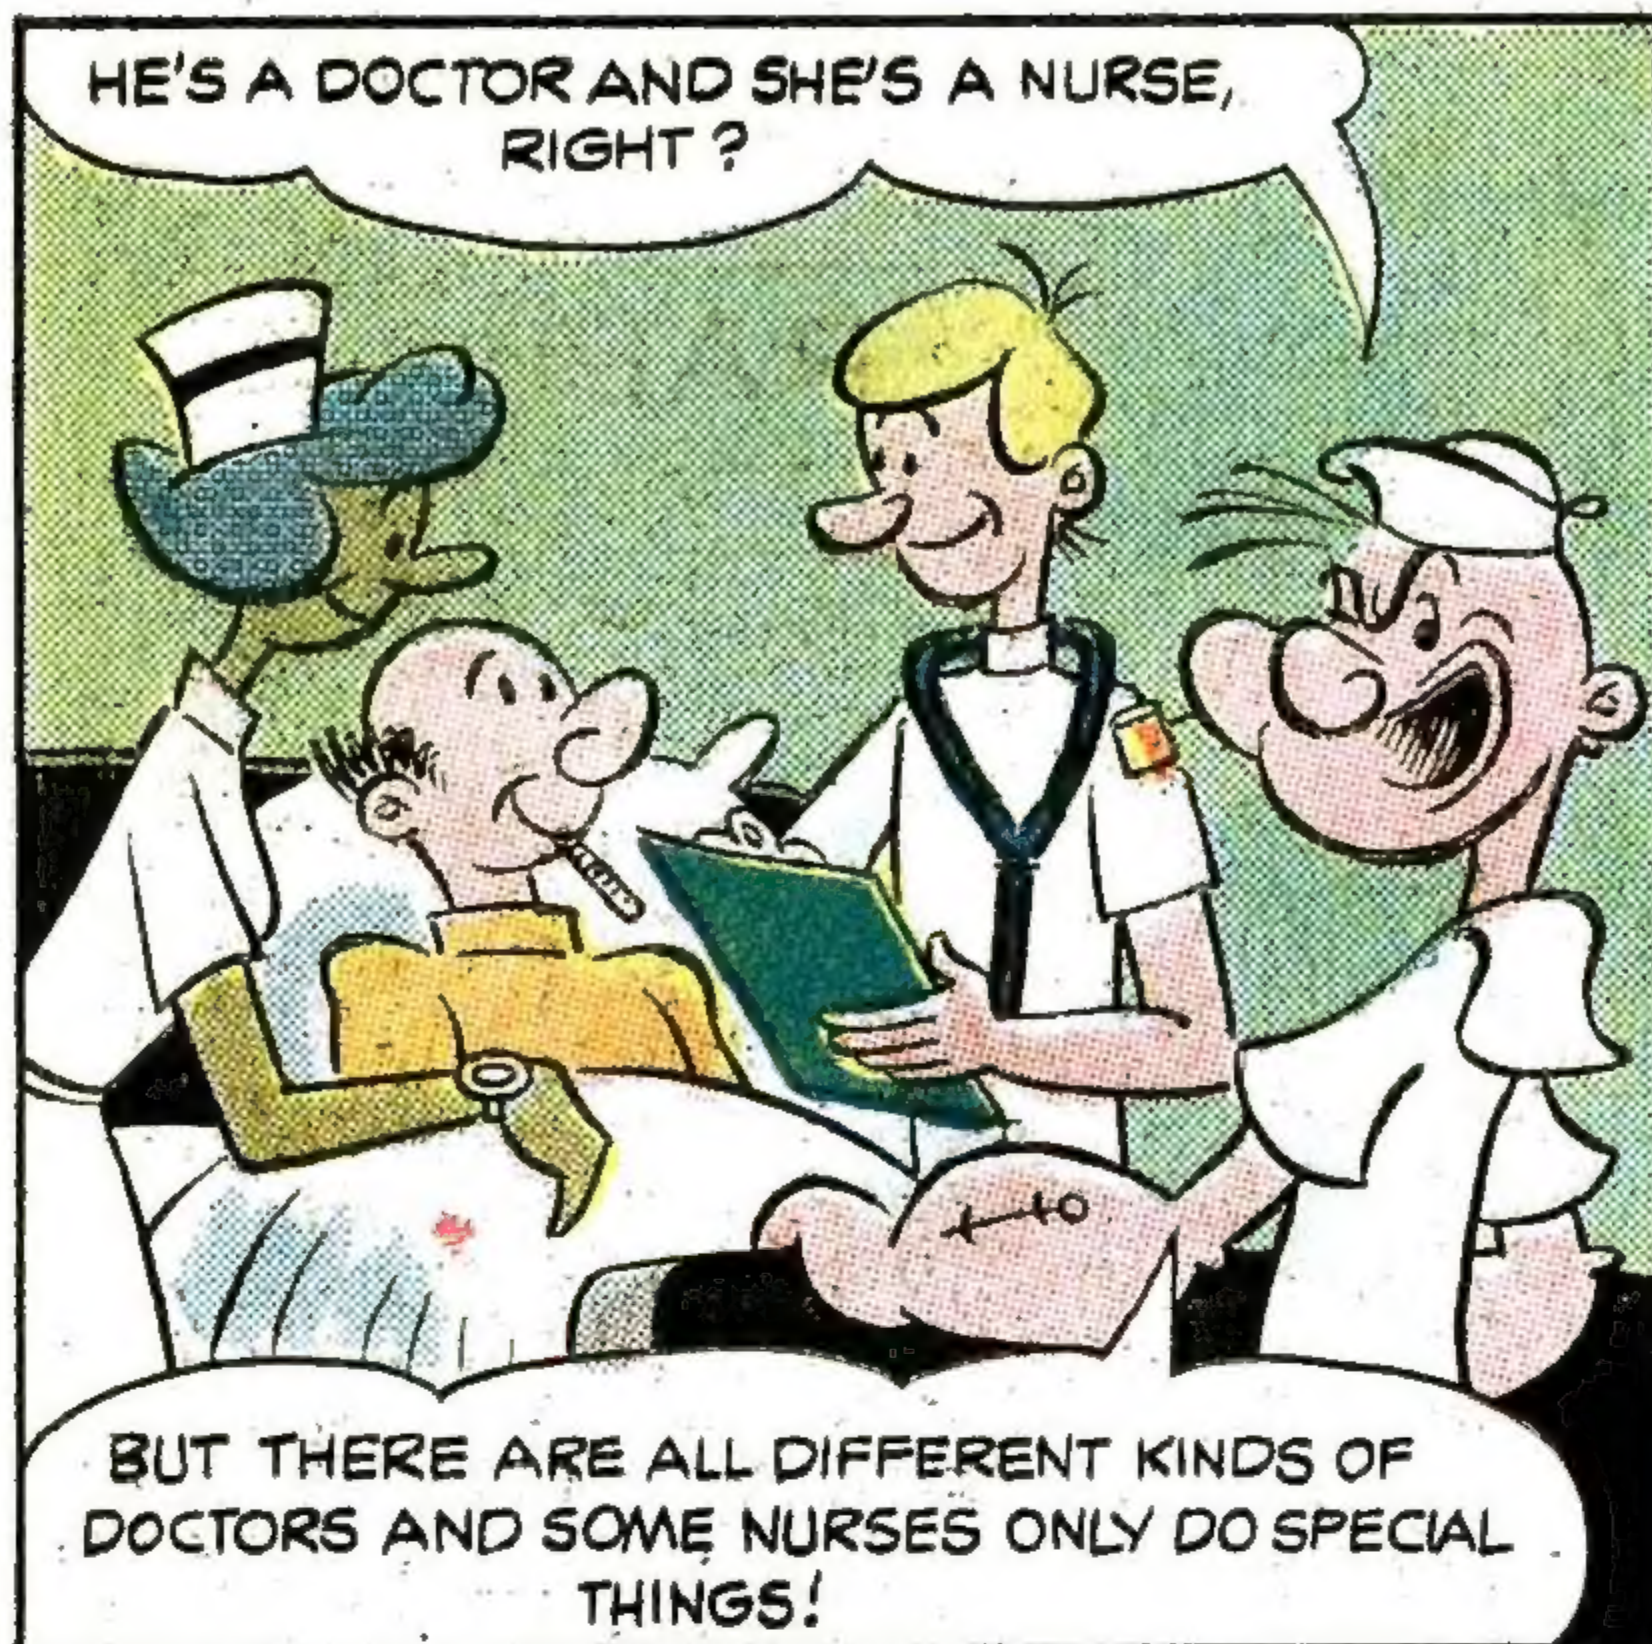

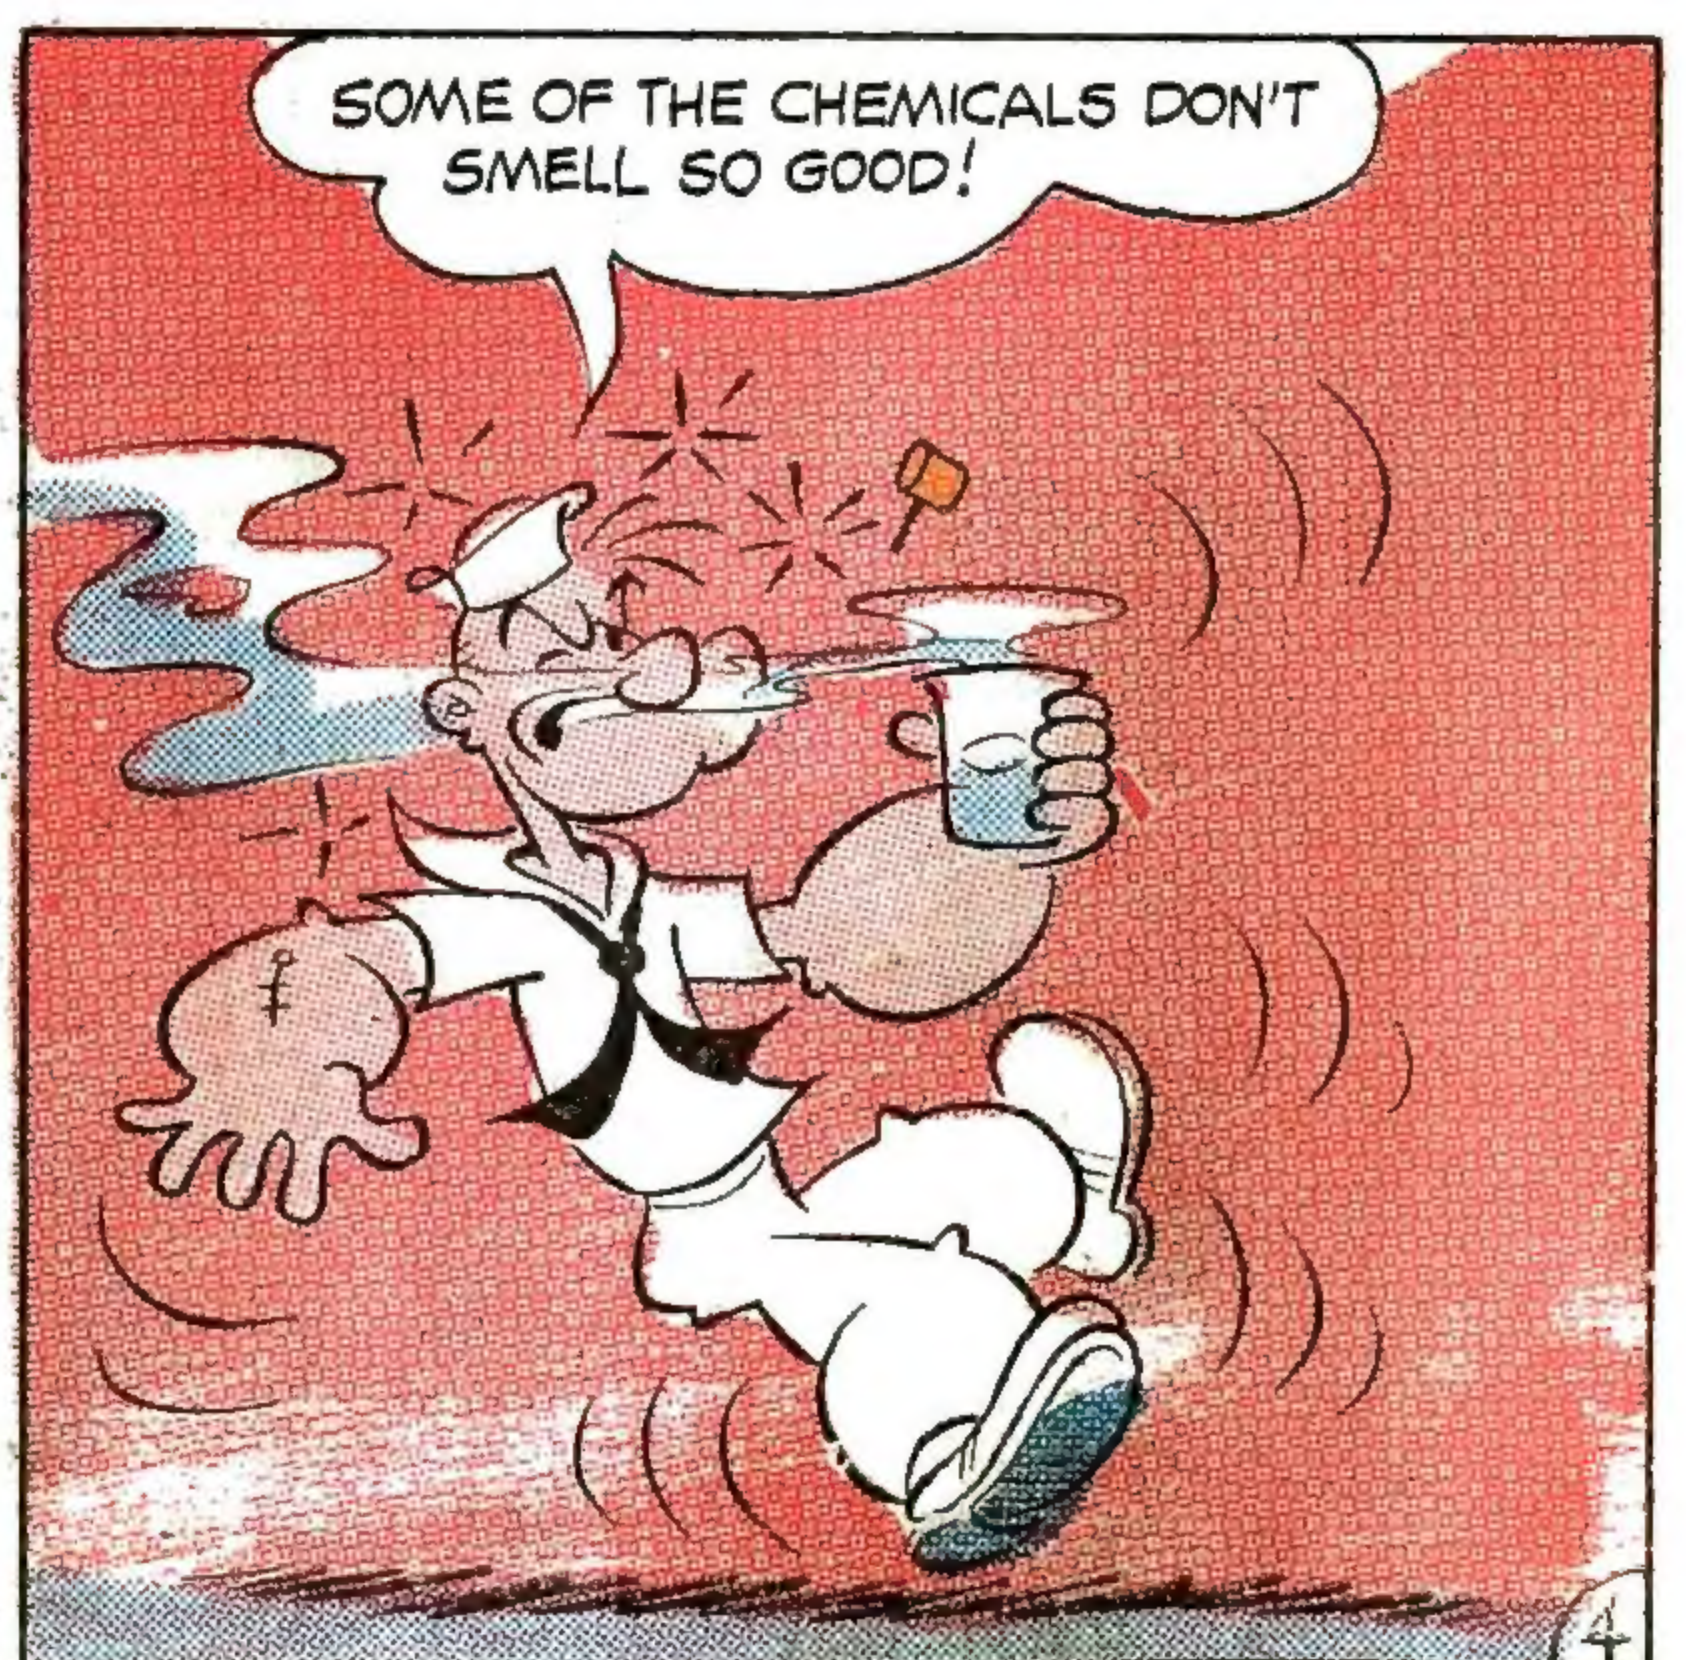

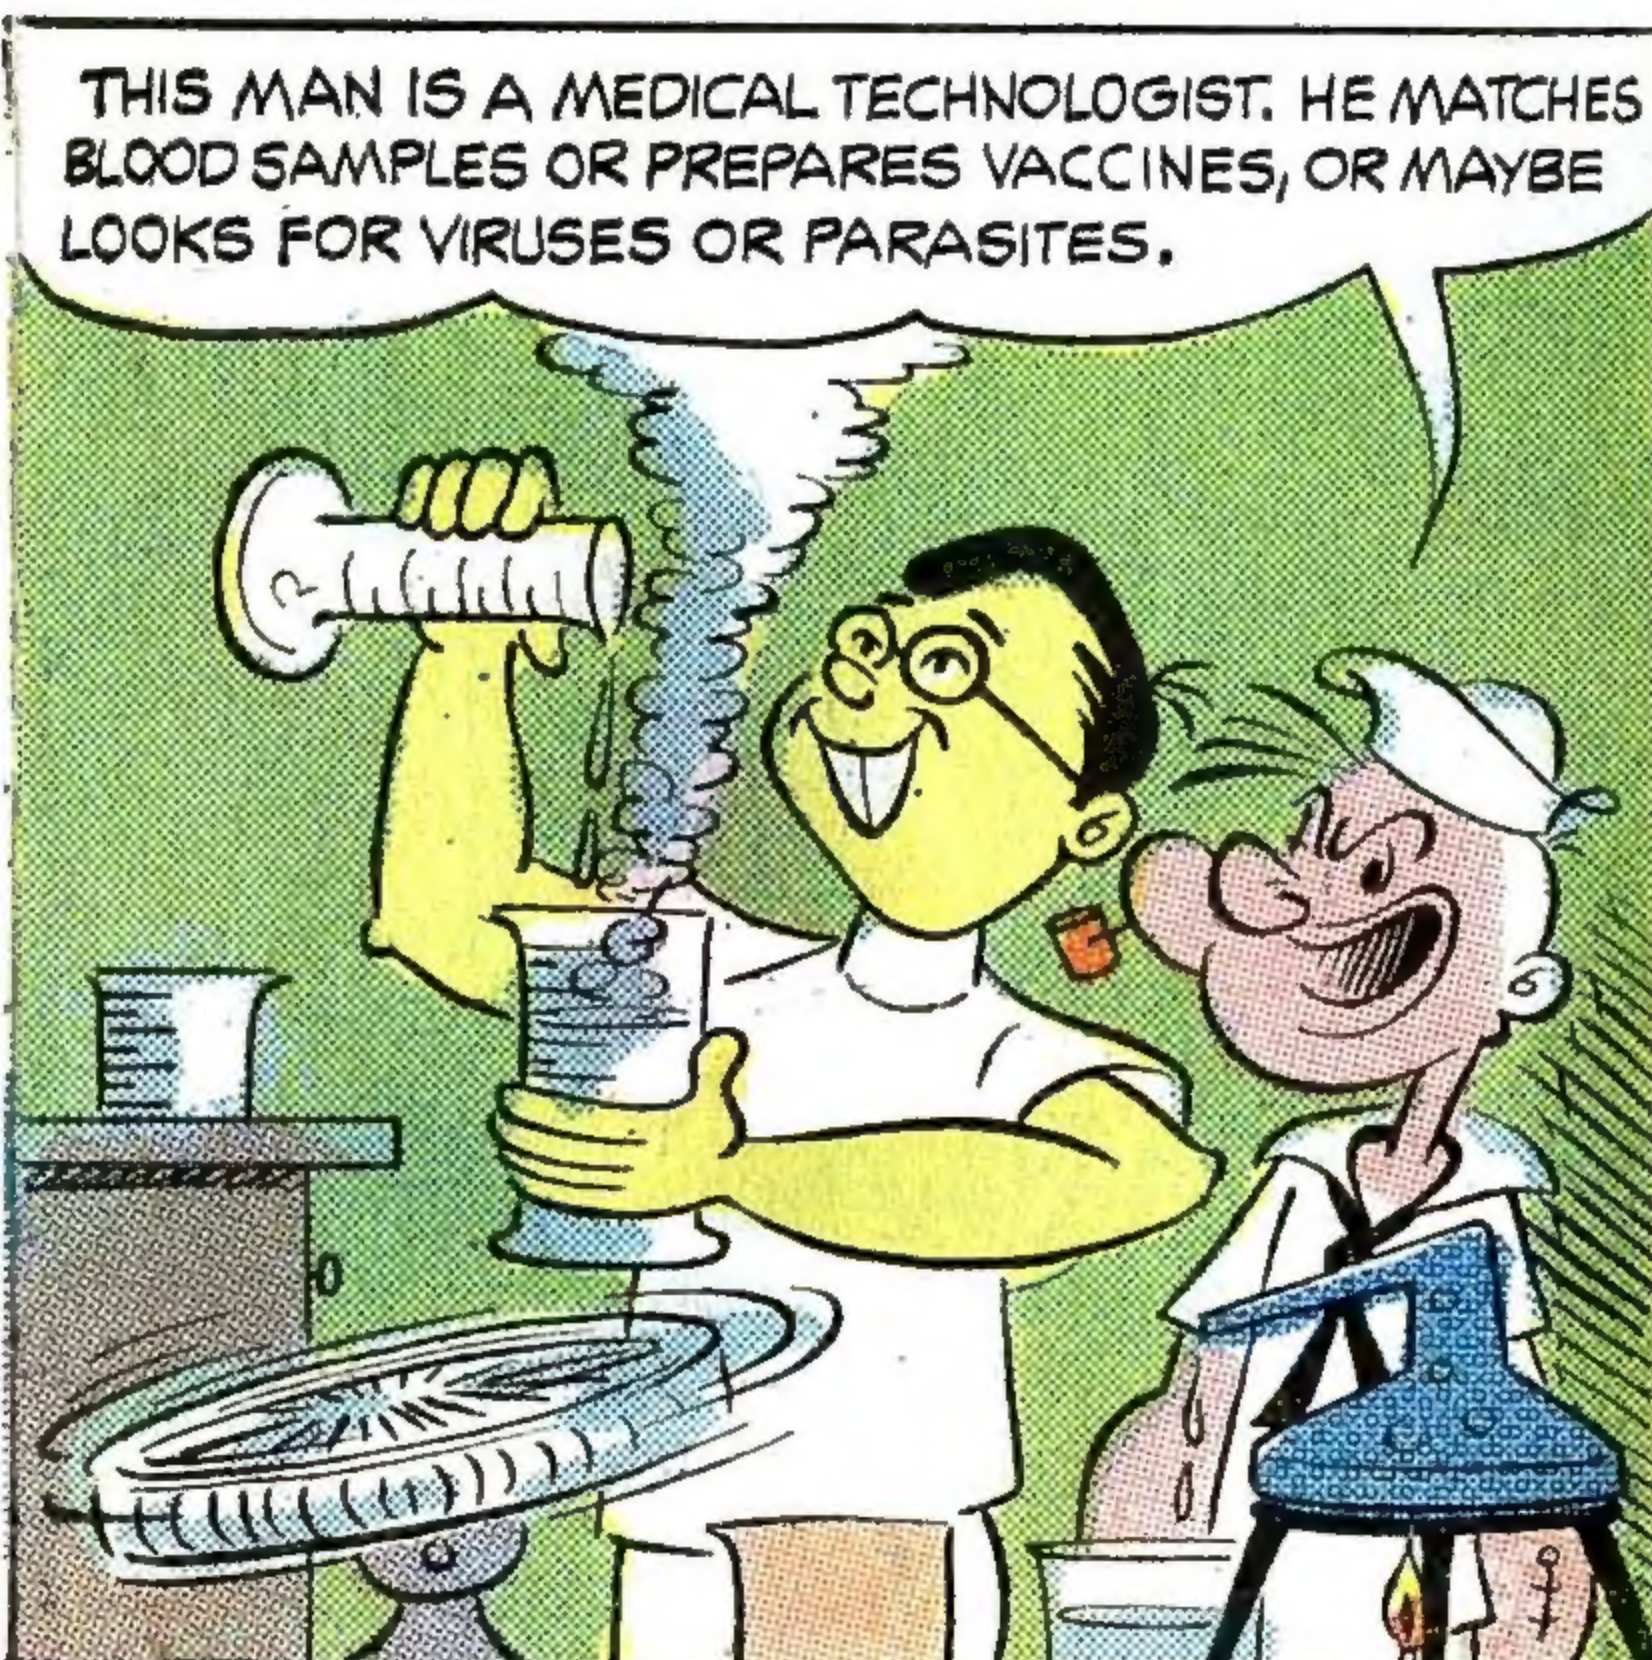

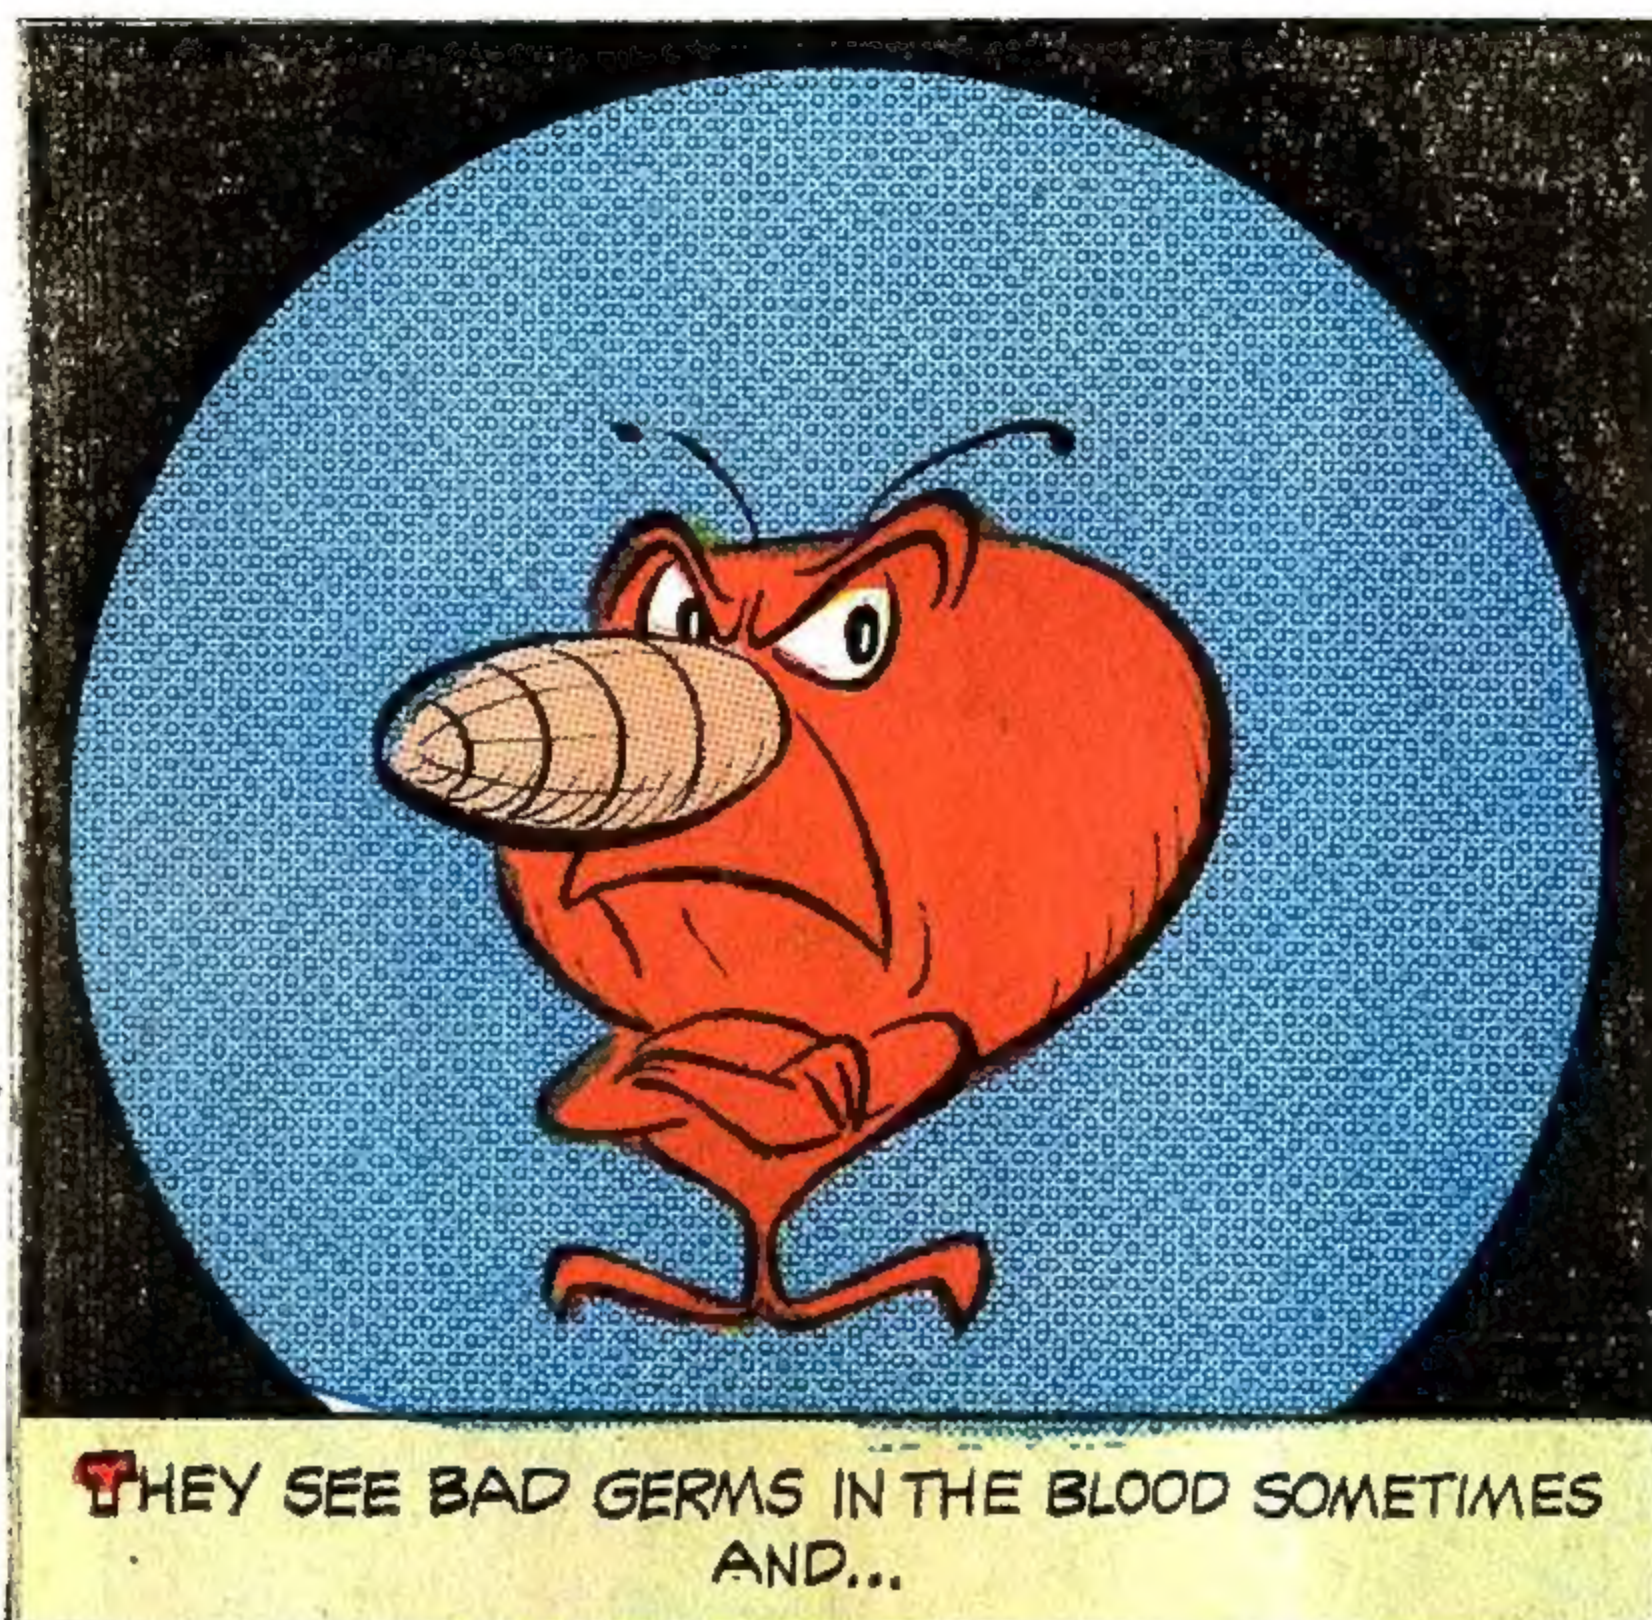

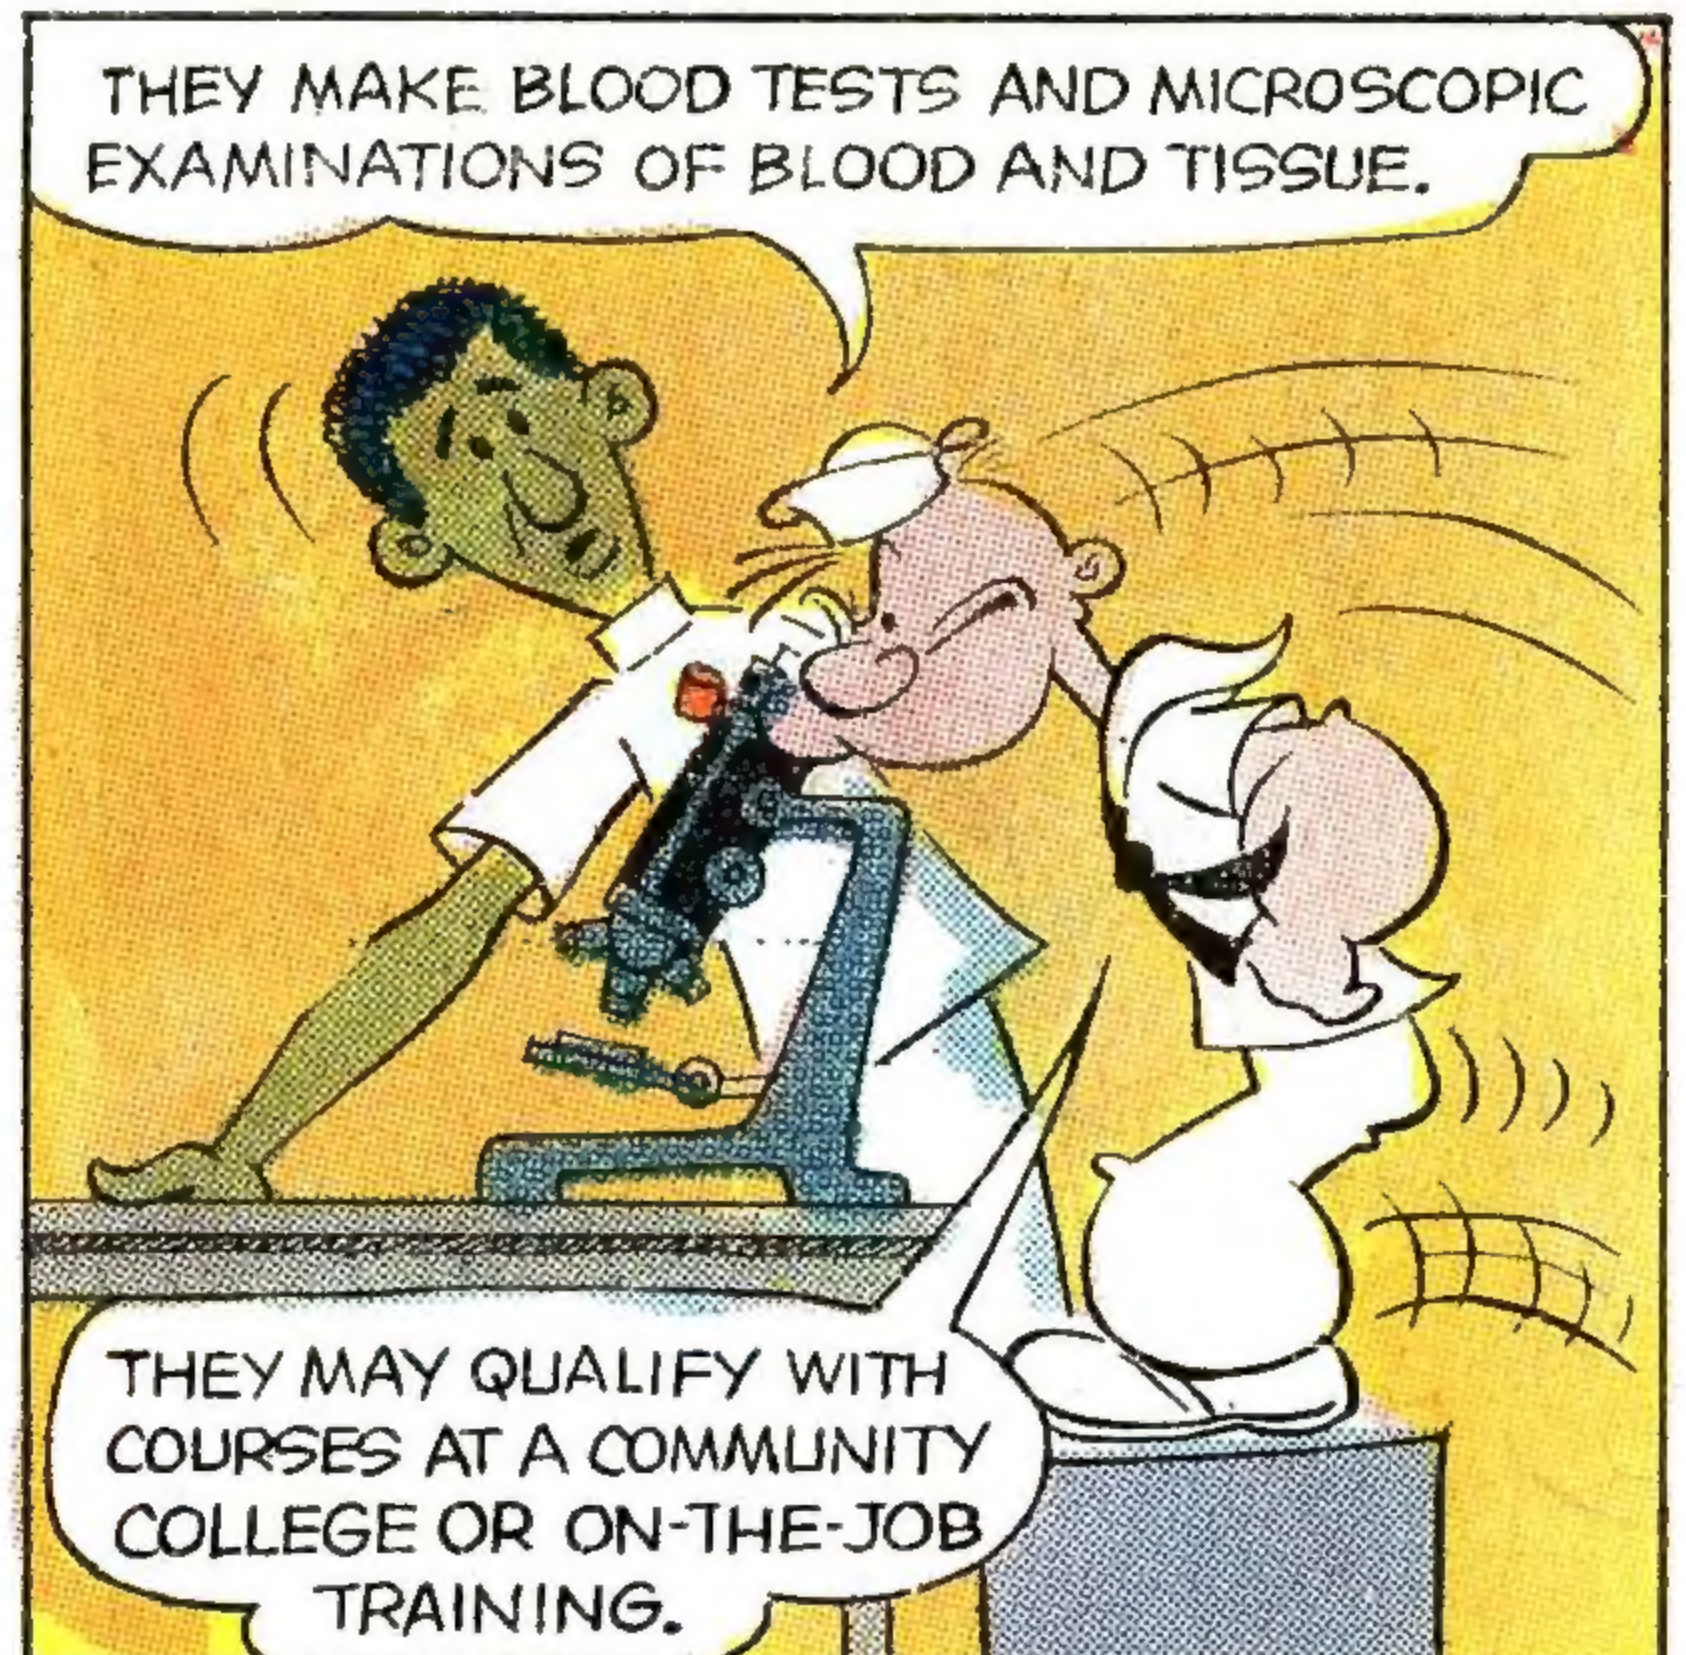

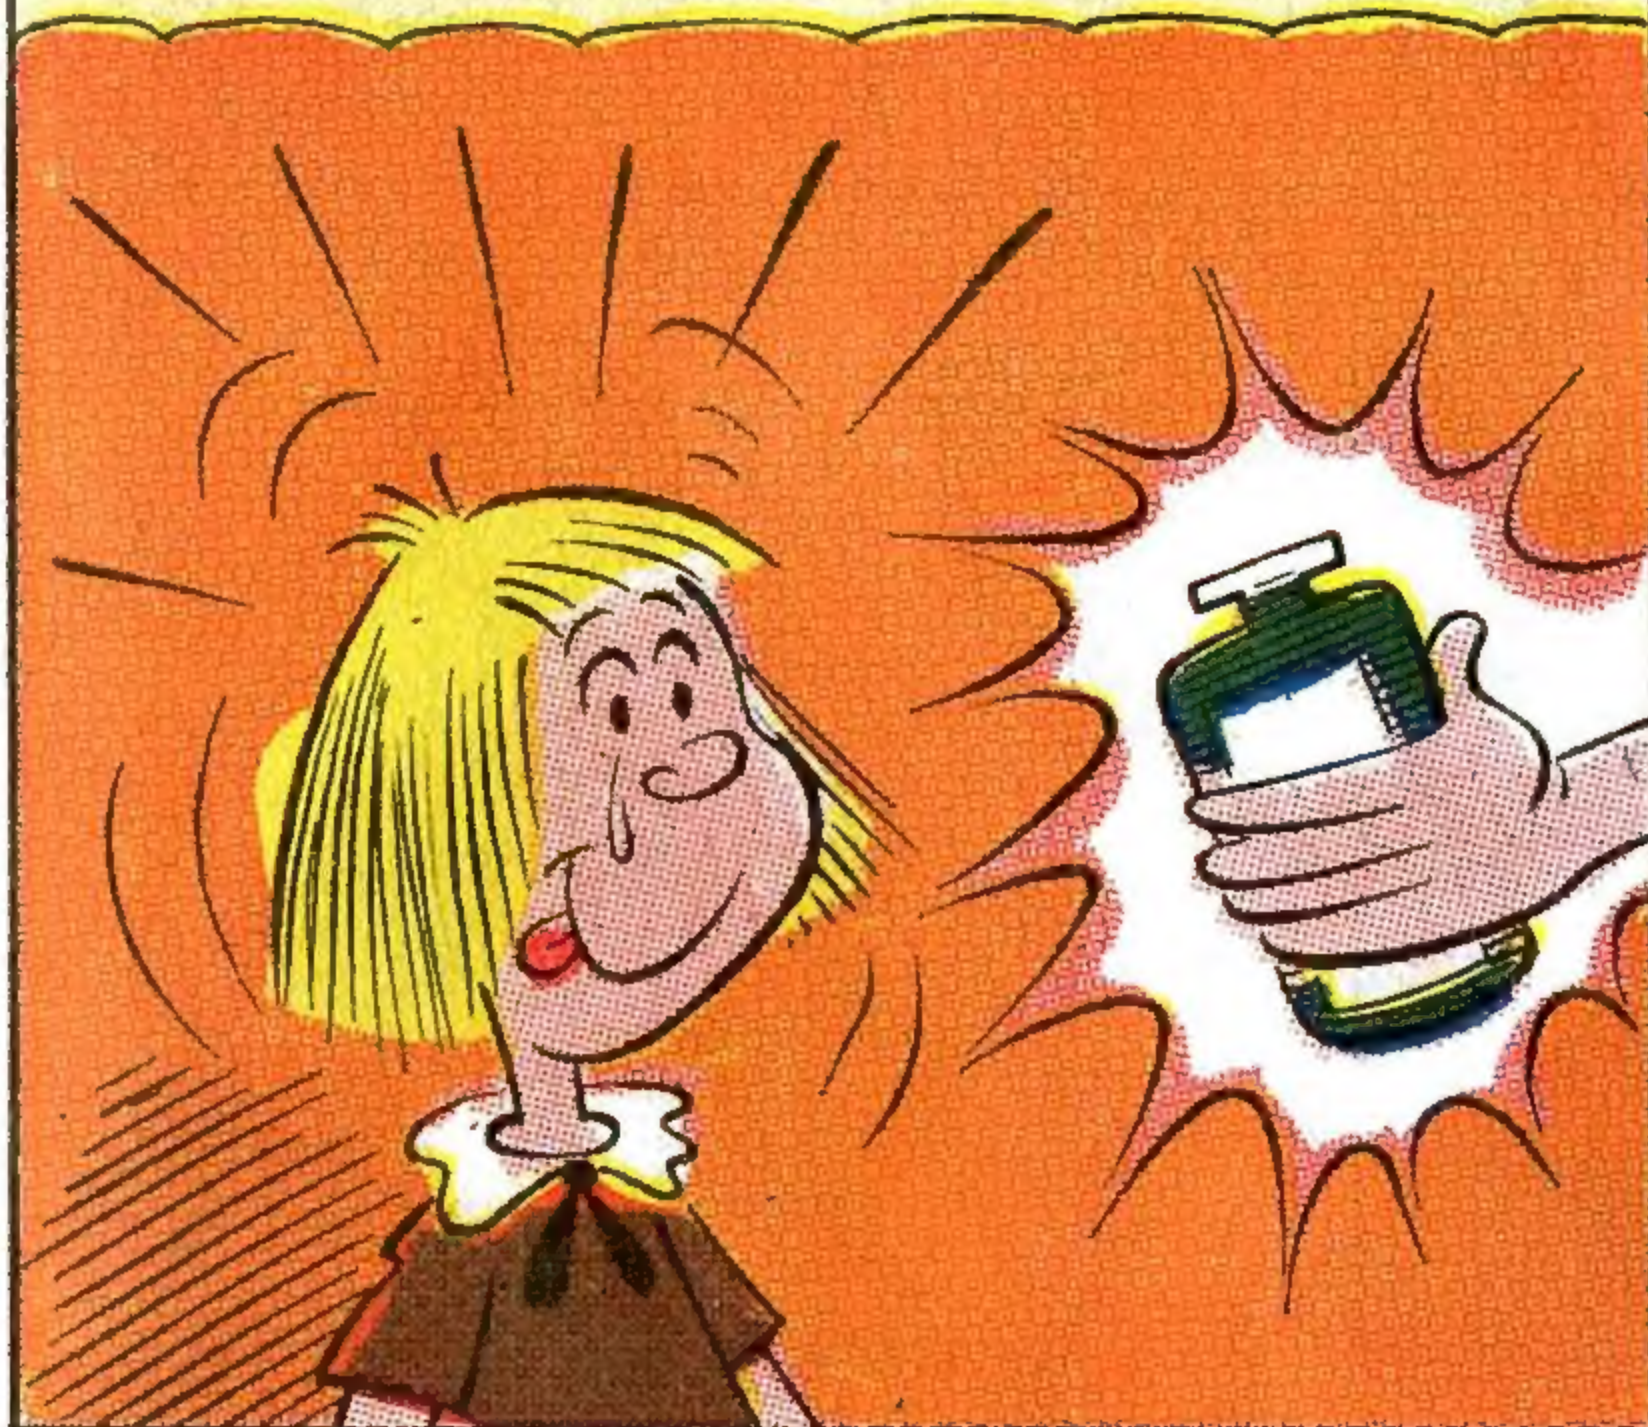

"THIS MAN IS A PHARMACIST  
JUST LIKE THE FELLOW WHO  
RUNS THE DRUG STORE IN  
YOUR NEIGHBORHOOD."

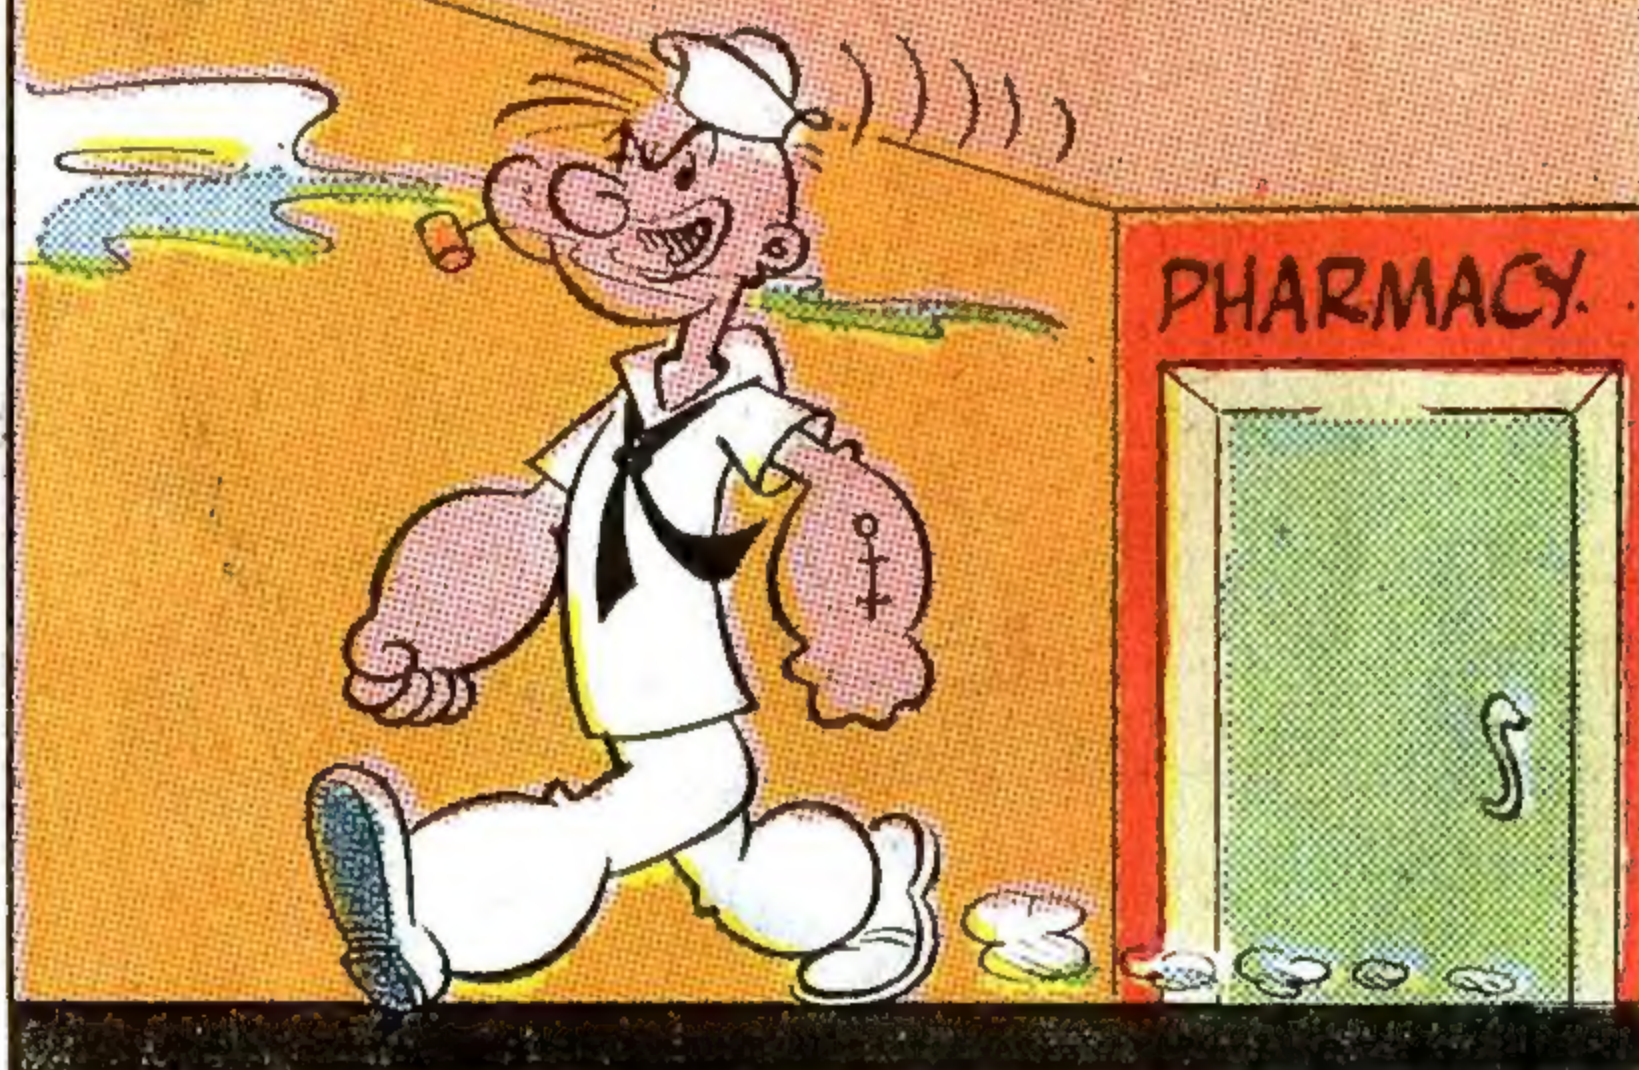

WHEN YOUR DOCTOR WRITES A **PRESCRIPTION**,  
THE PHARMACIST READS IT AND PREPARES THE  
MEDICINE YOU GET WHEN YOU'RE SICK.

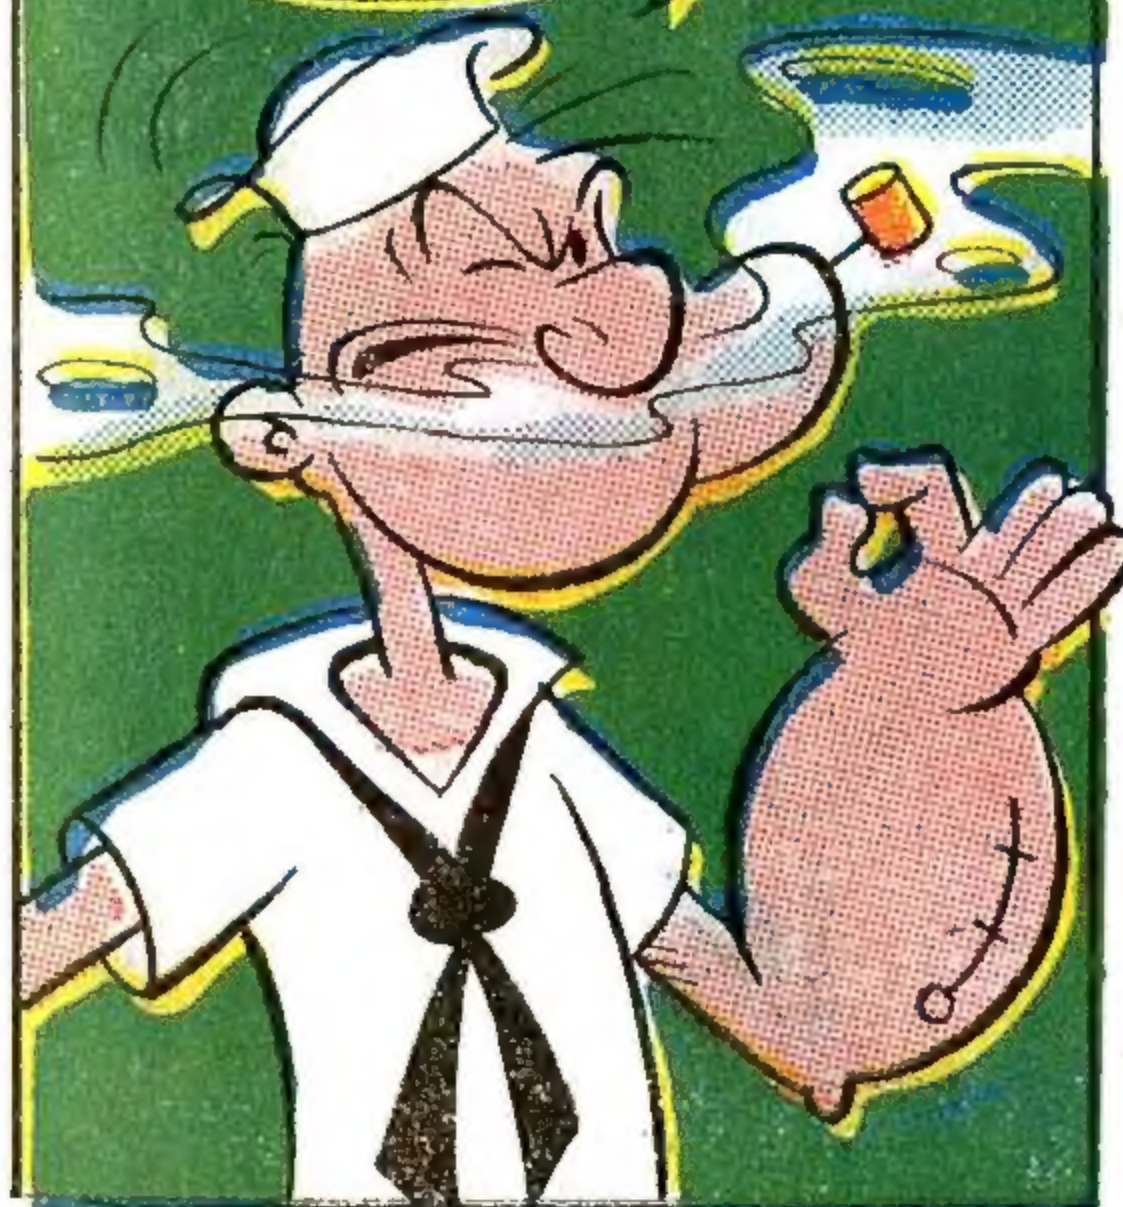

"**L**OTS OF TIMES THE PHARMACIST FIXES IT SO THE  
MEDICINE EVEN TASTES GOOD!"

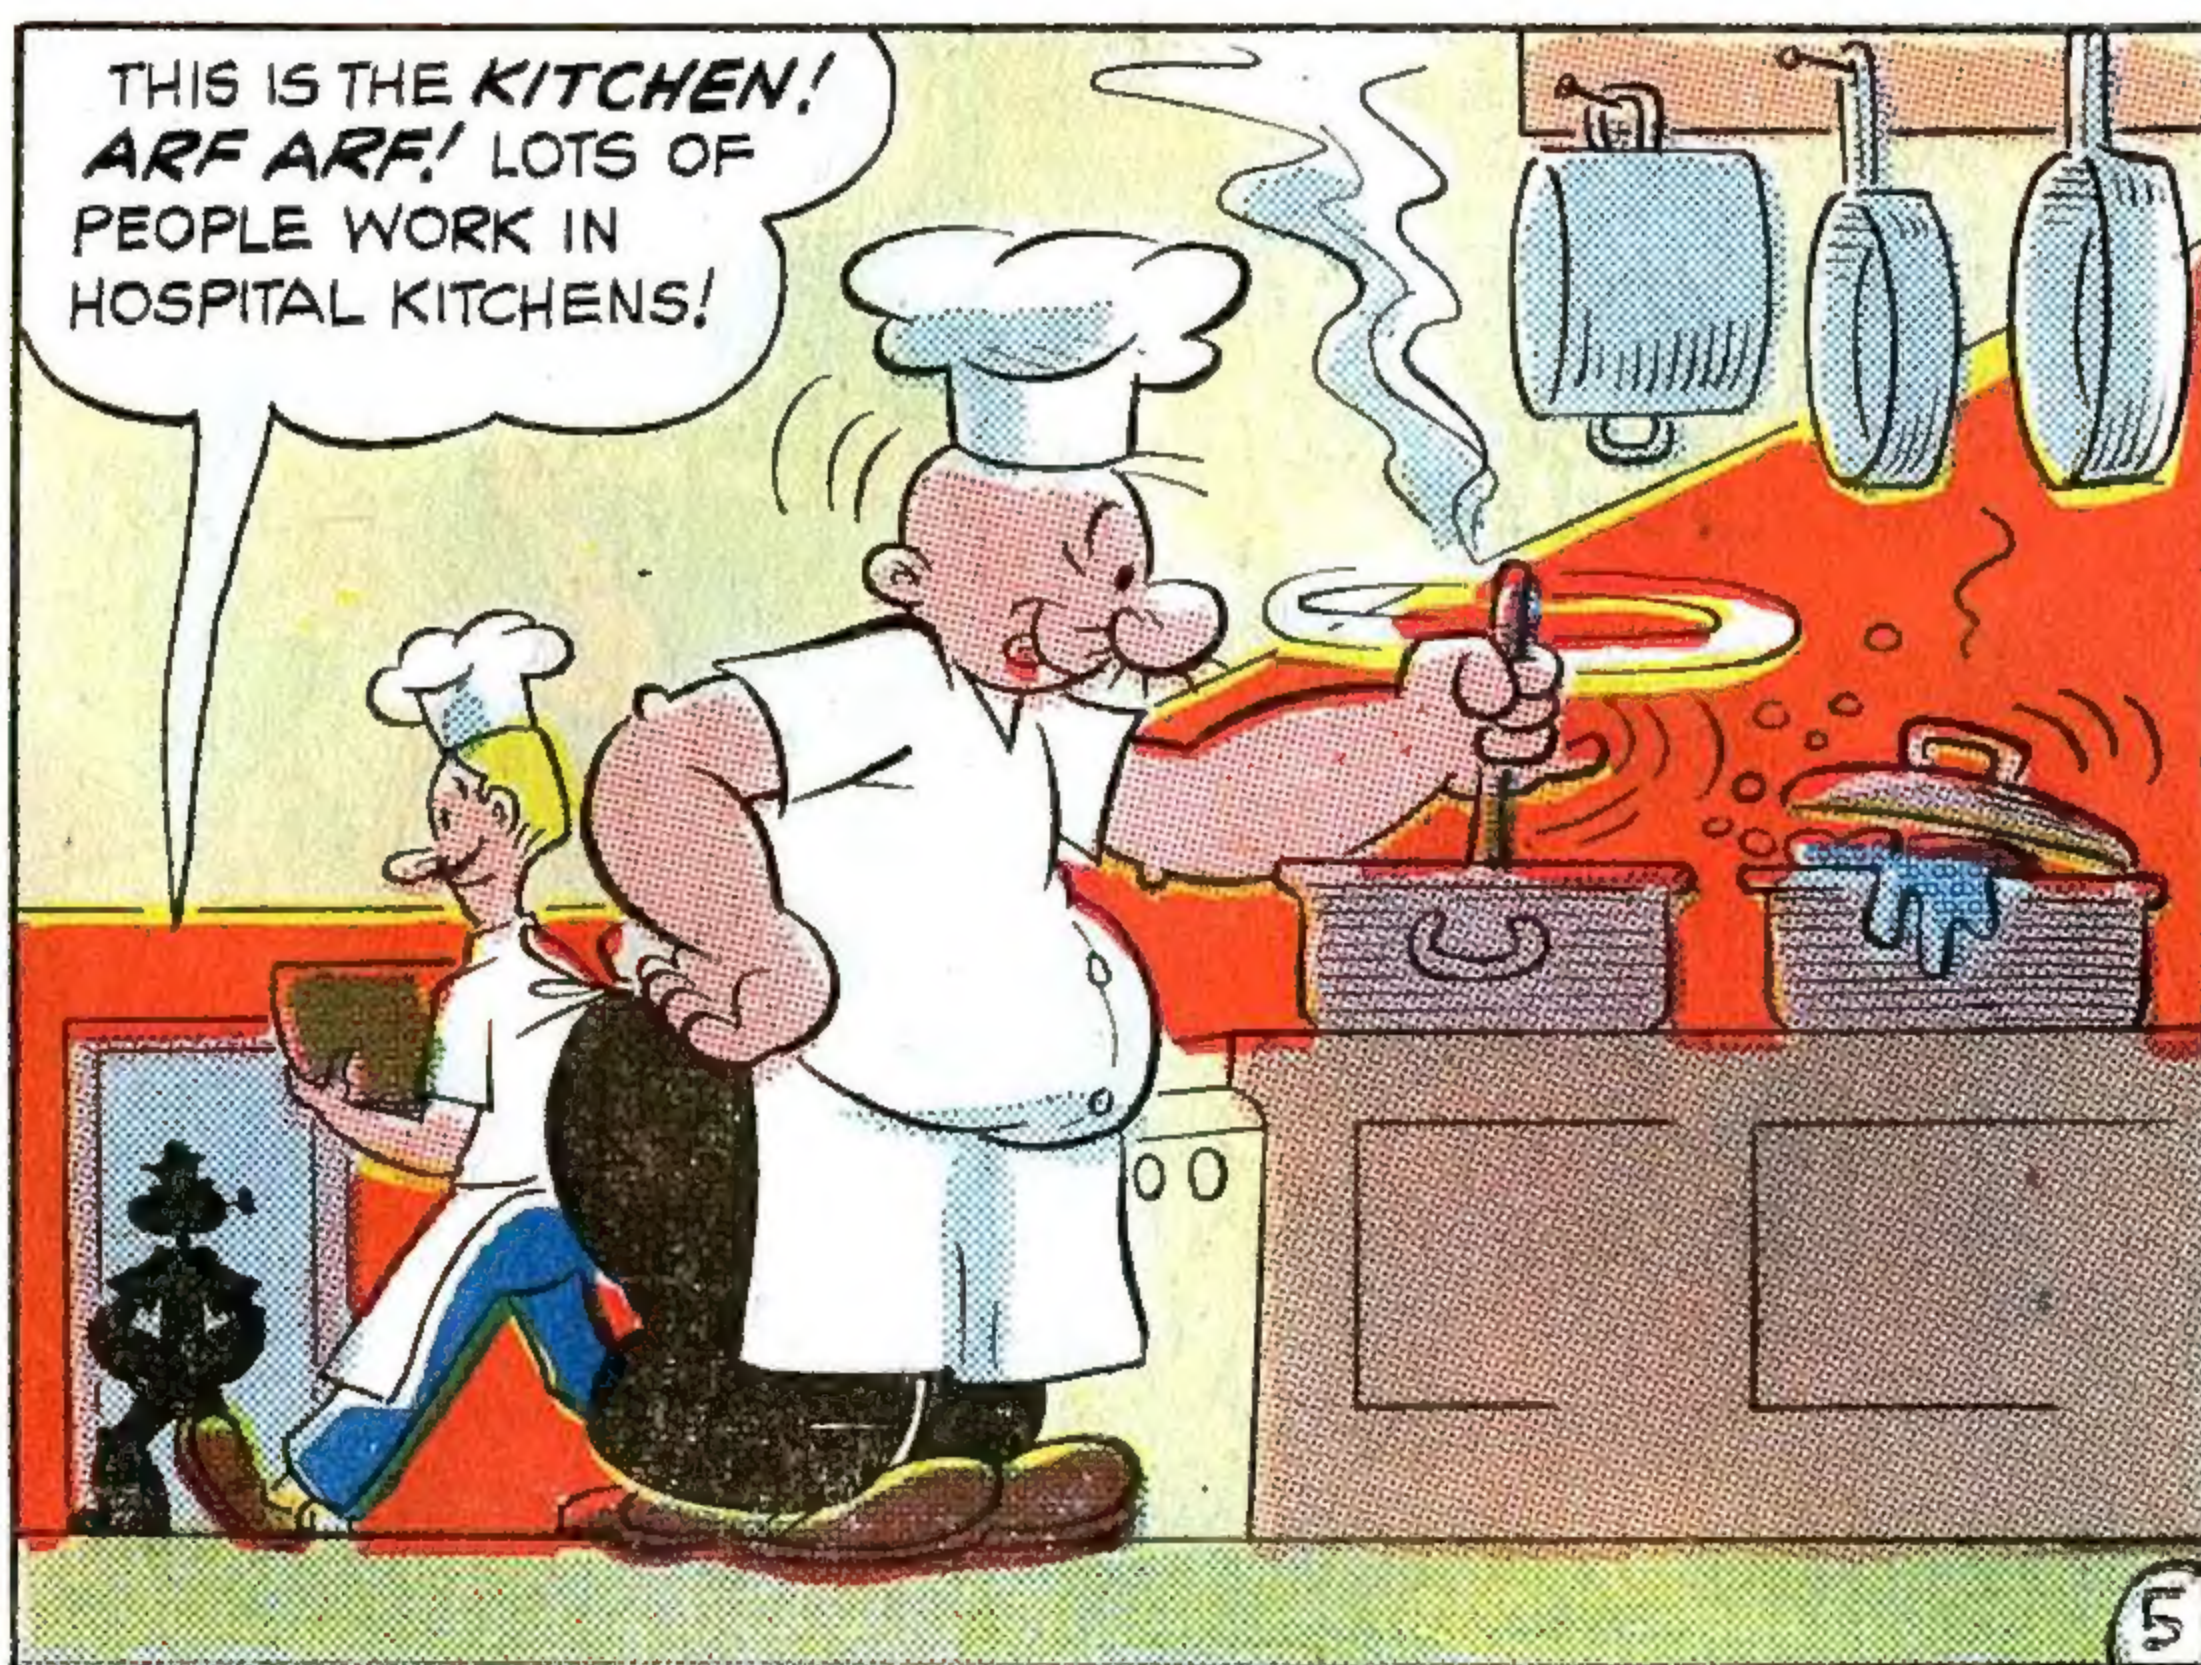

YOU'VE GOT TO GO TO COLLEGE AND  
THEN AN ACCREDITED SCHOOL OF  
PHARMACY TO DO THE JOB BUT THEY  
EARN EXCELLENT SALARIES.

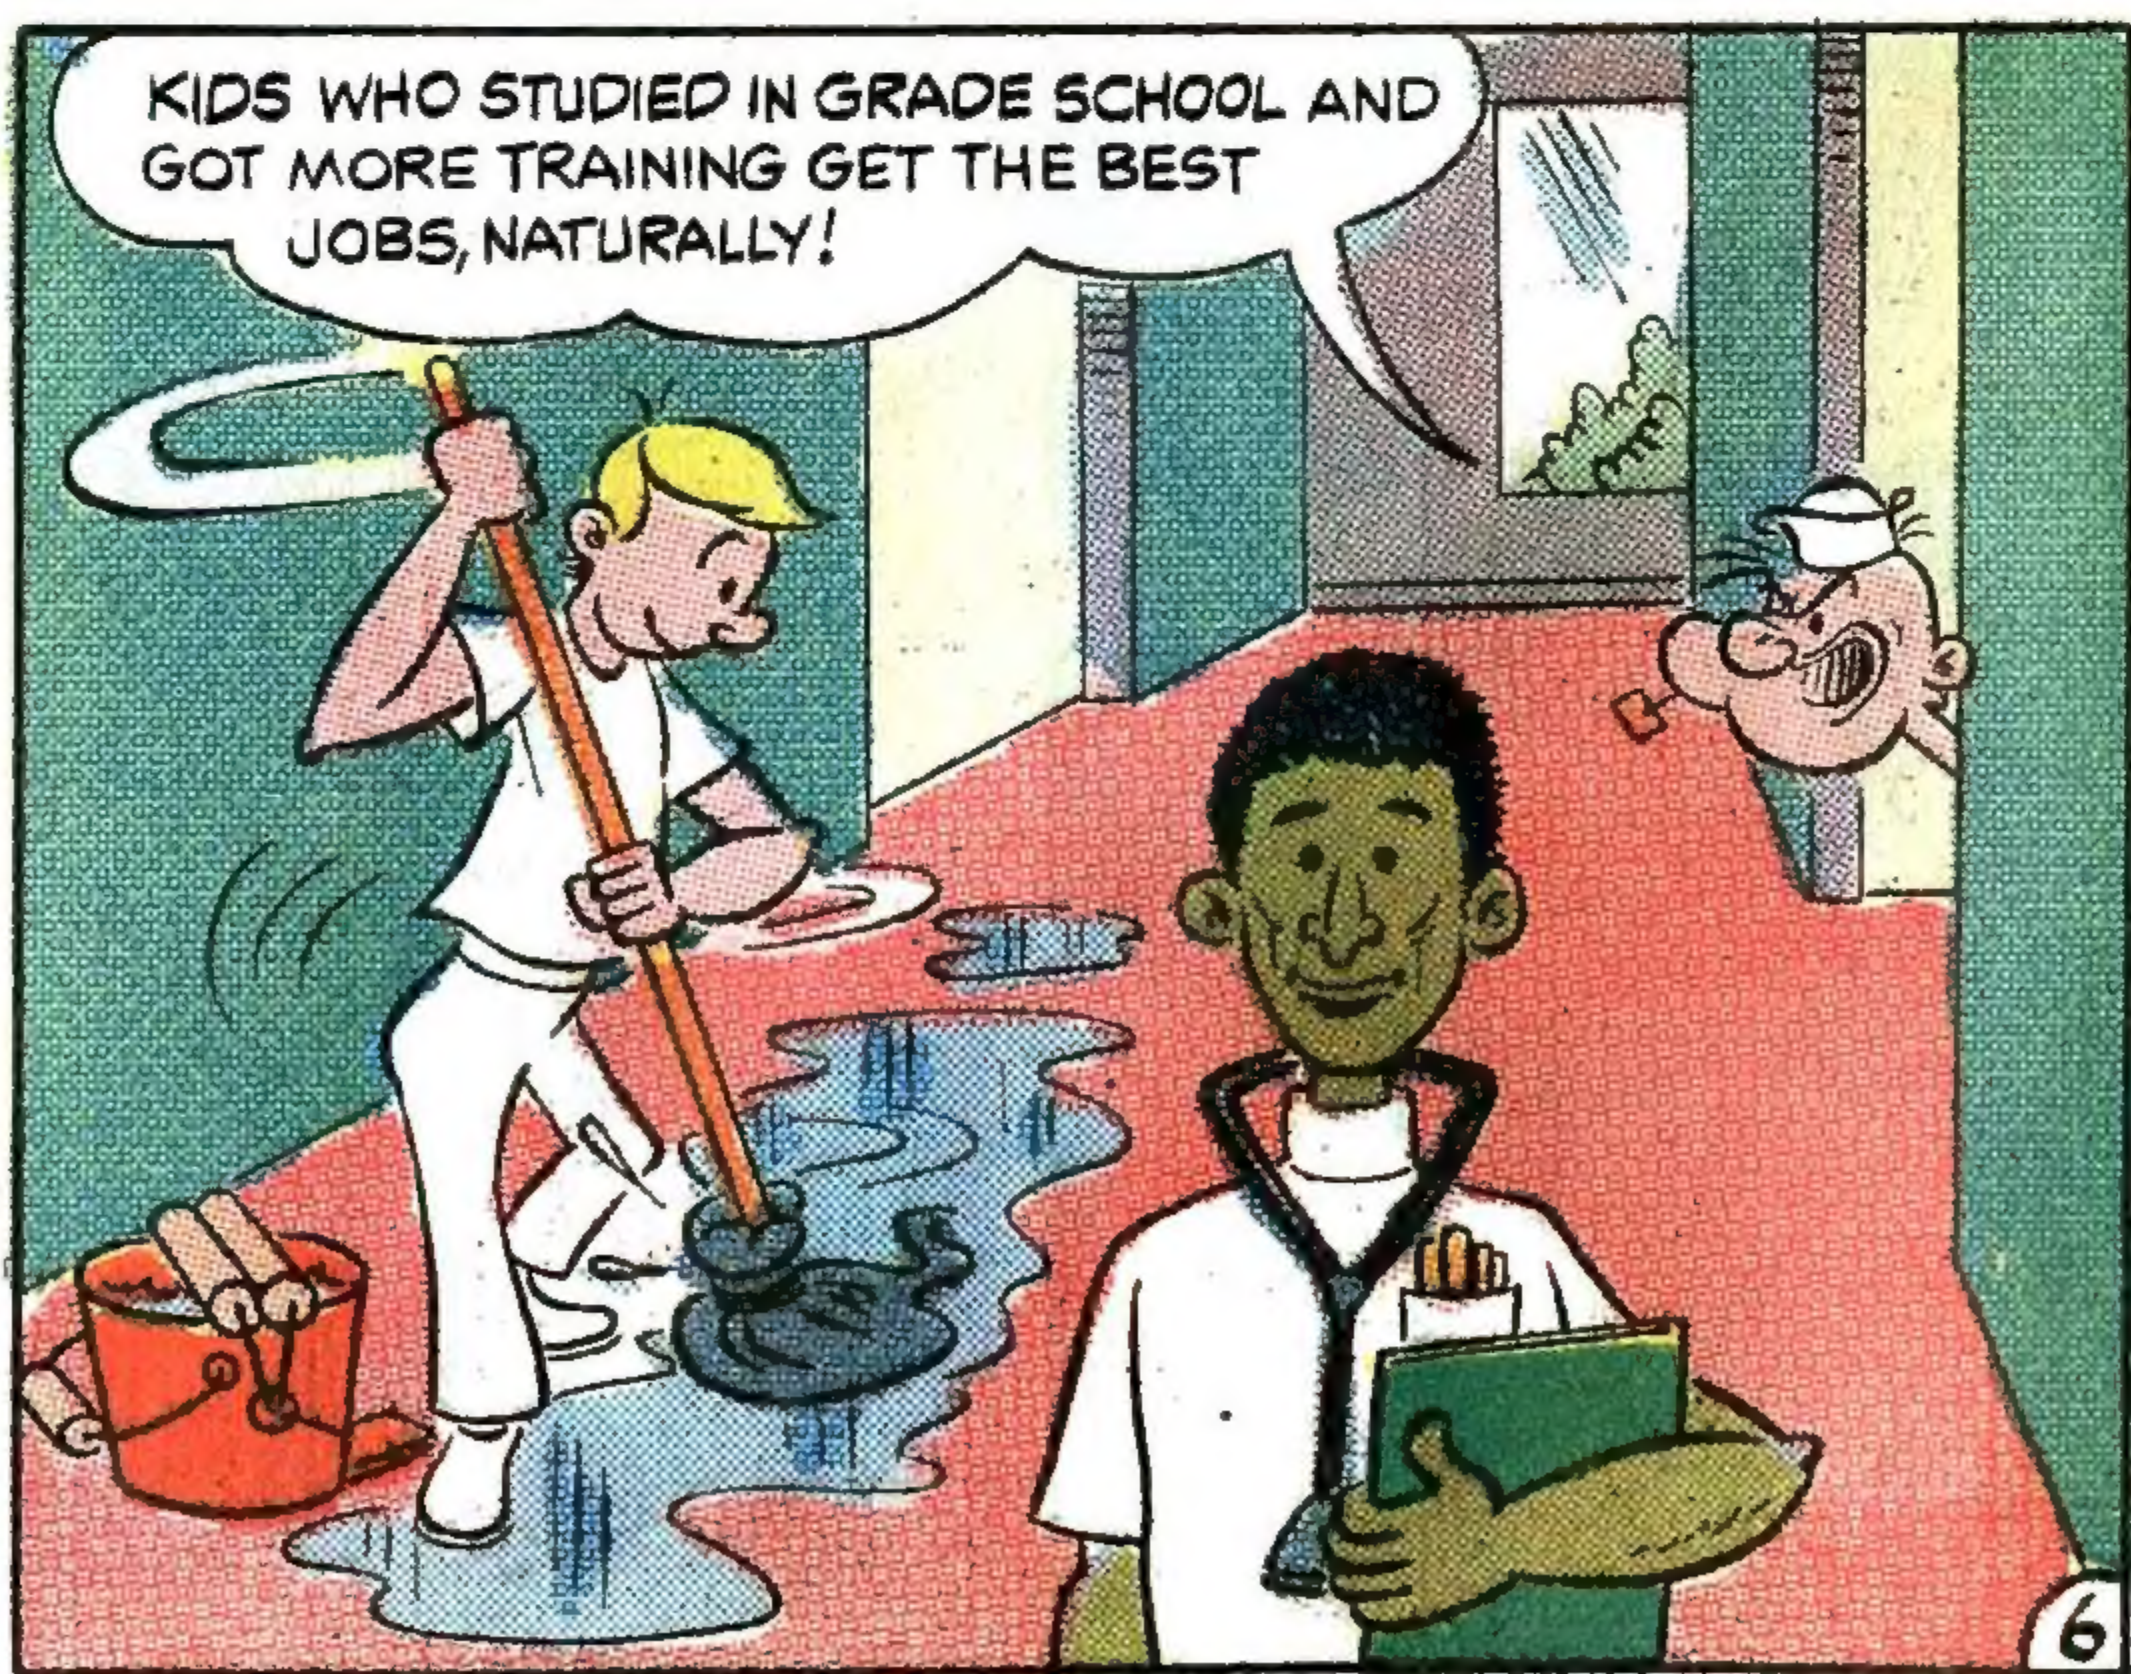

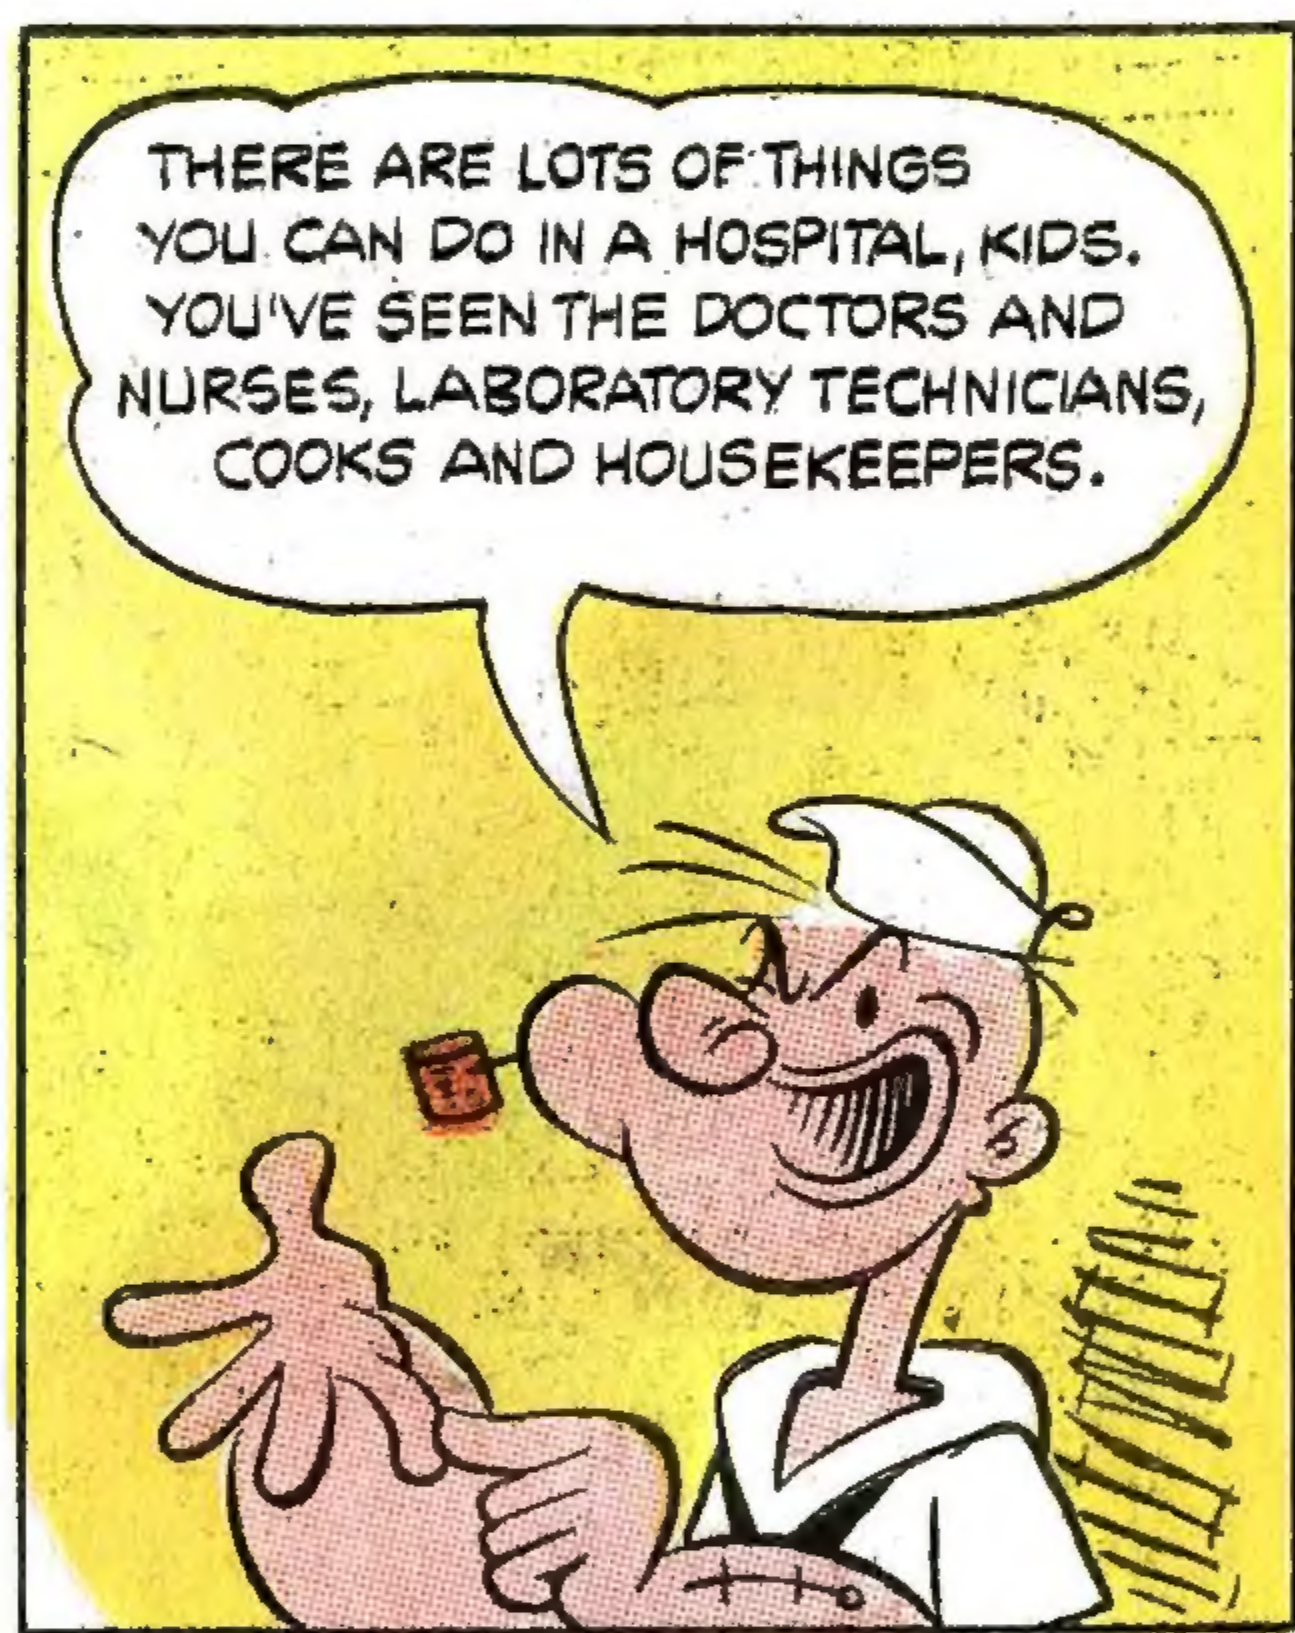

HMMM. SOMEONE MUST  
BE DOING SOMETHING  
TERRIFIC DOWN THIS  
CORRIDOR.

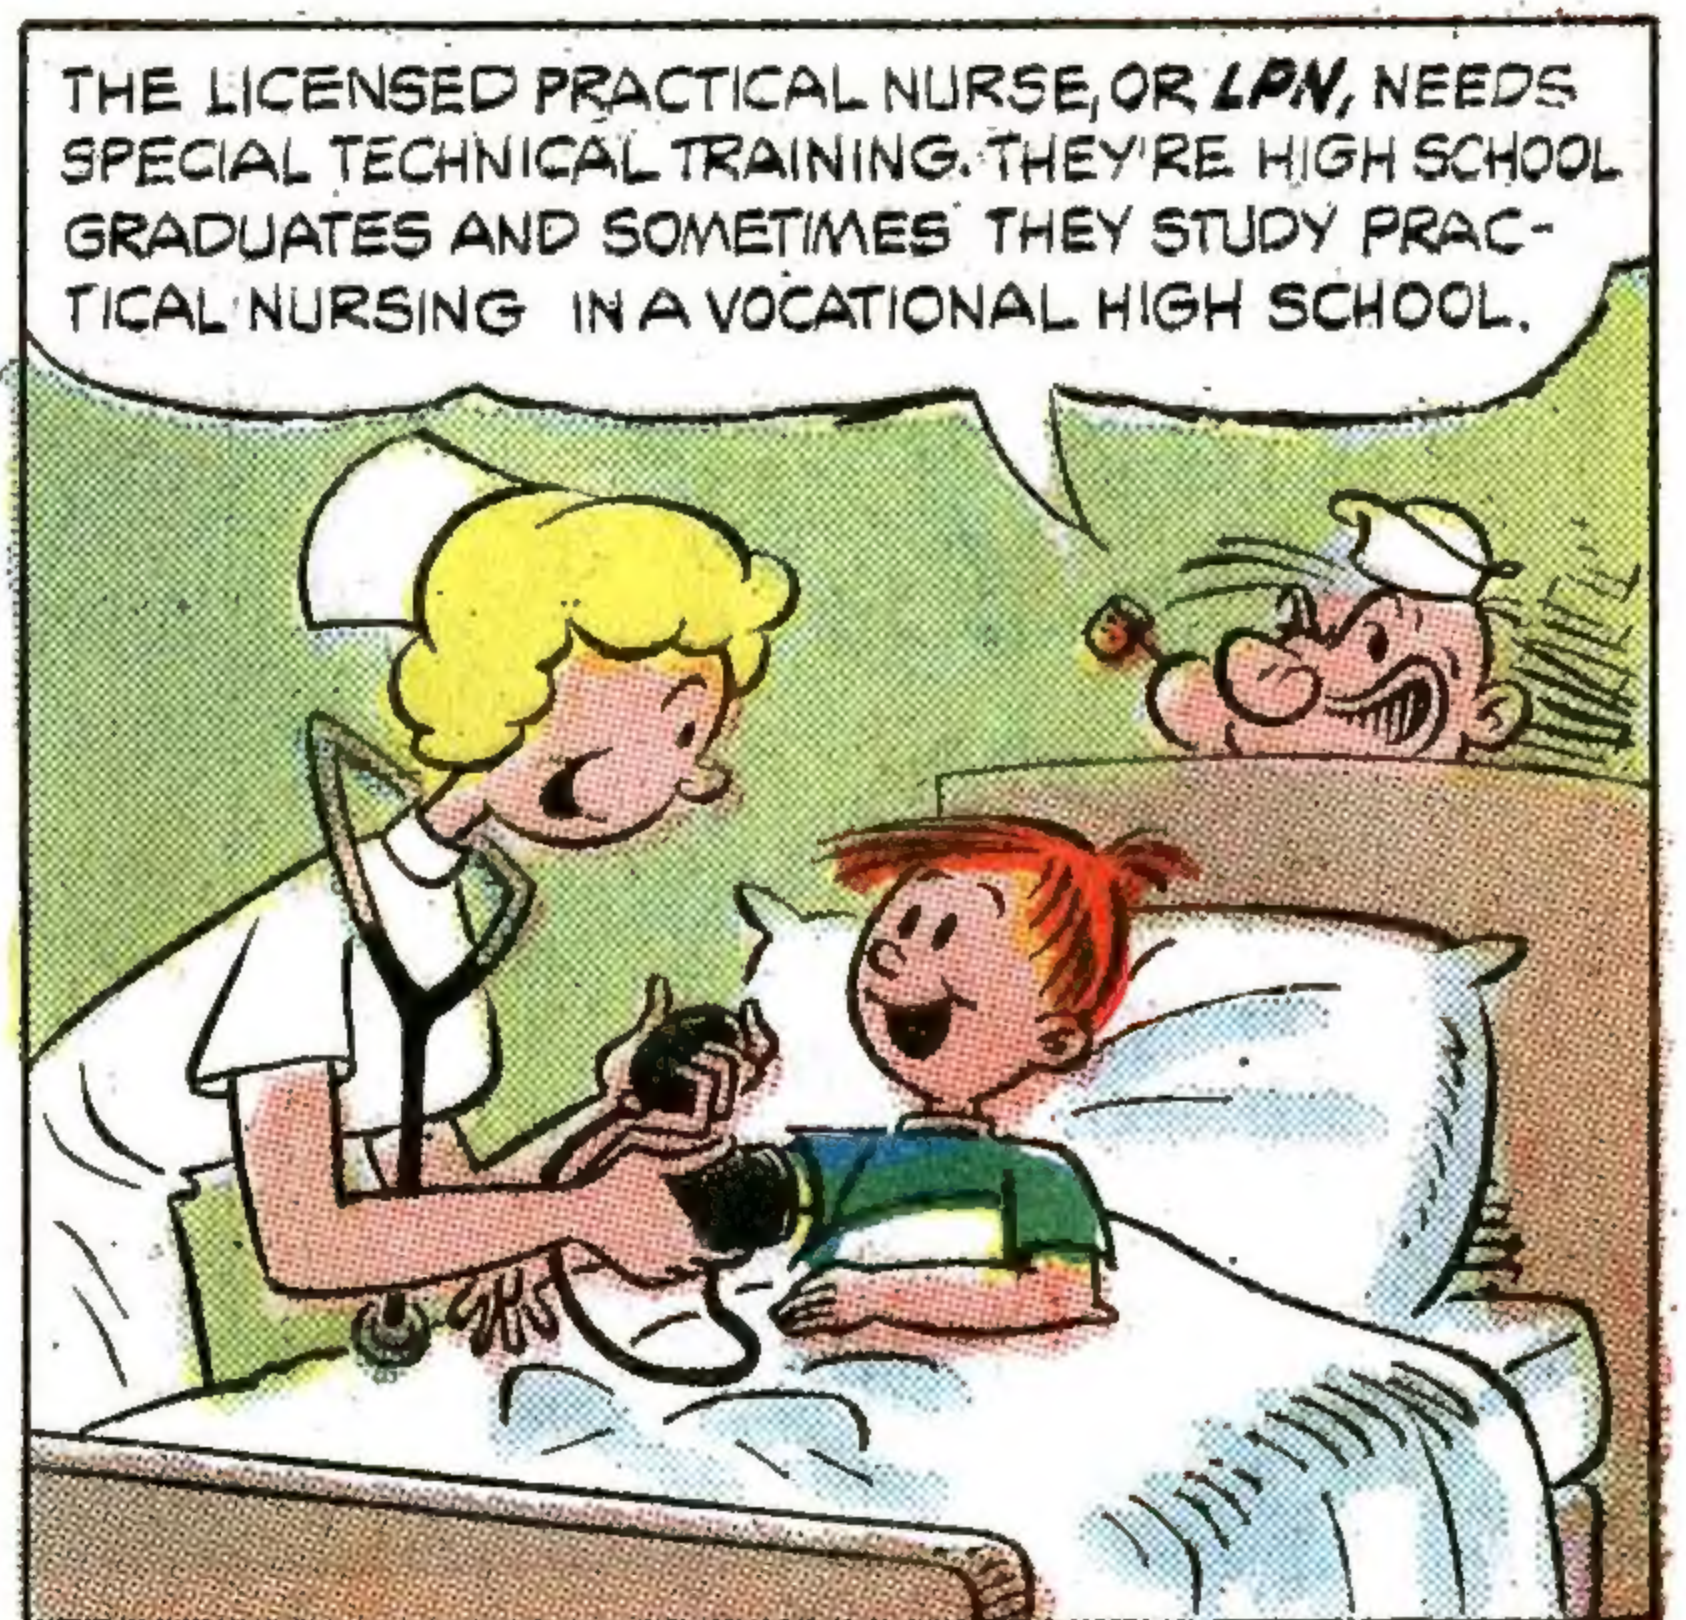

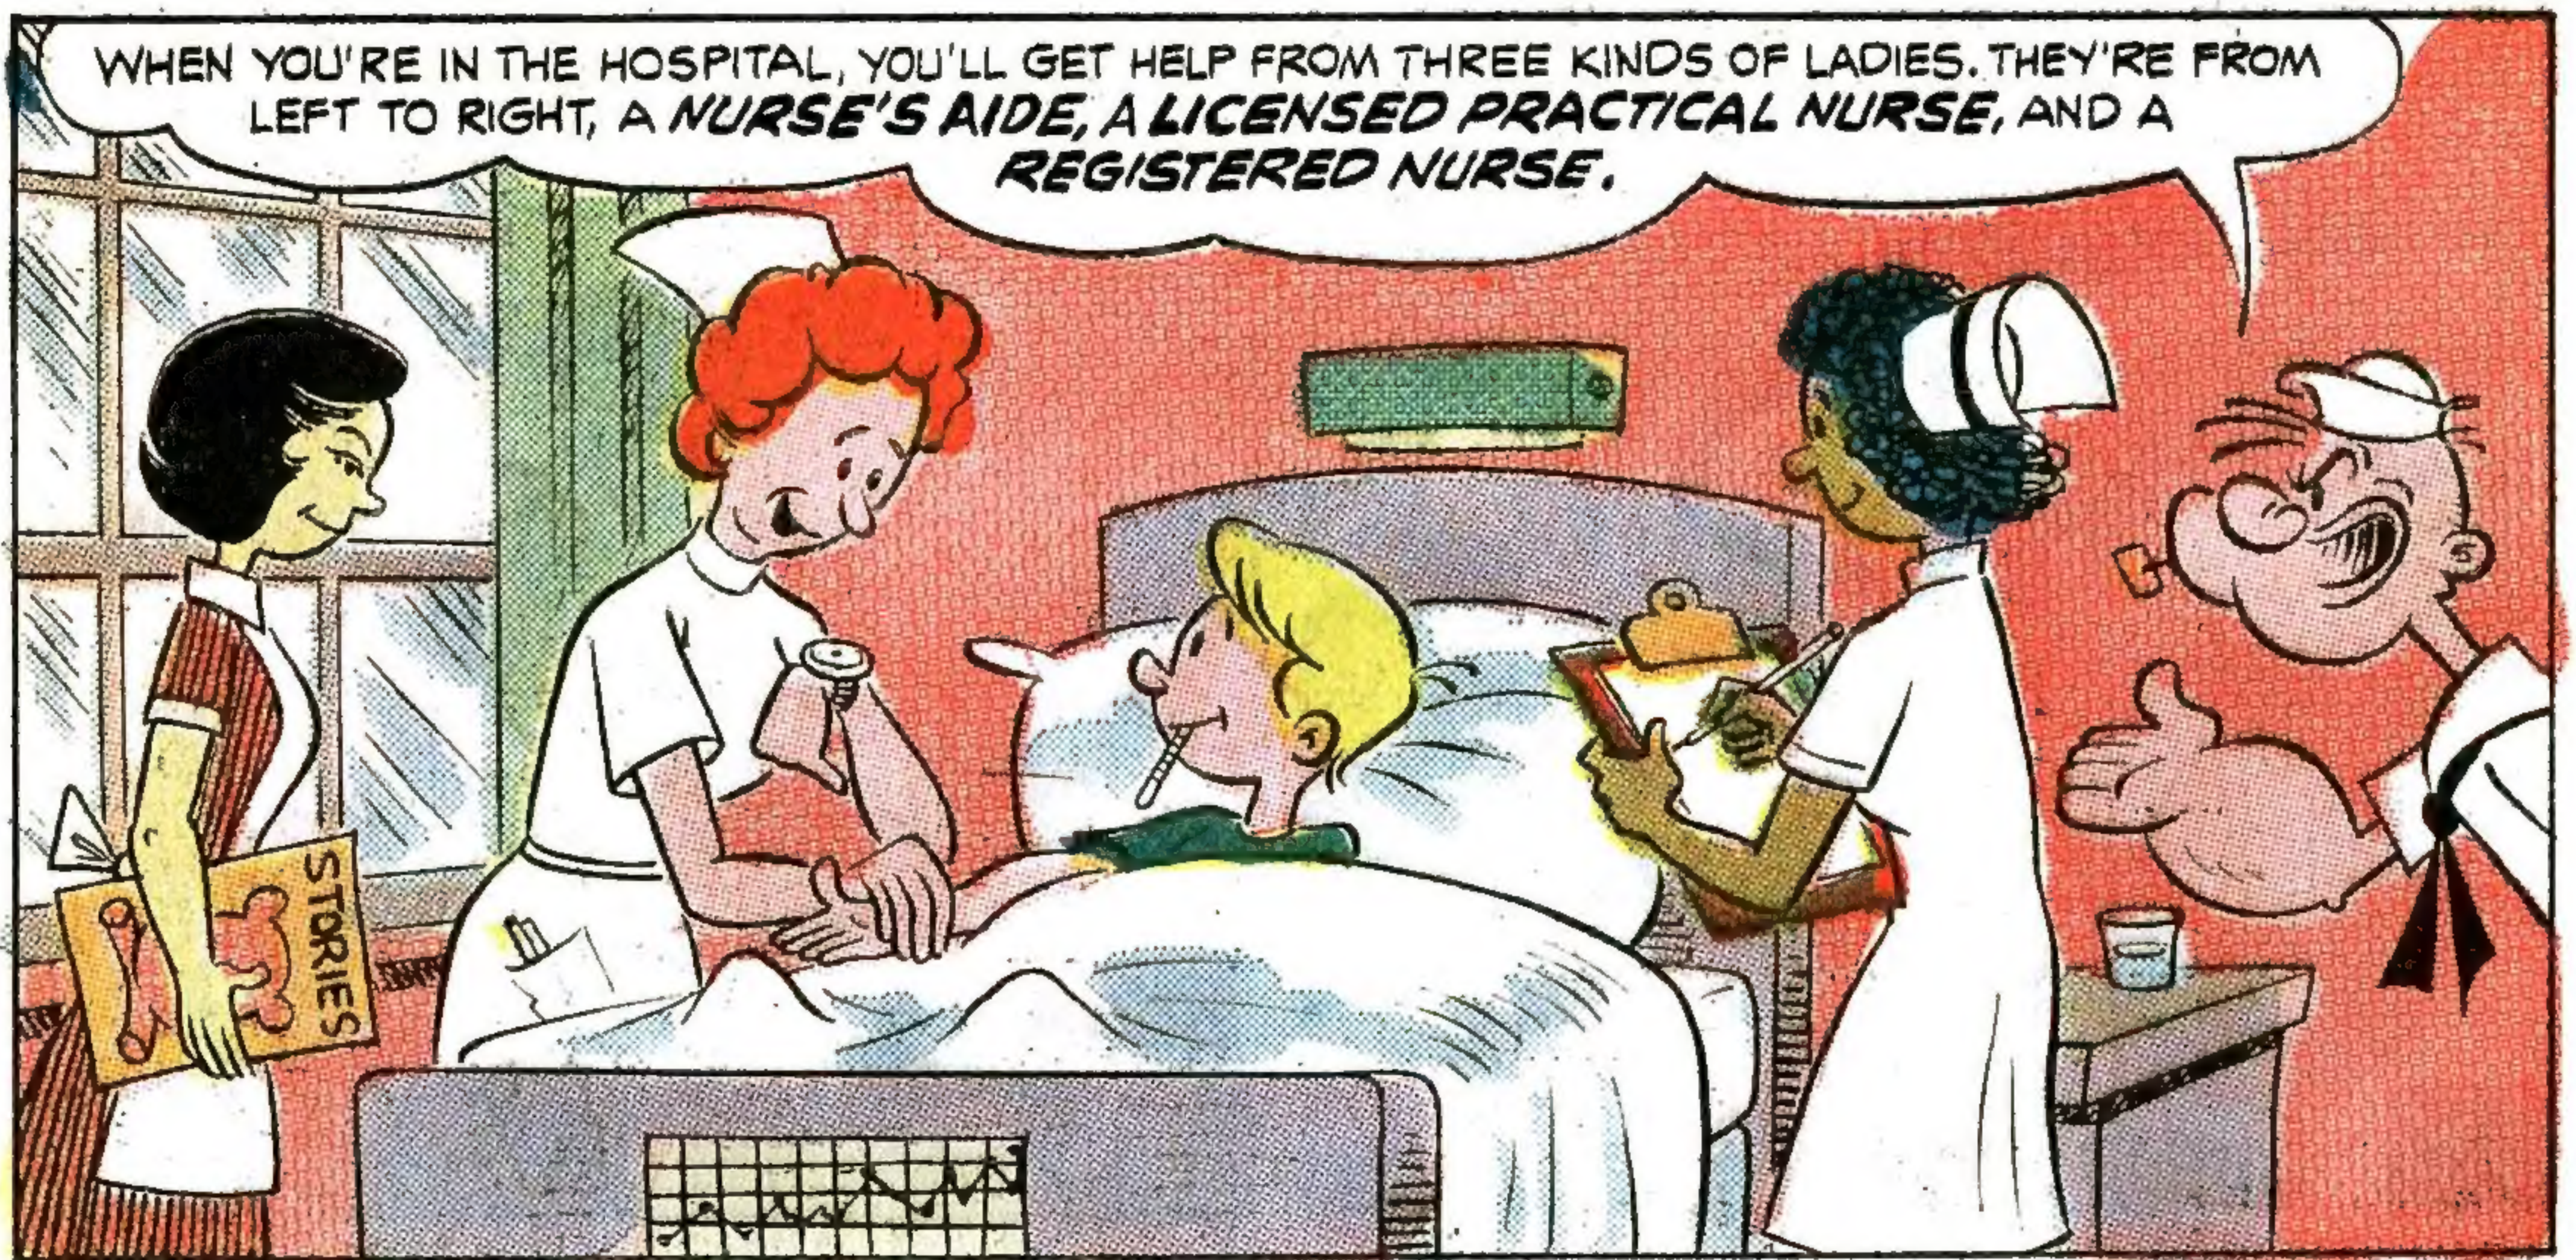

THIS IS THE **KITCHEN!**  
**ARF ARF!** LOTS OF  
PEOPLE WORK IN  
HOSPITAL KITCHENS!

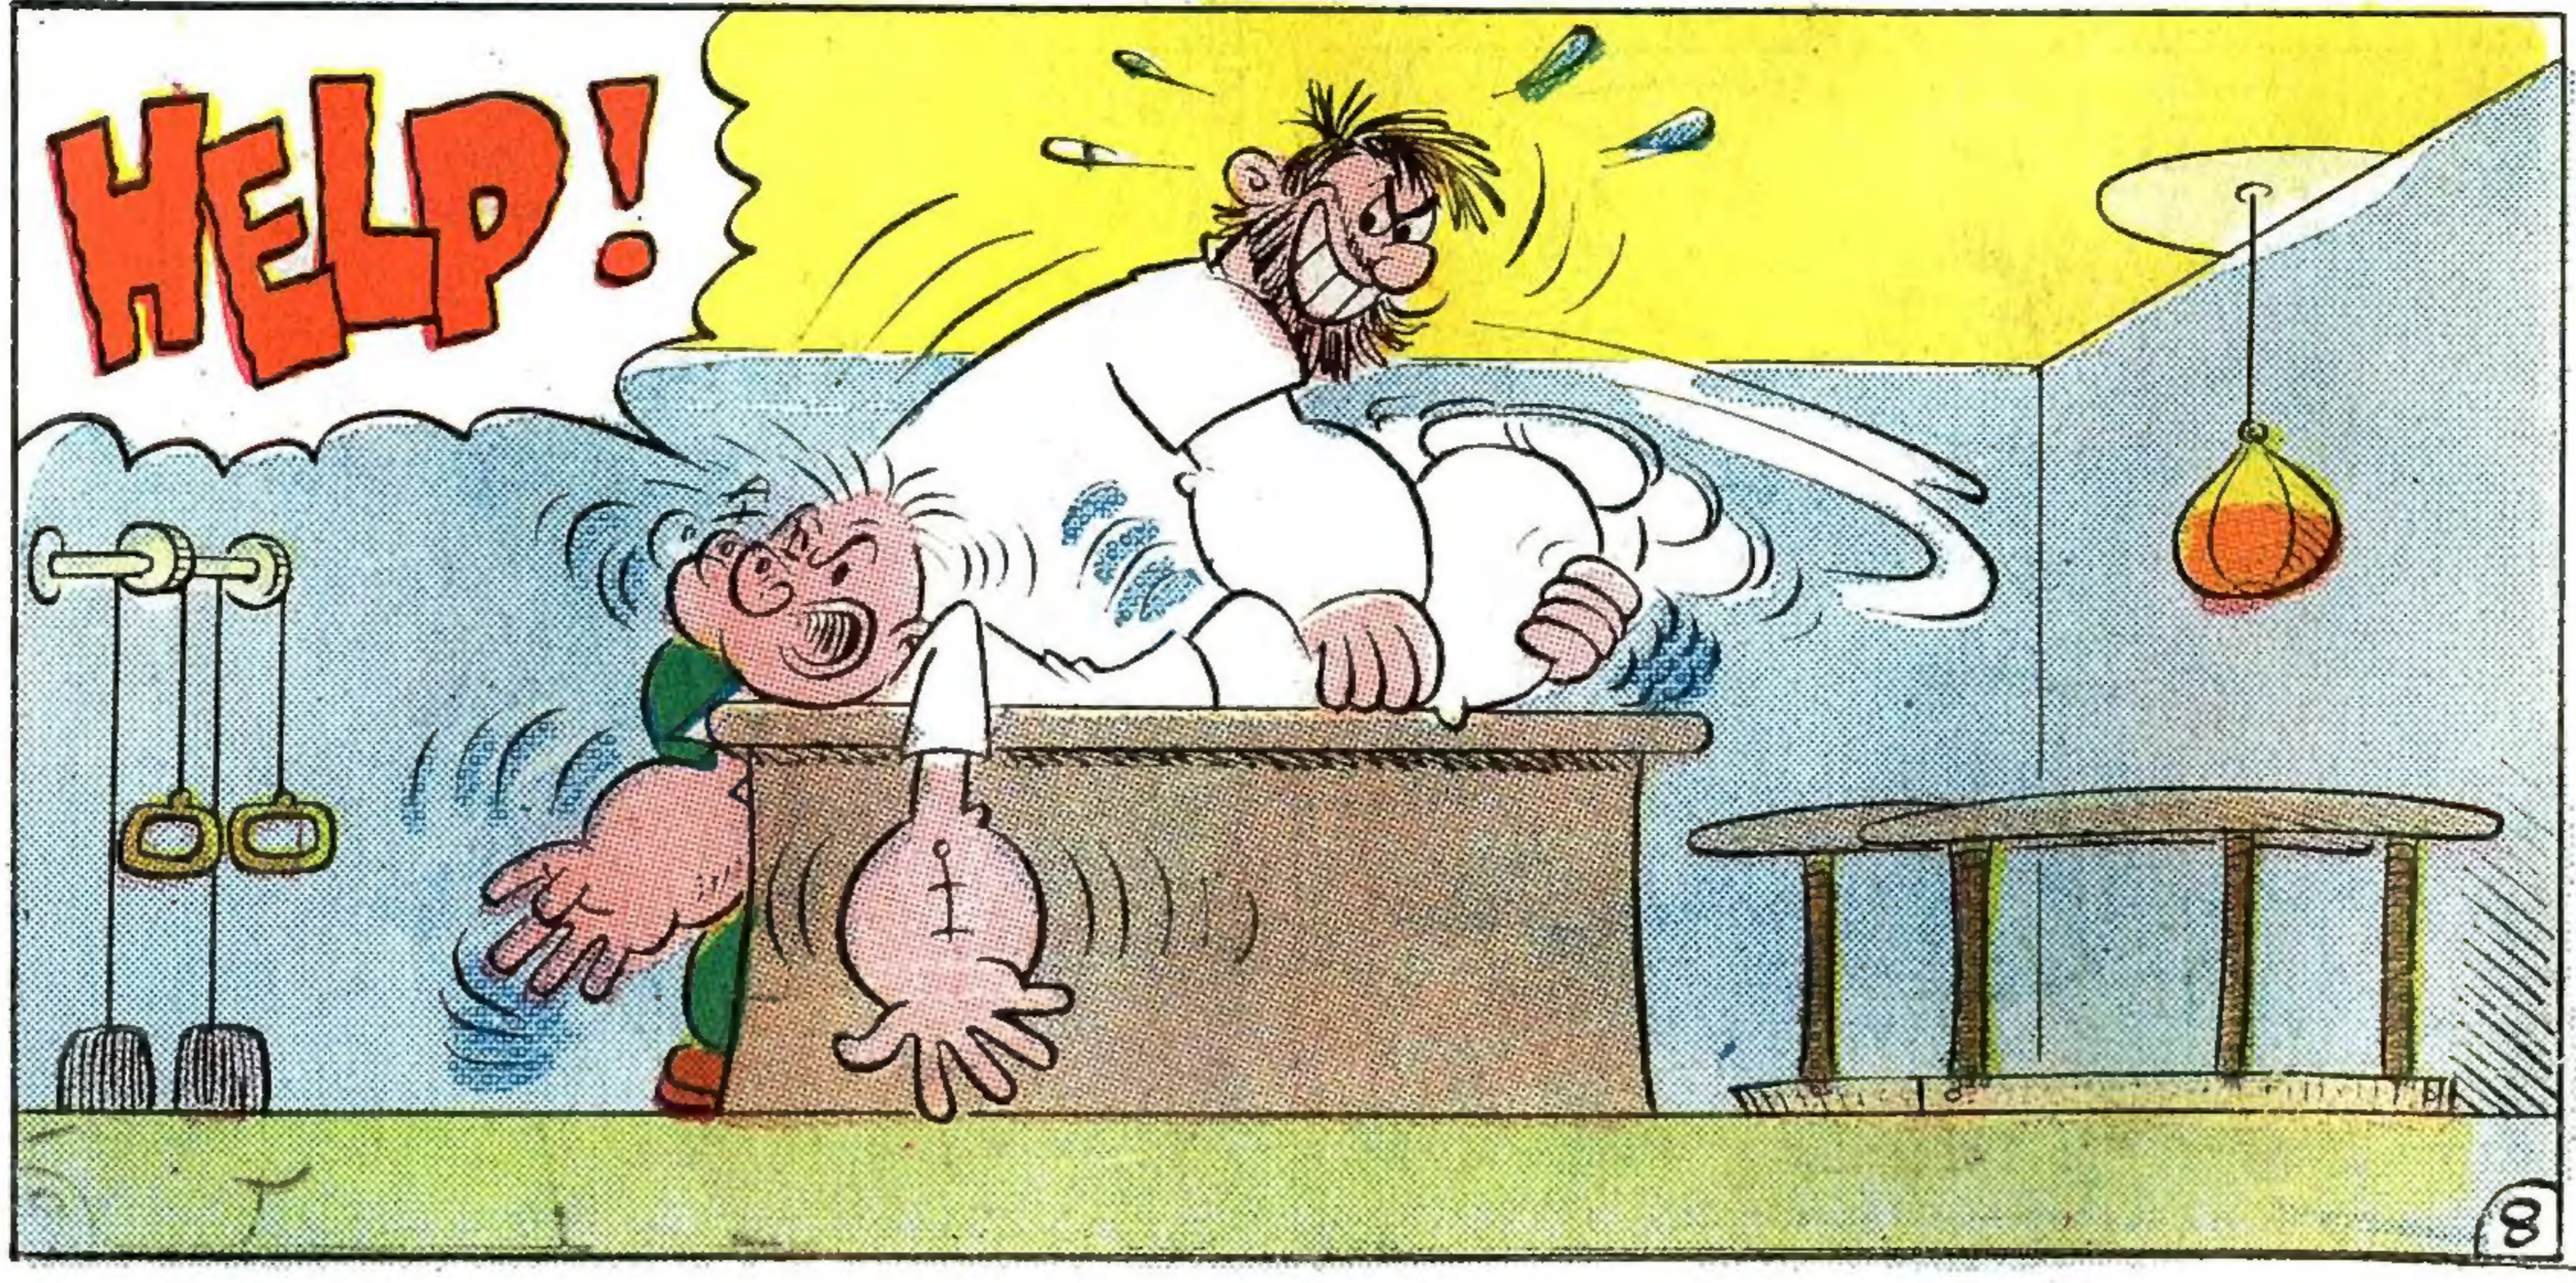

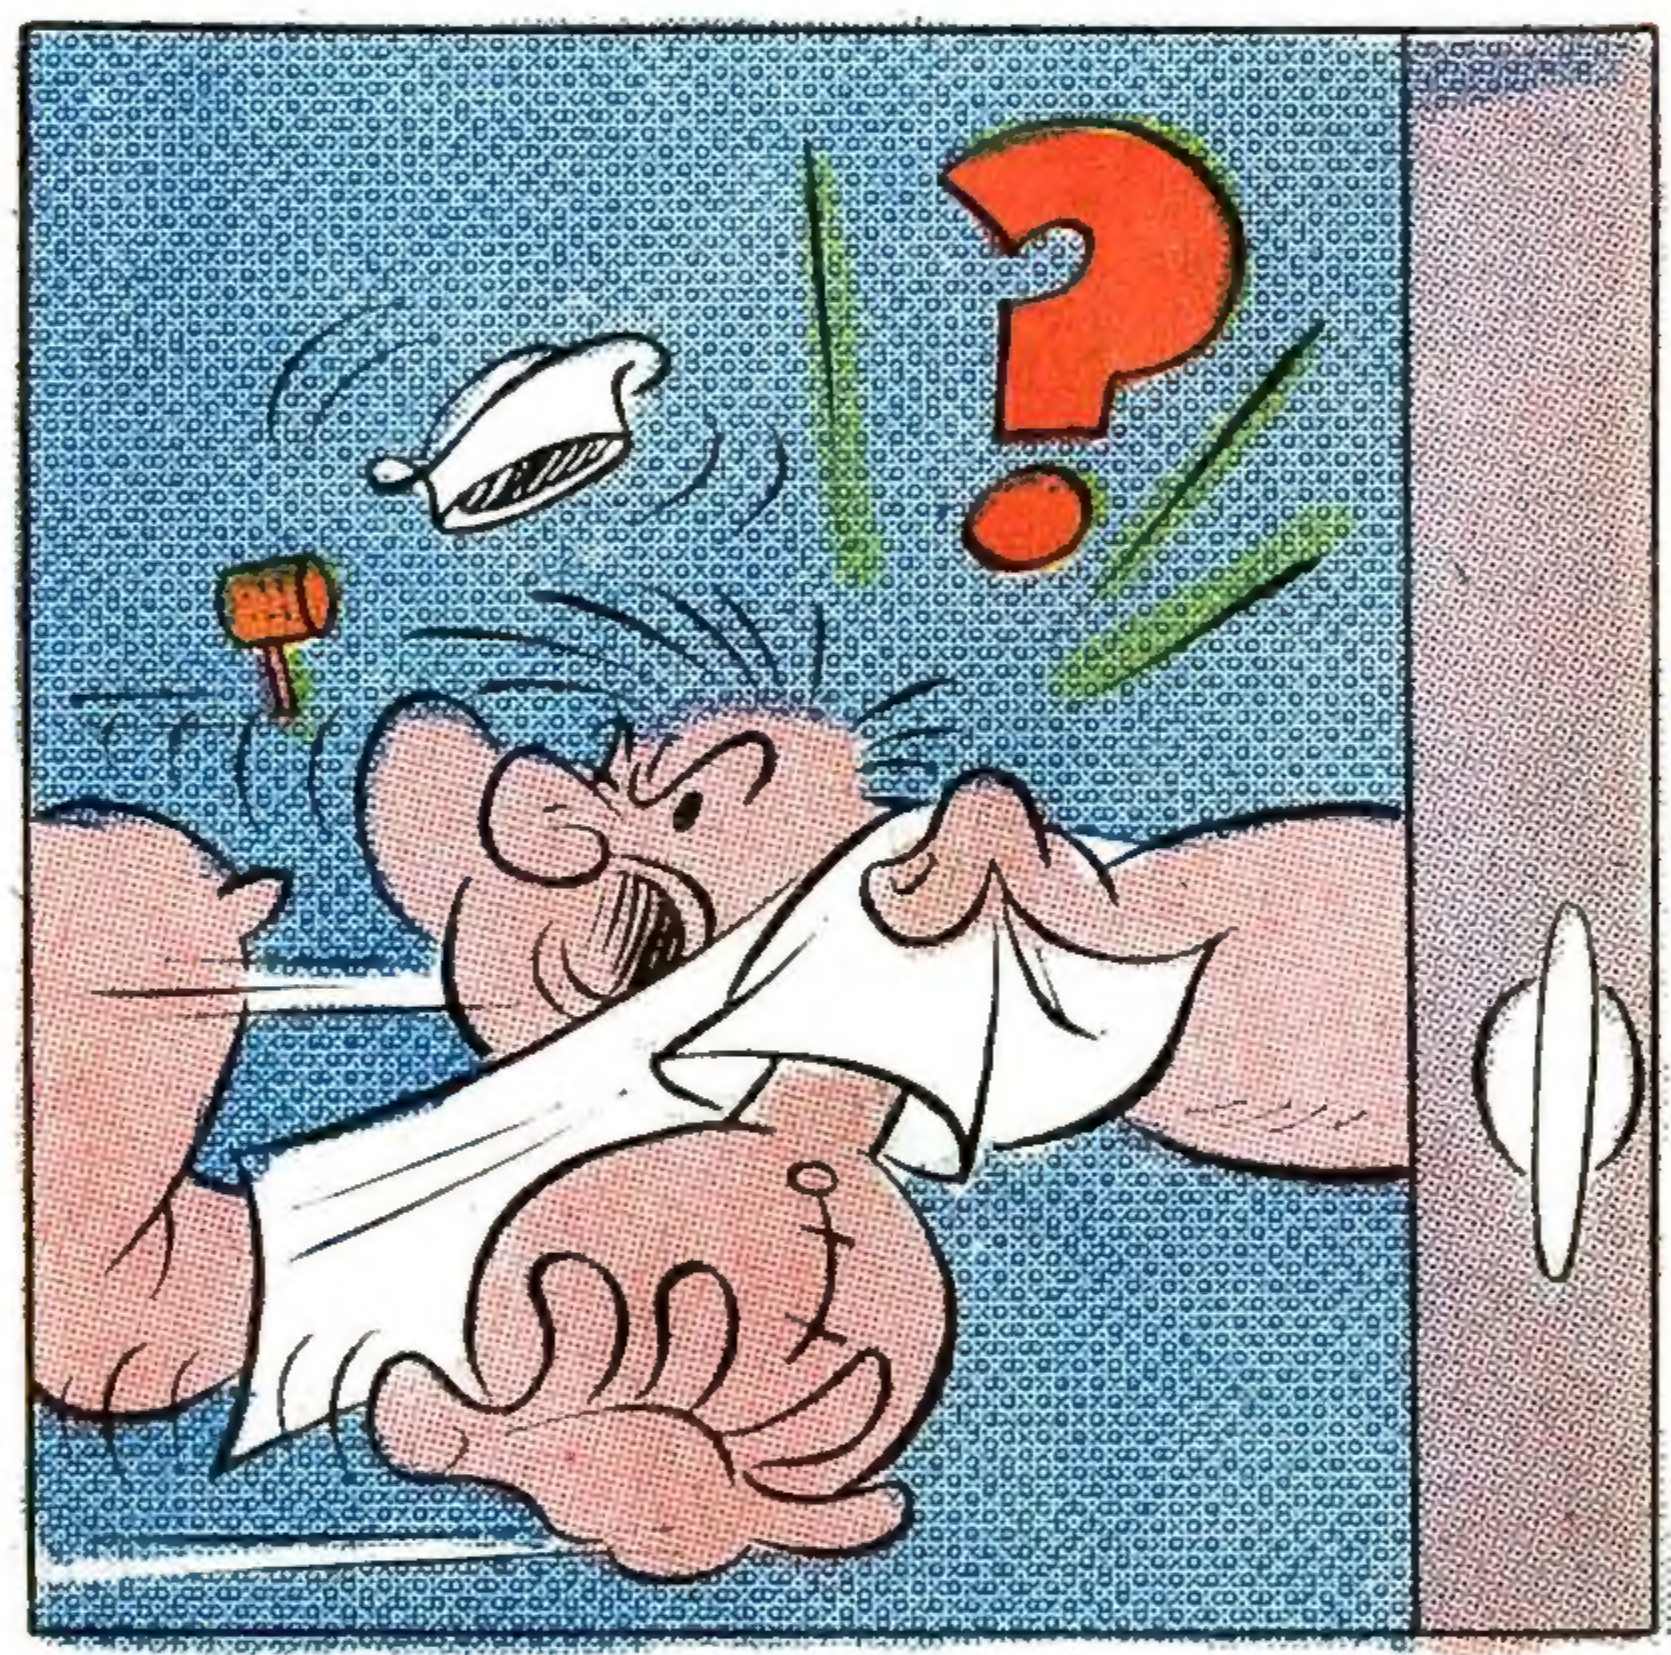

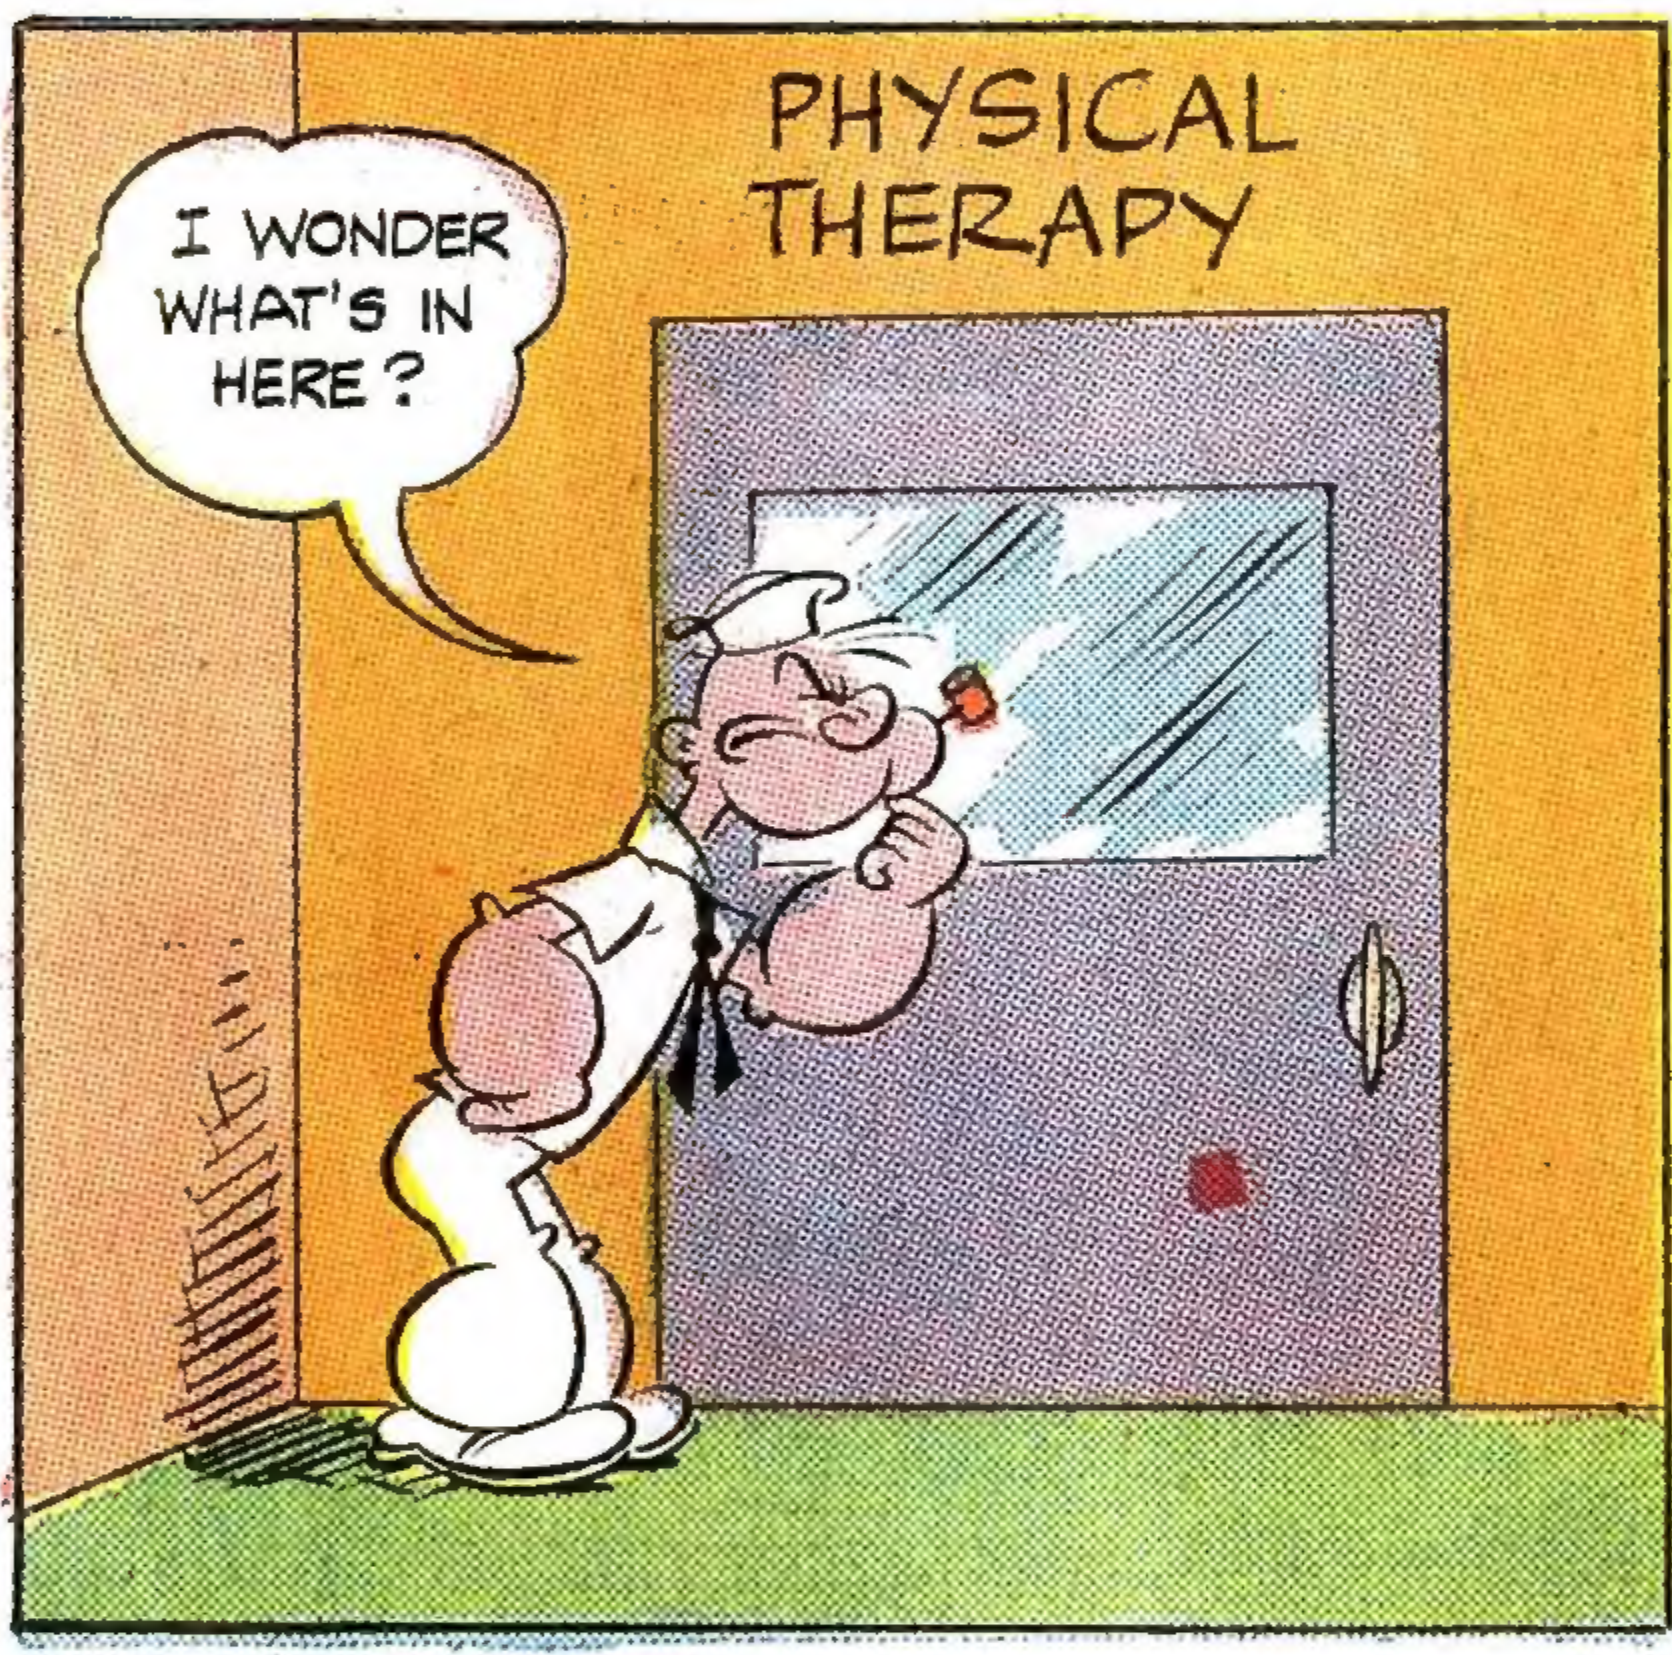

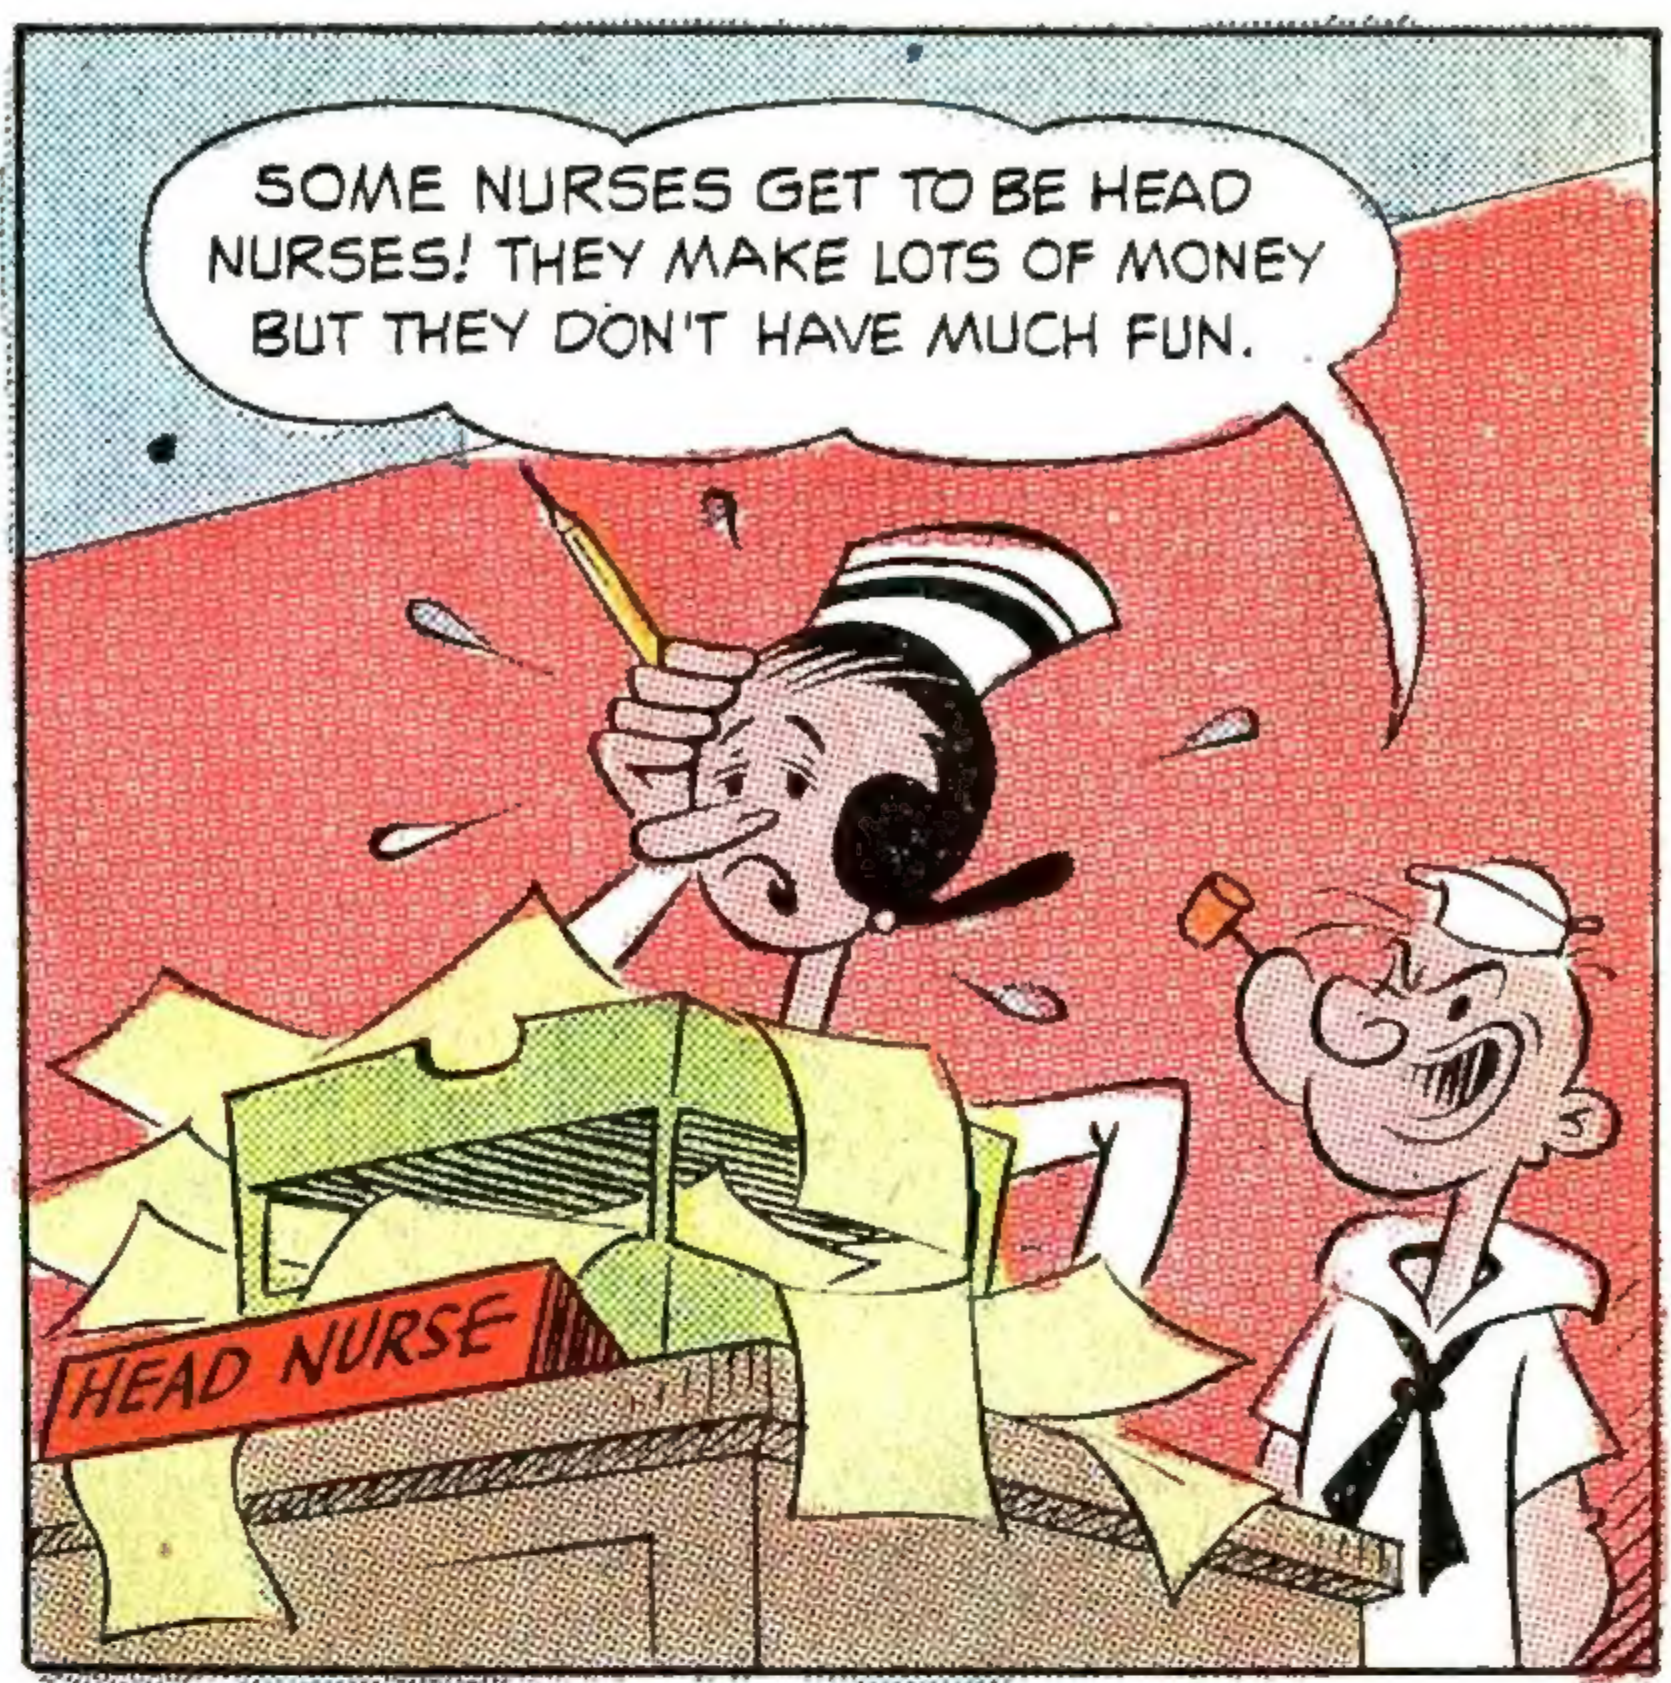

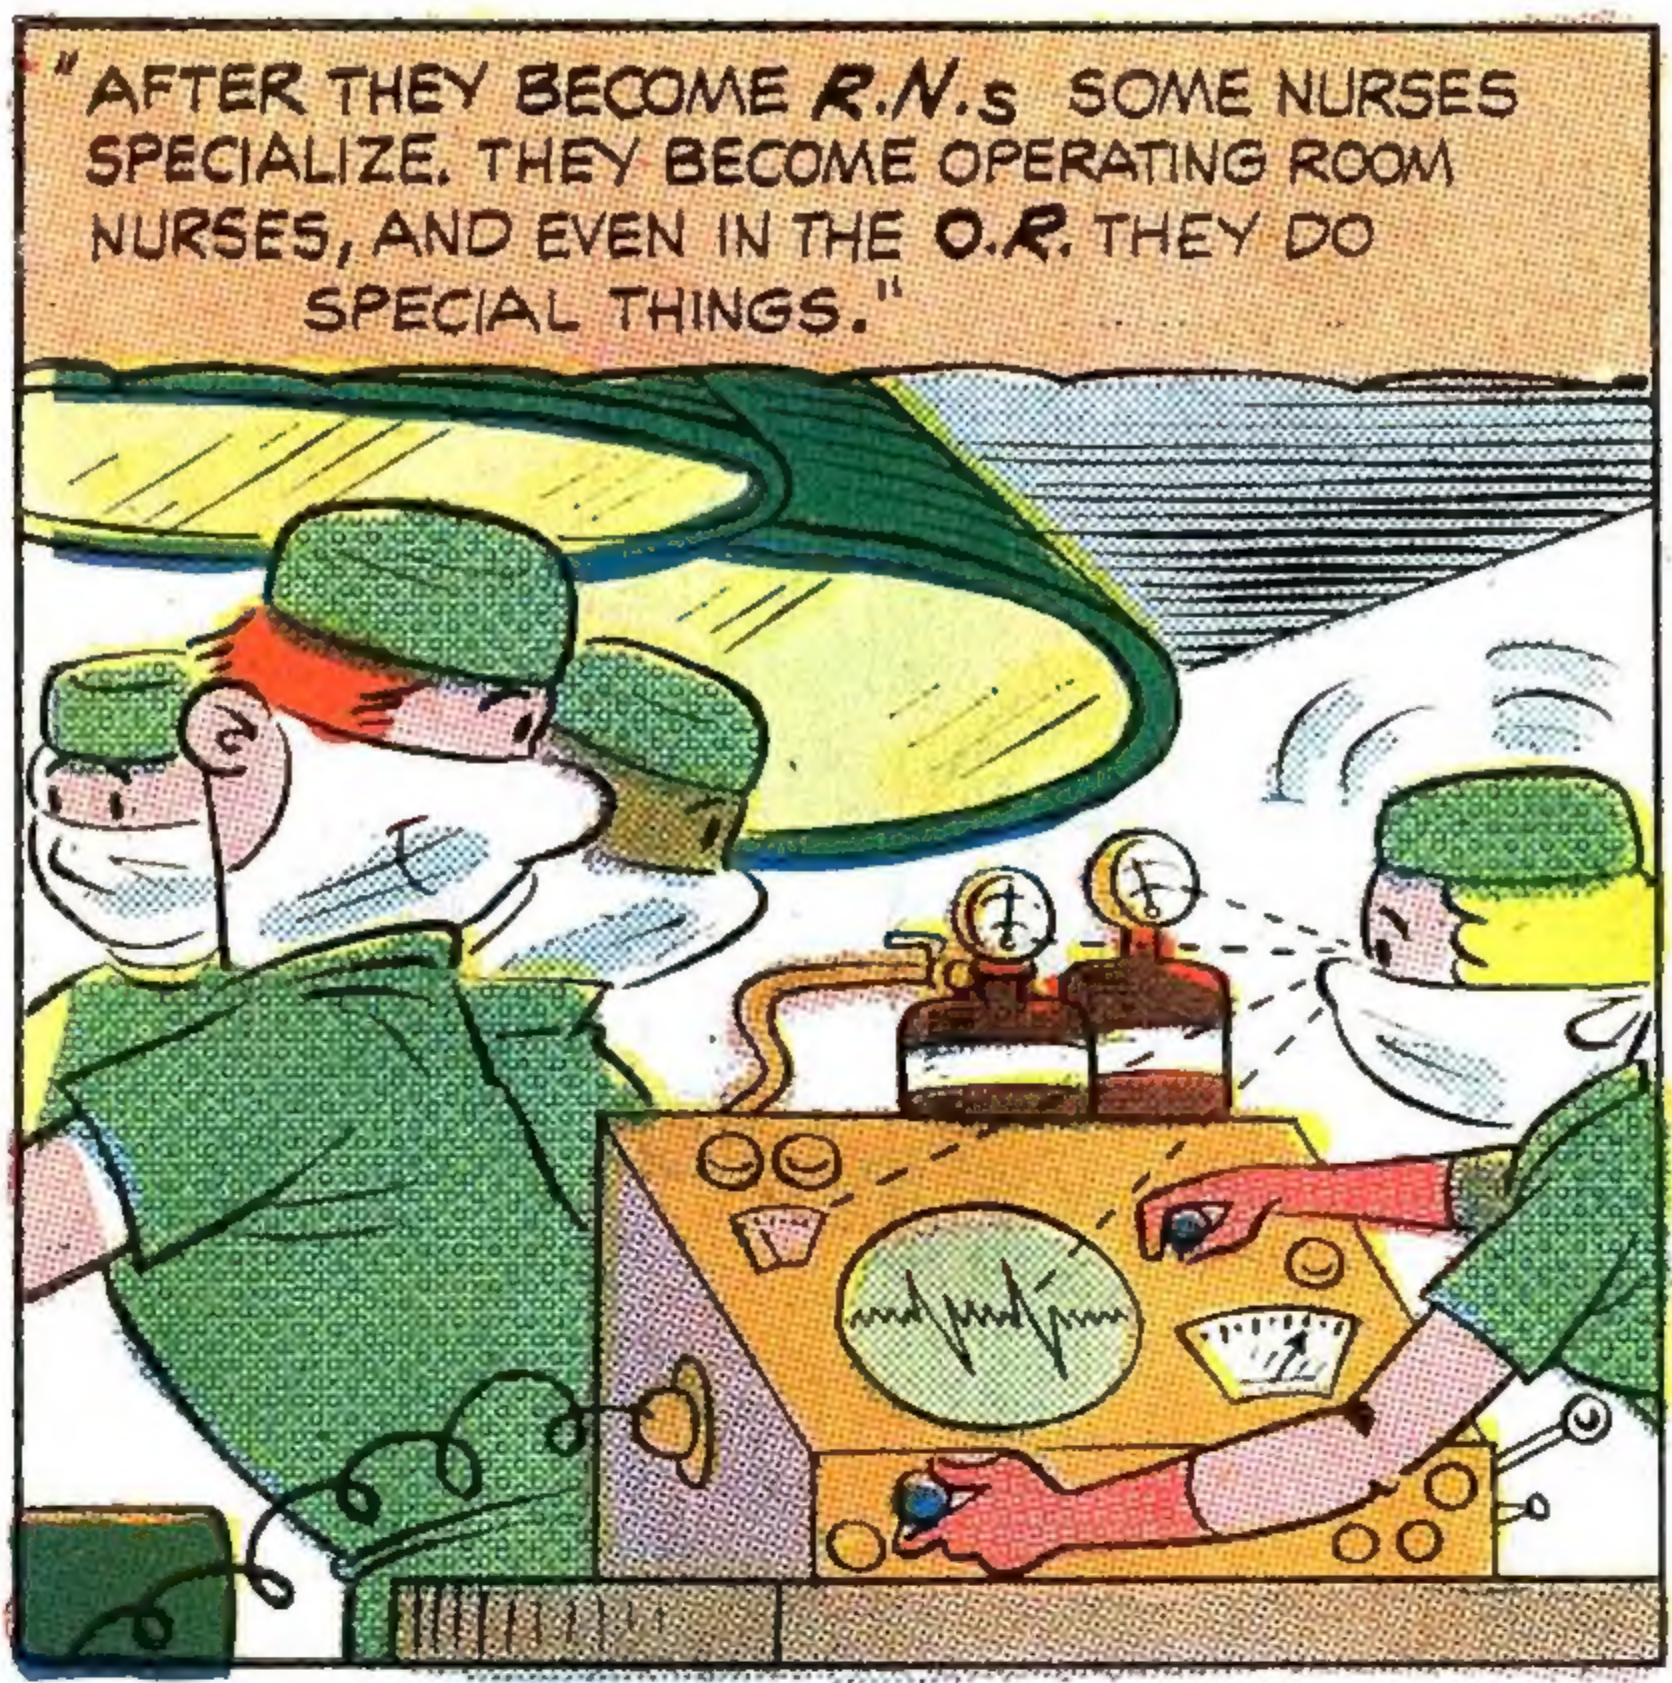

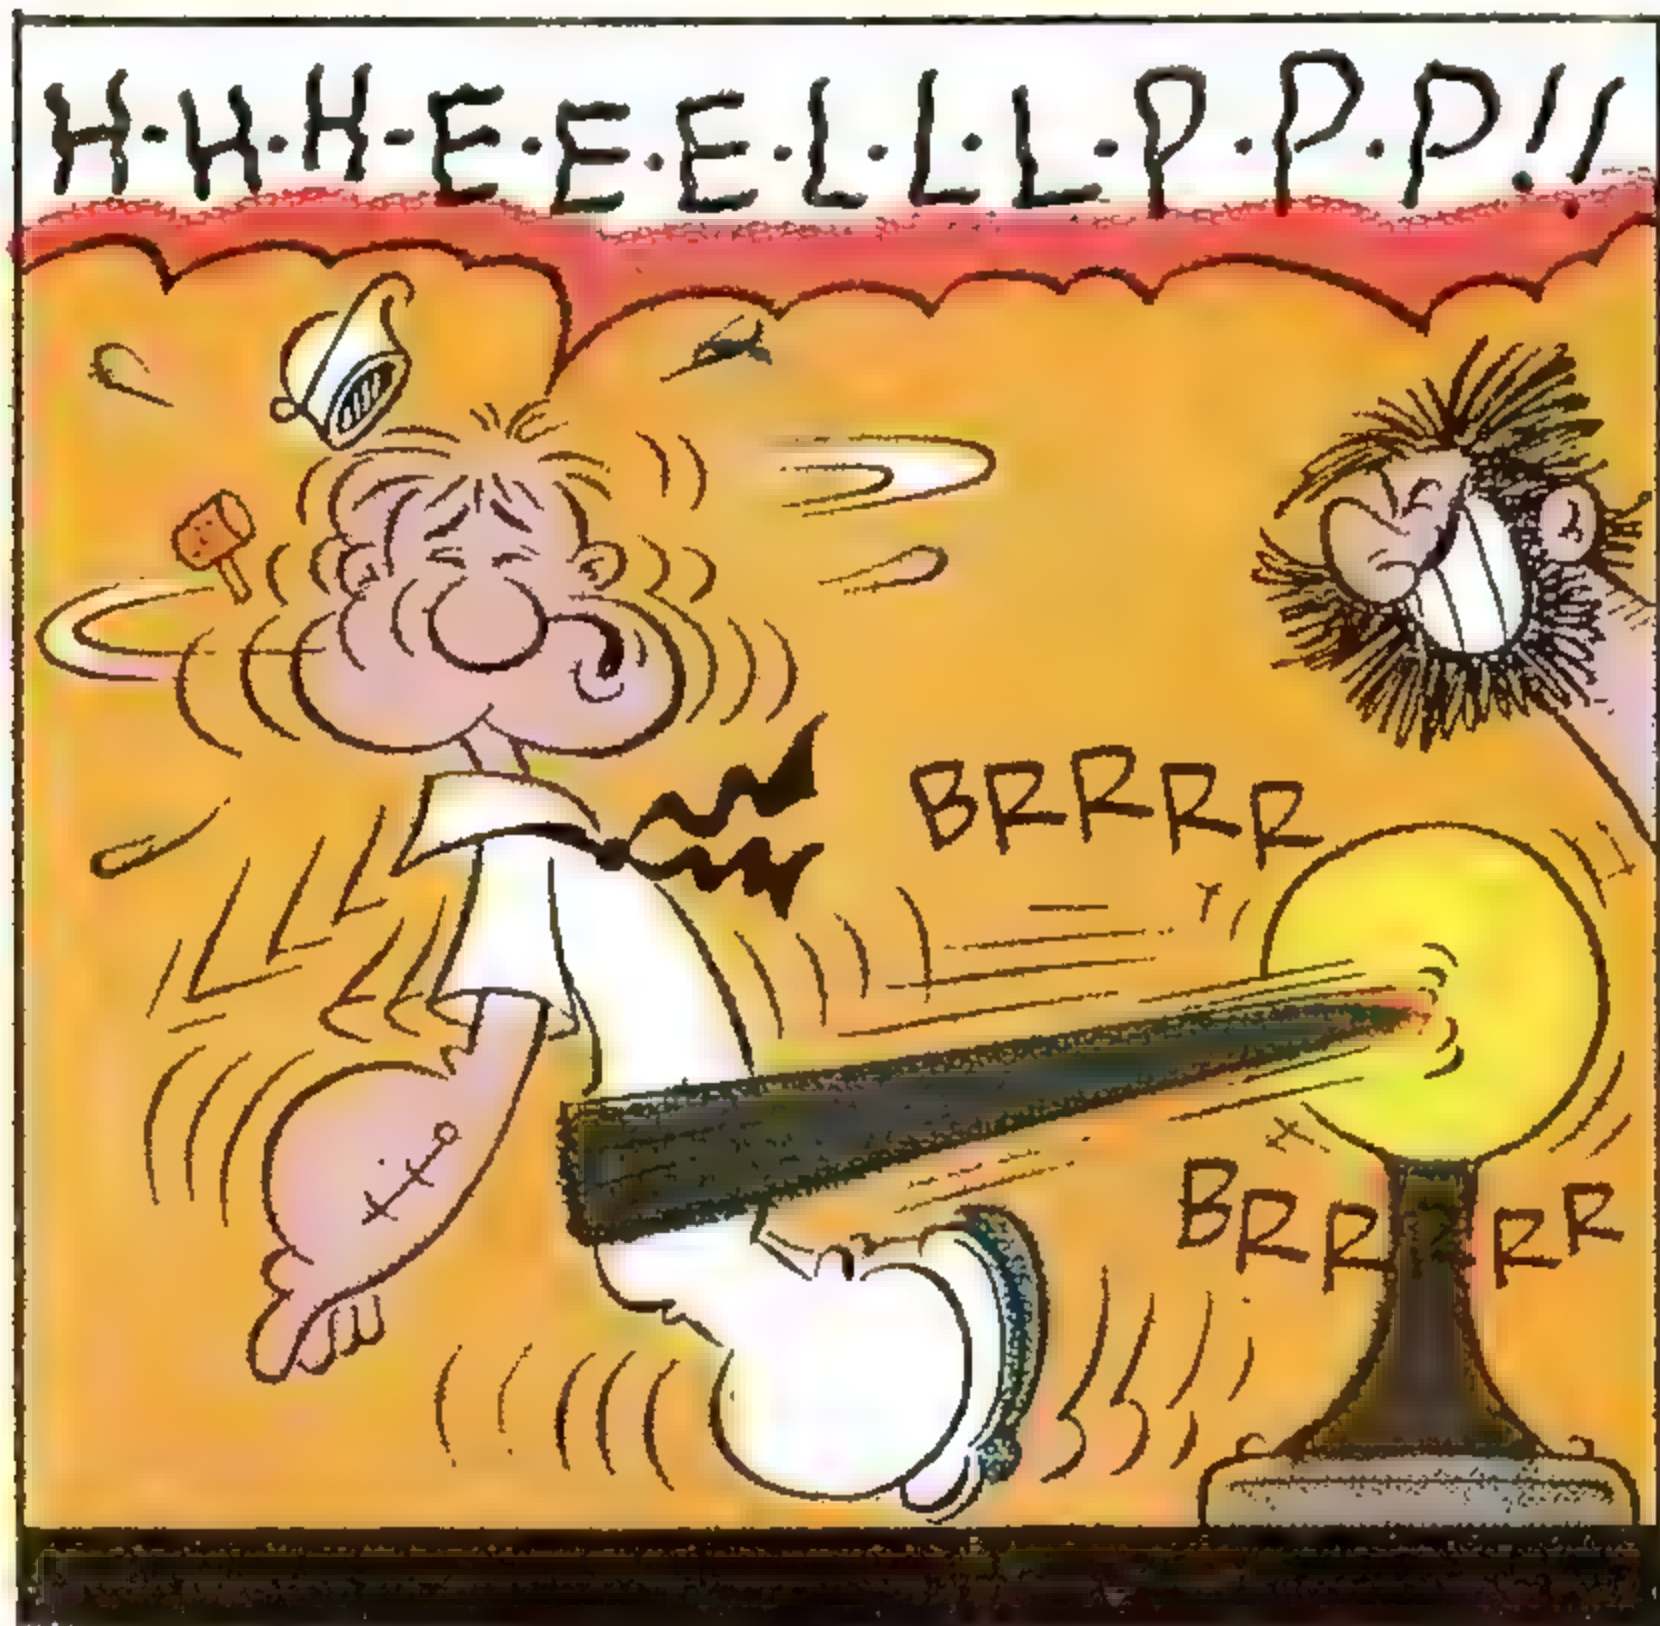

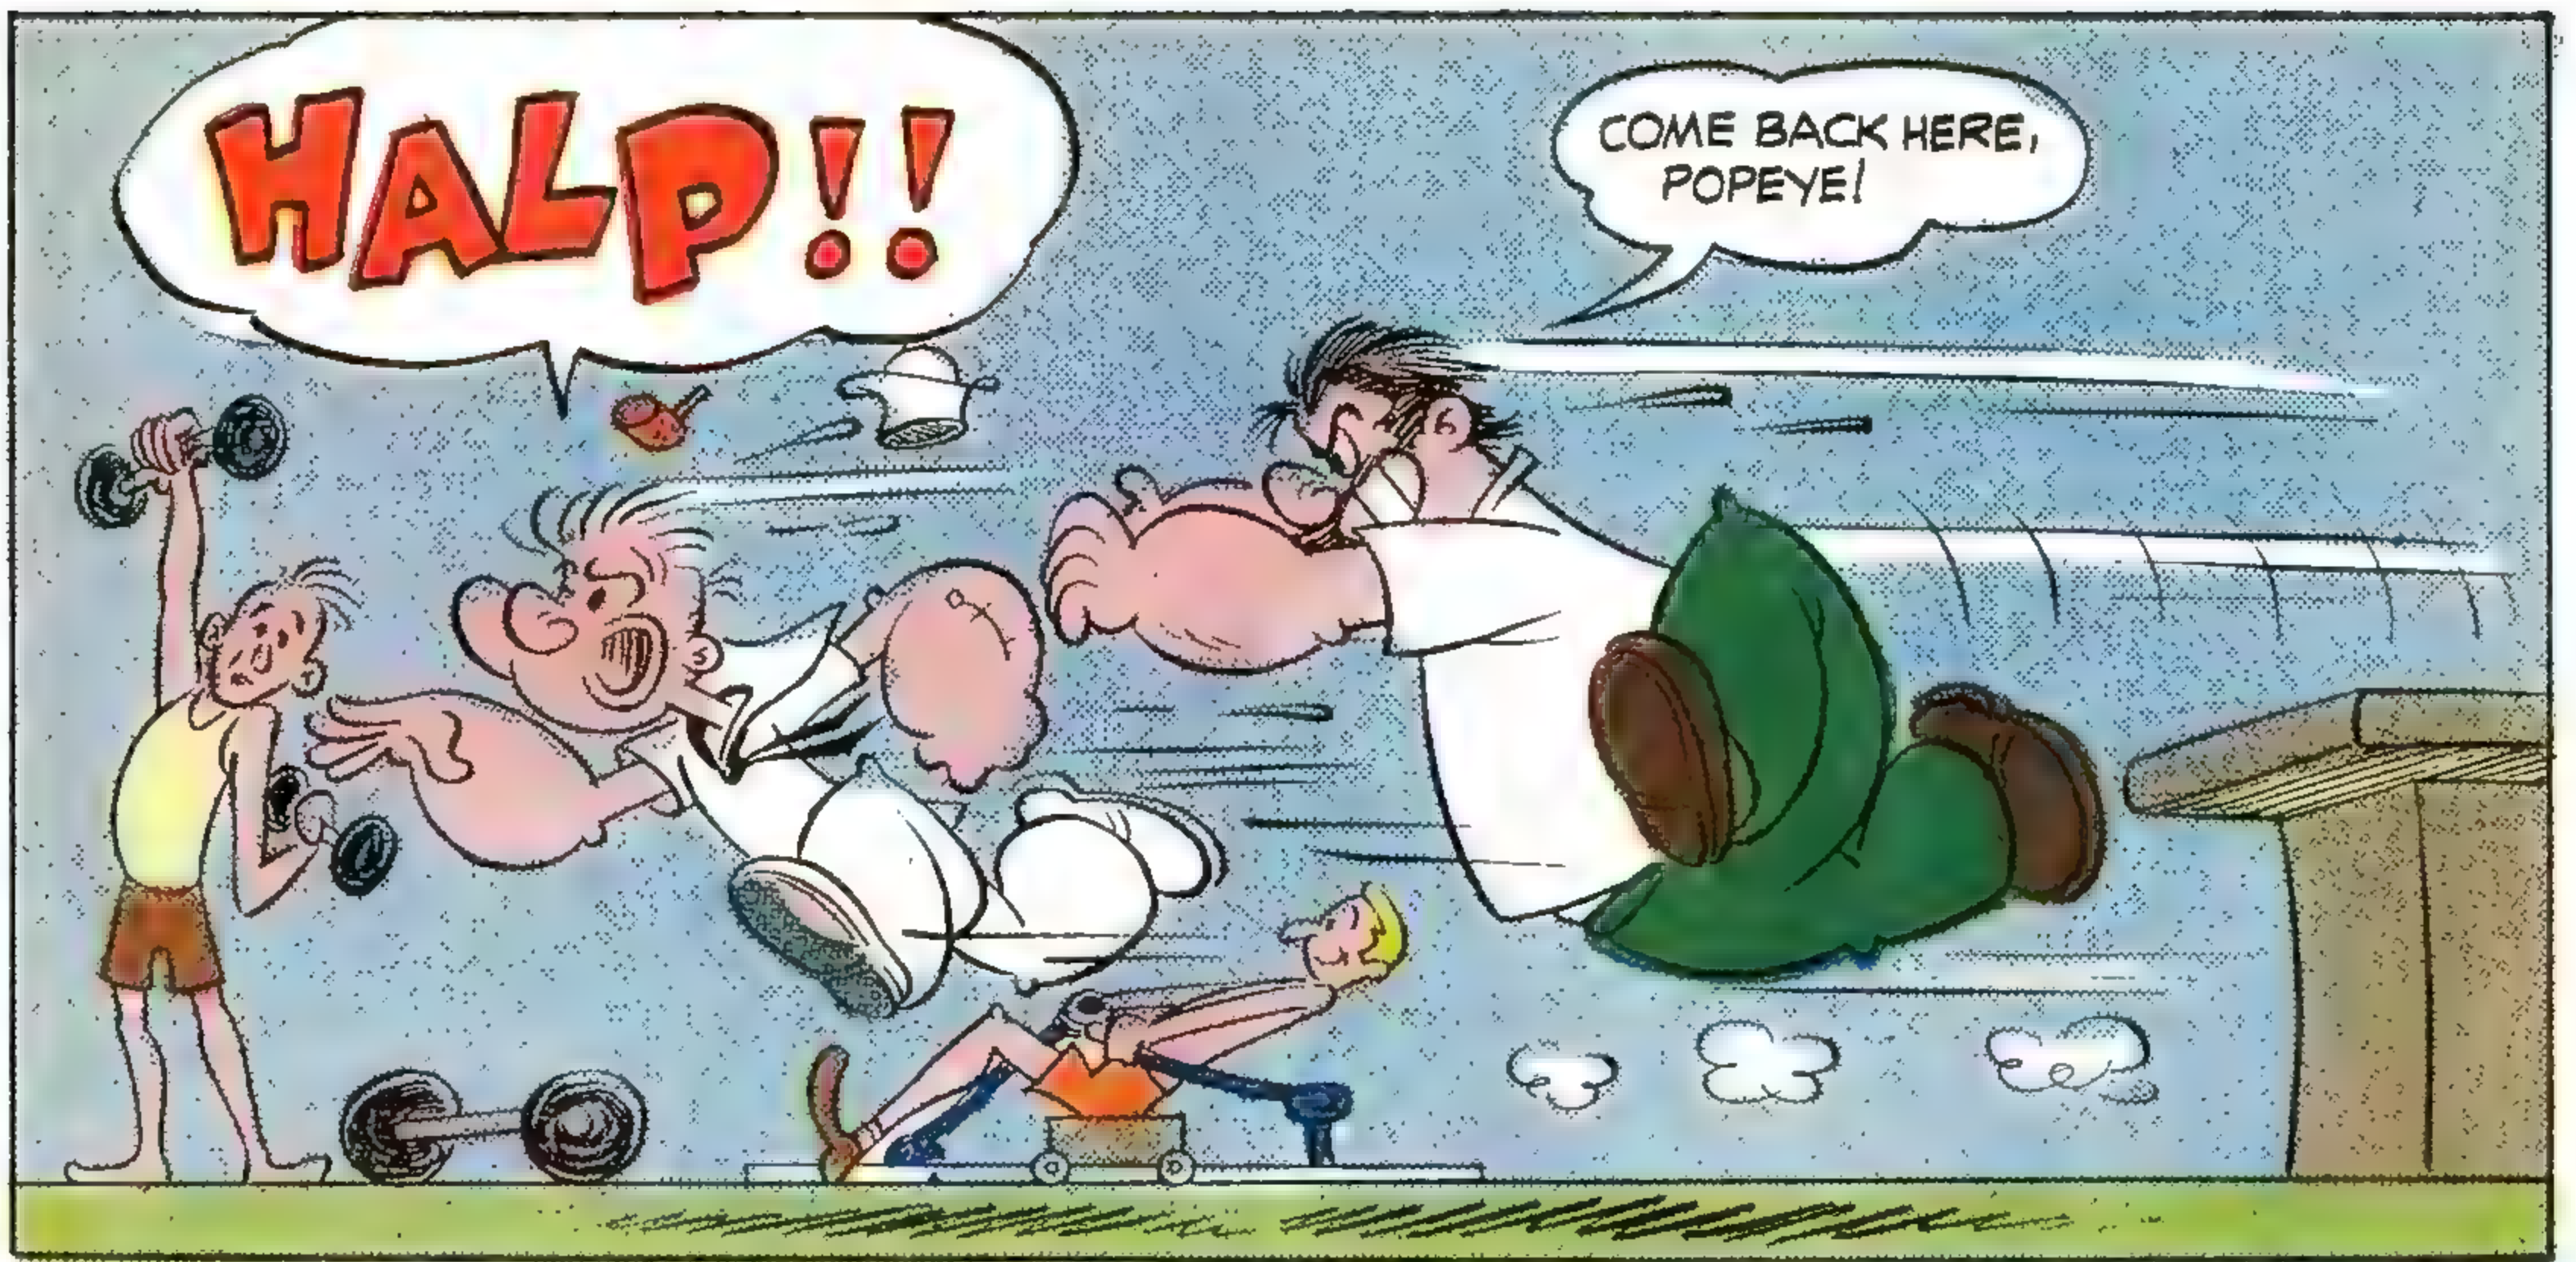

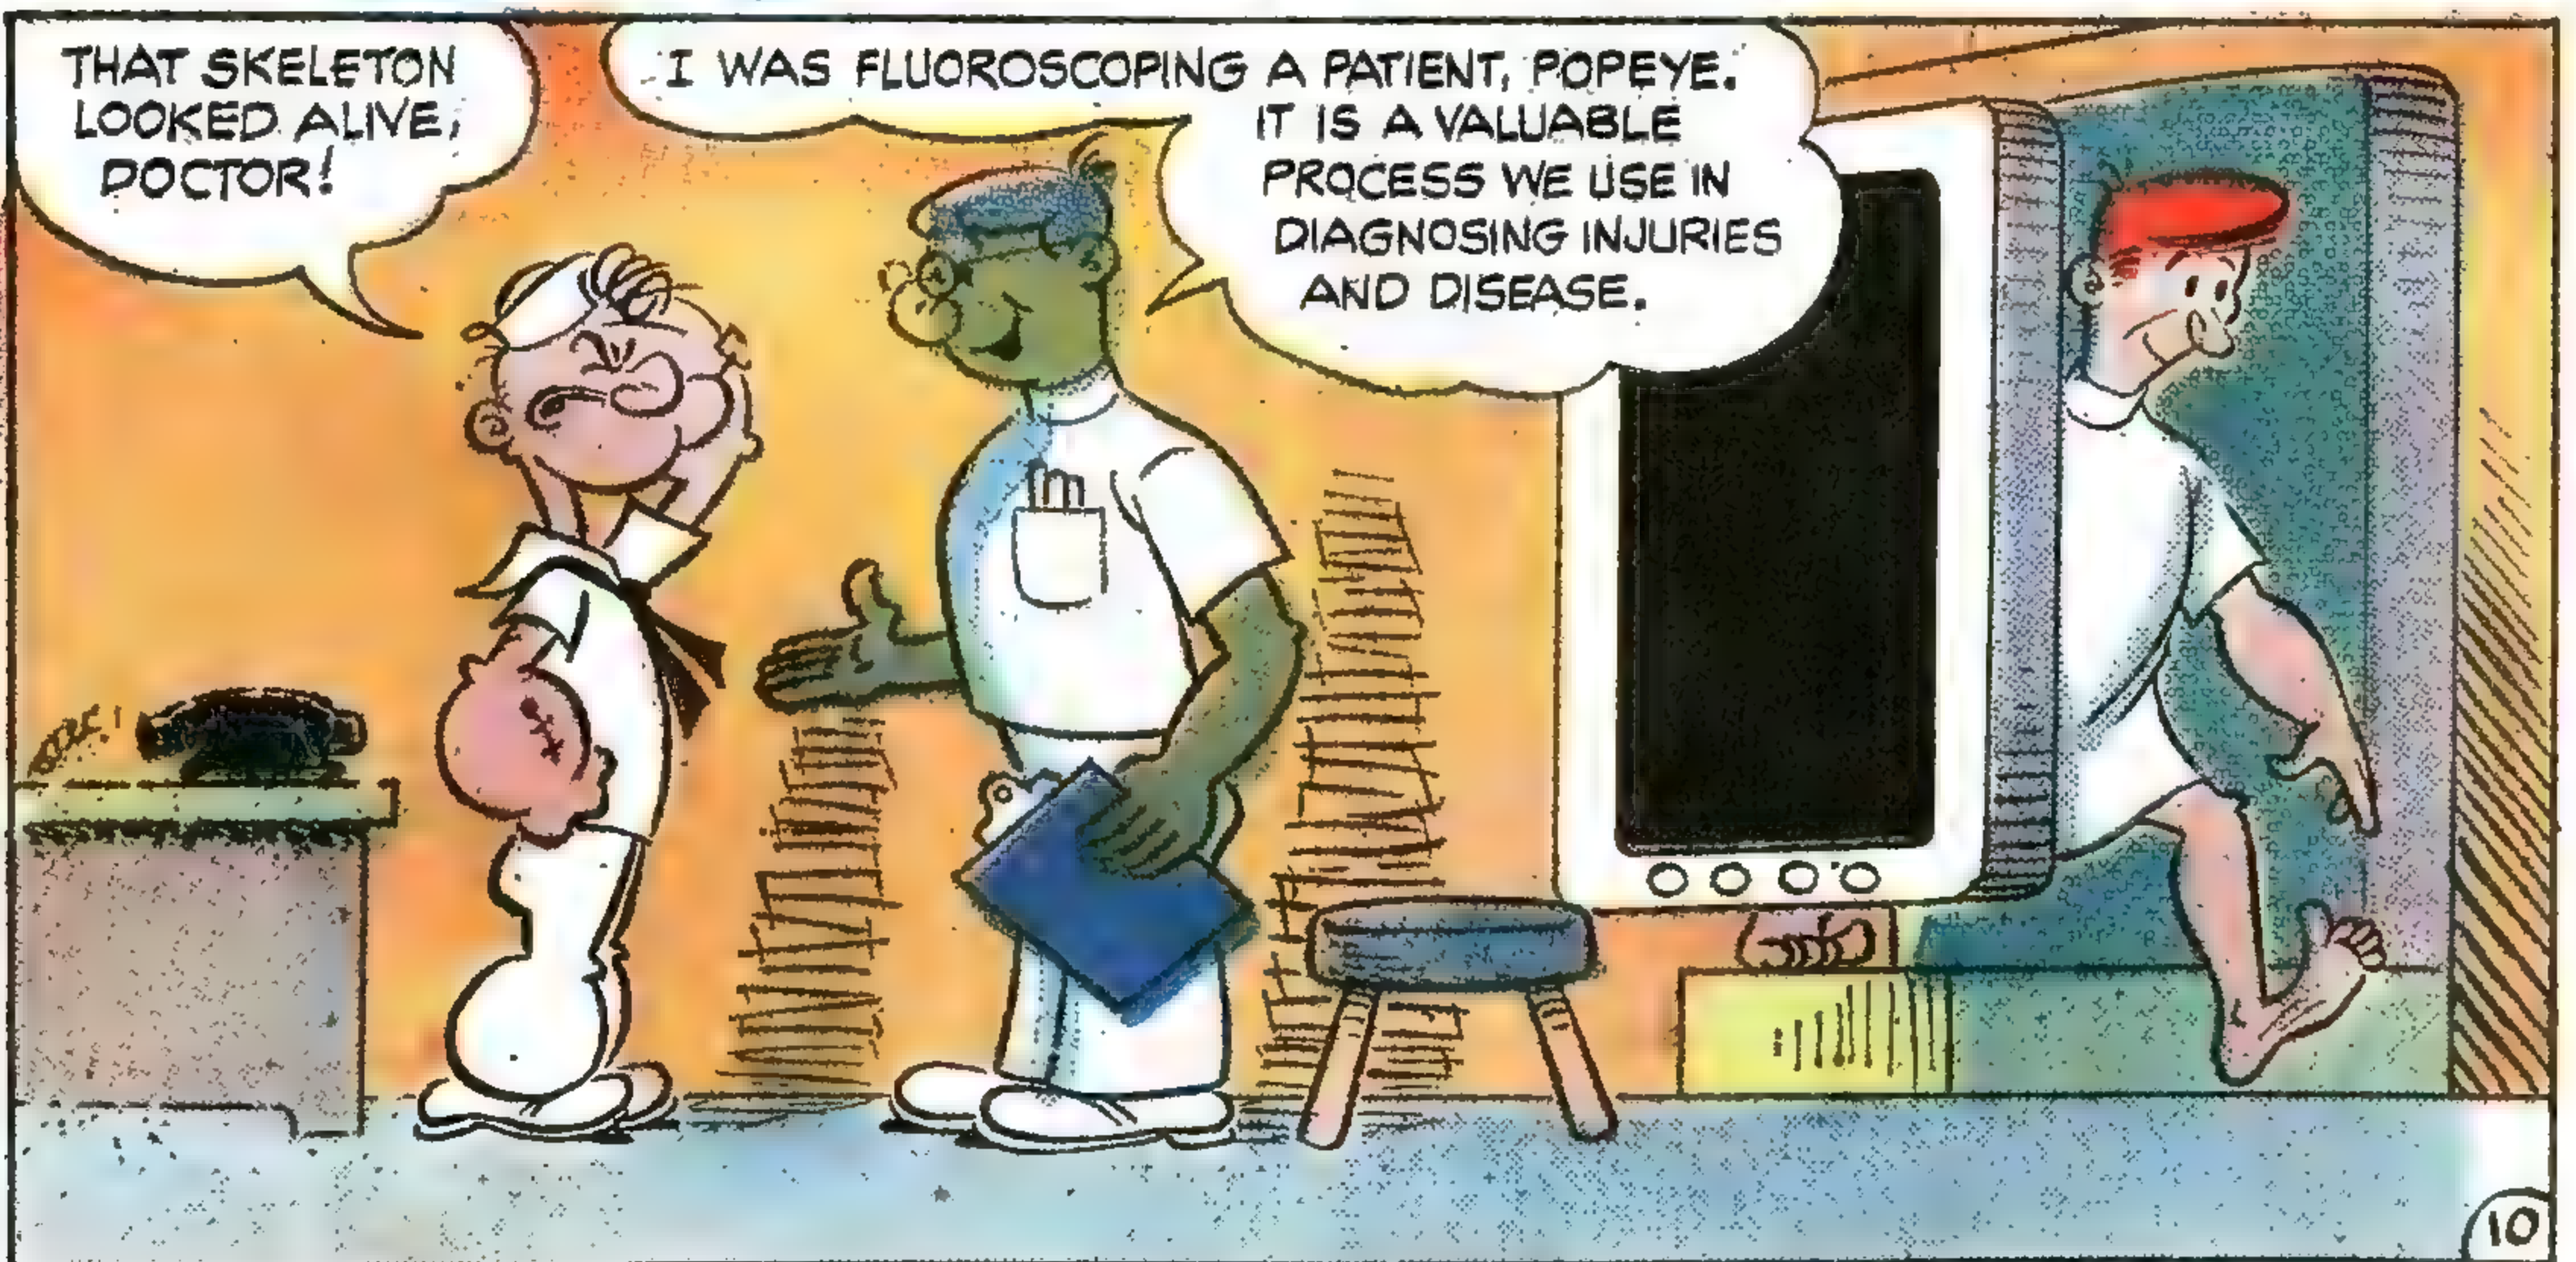

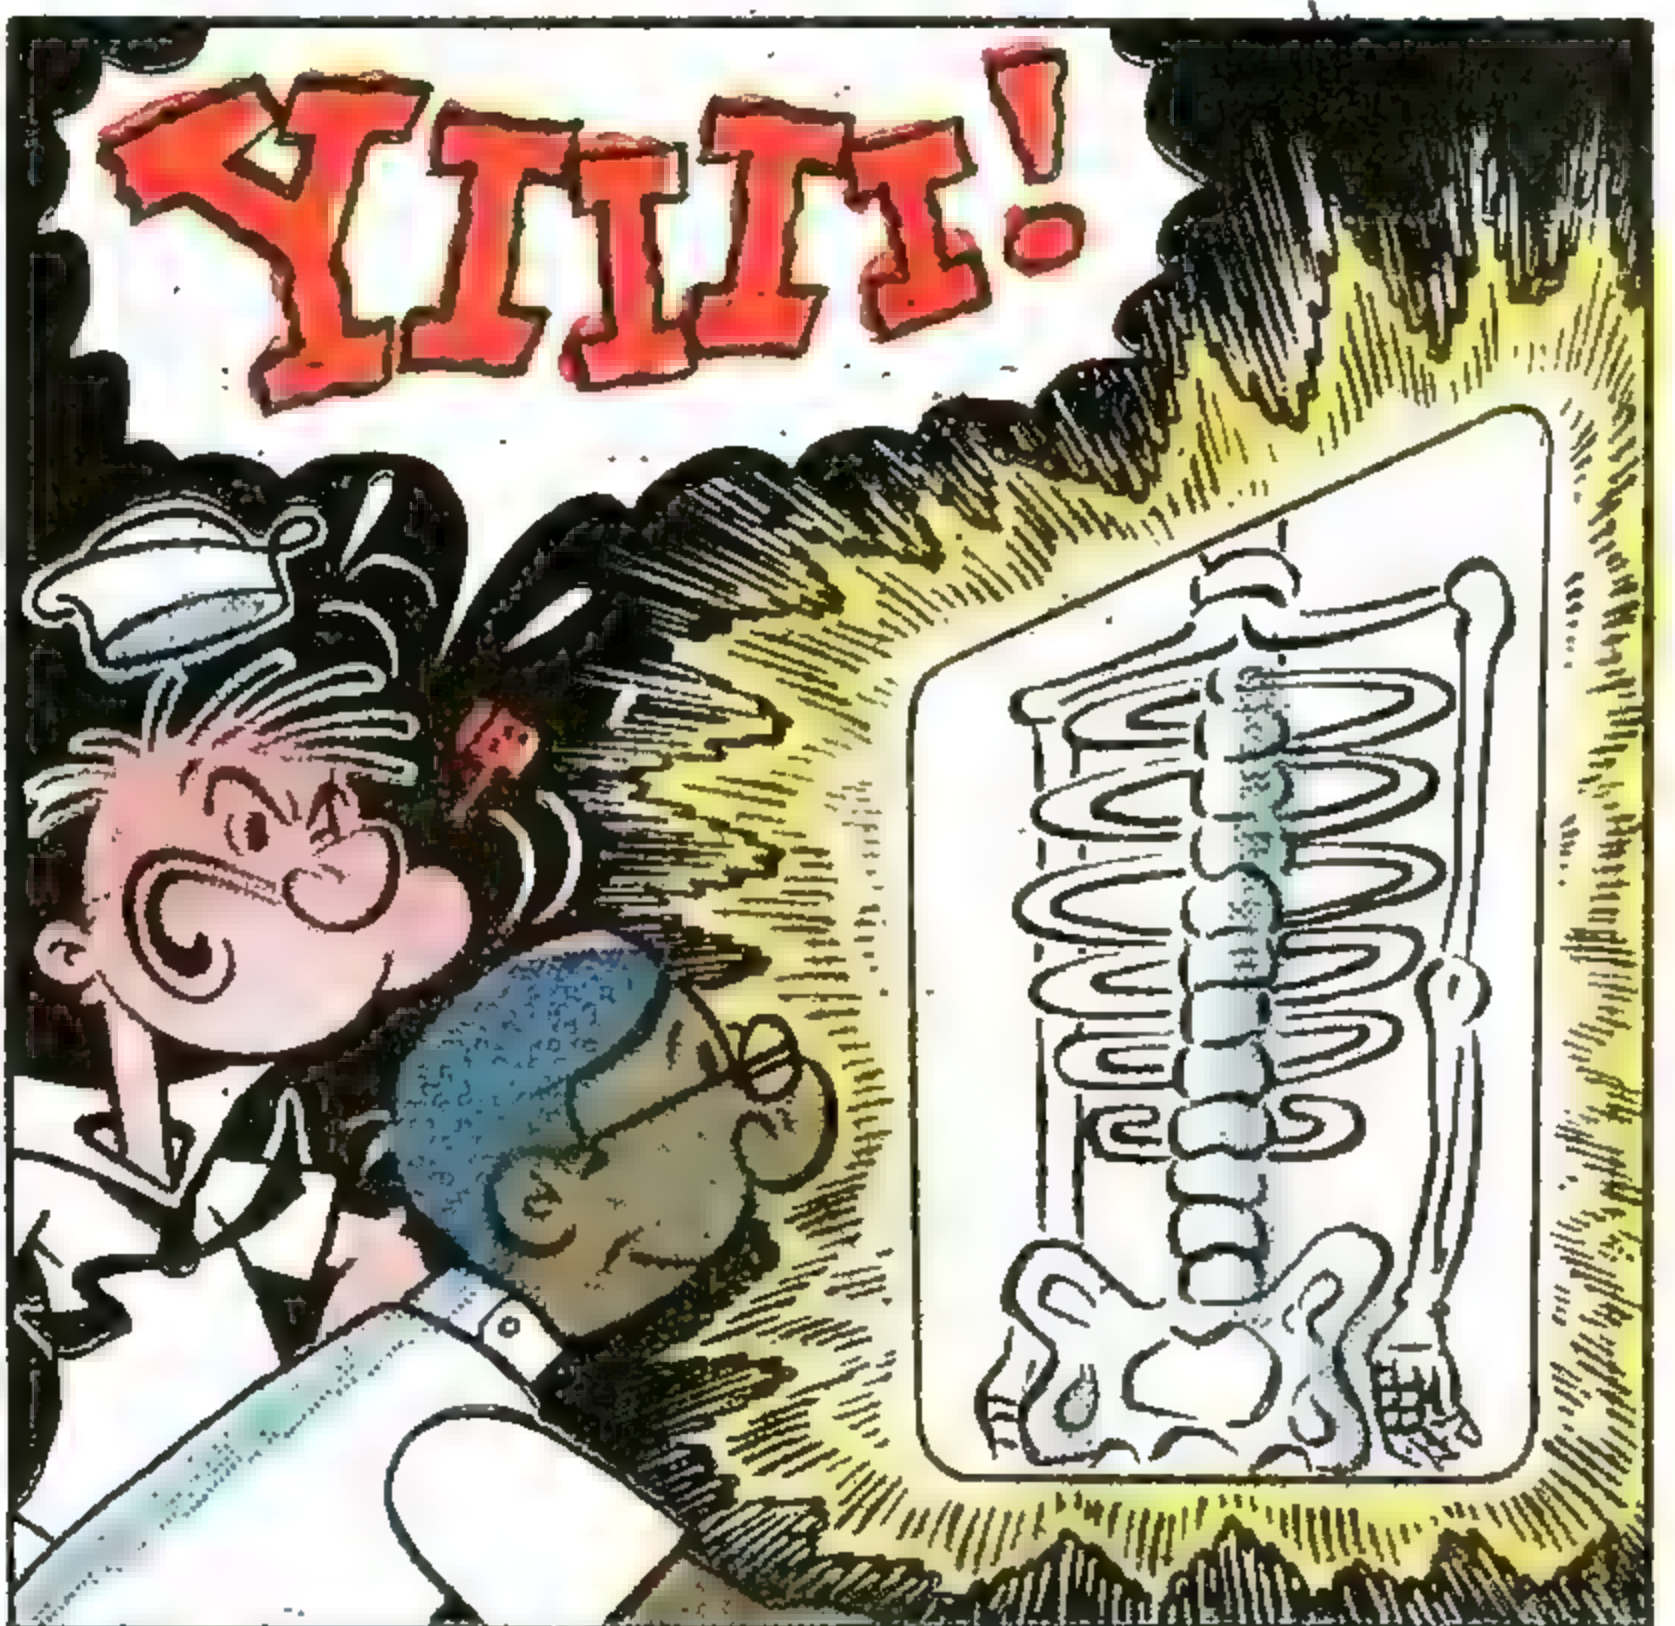

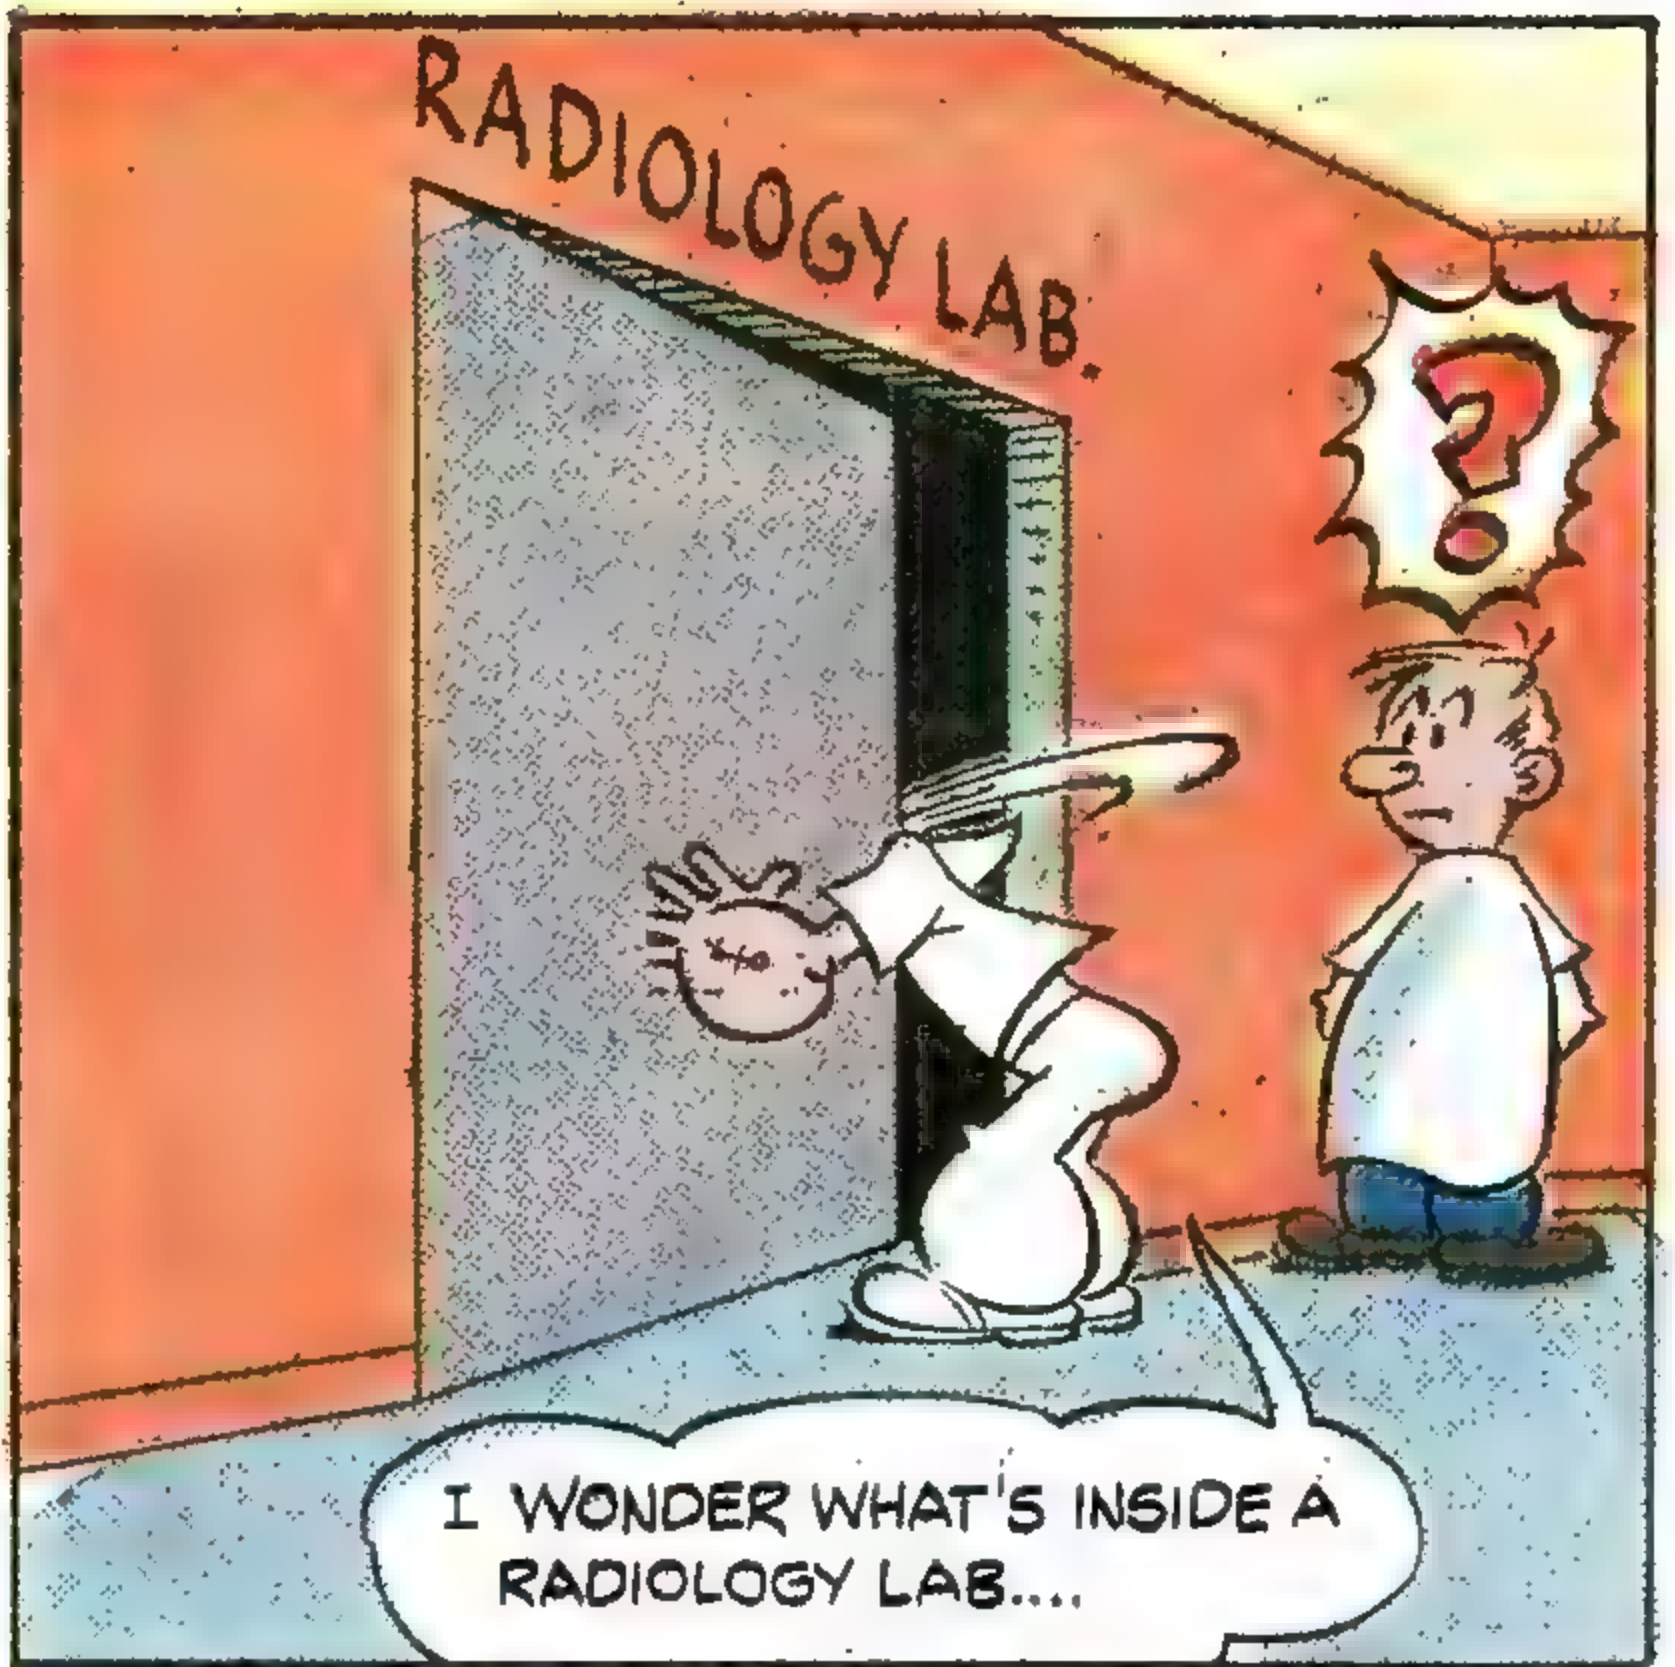

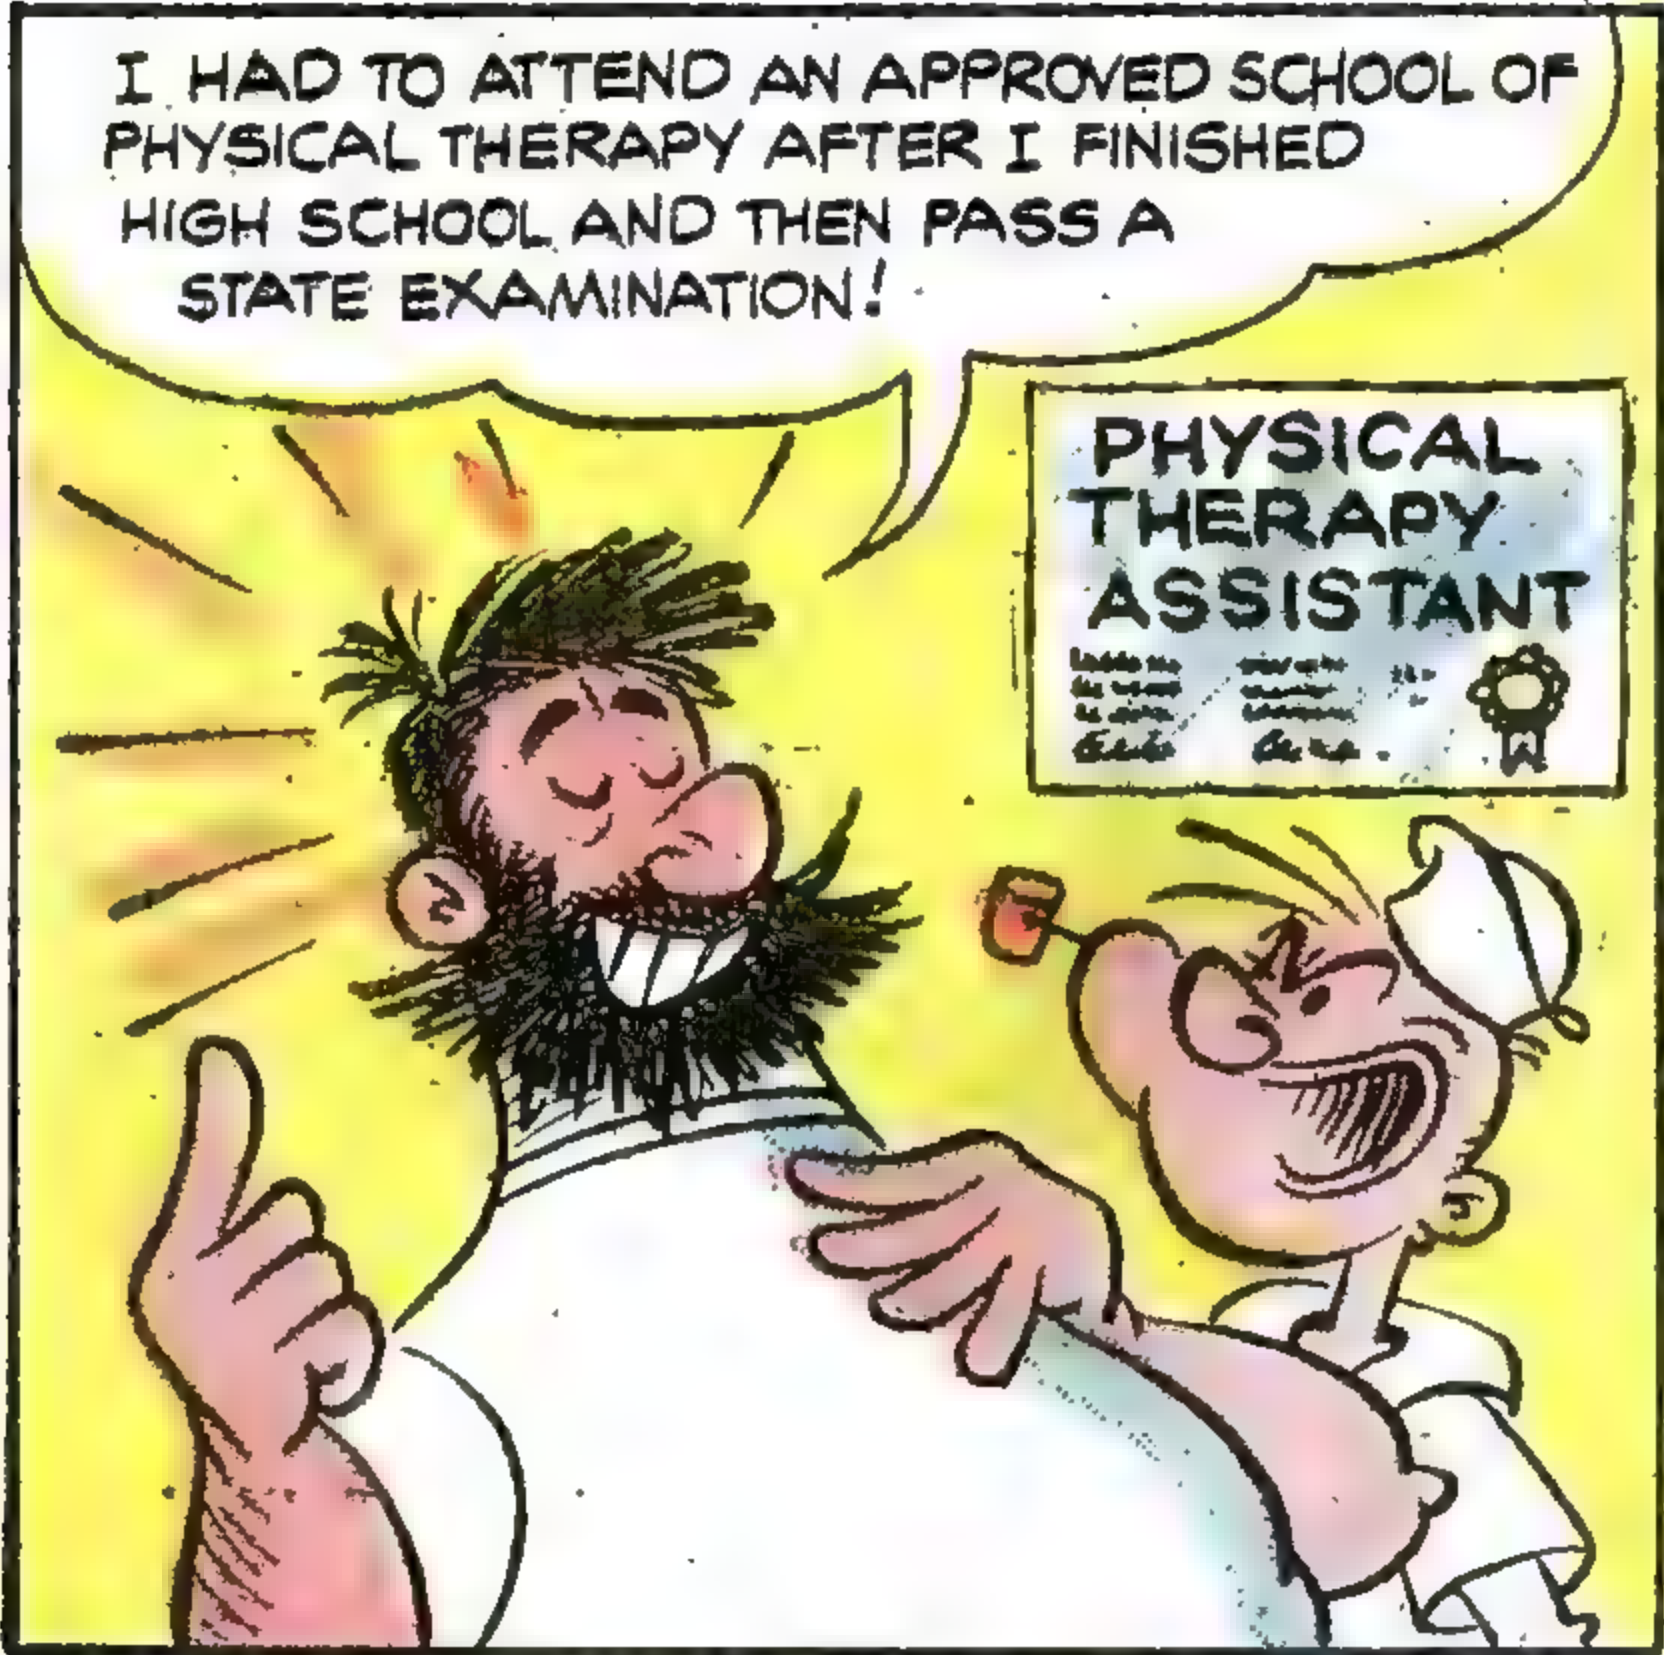

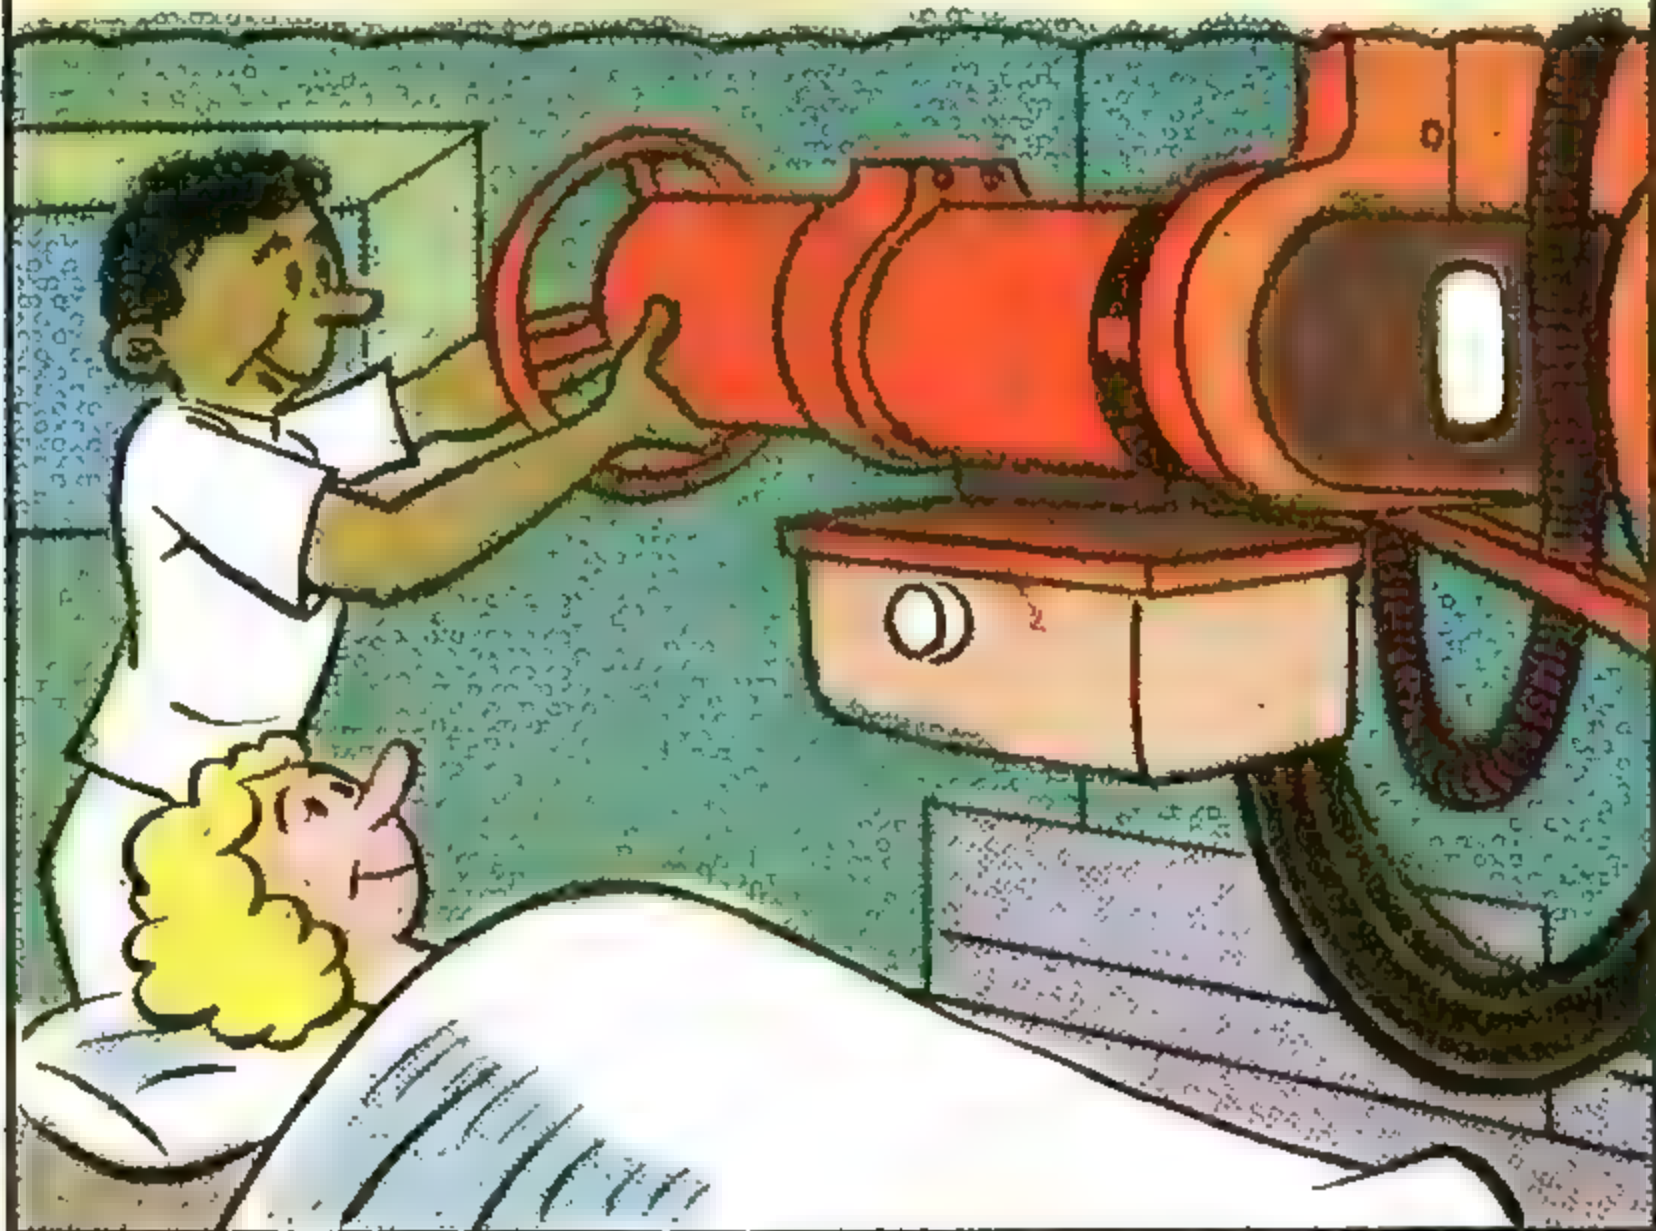

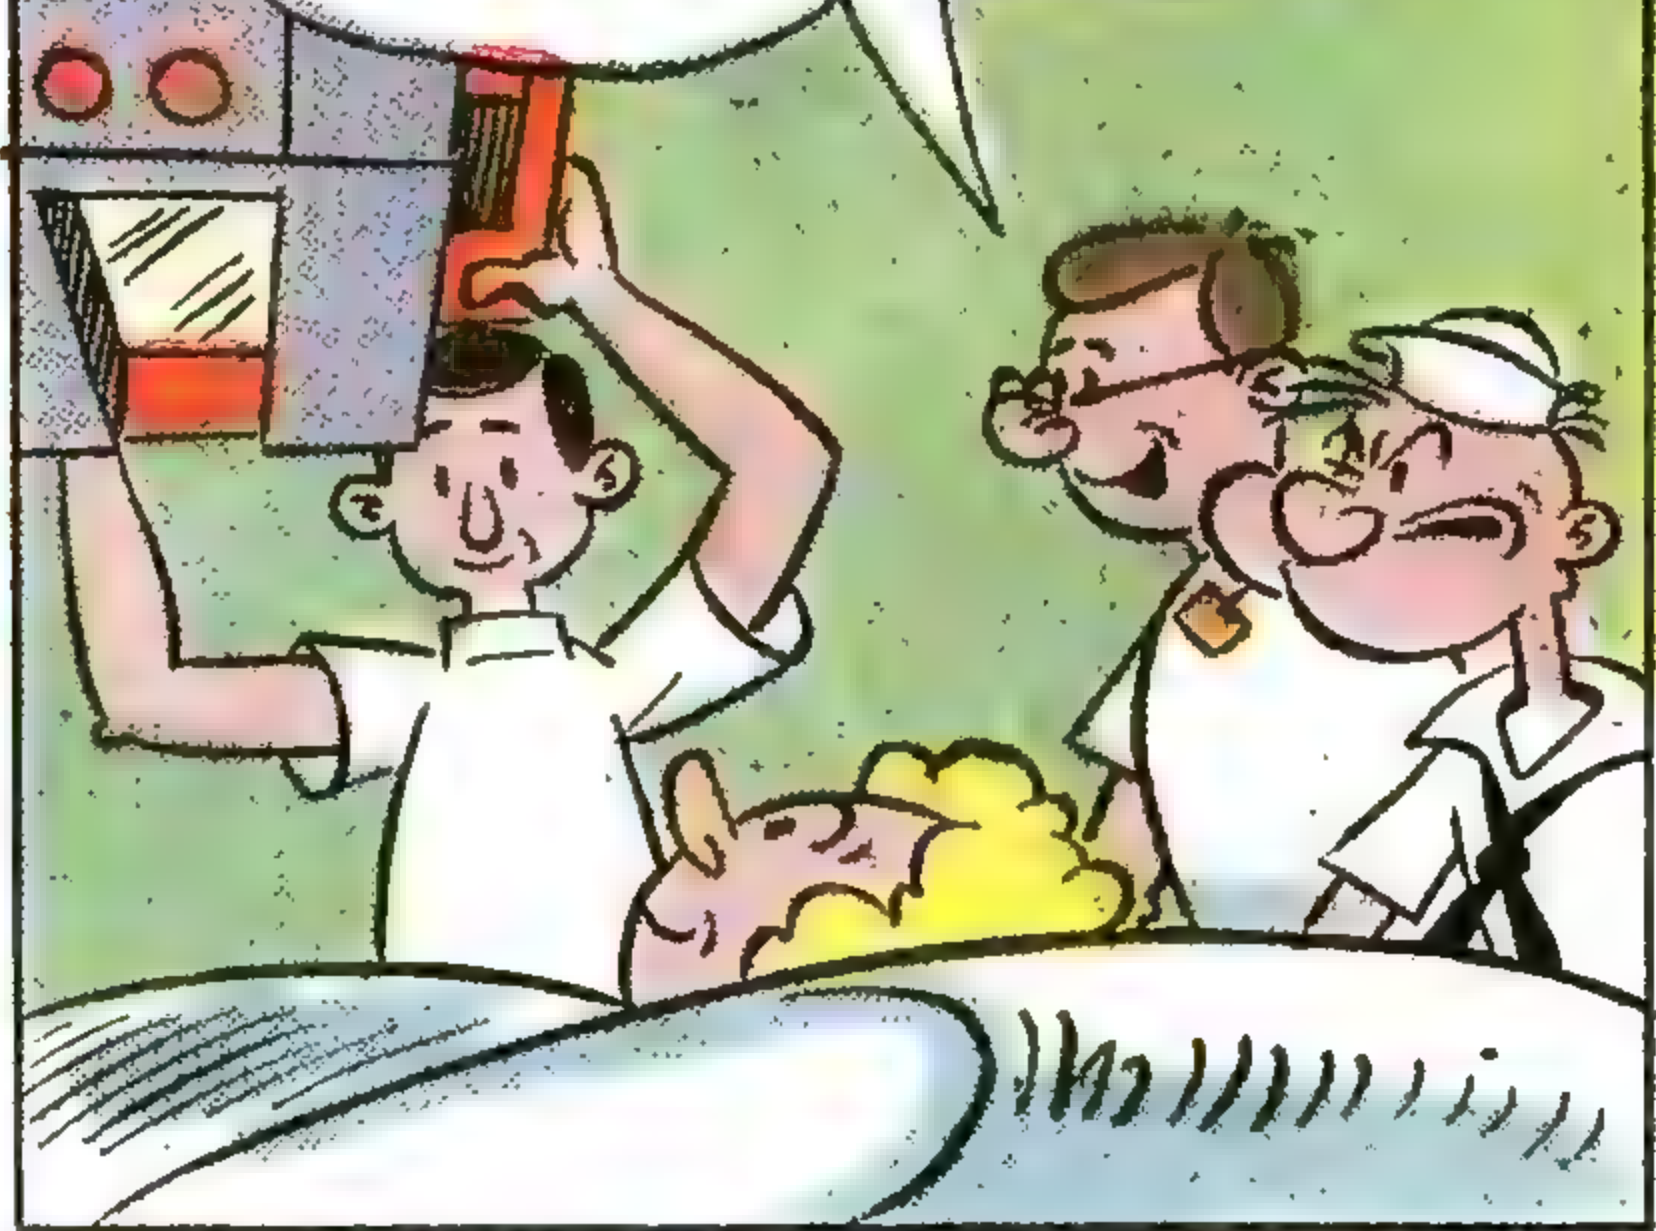

"THIS GENTLEMAN IS A RADIOLOGIC TECHNOLOGIST. HE'S A HIGH SCHOOL GRADUATE WHO HAS TAKEN COURSES IN X-RAY TECHNOLOGY WHICH USUALLY TAKE ABOUT 2 YEARS TO COMPLETE."

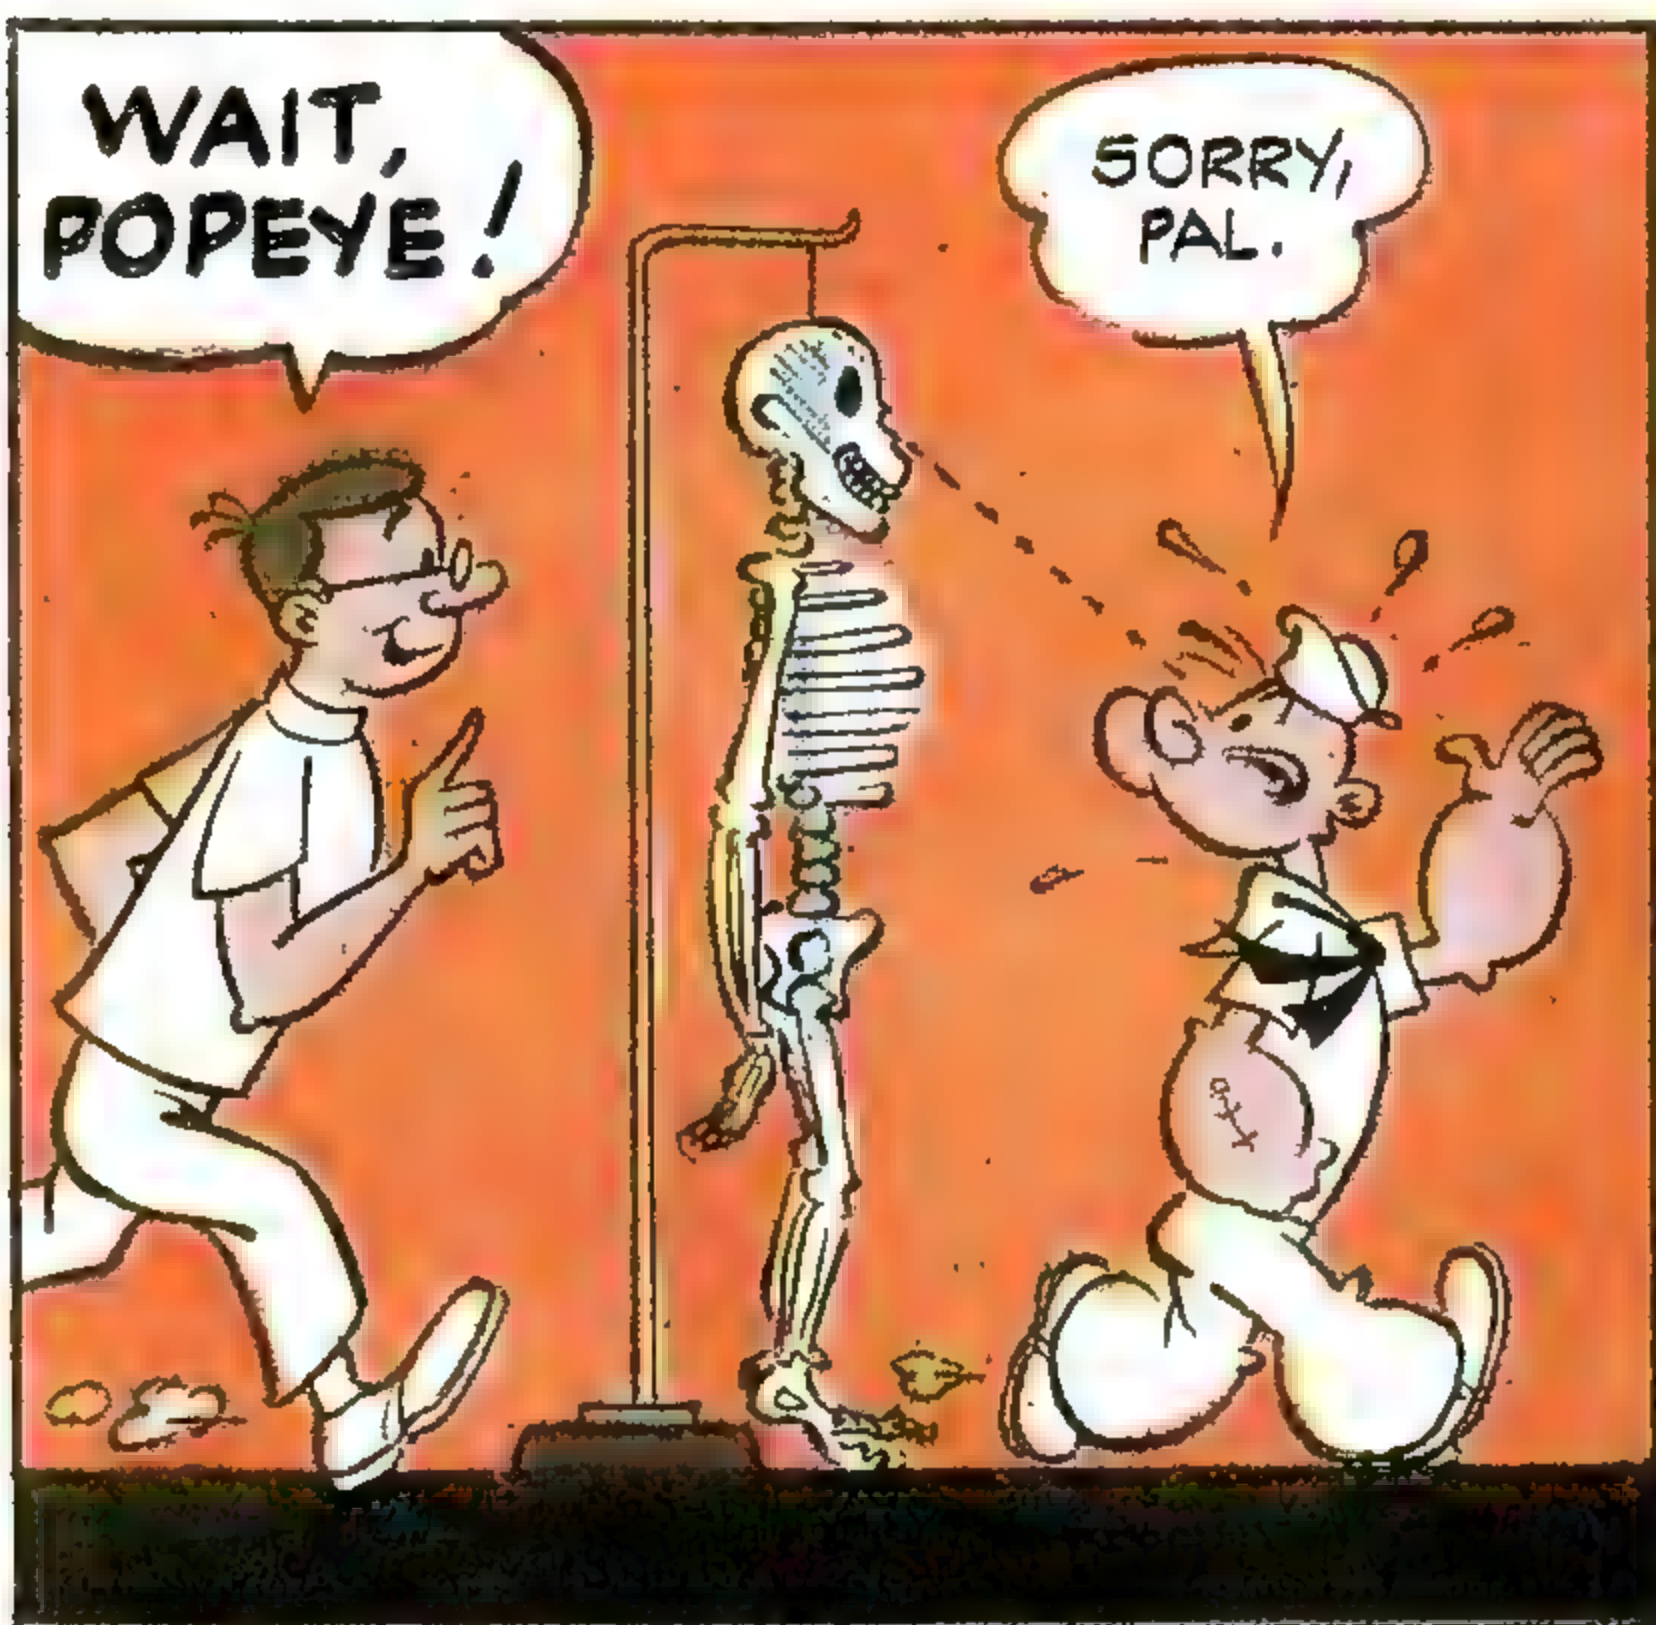

X-RAY TECHNICIANS X-RAY PATIENTS, PREPARE CHEMICAL MIXTURES NEEDED, AND THEY ALSO ASSIST THE PHYSICIAN BY TREATING SOME DISEASES WITH RADIATION.

WAIT, POPEYE!

SORRY, PAL.

THAT'S SPOOKY!

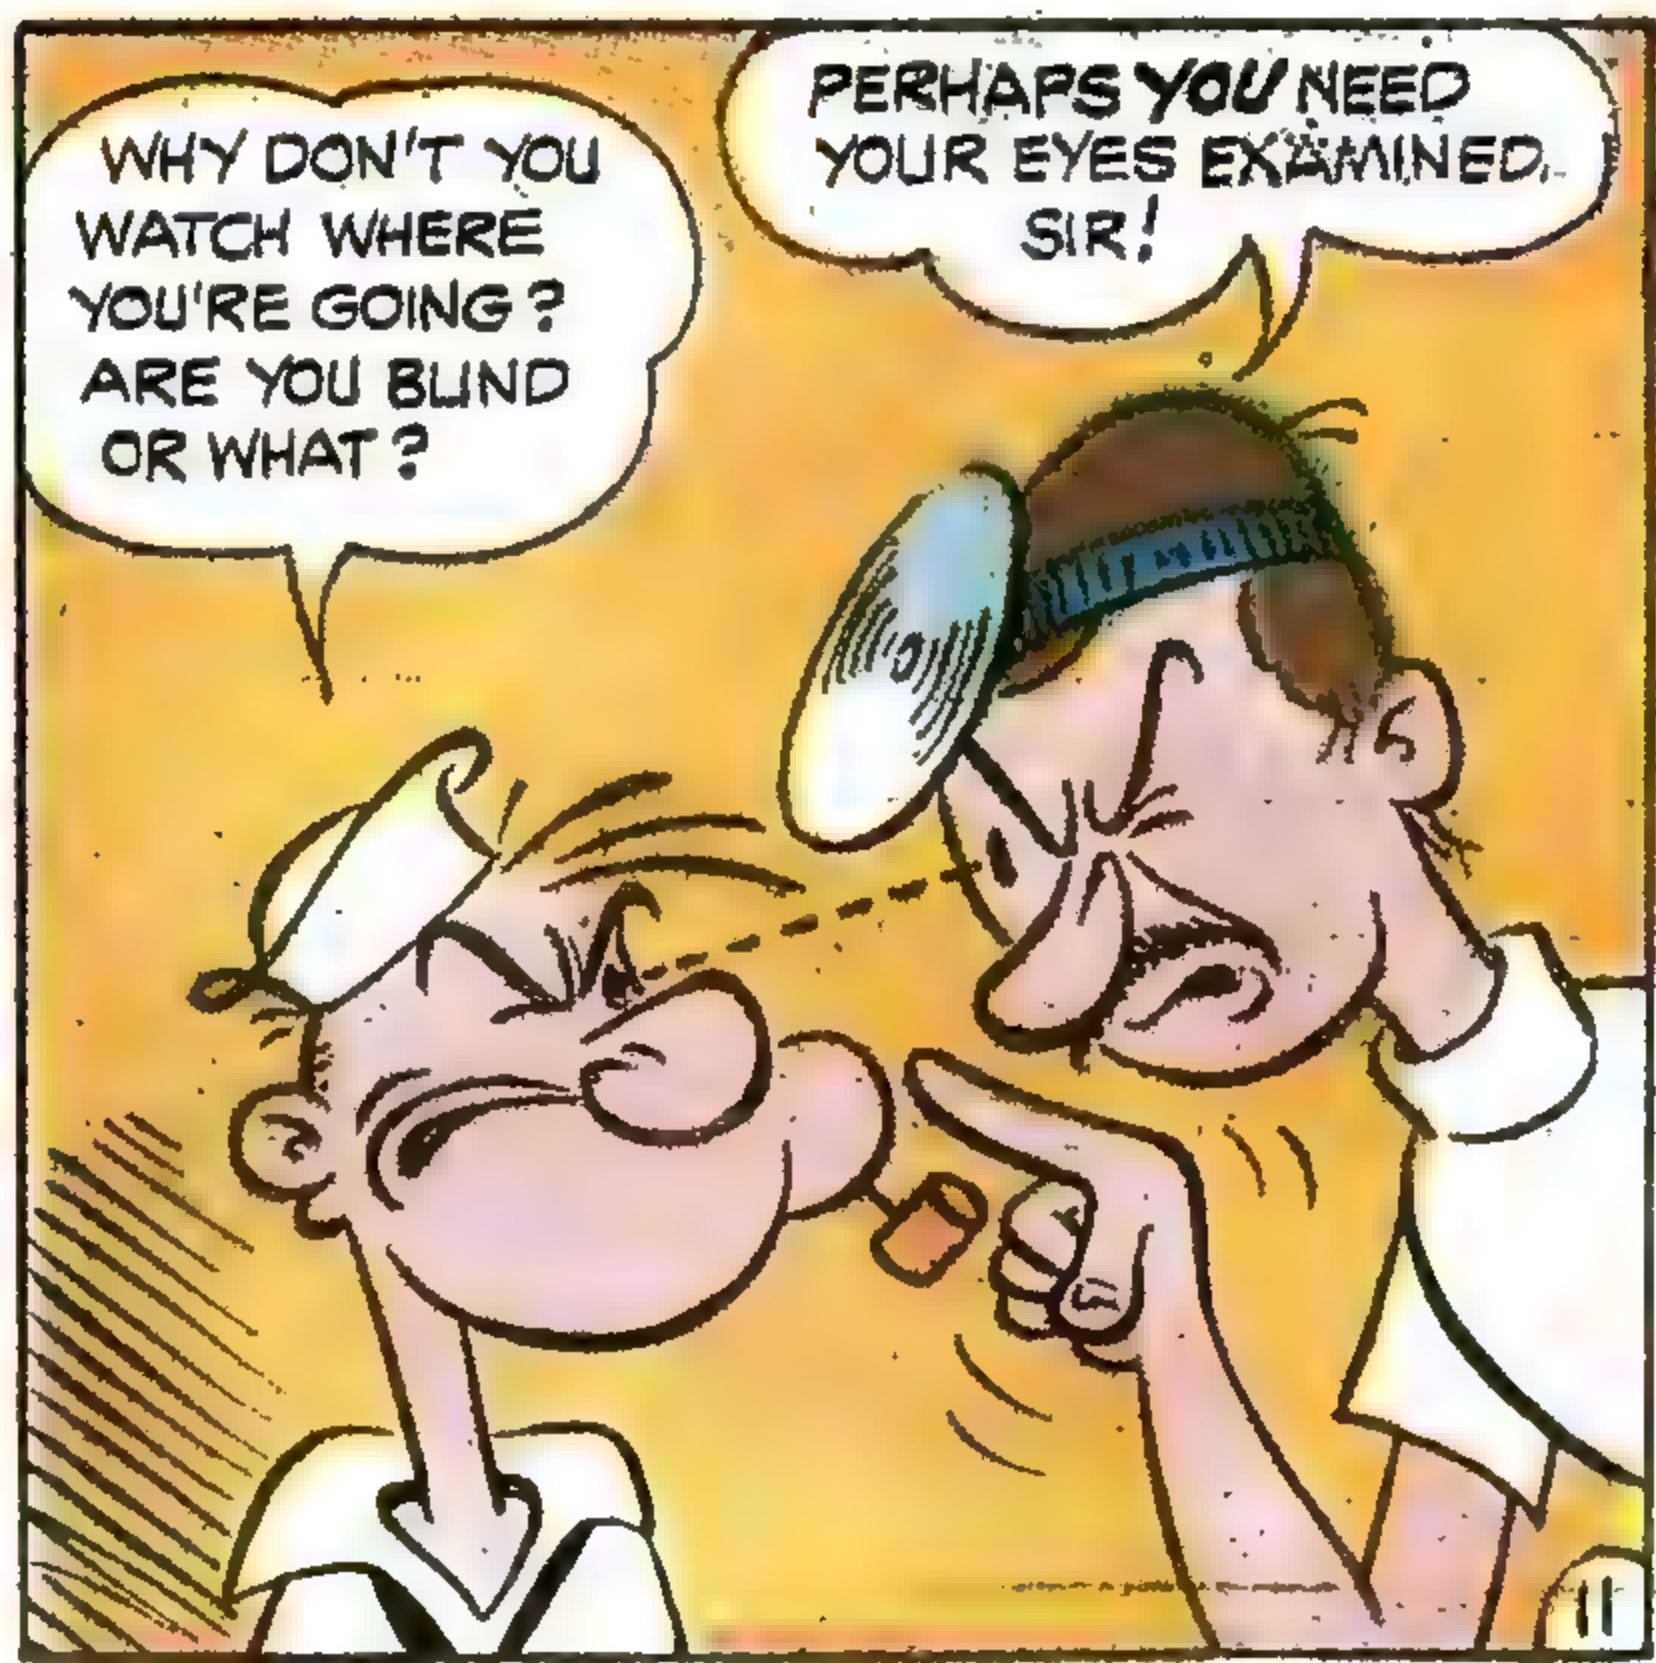

BOINK!

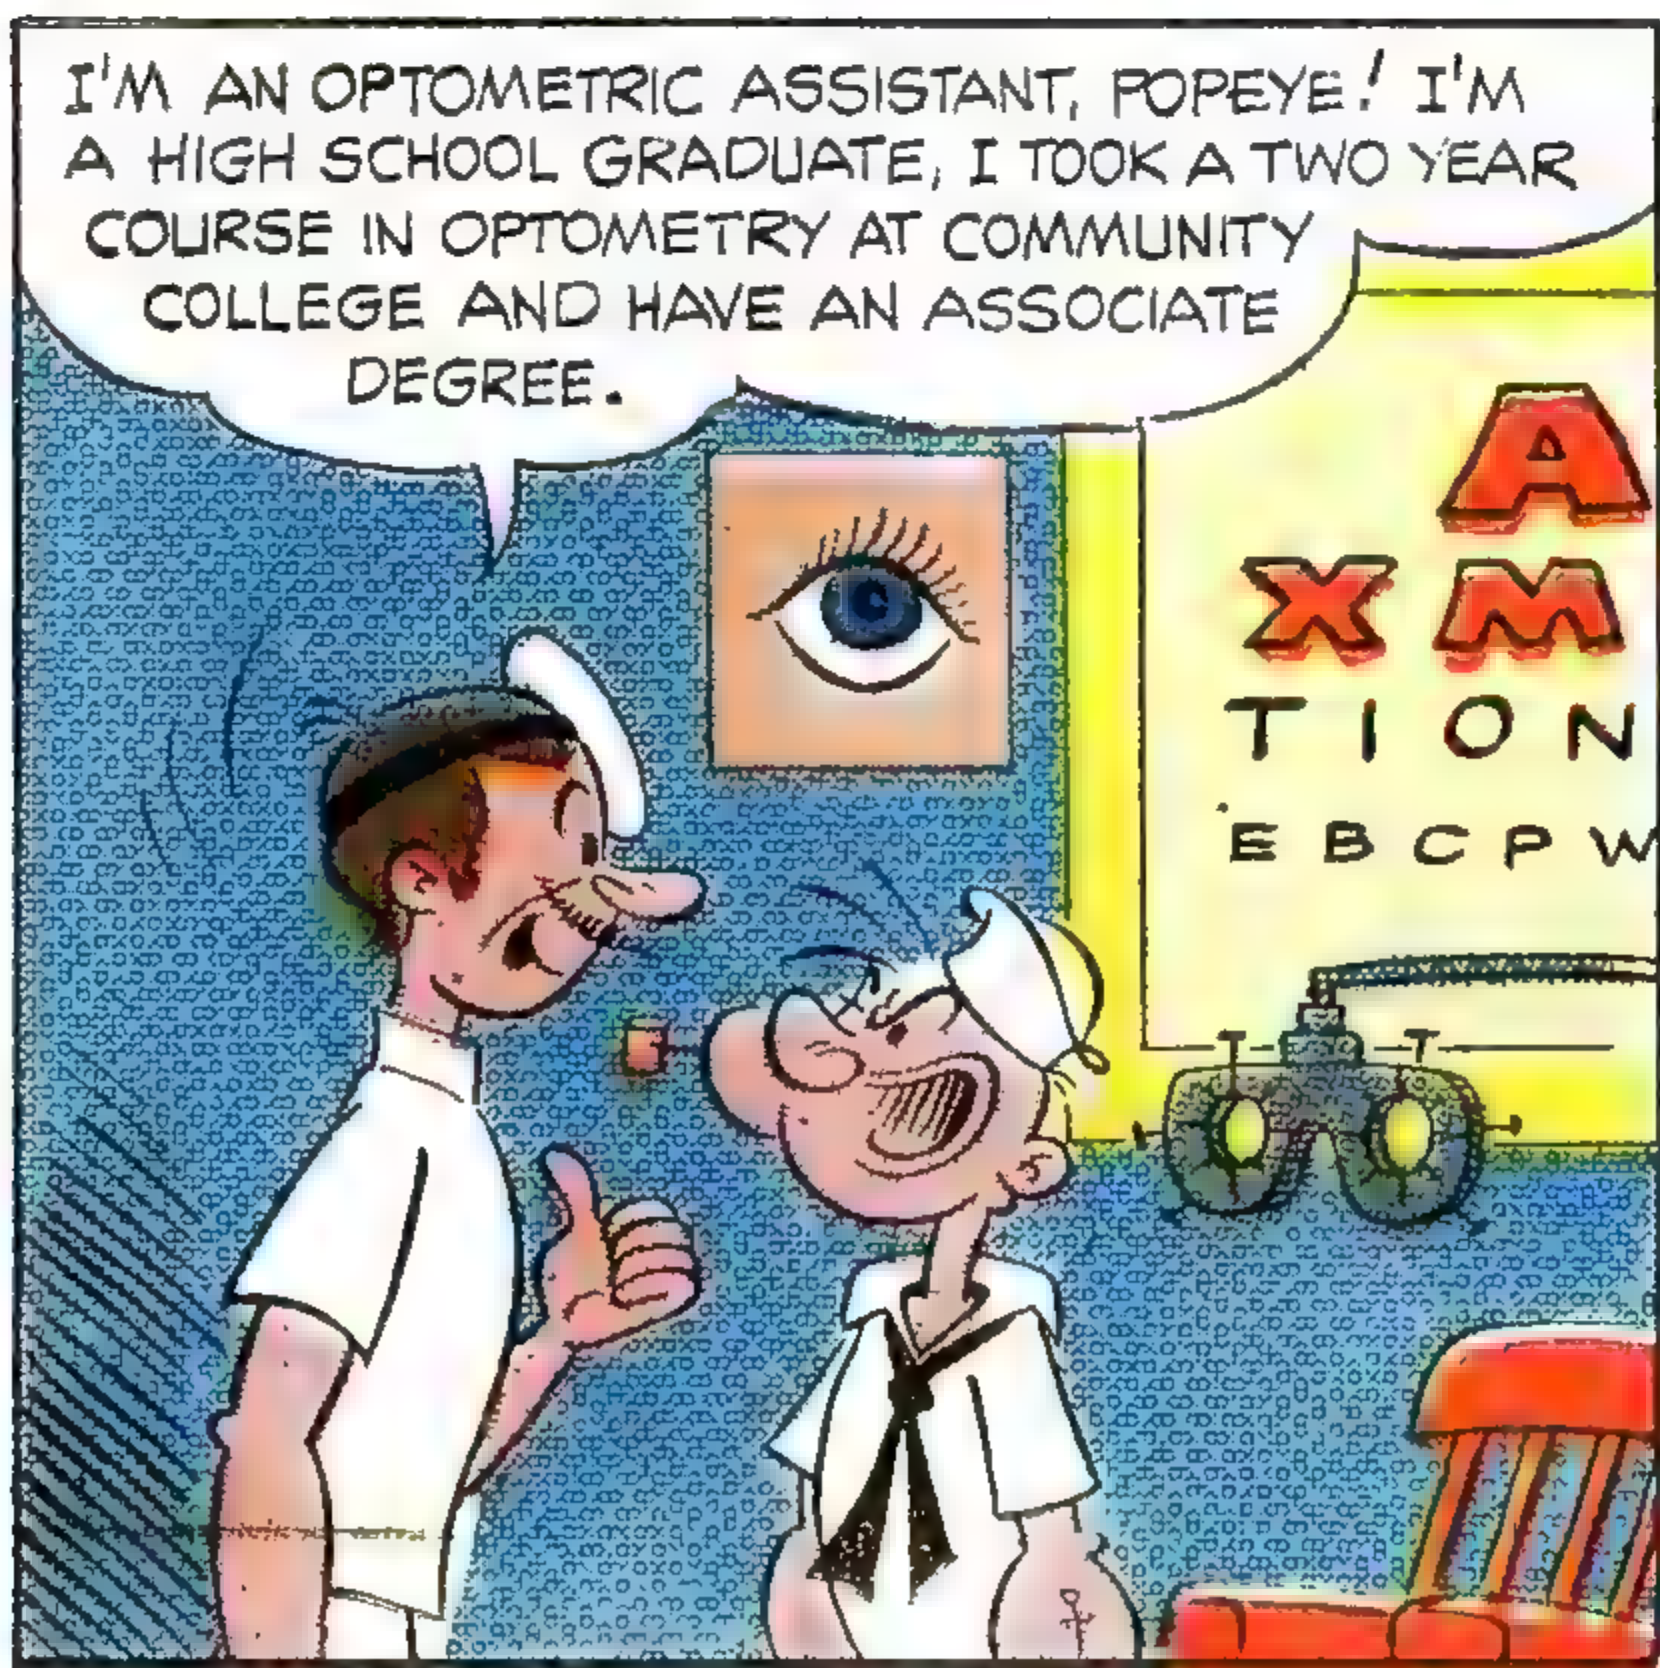

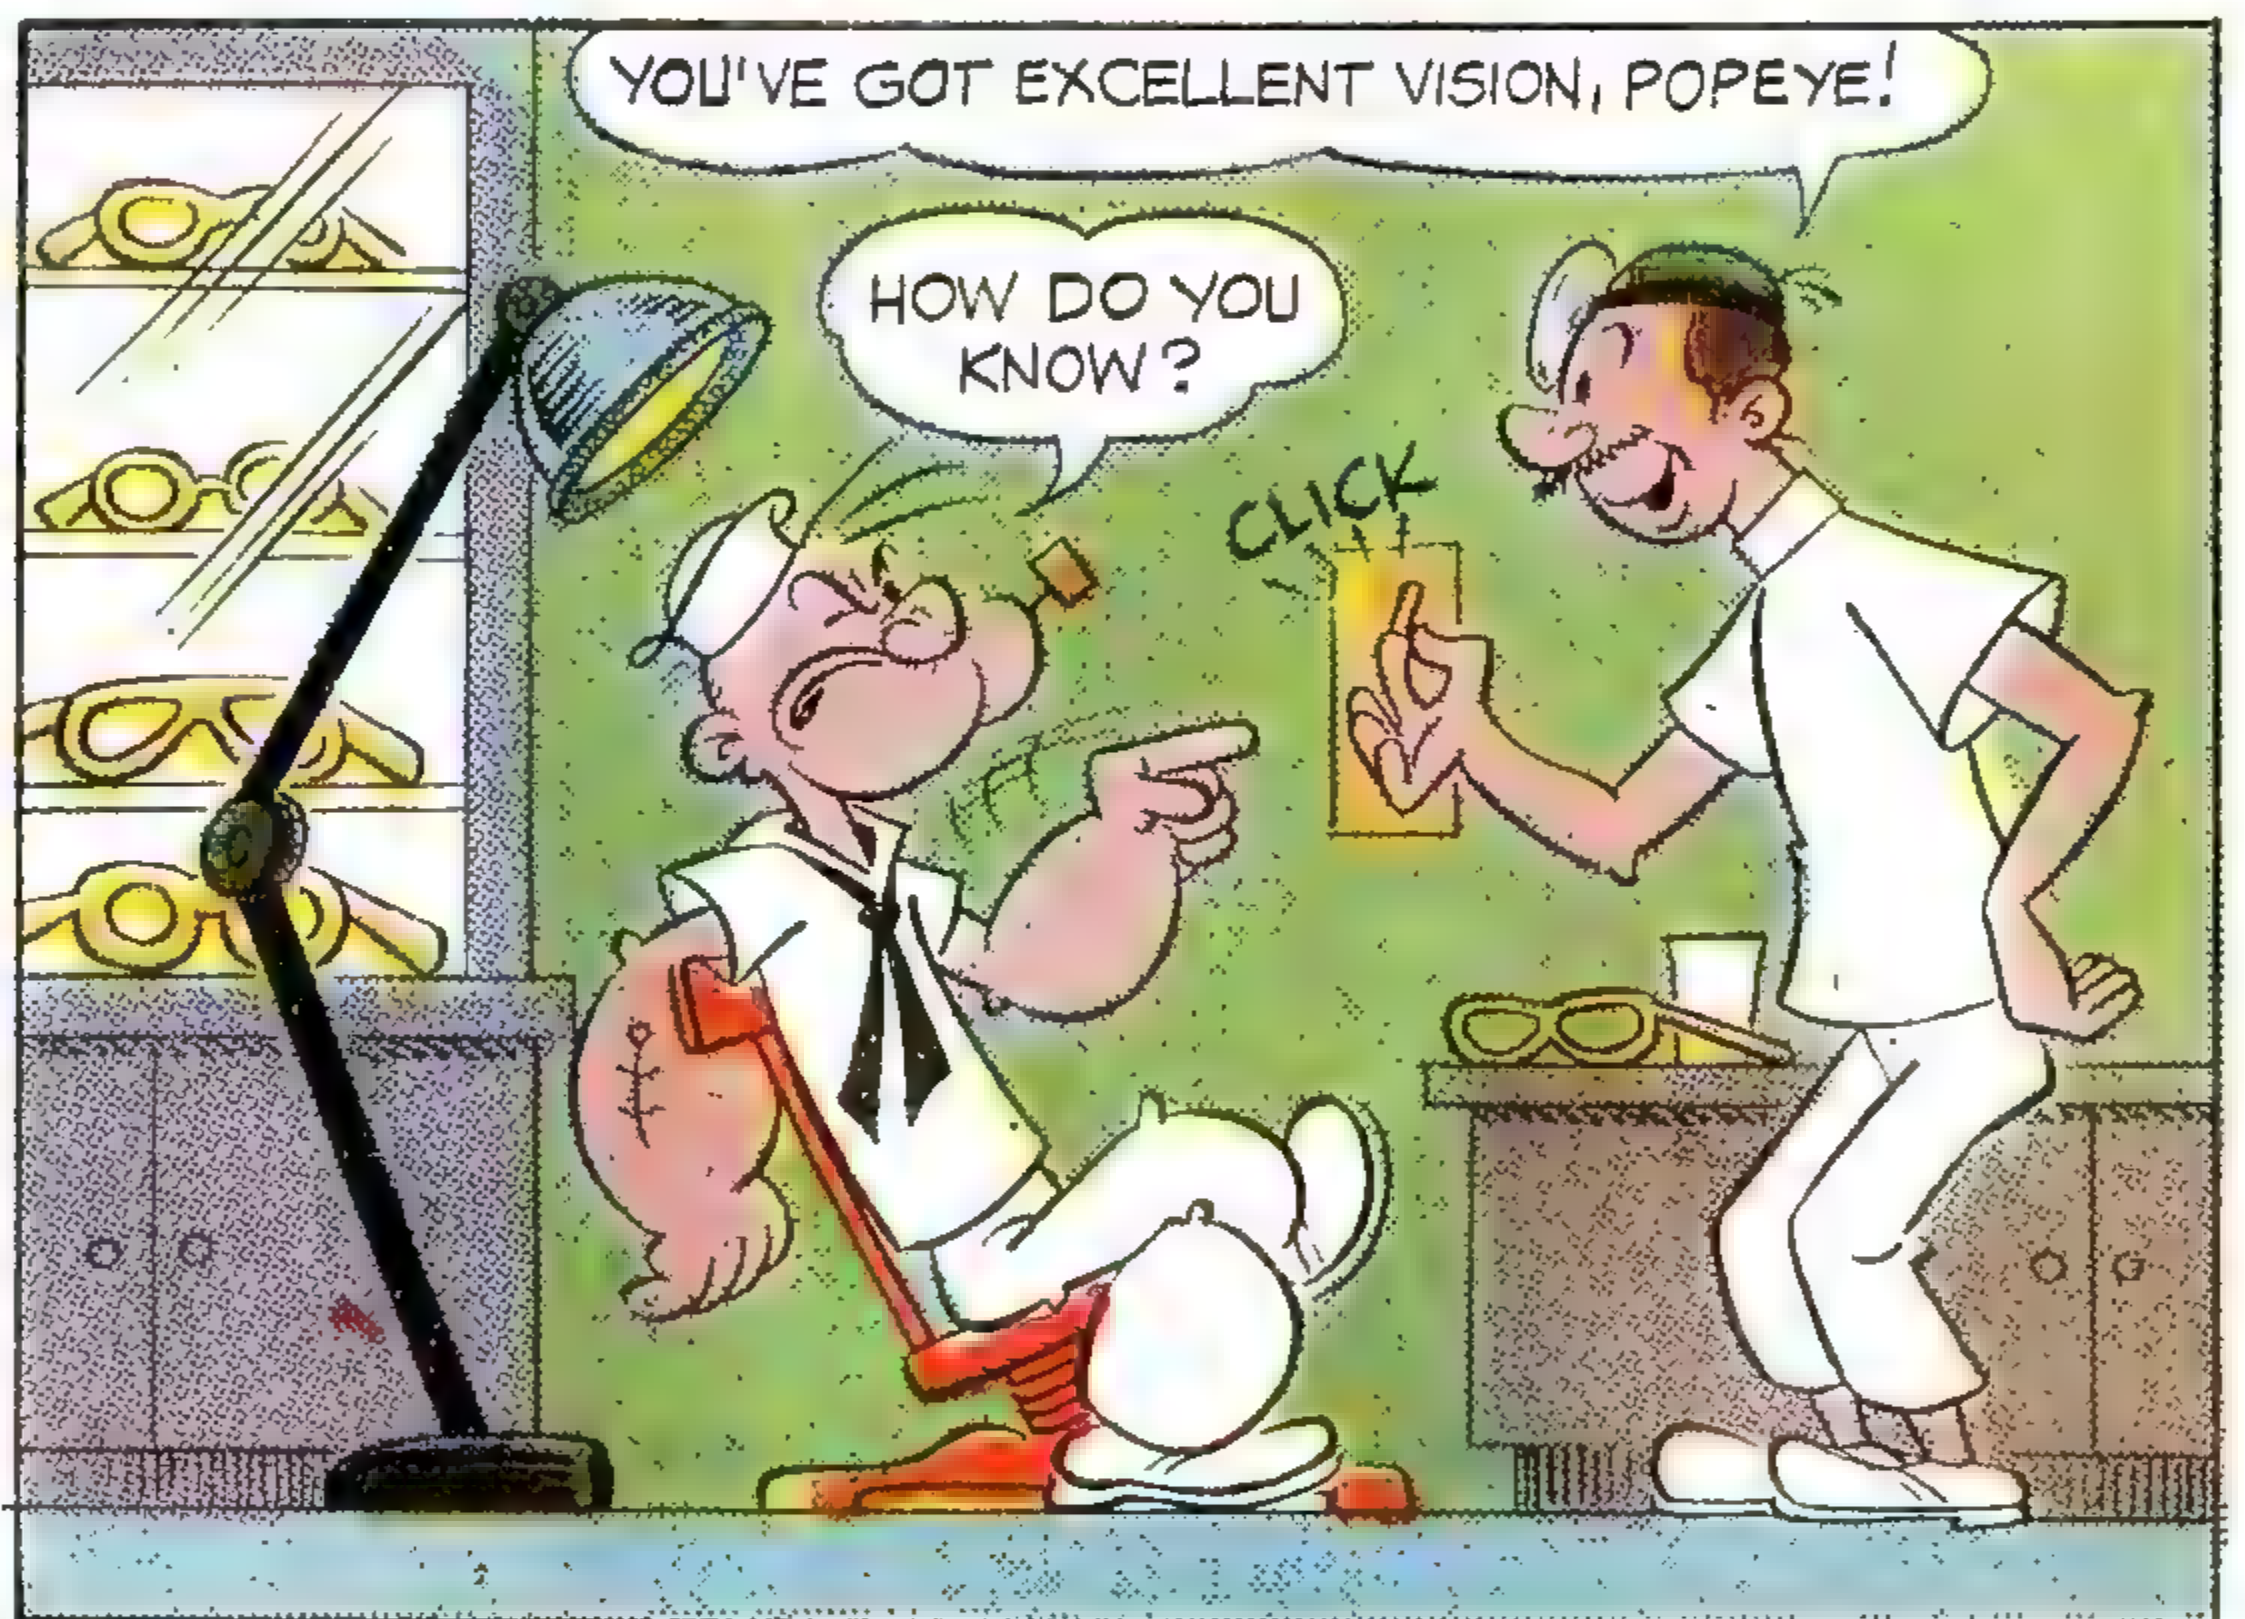

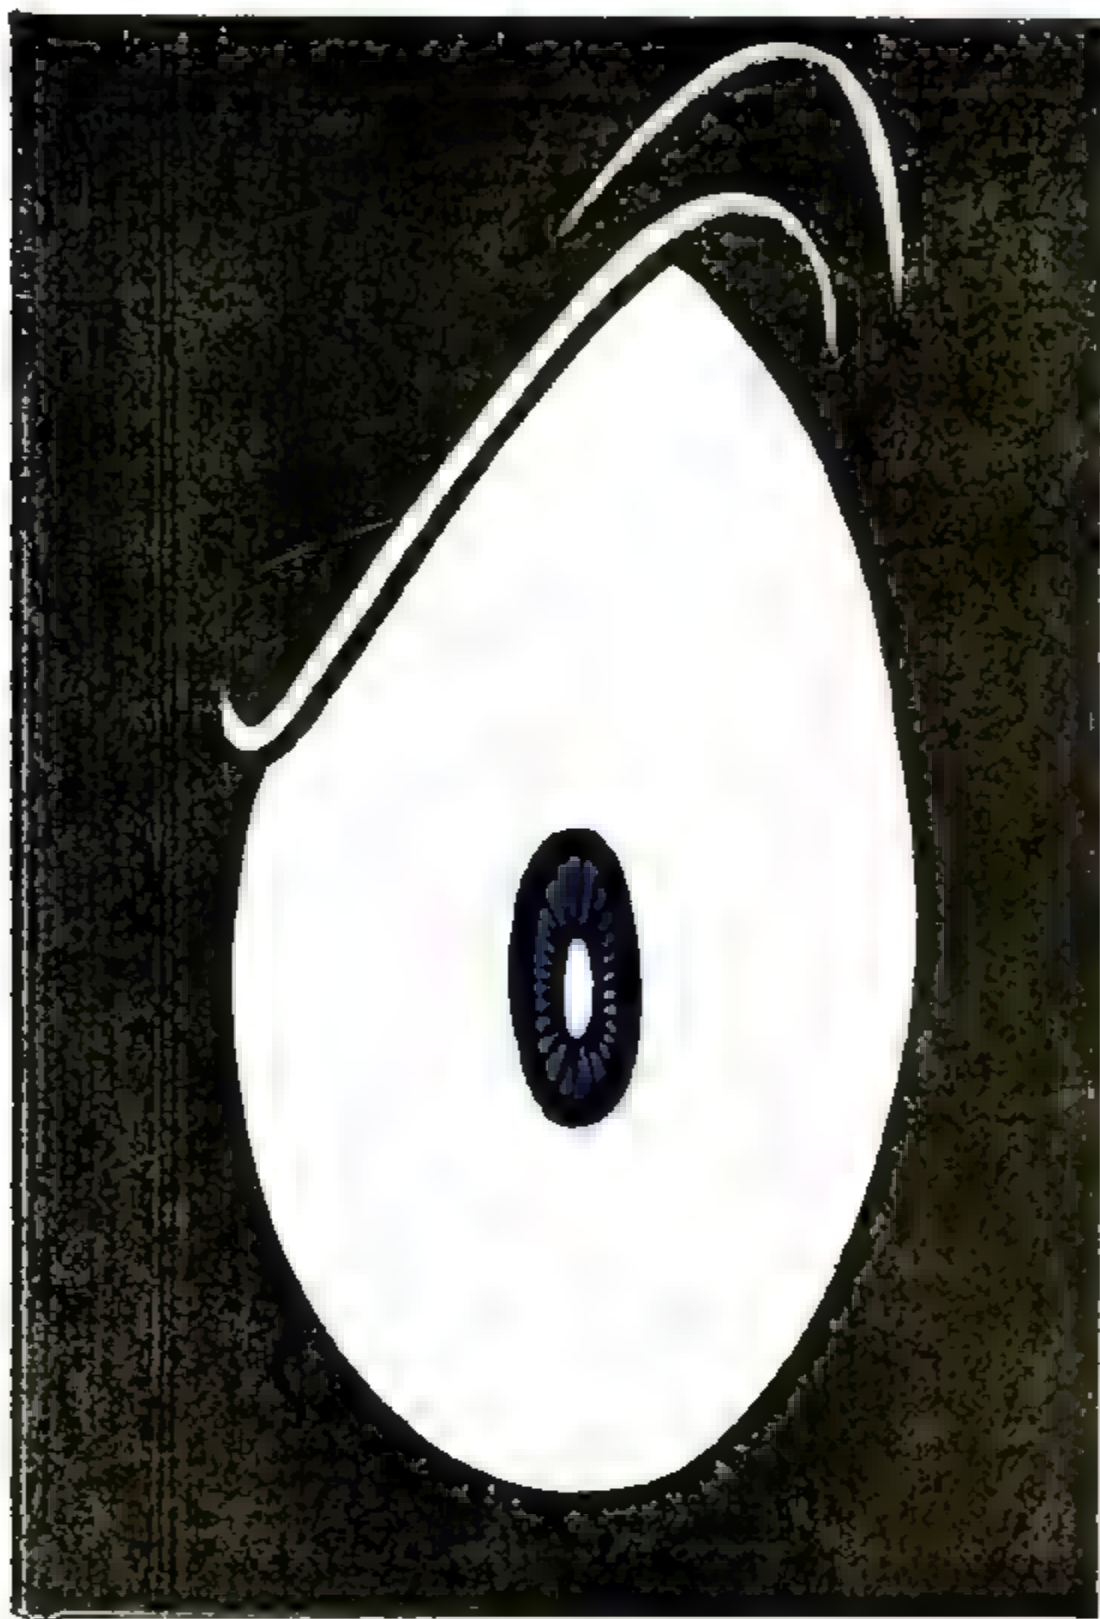

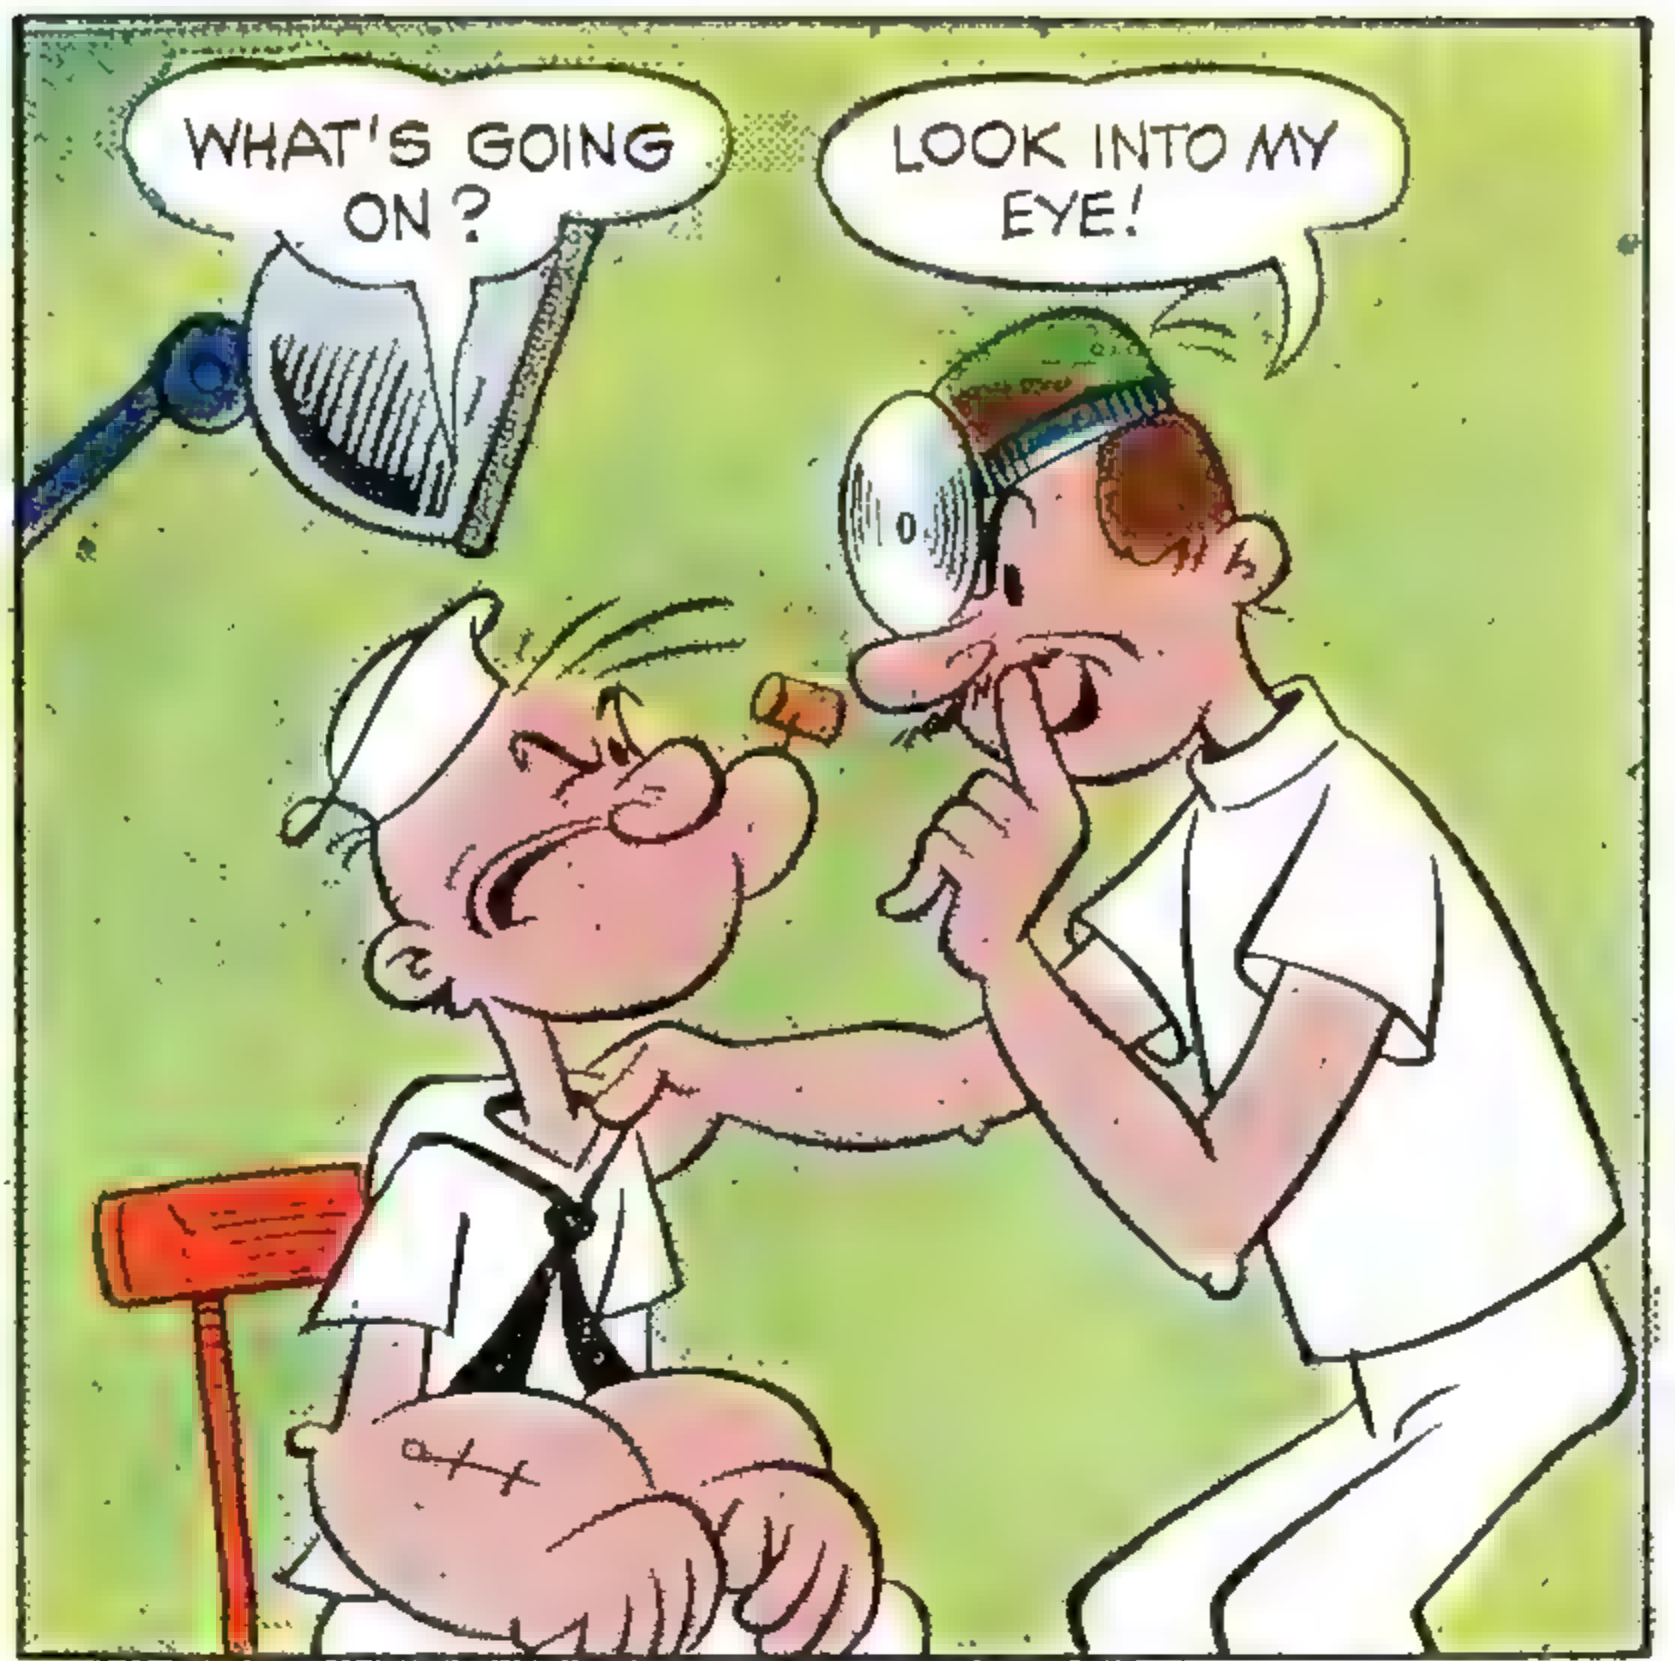

WHY DON'T YOU WATCH WHERE YOU'RE GOING? ARE YOU BLIND OR WHAT?

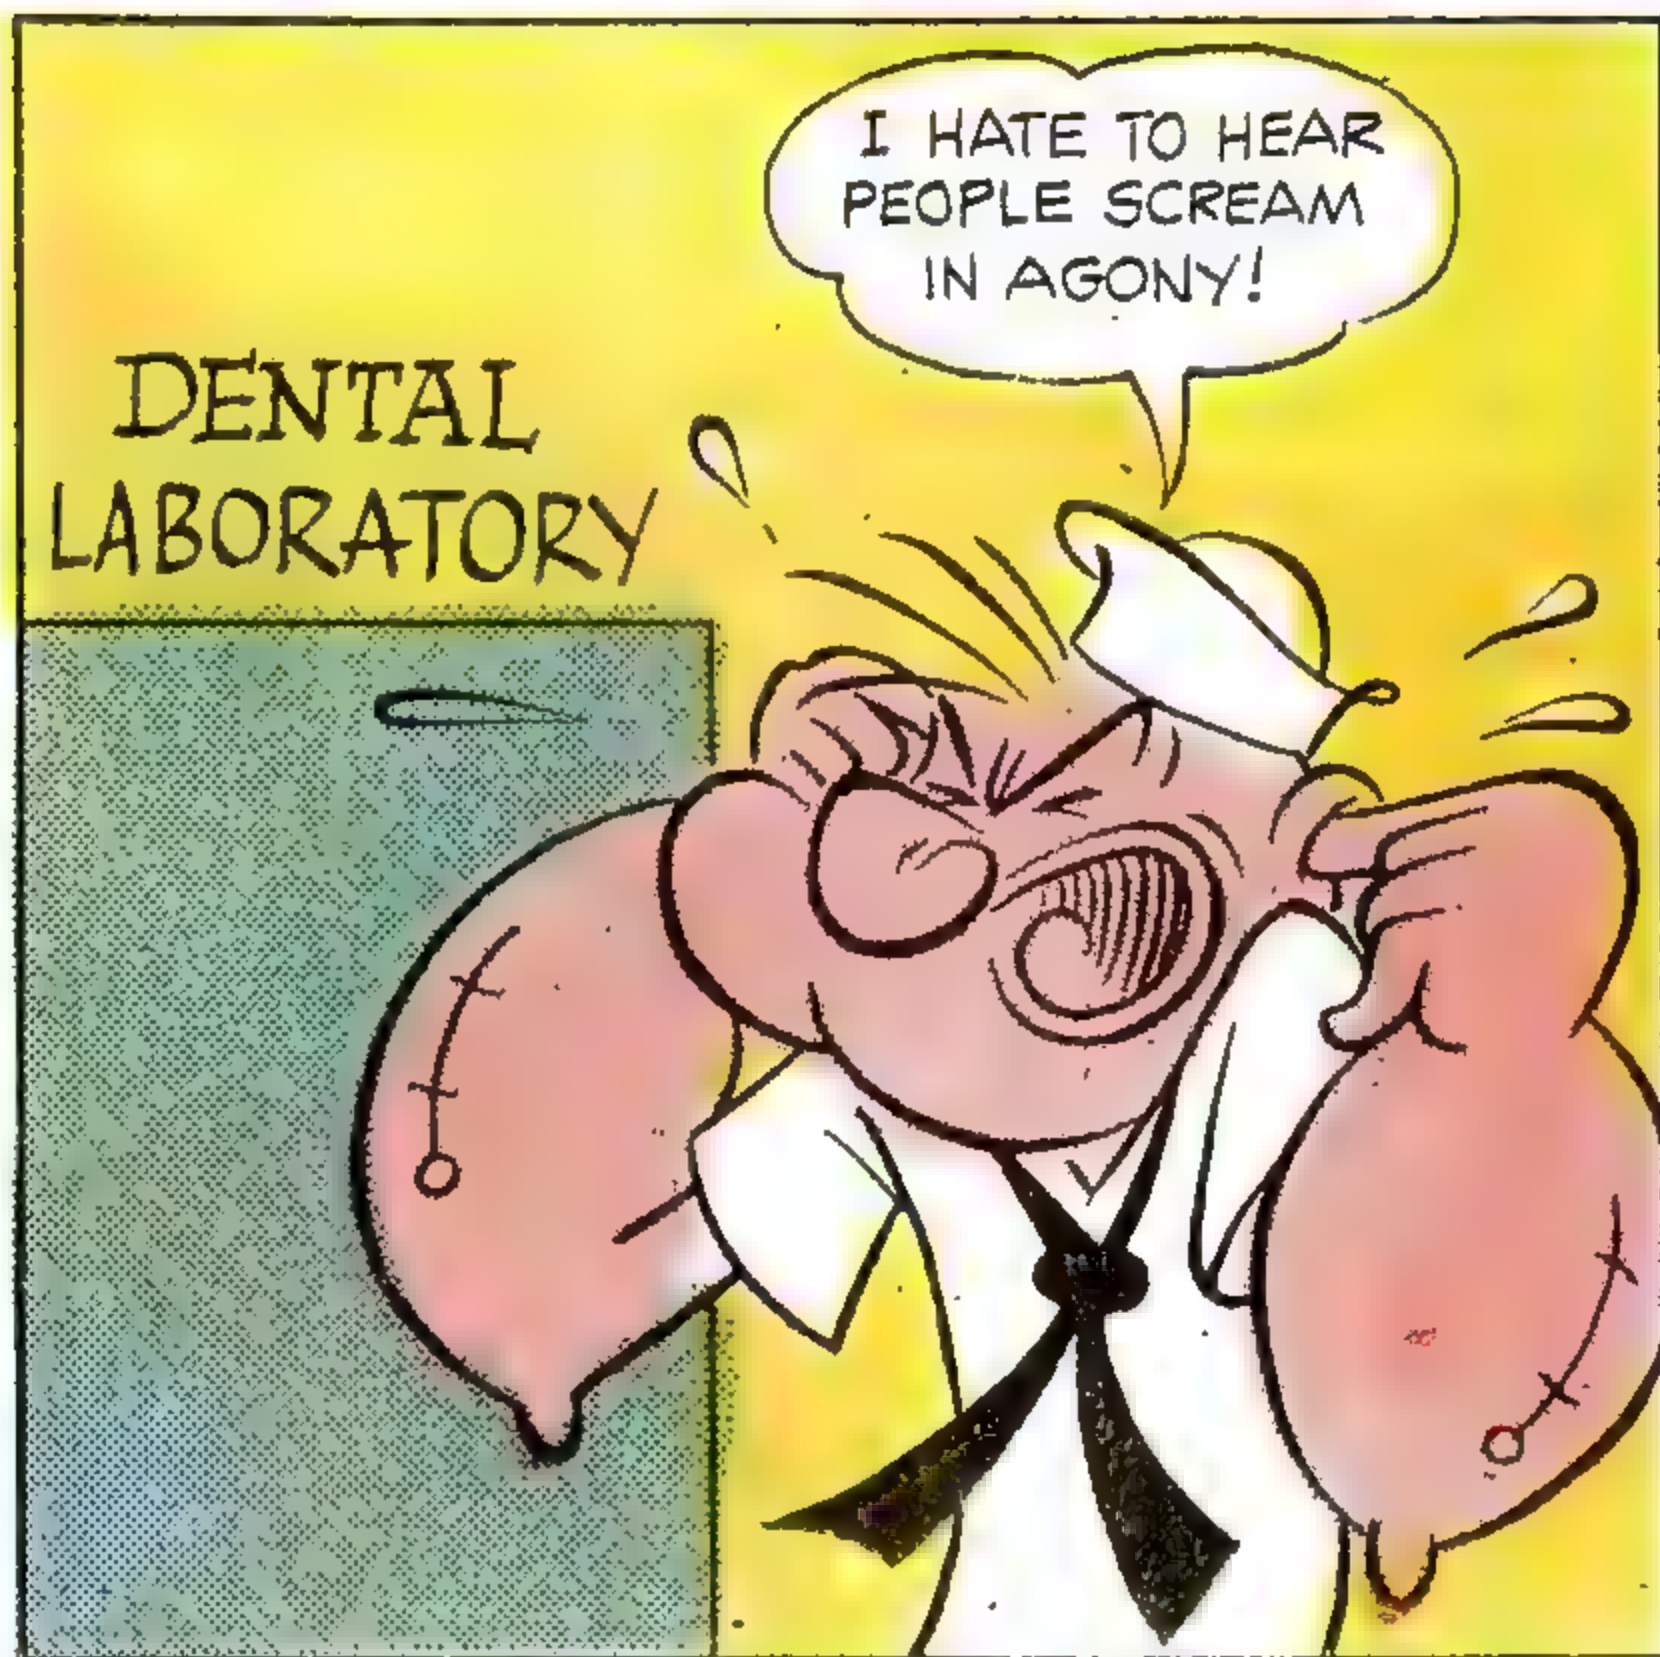

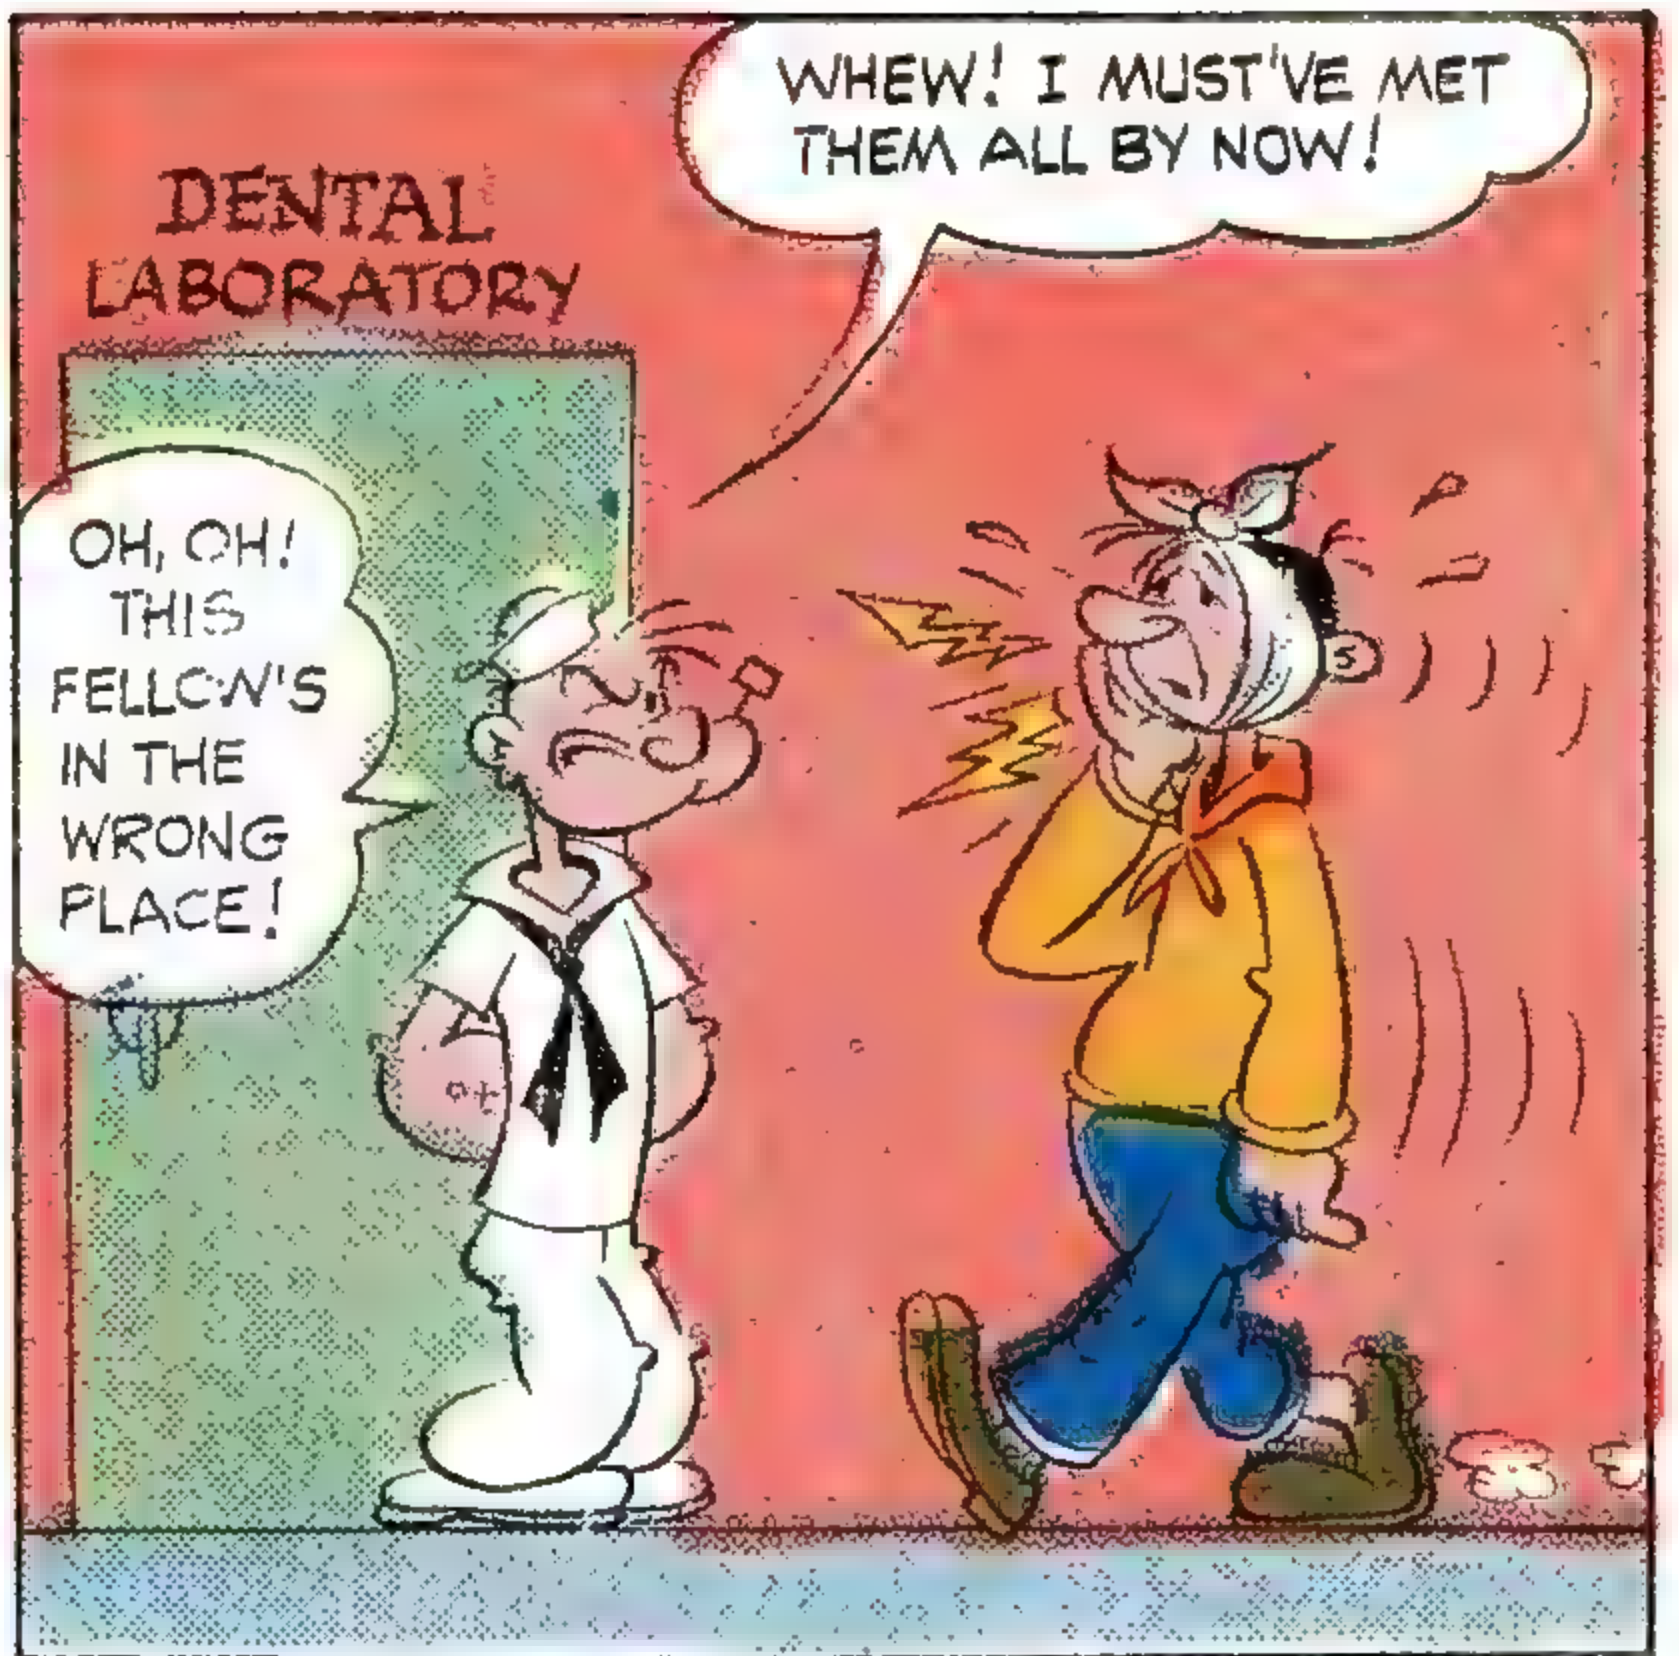

PERHAPS YOU NEED YOUR EYES EXAMINED, SIR!

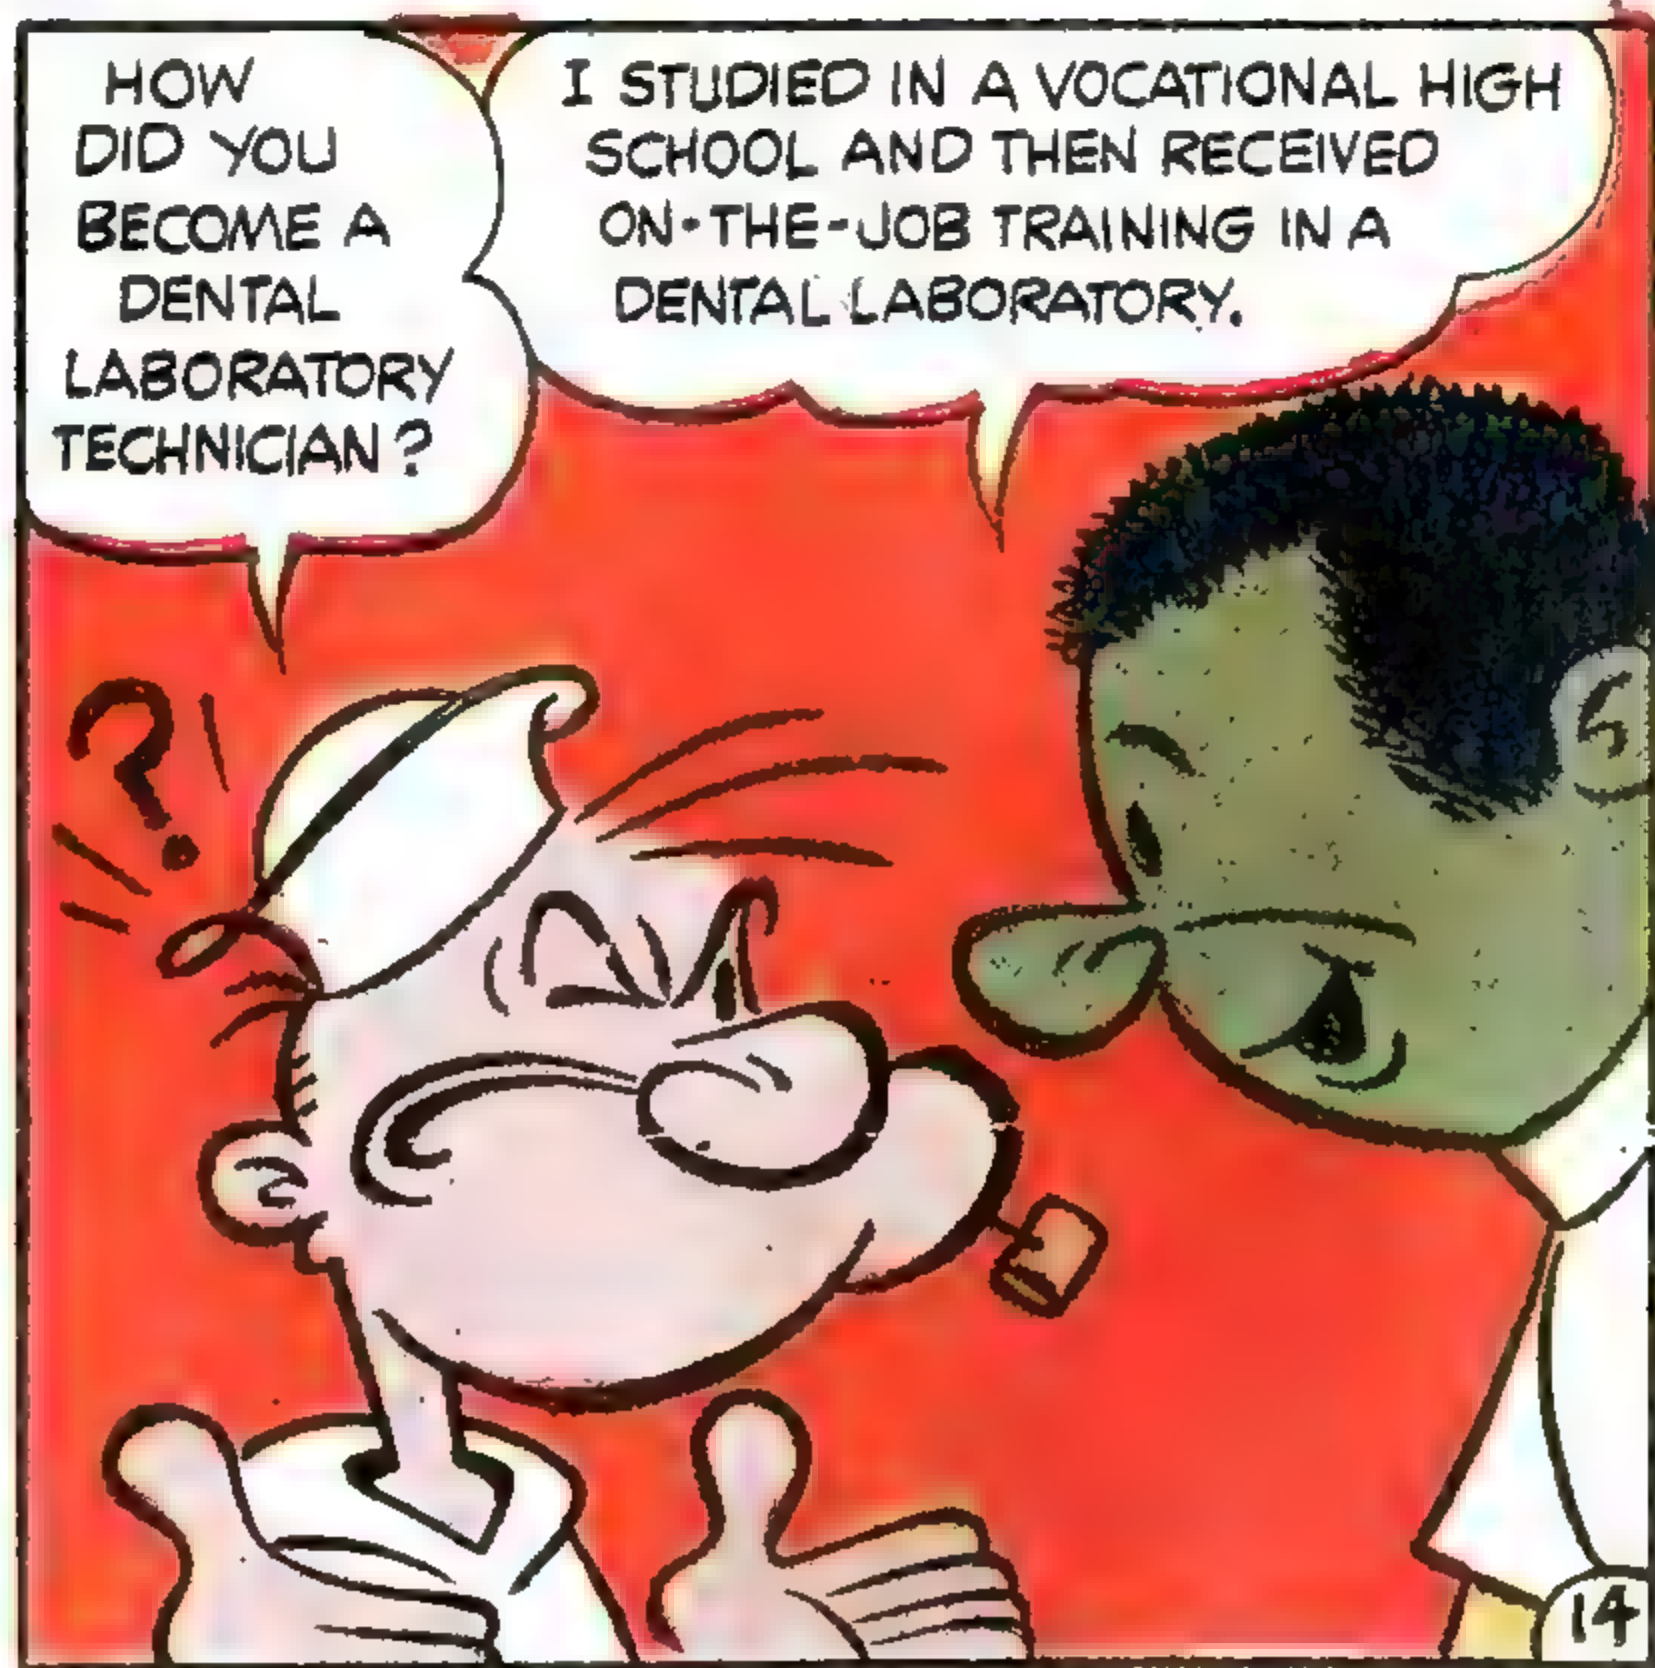

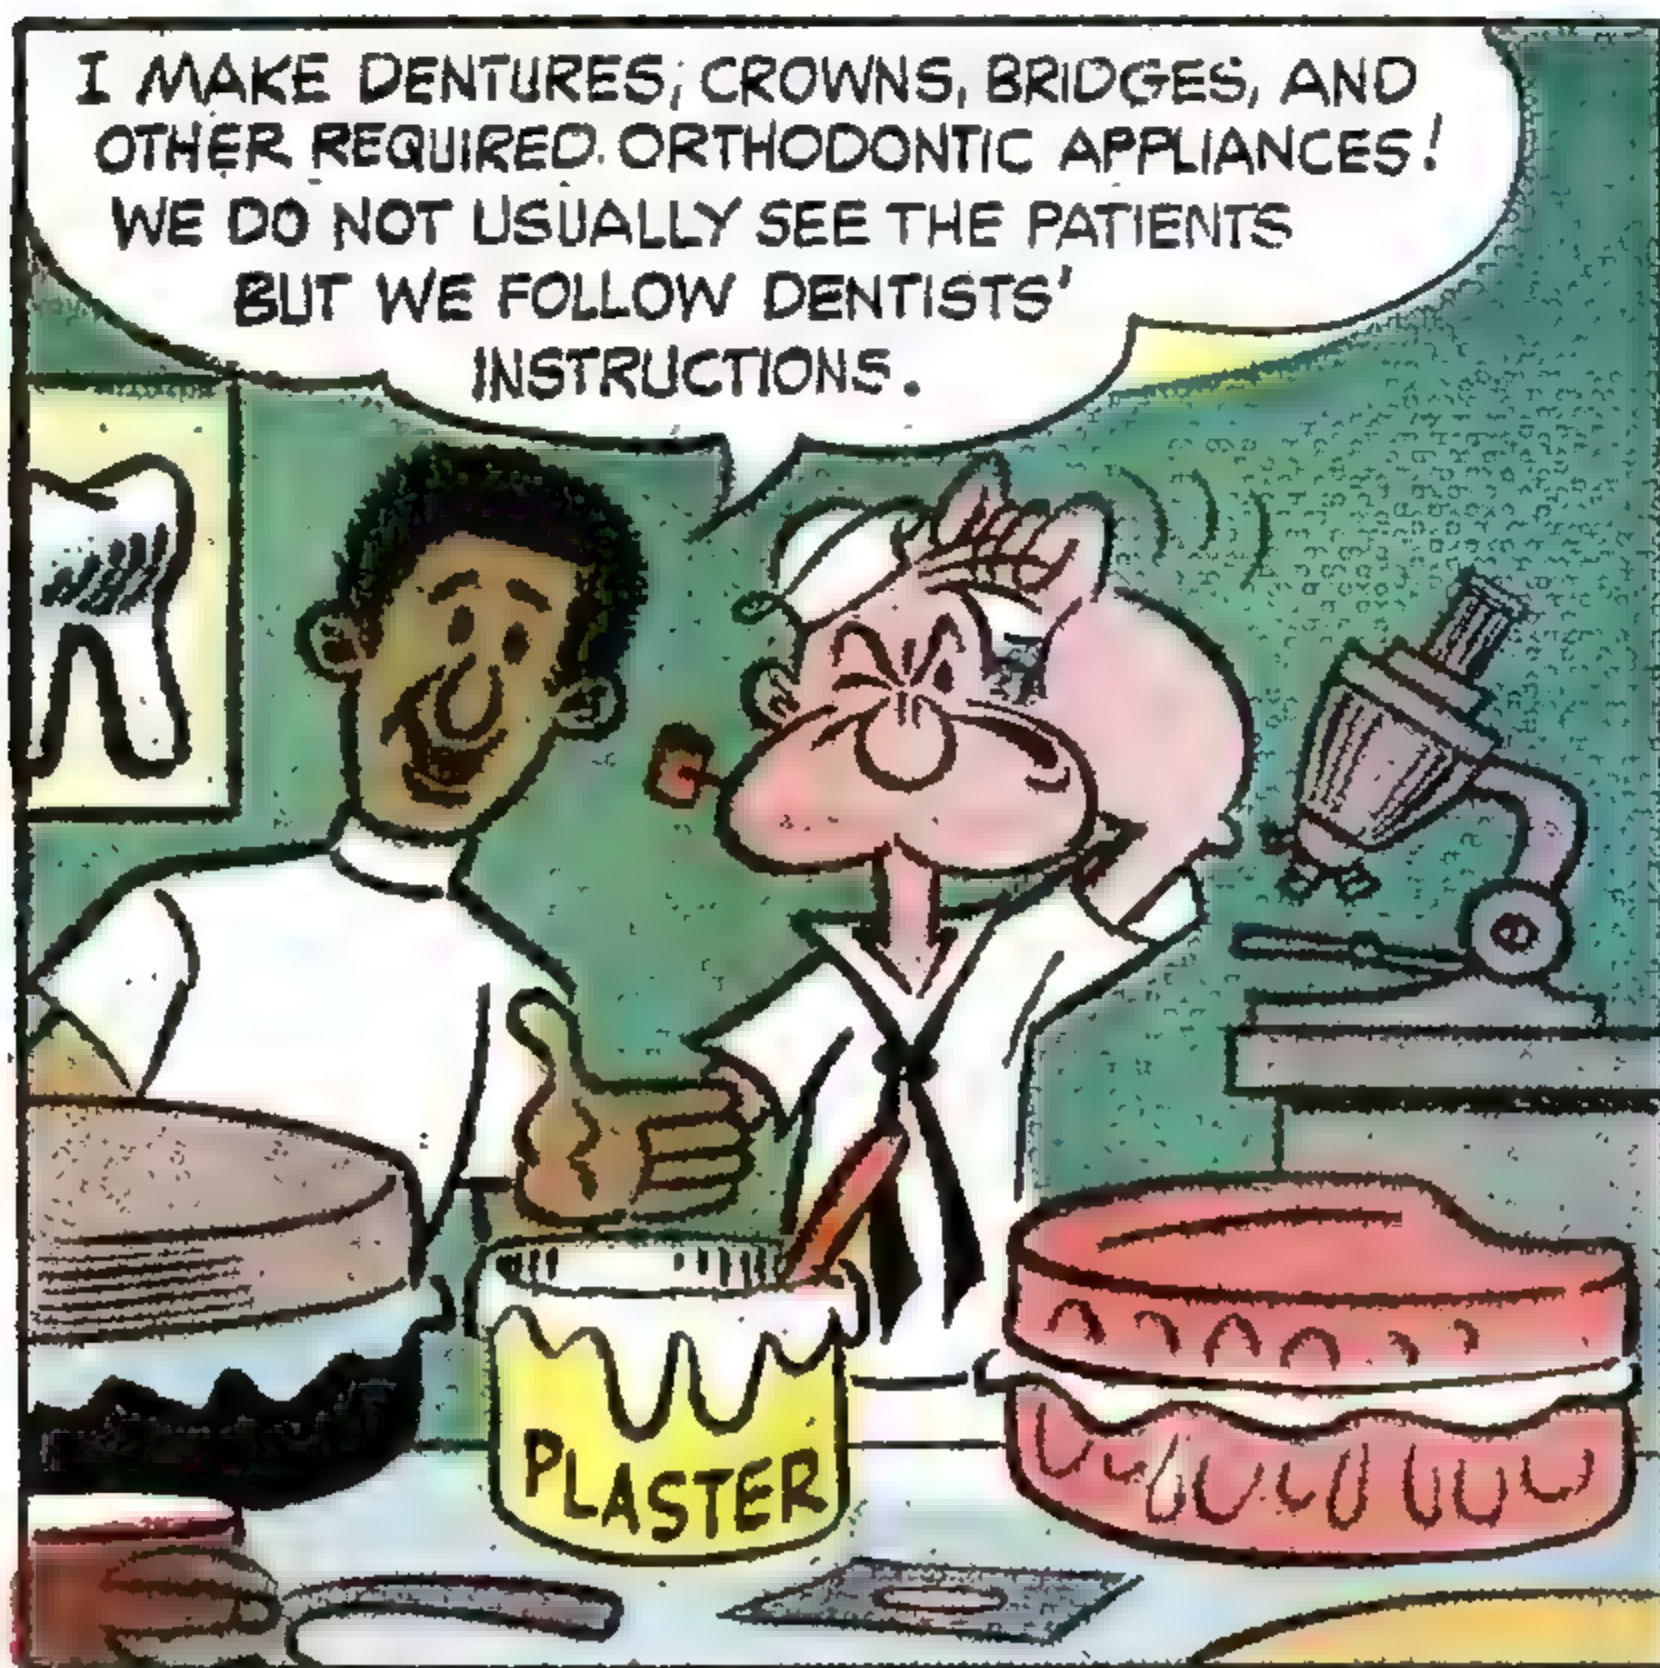

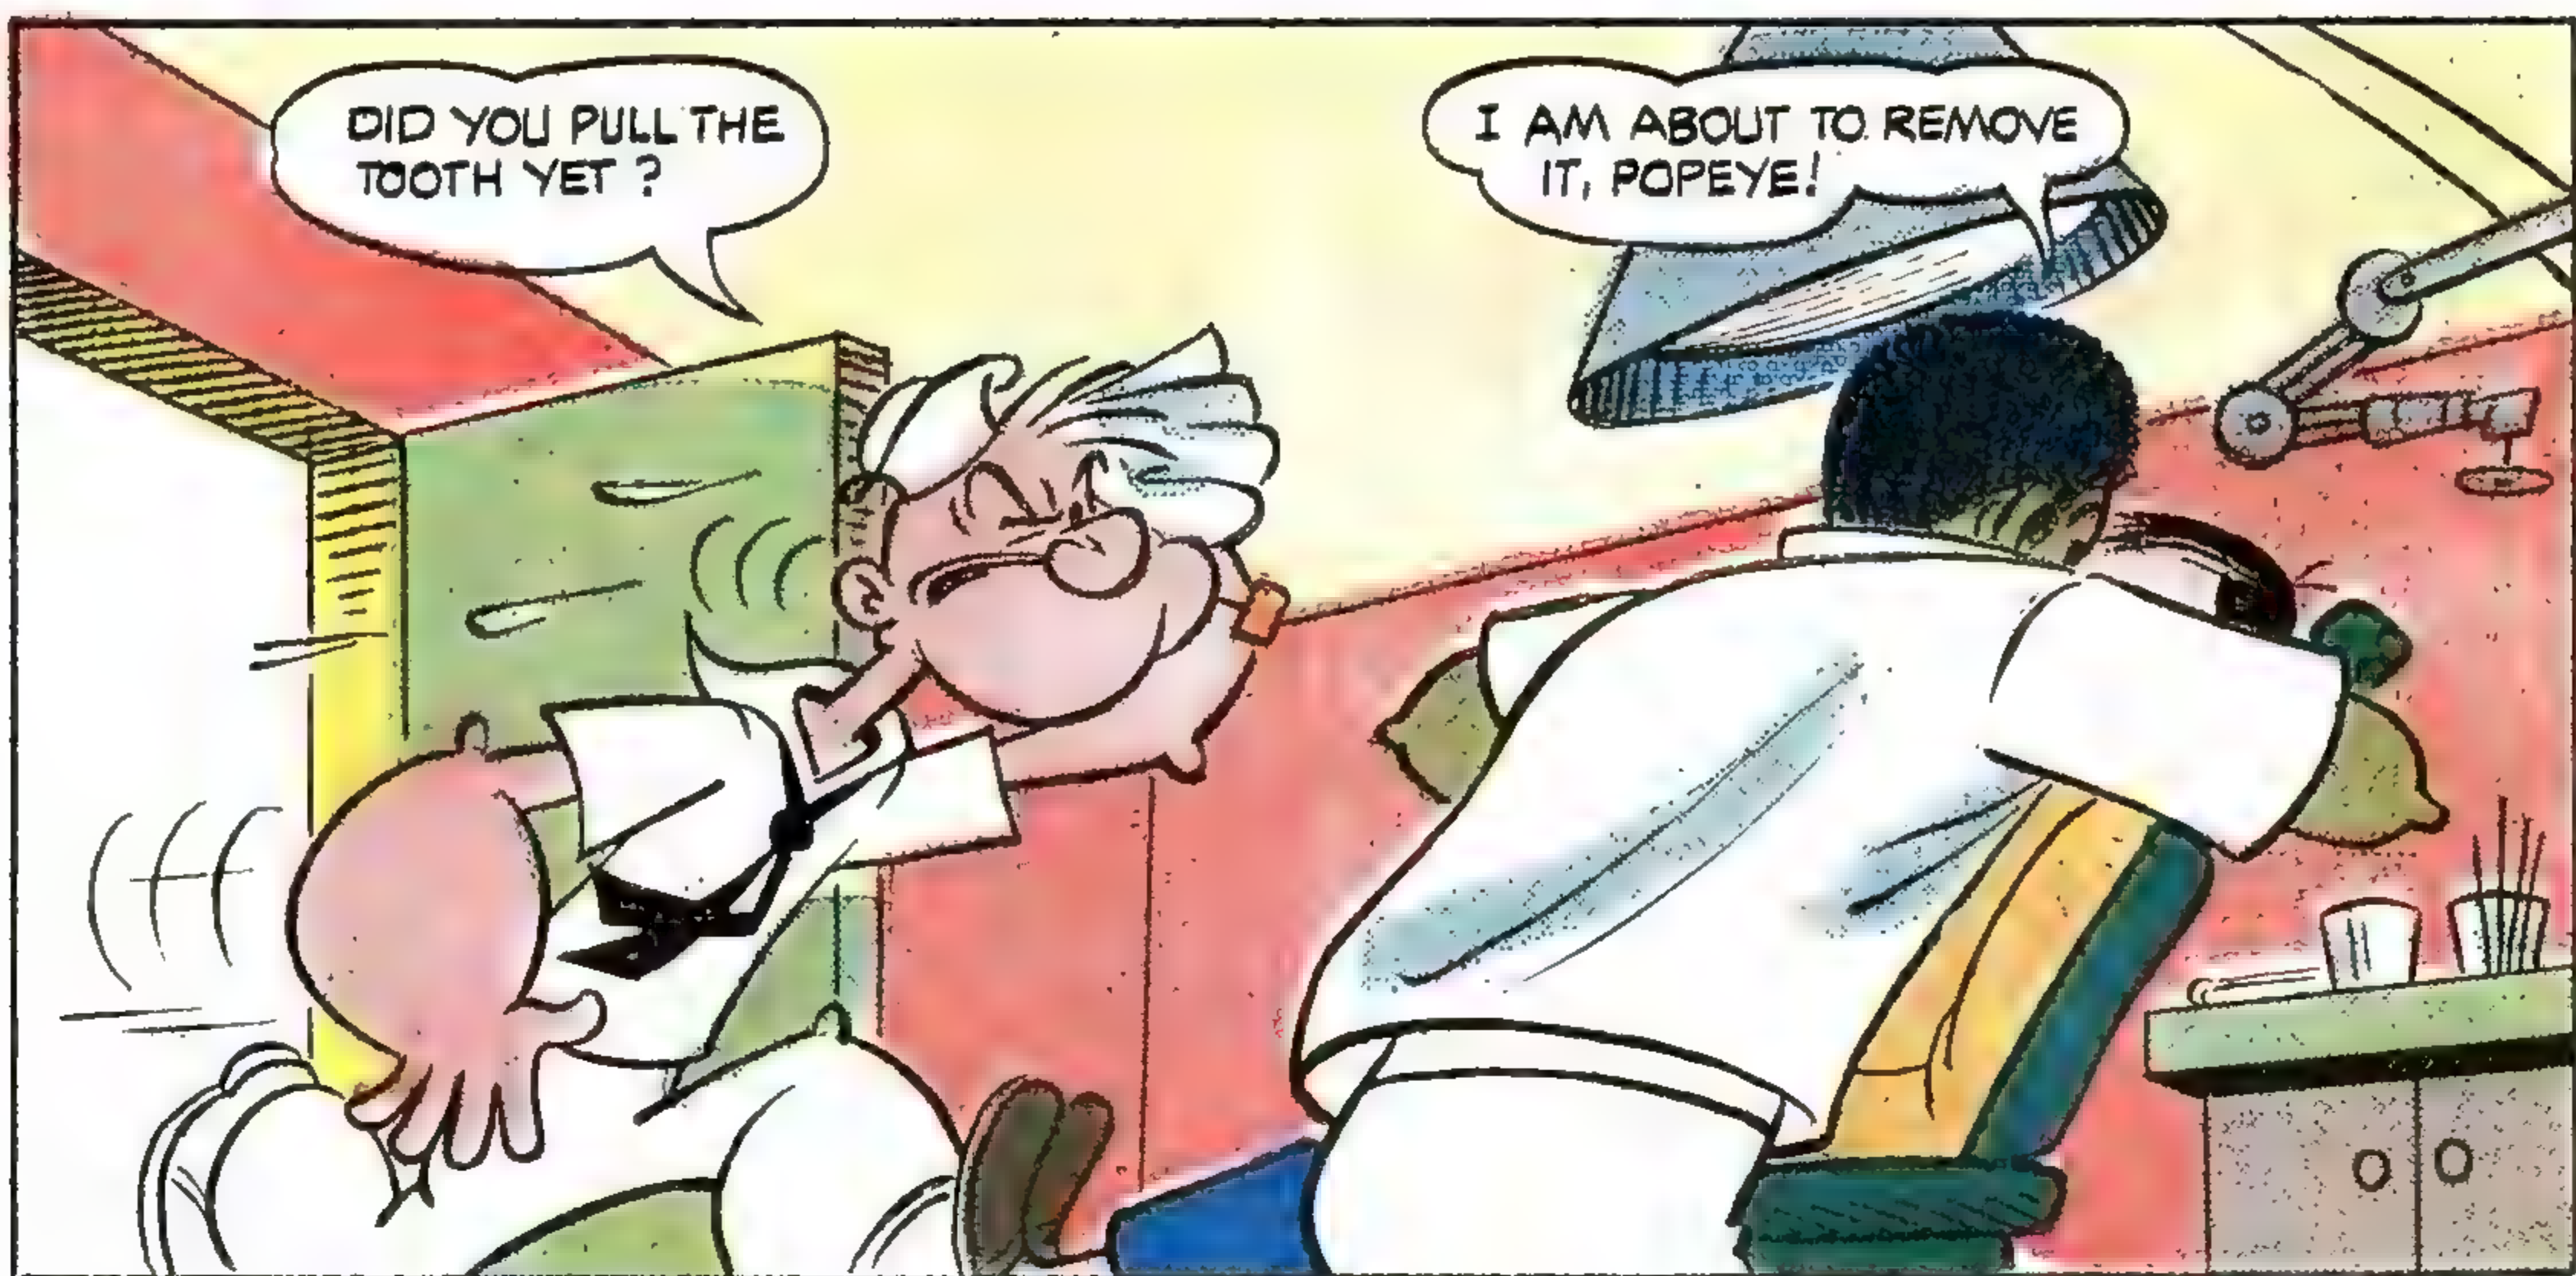

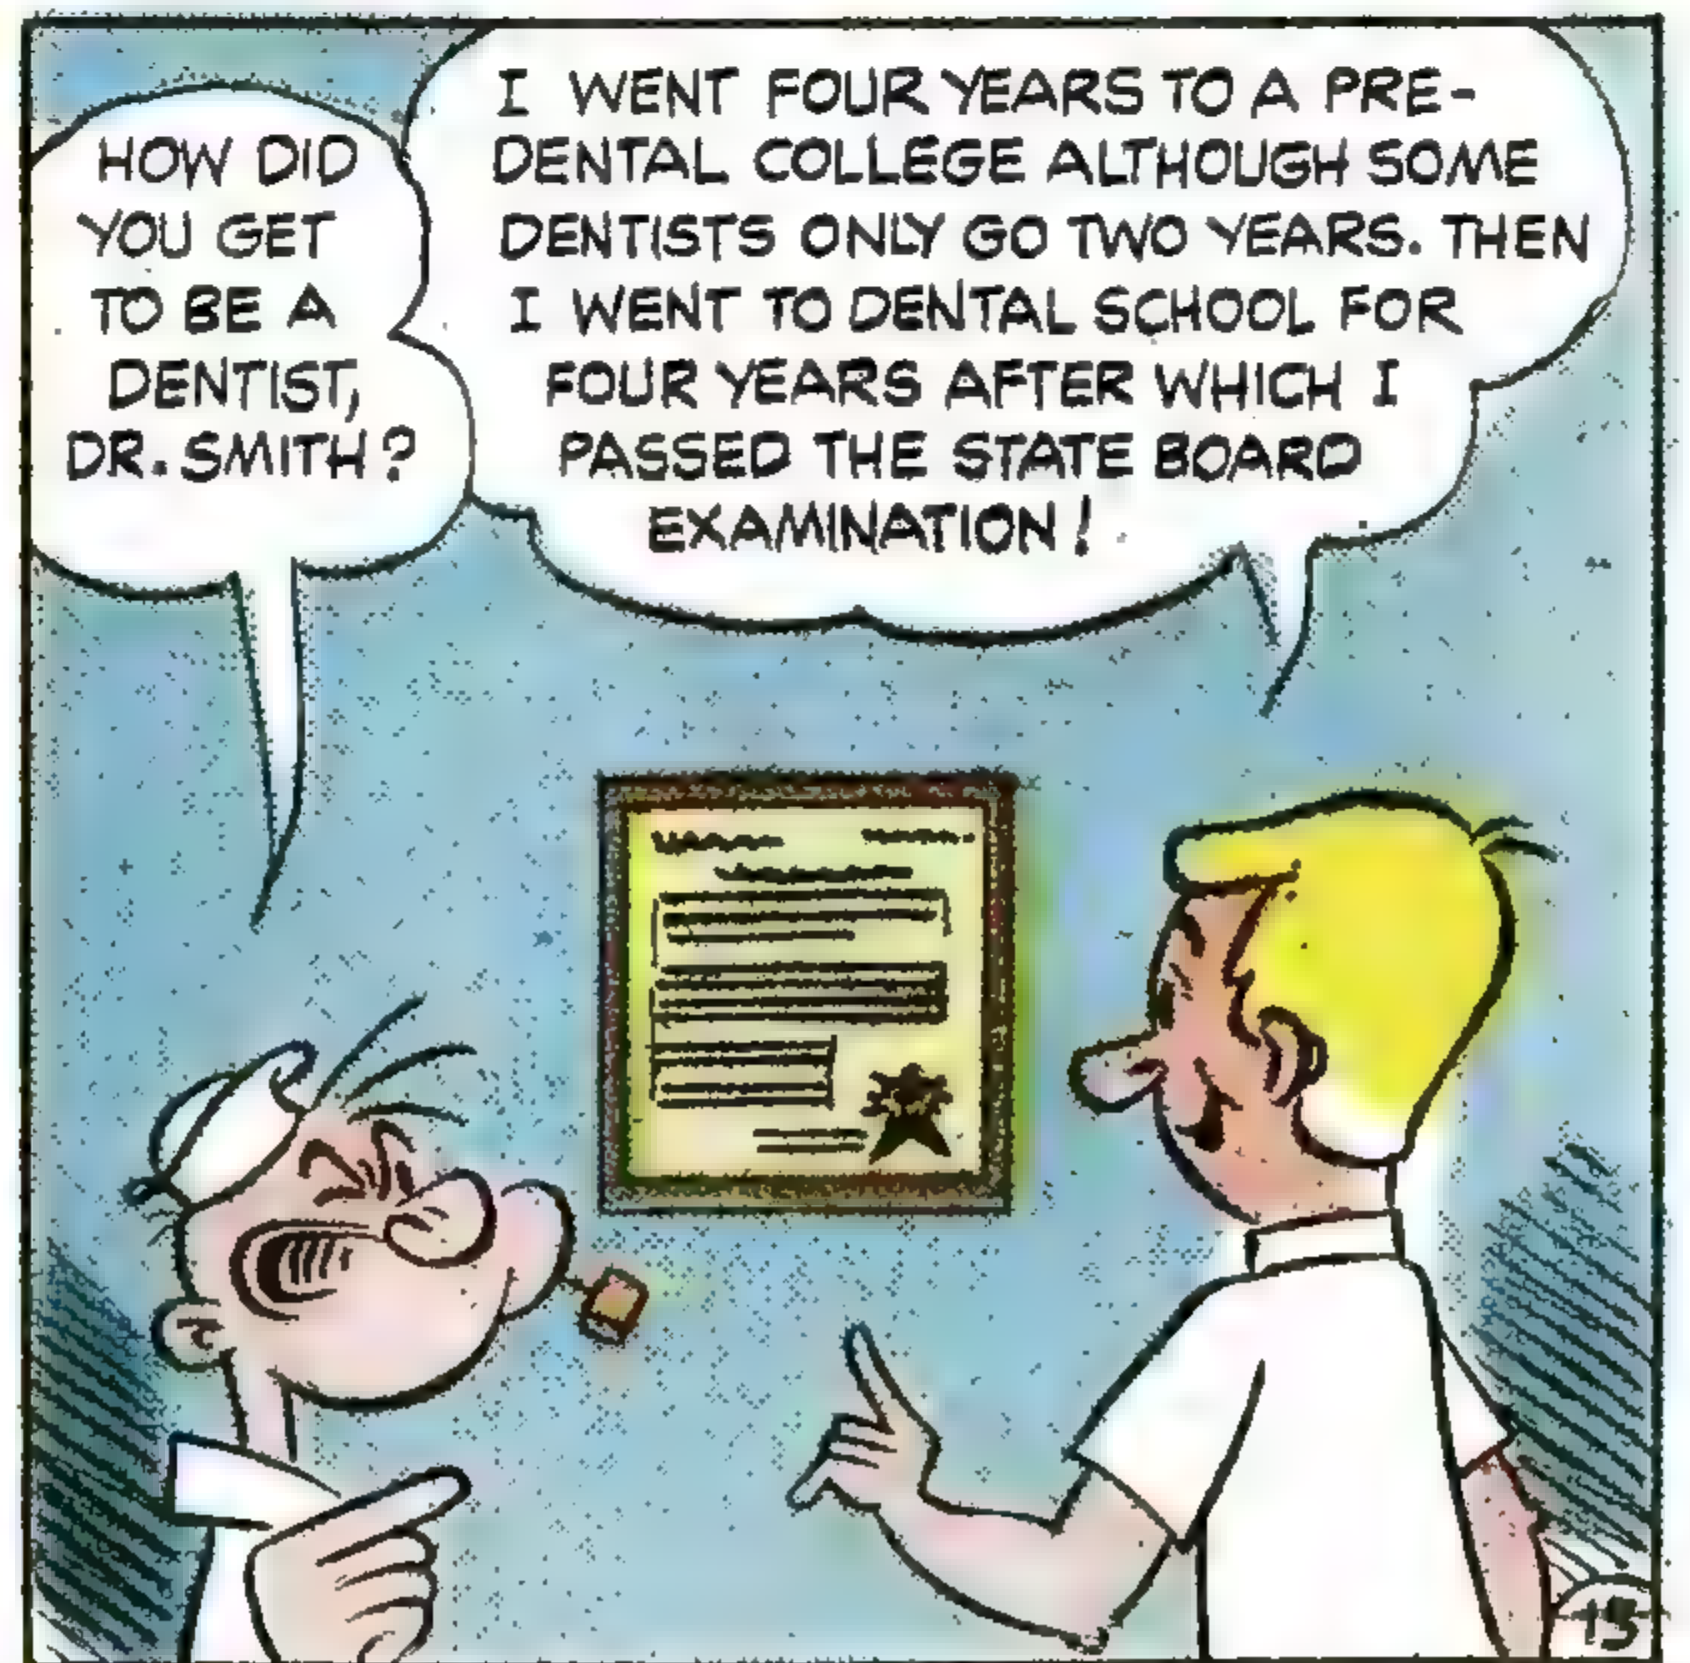

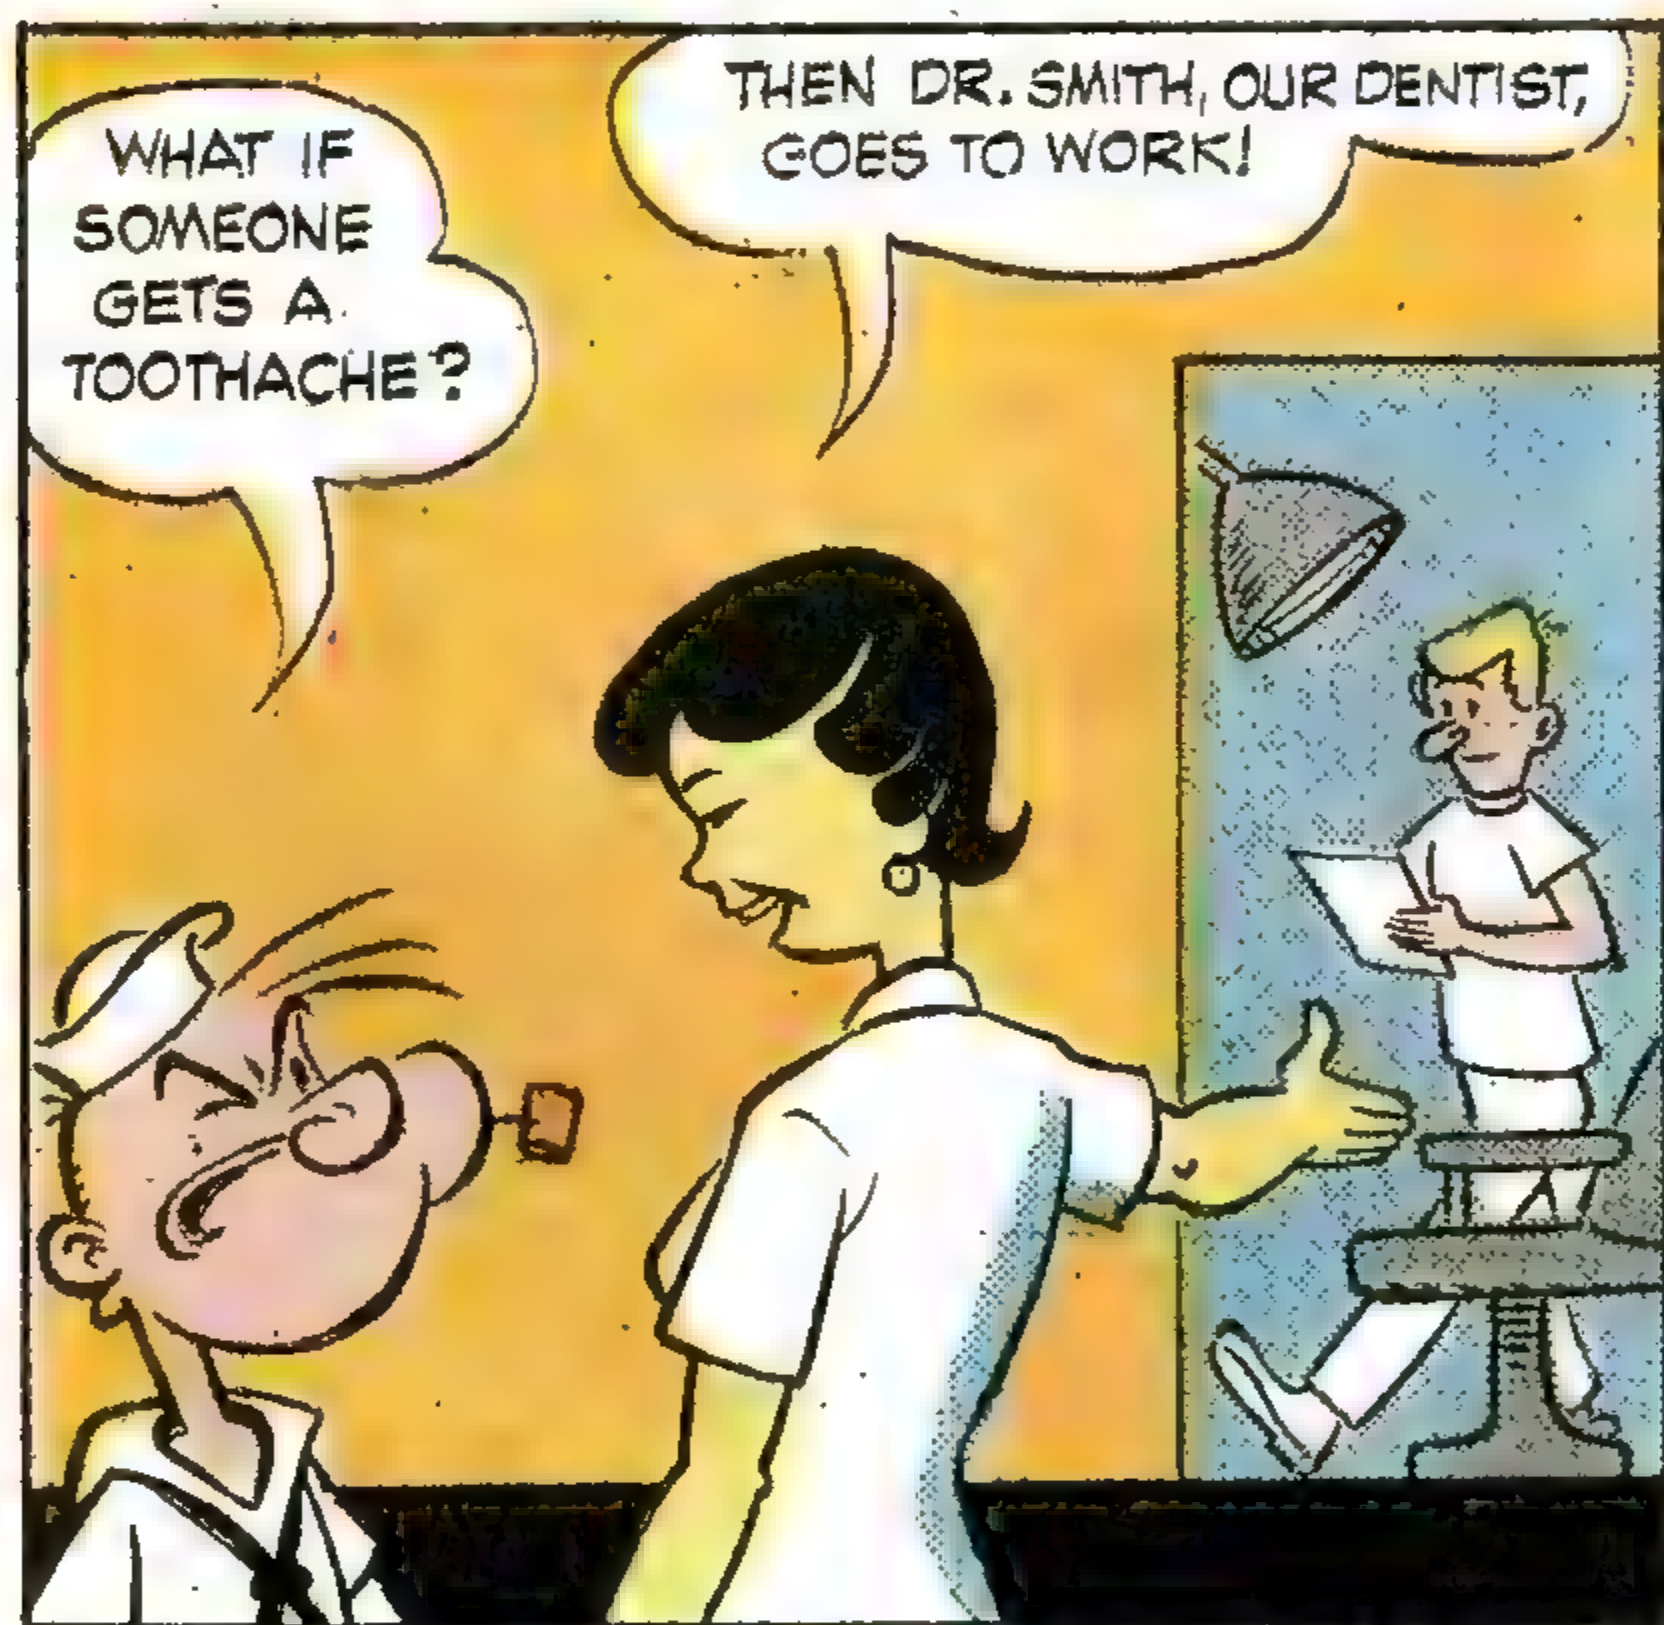

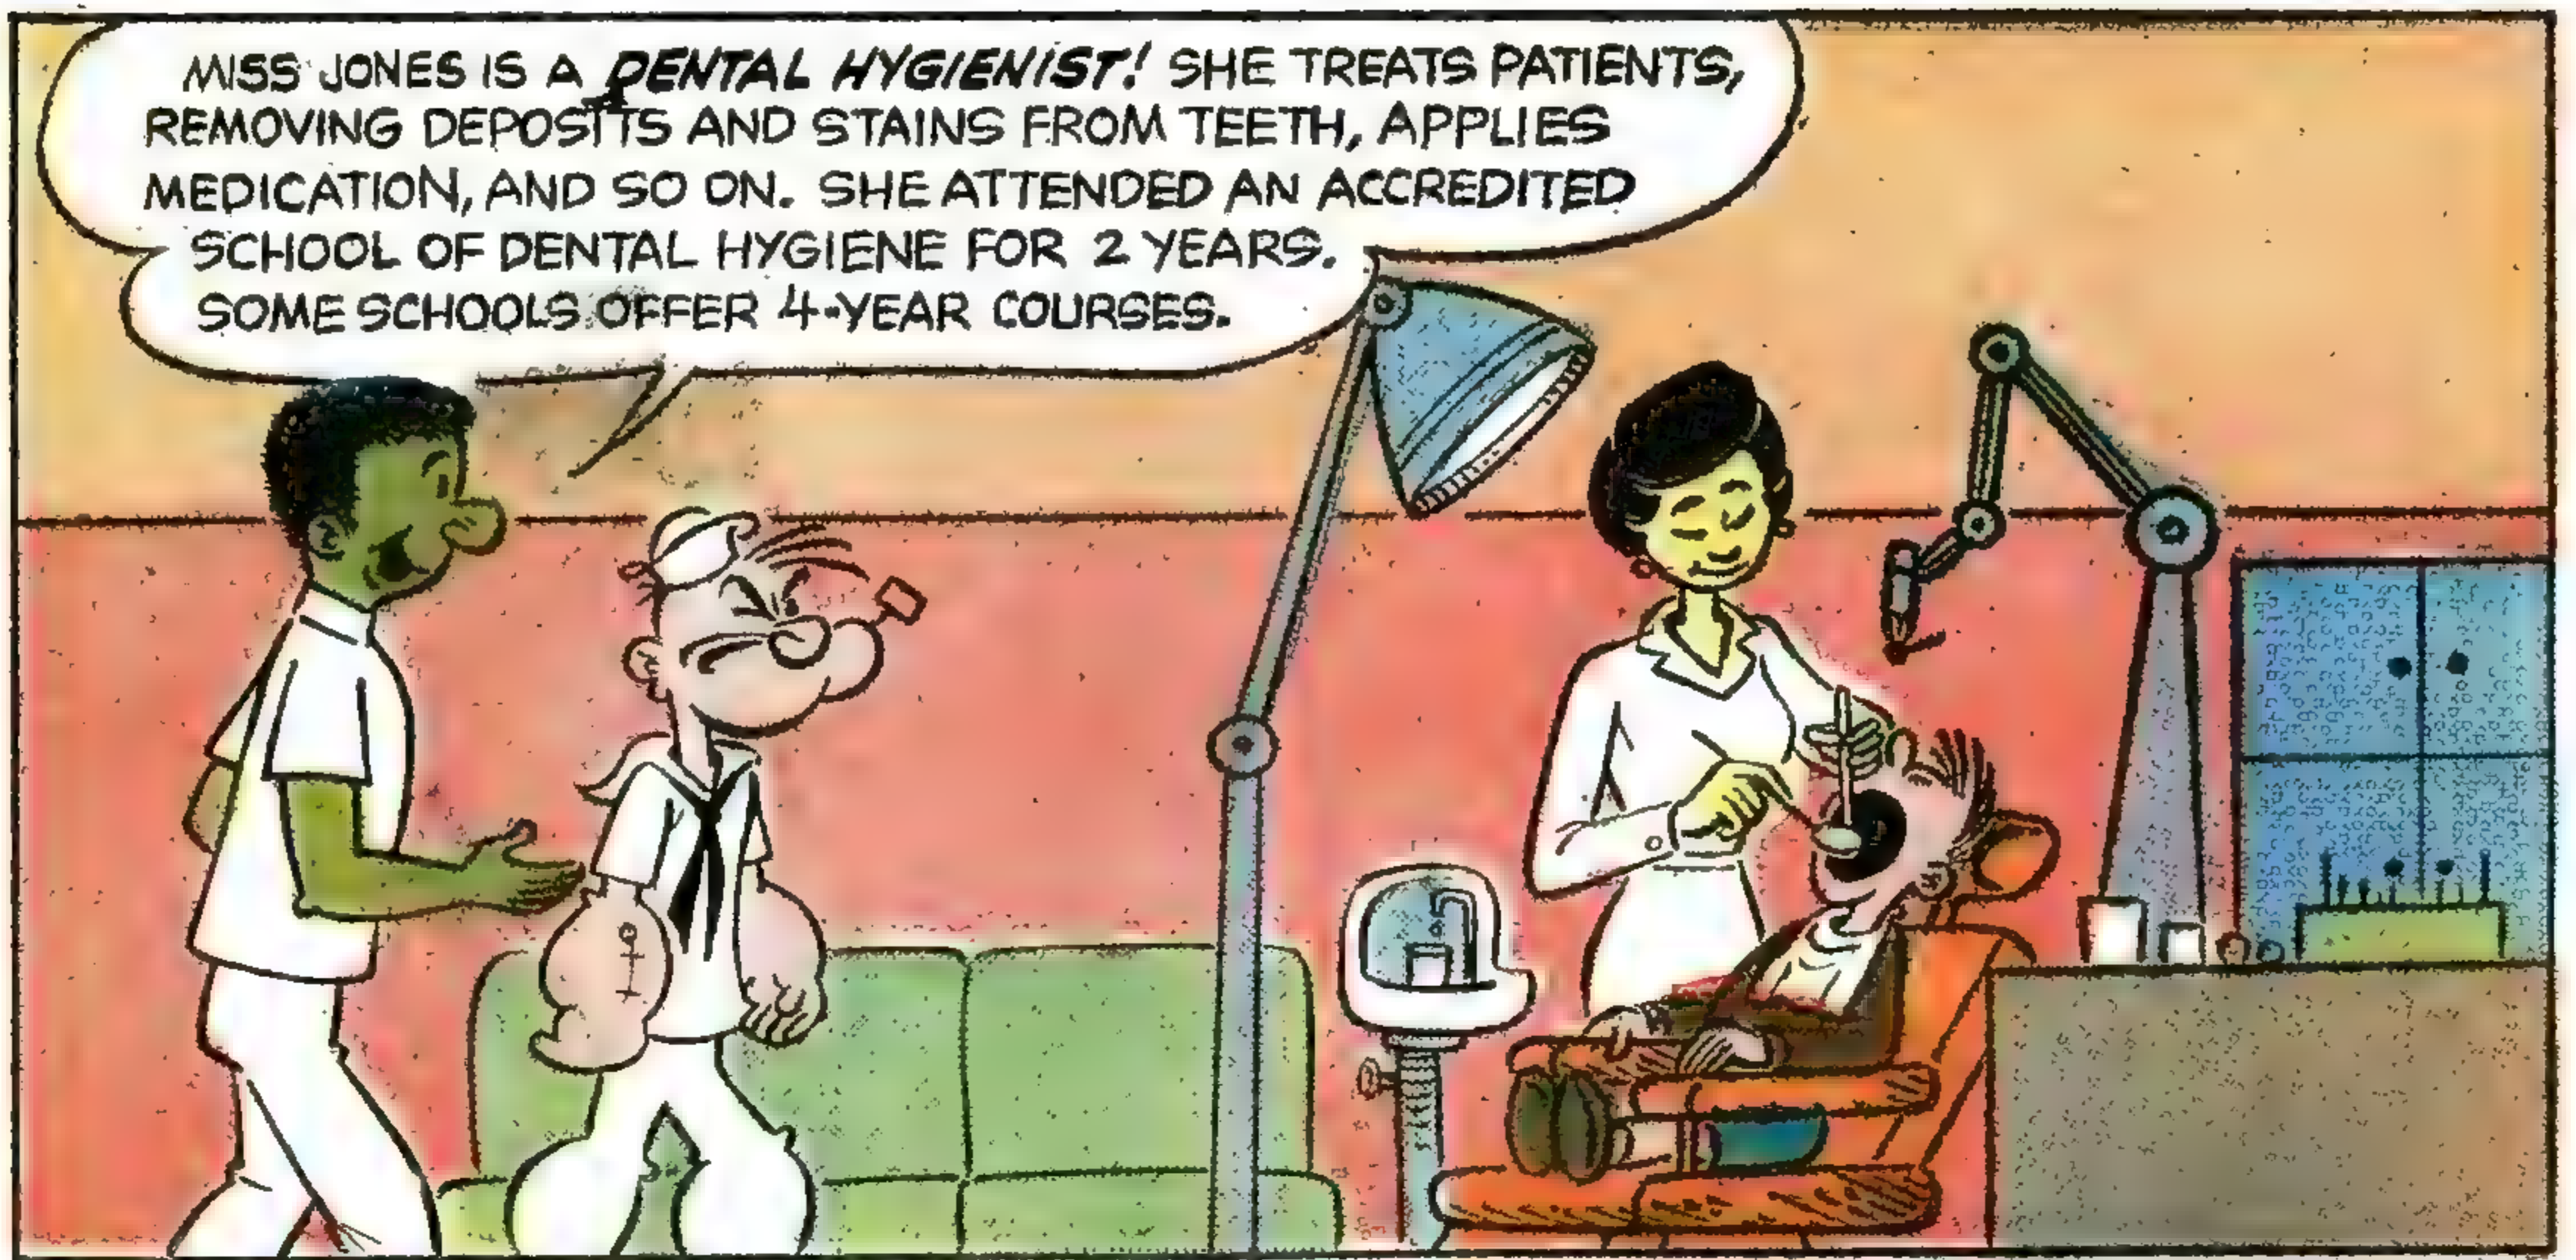

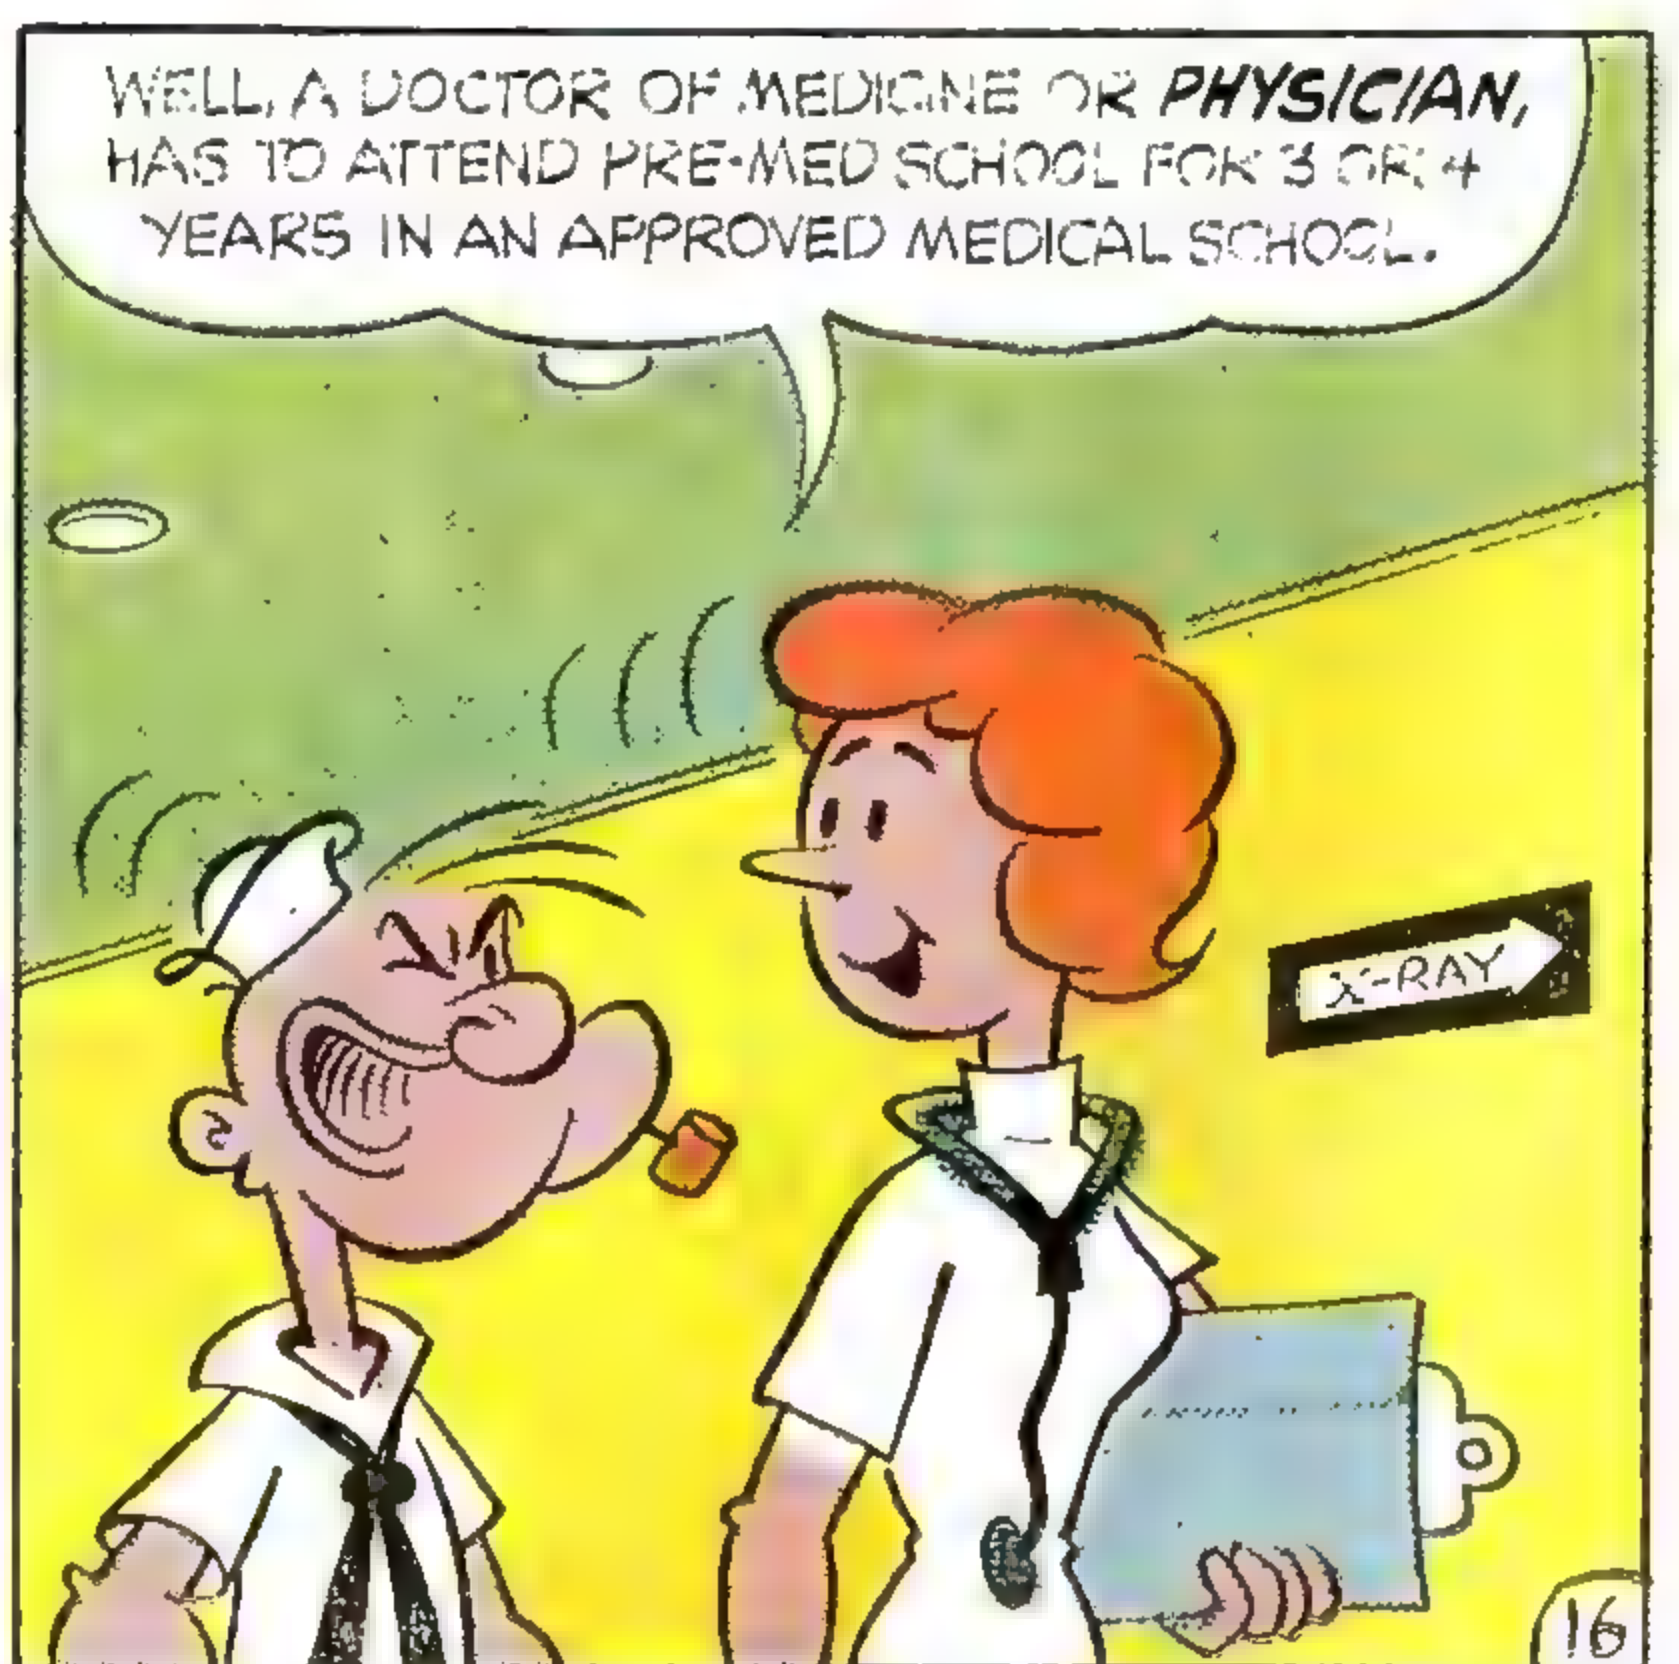

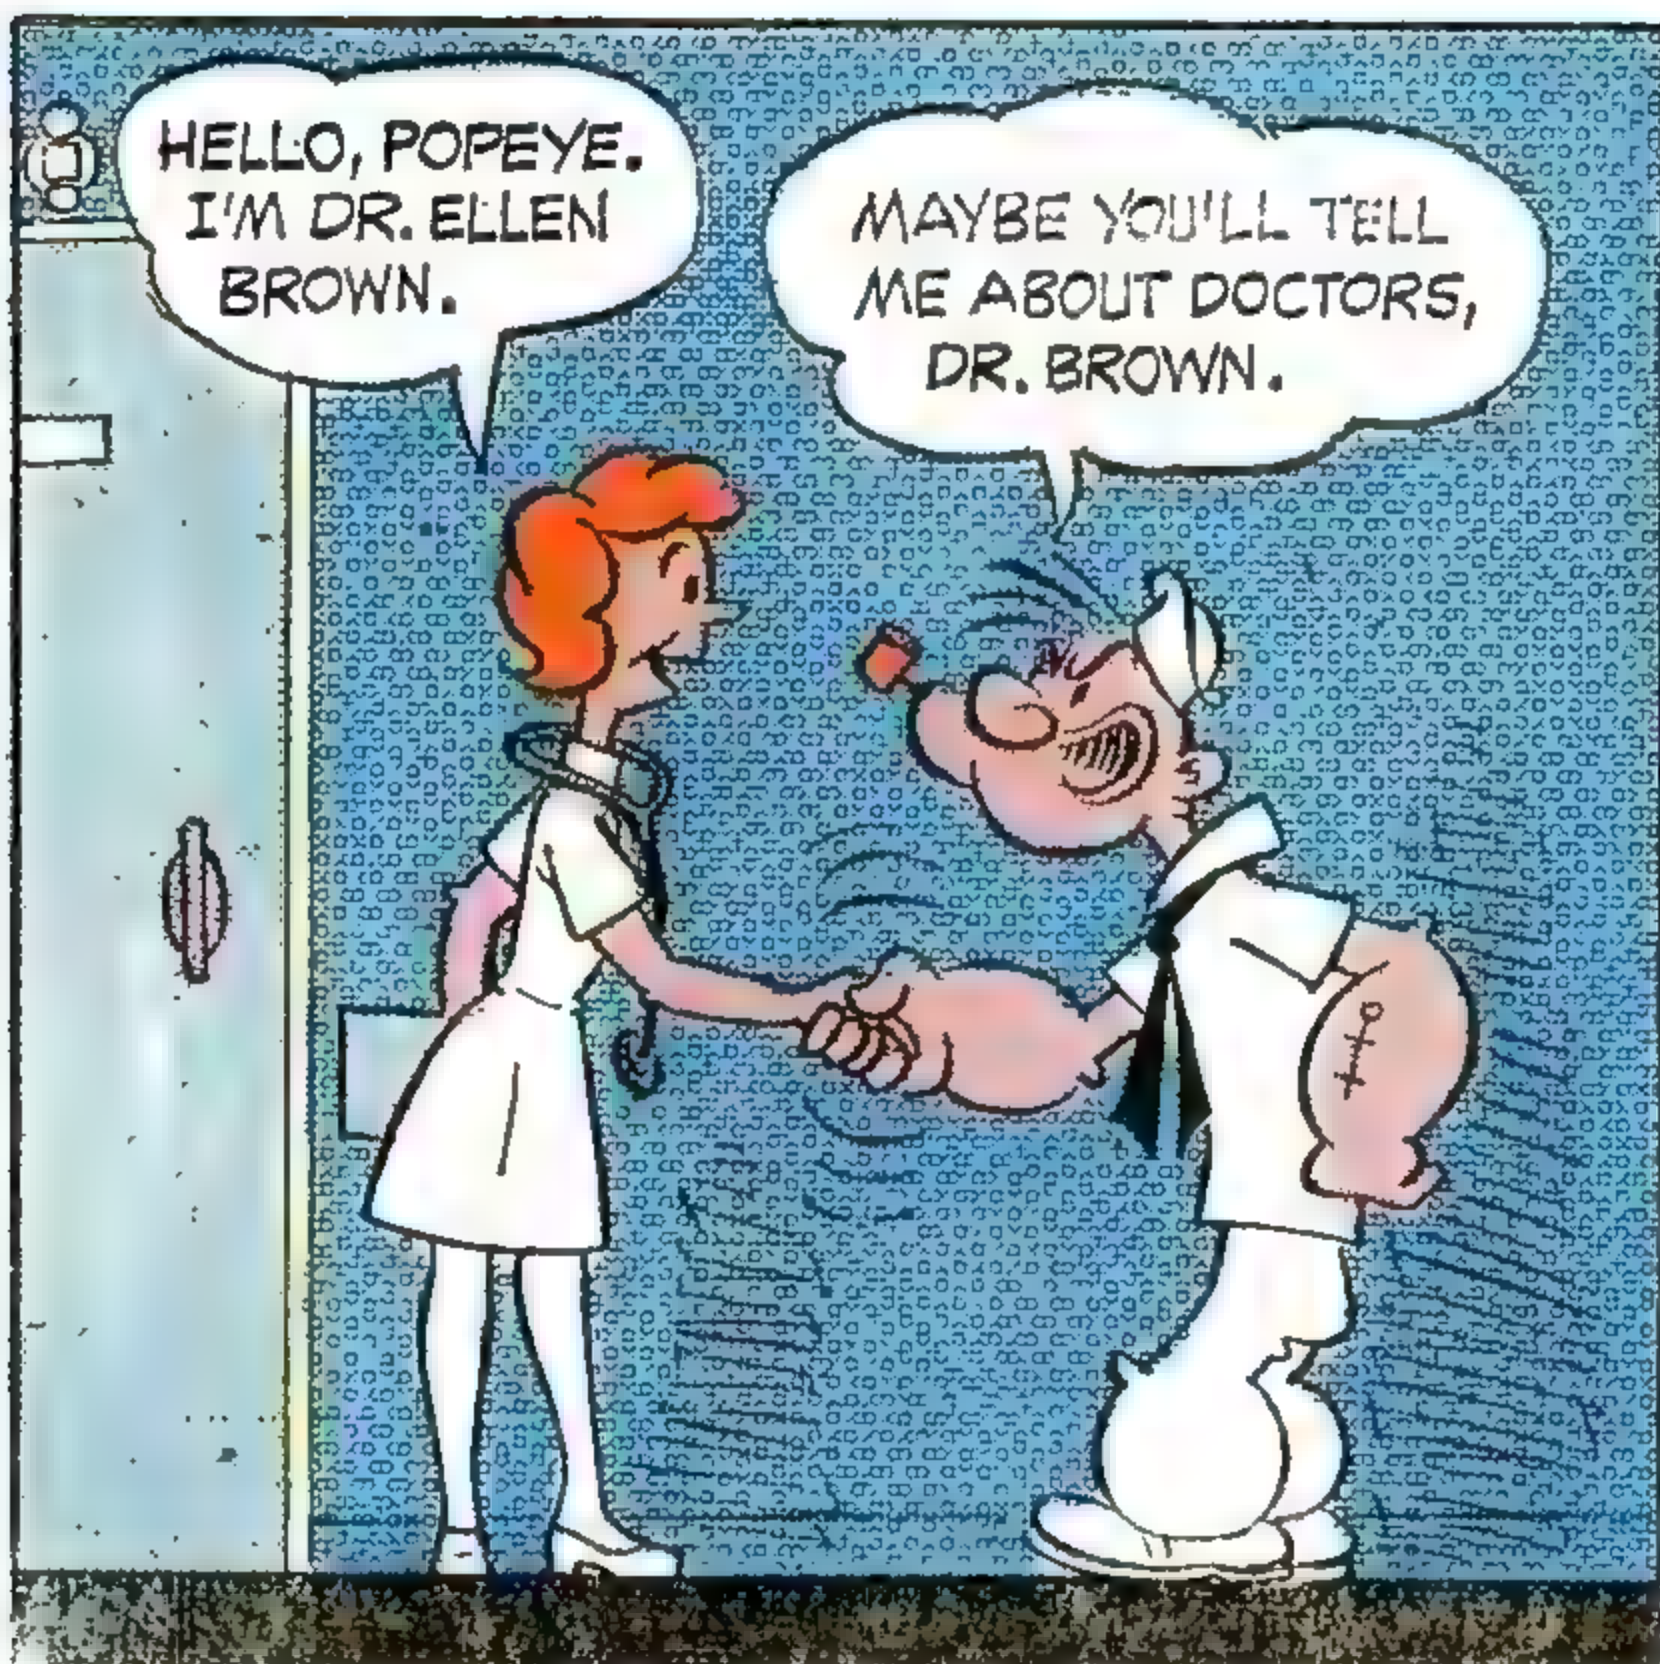

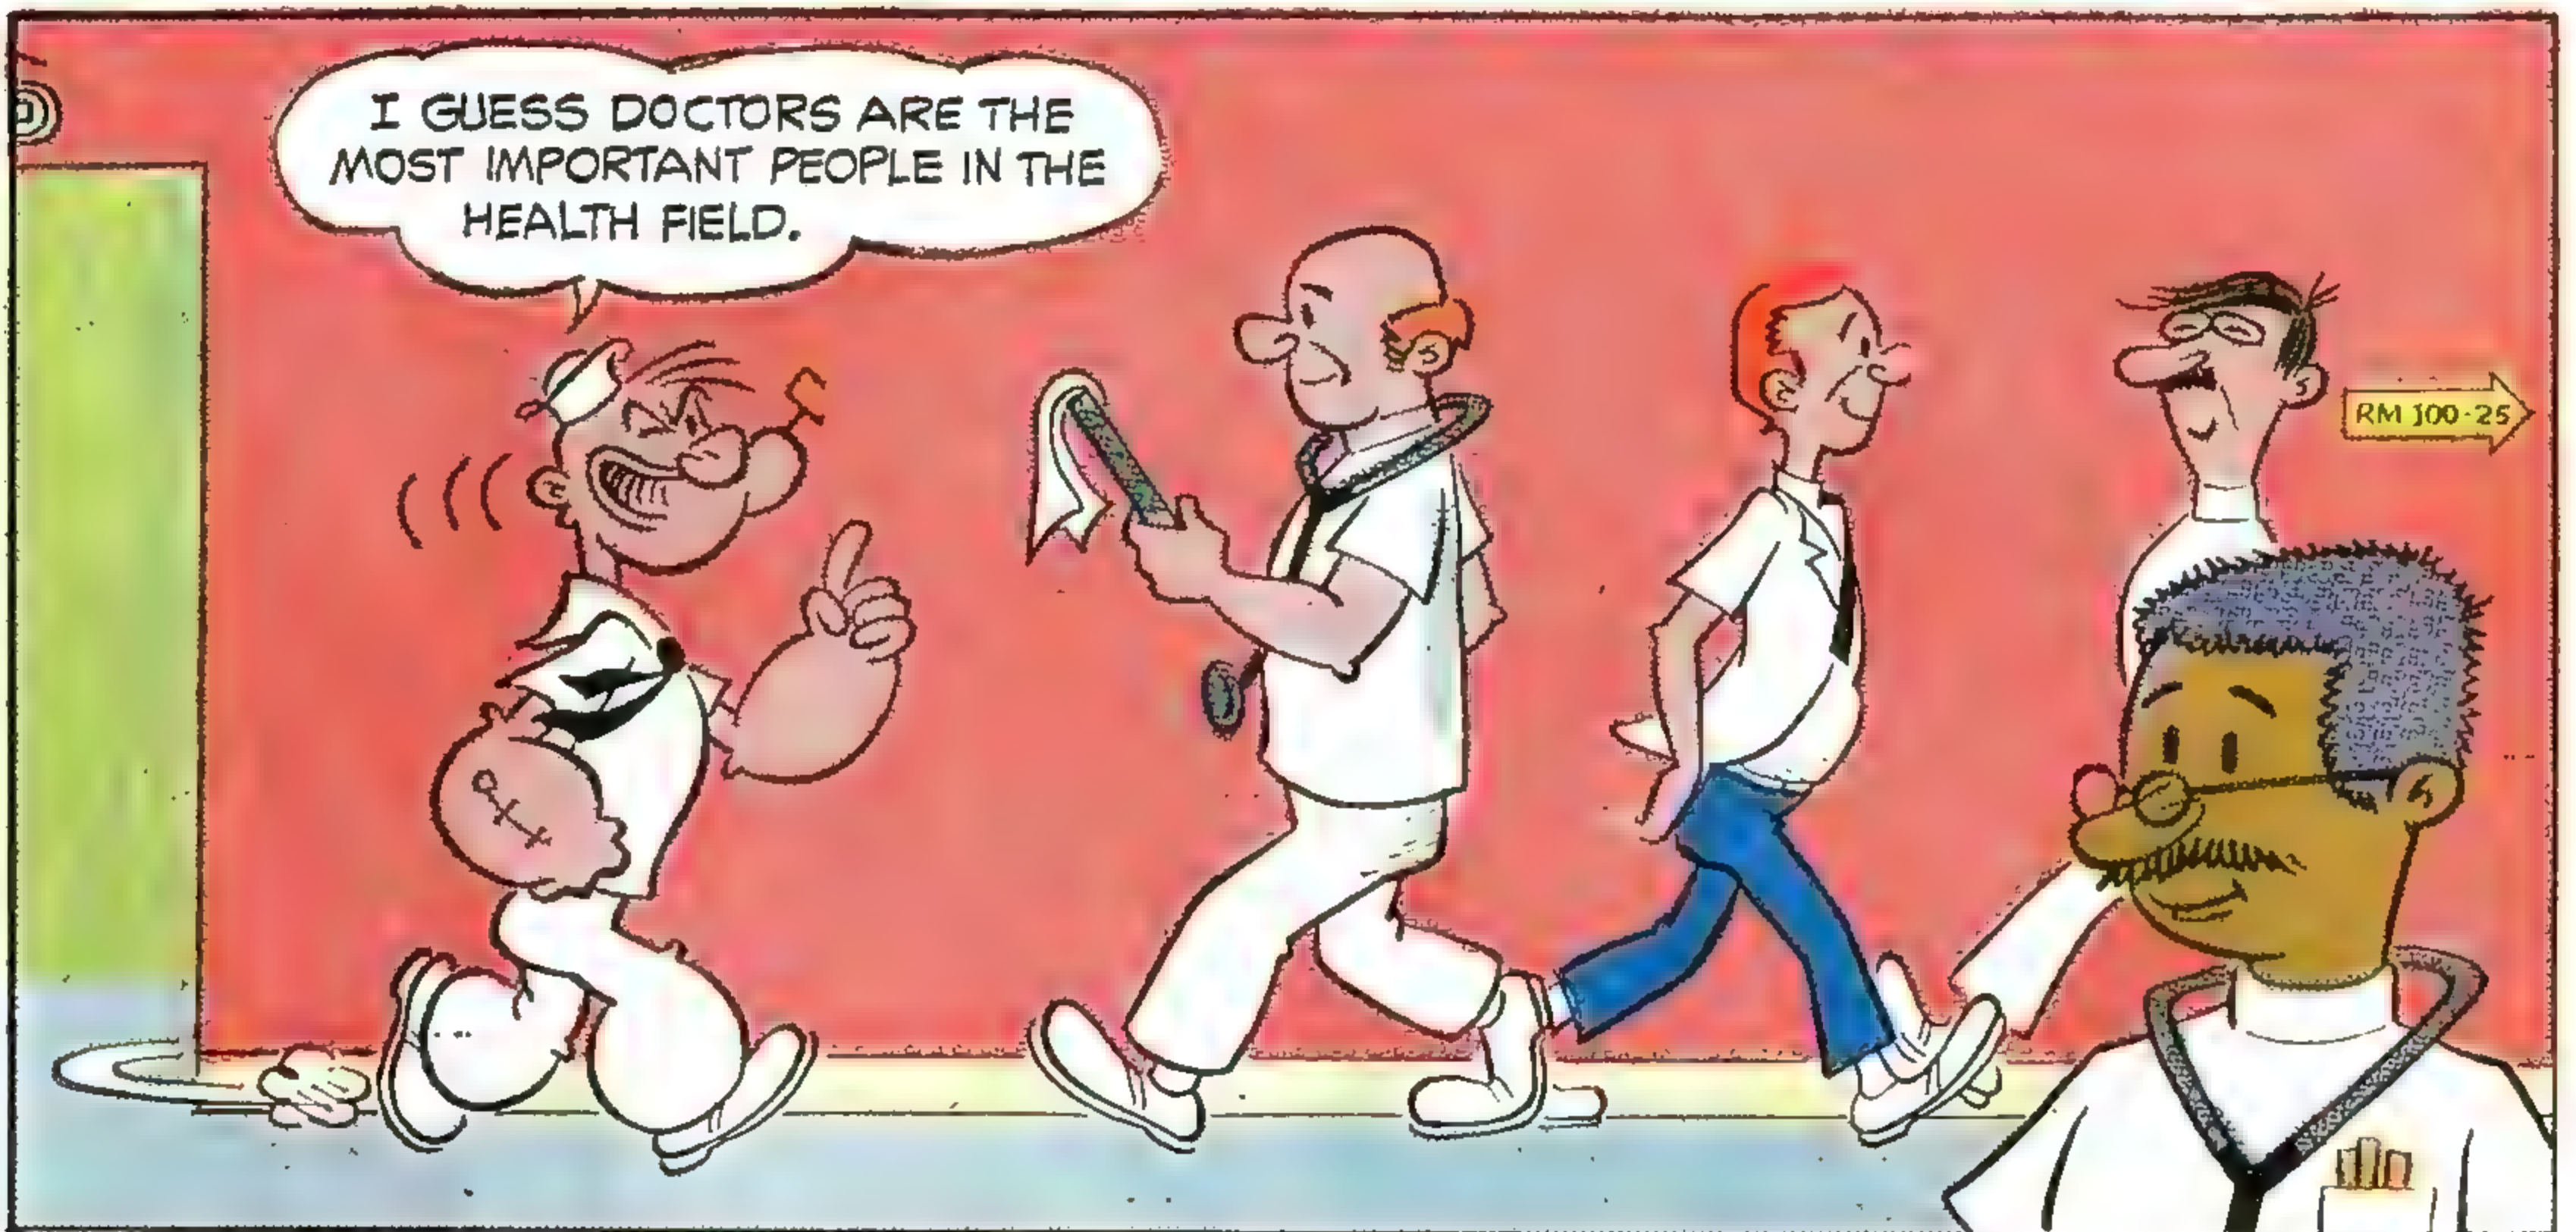

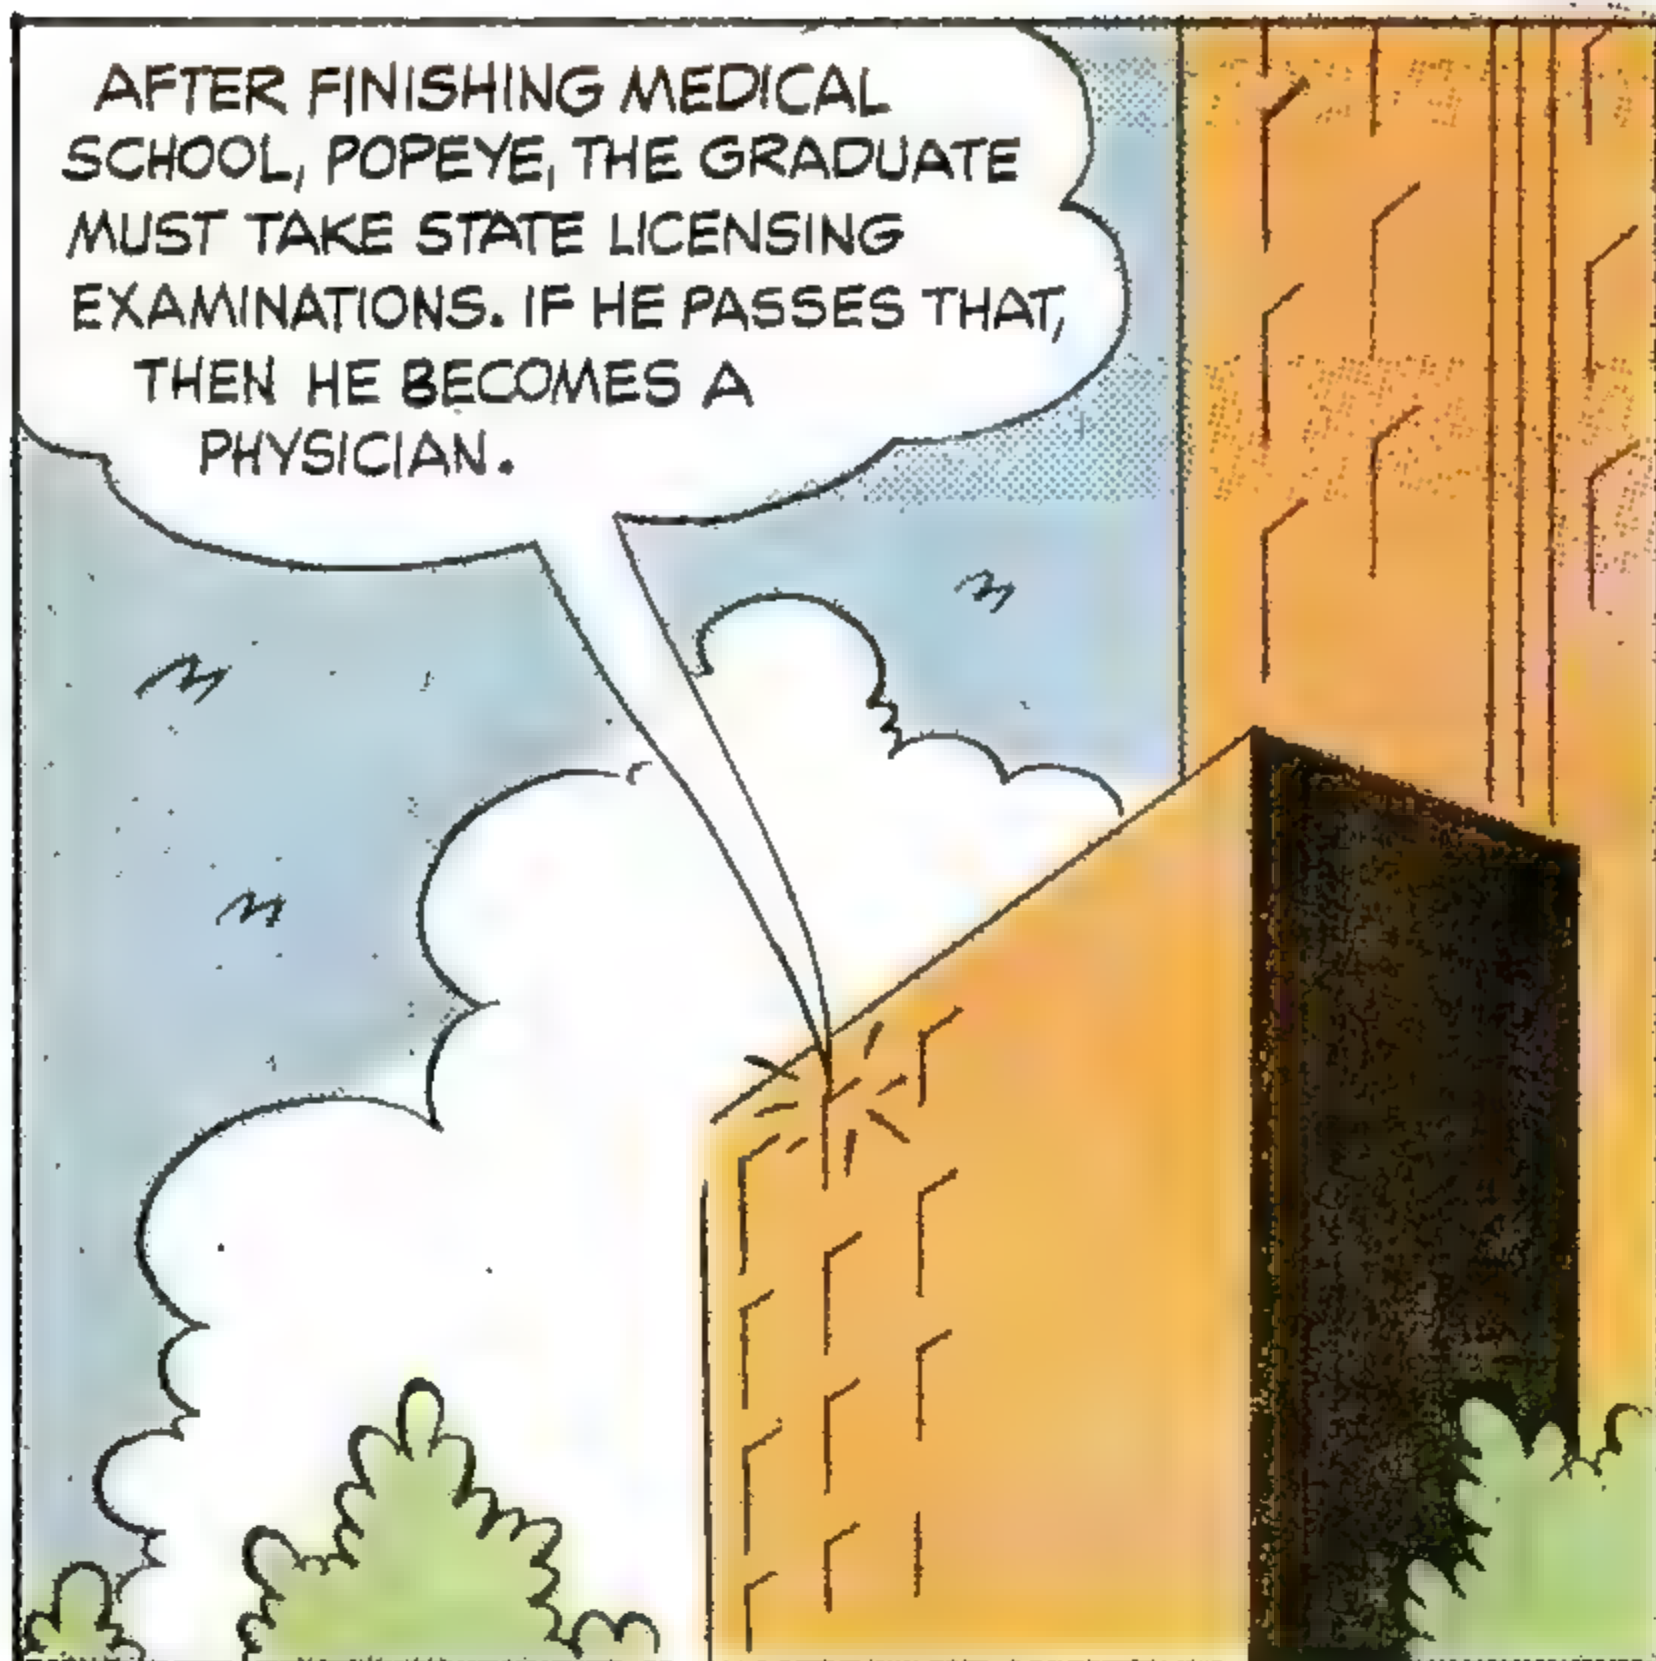

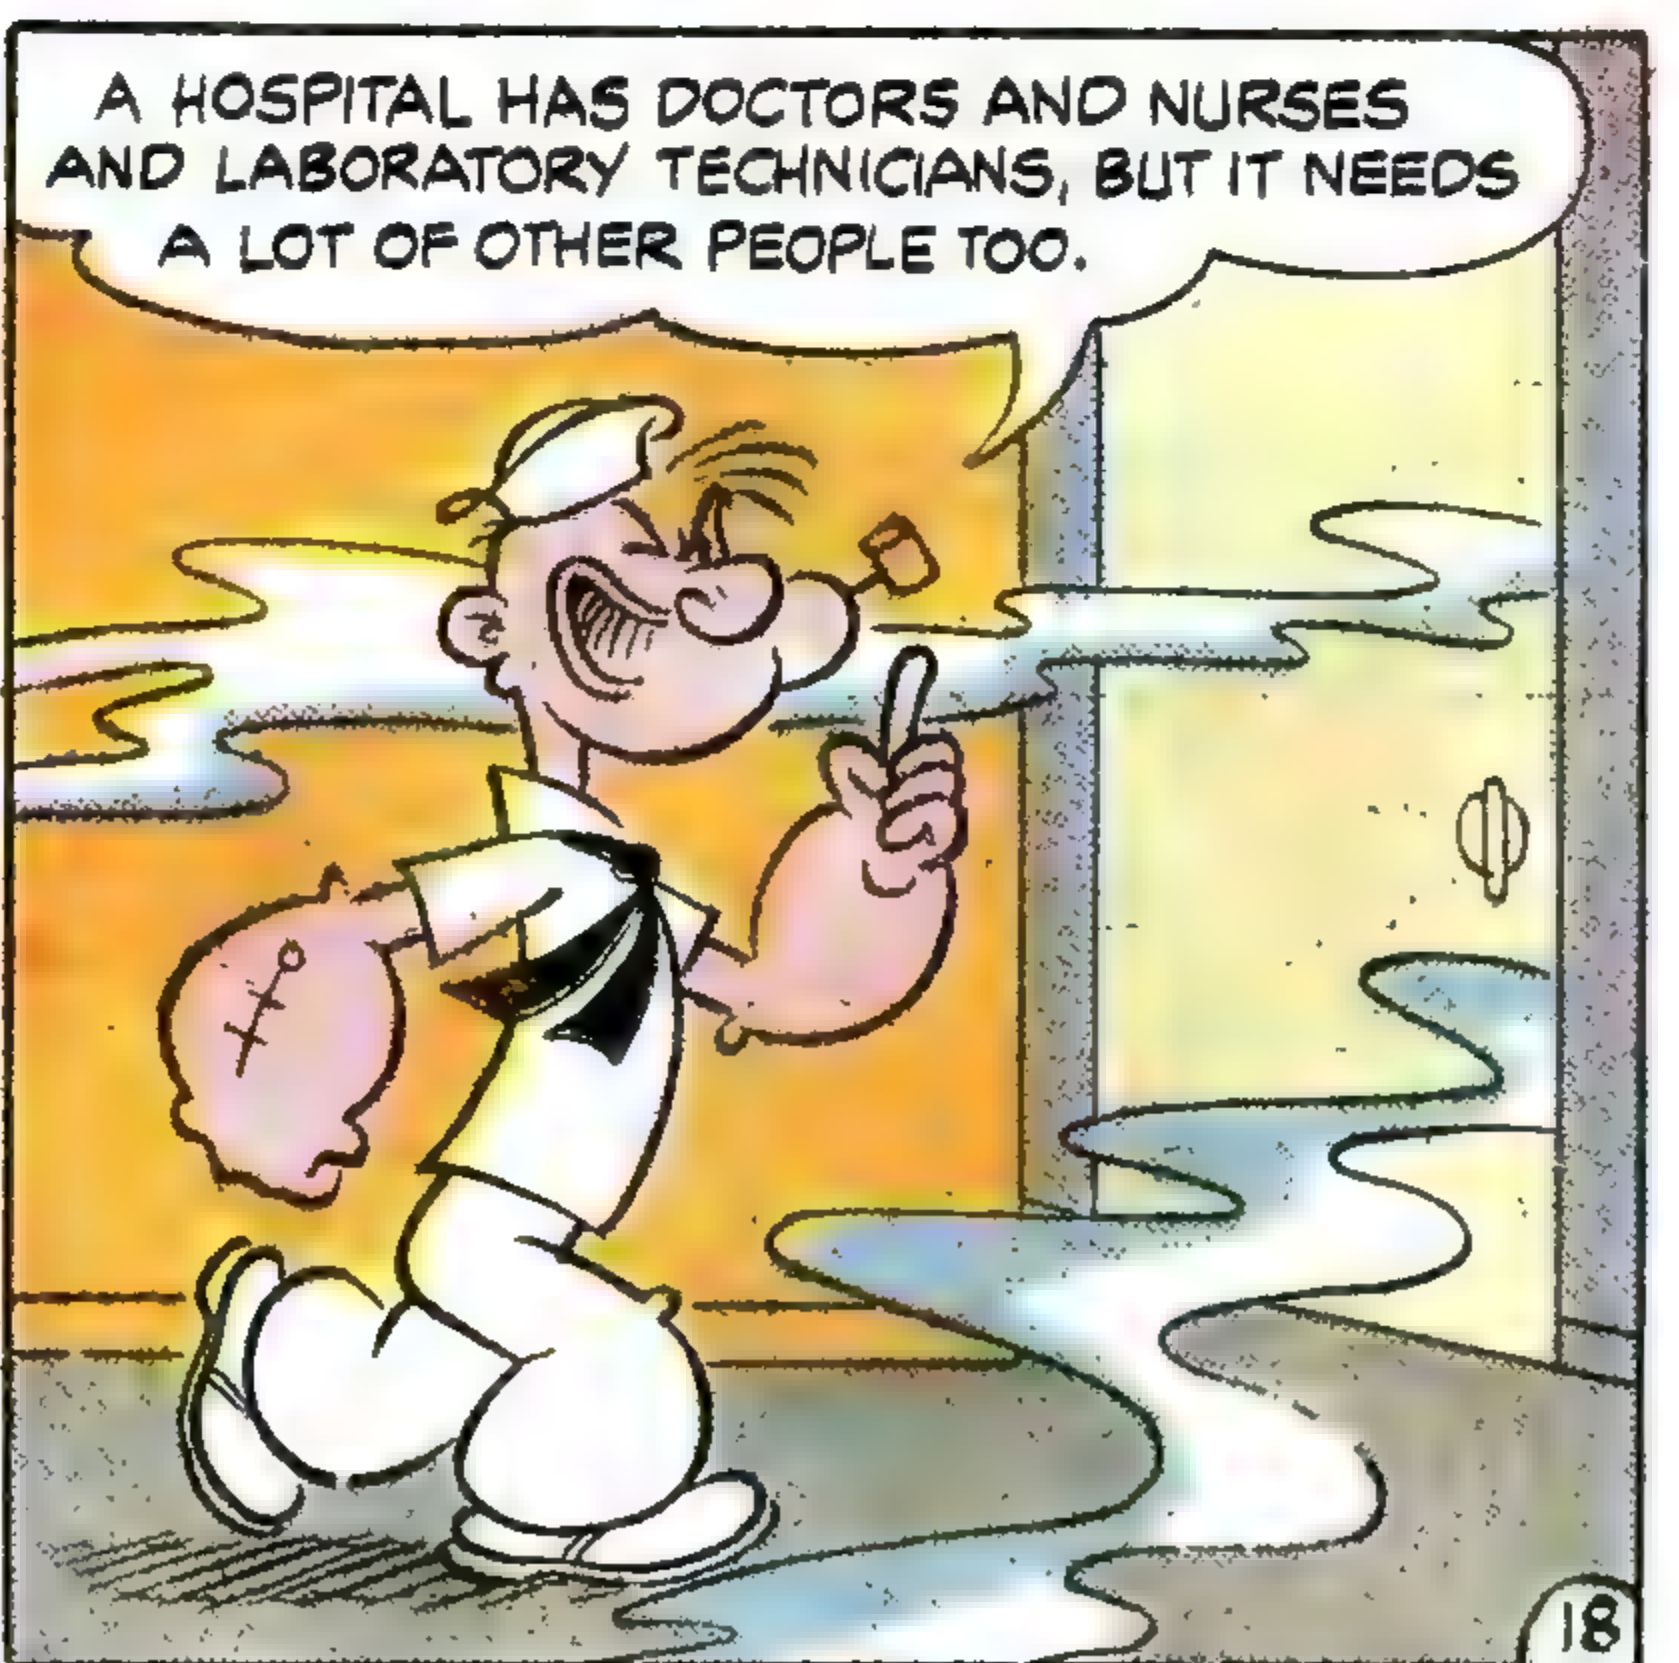

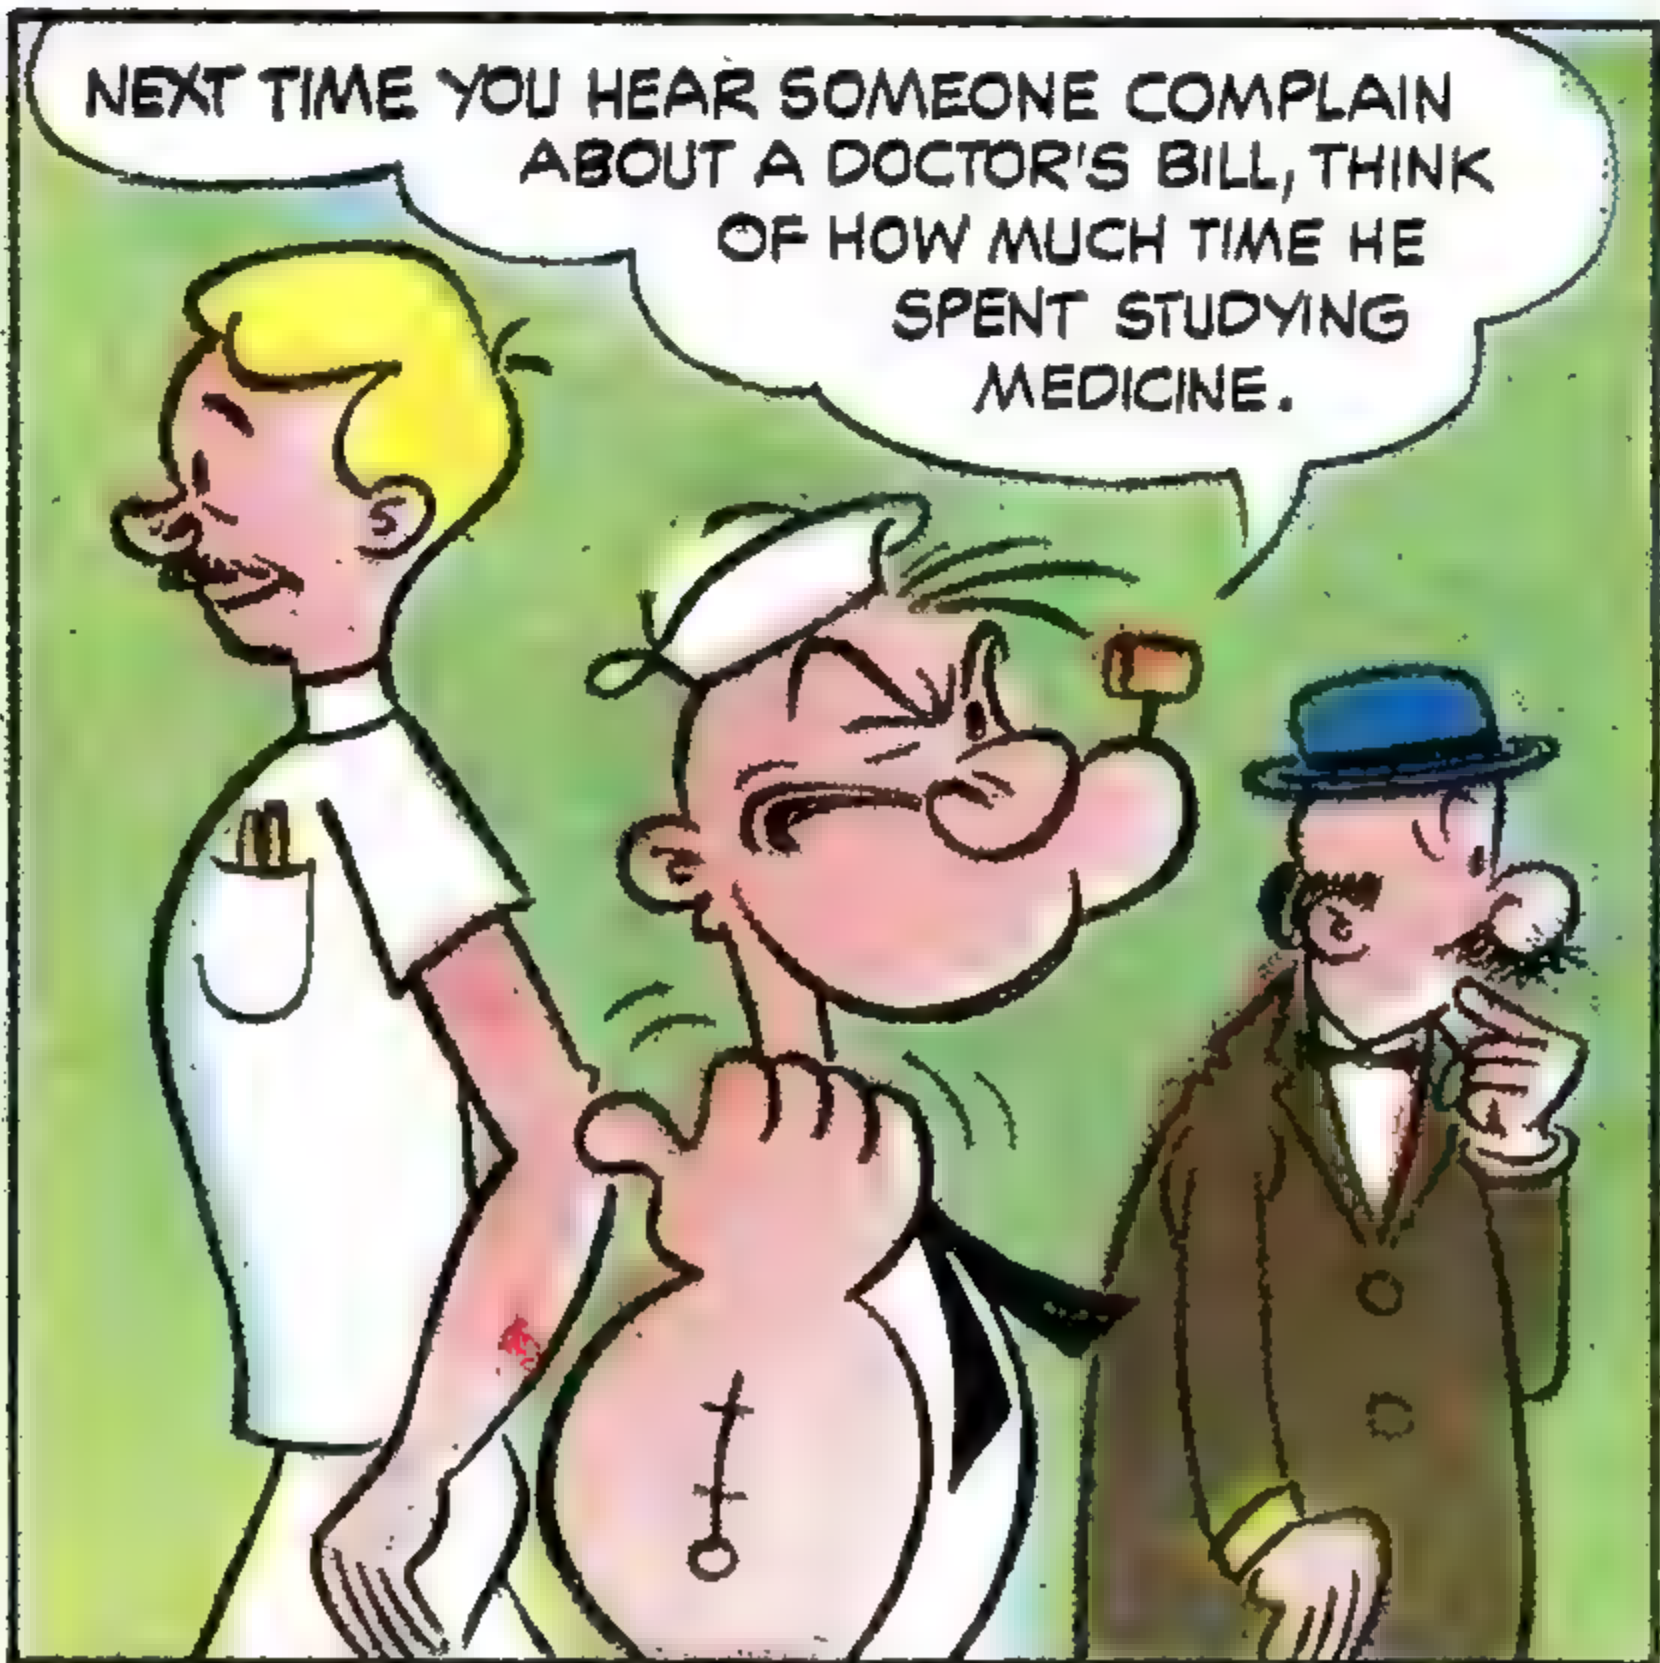

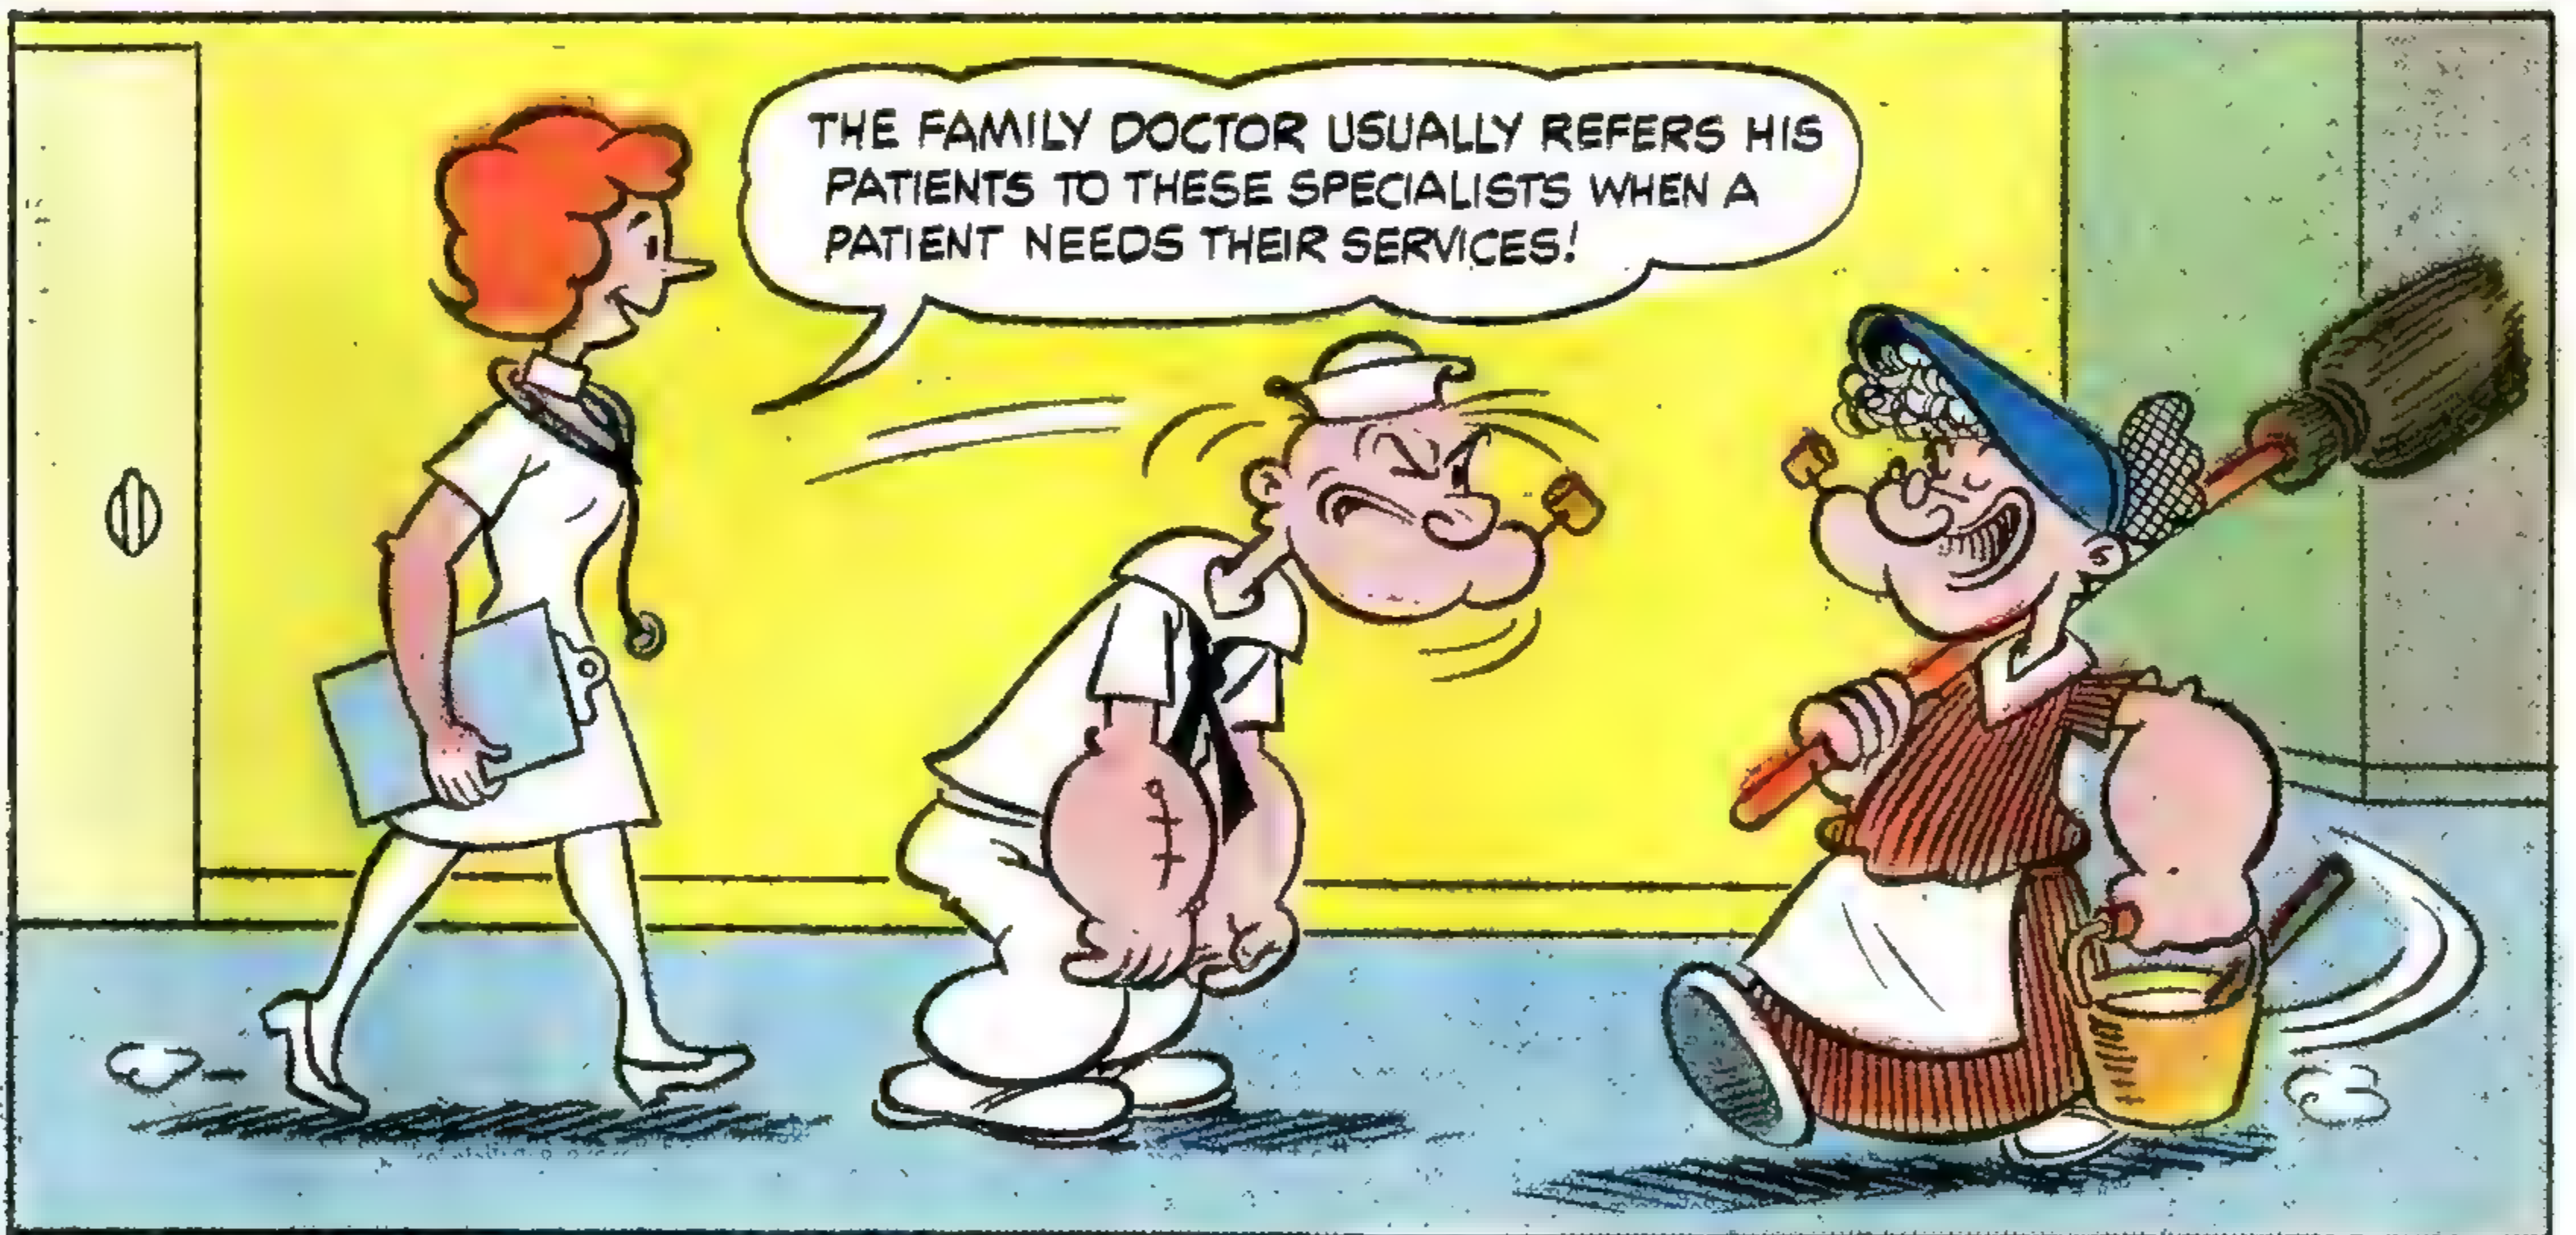

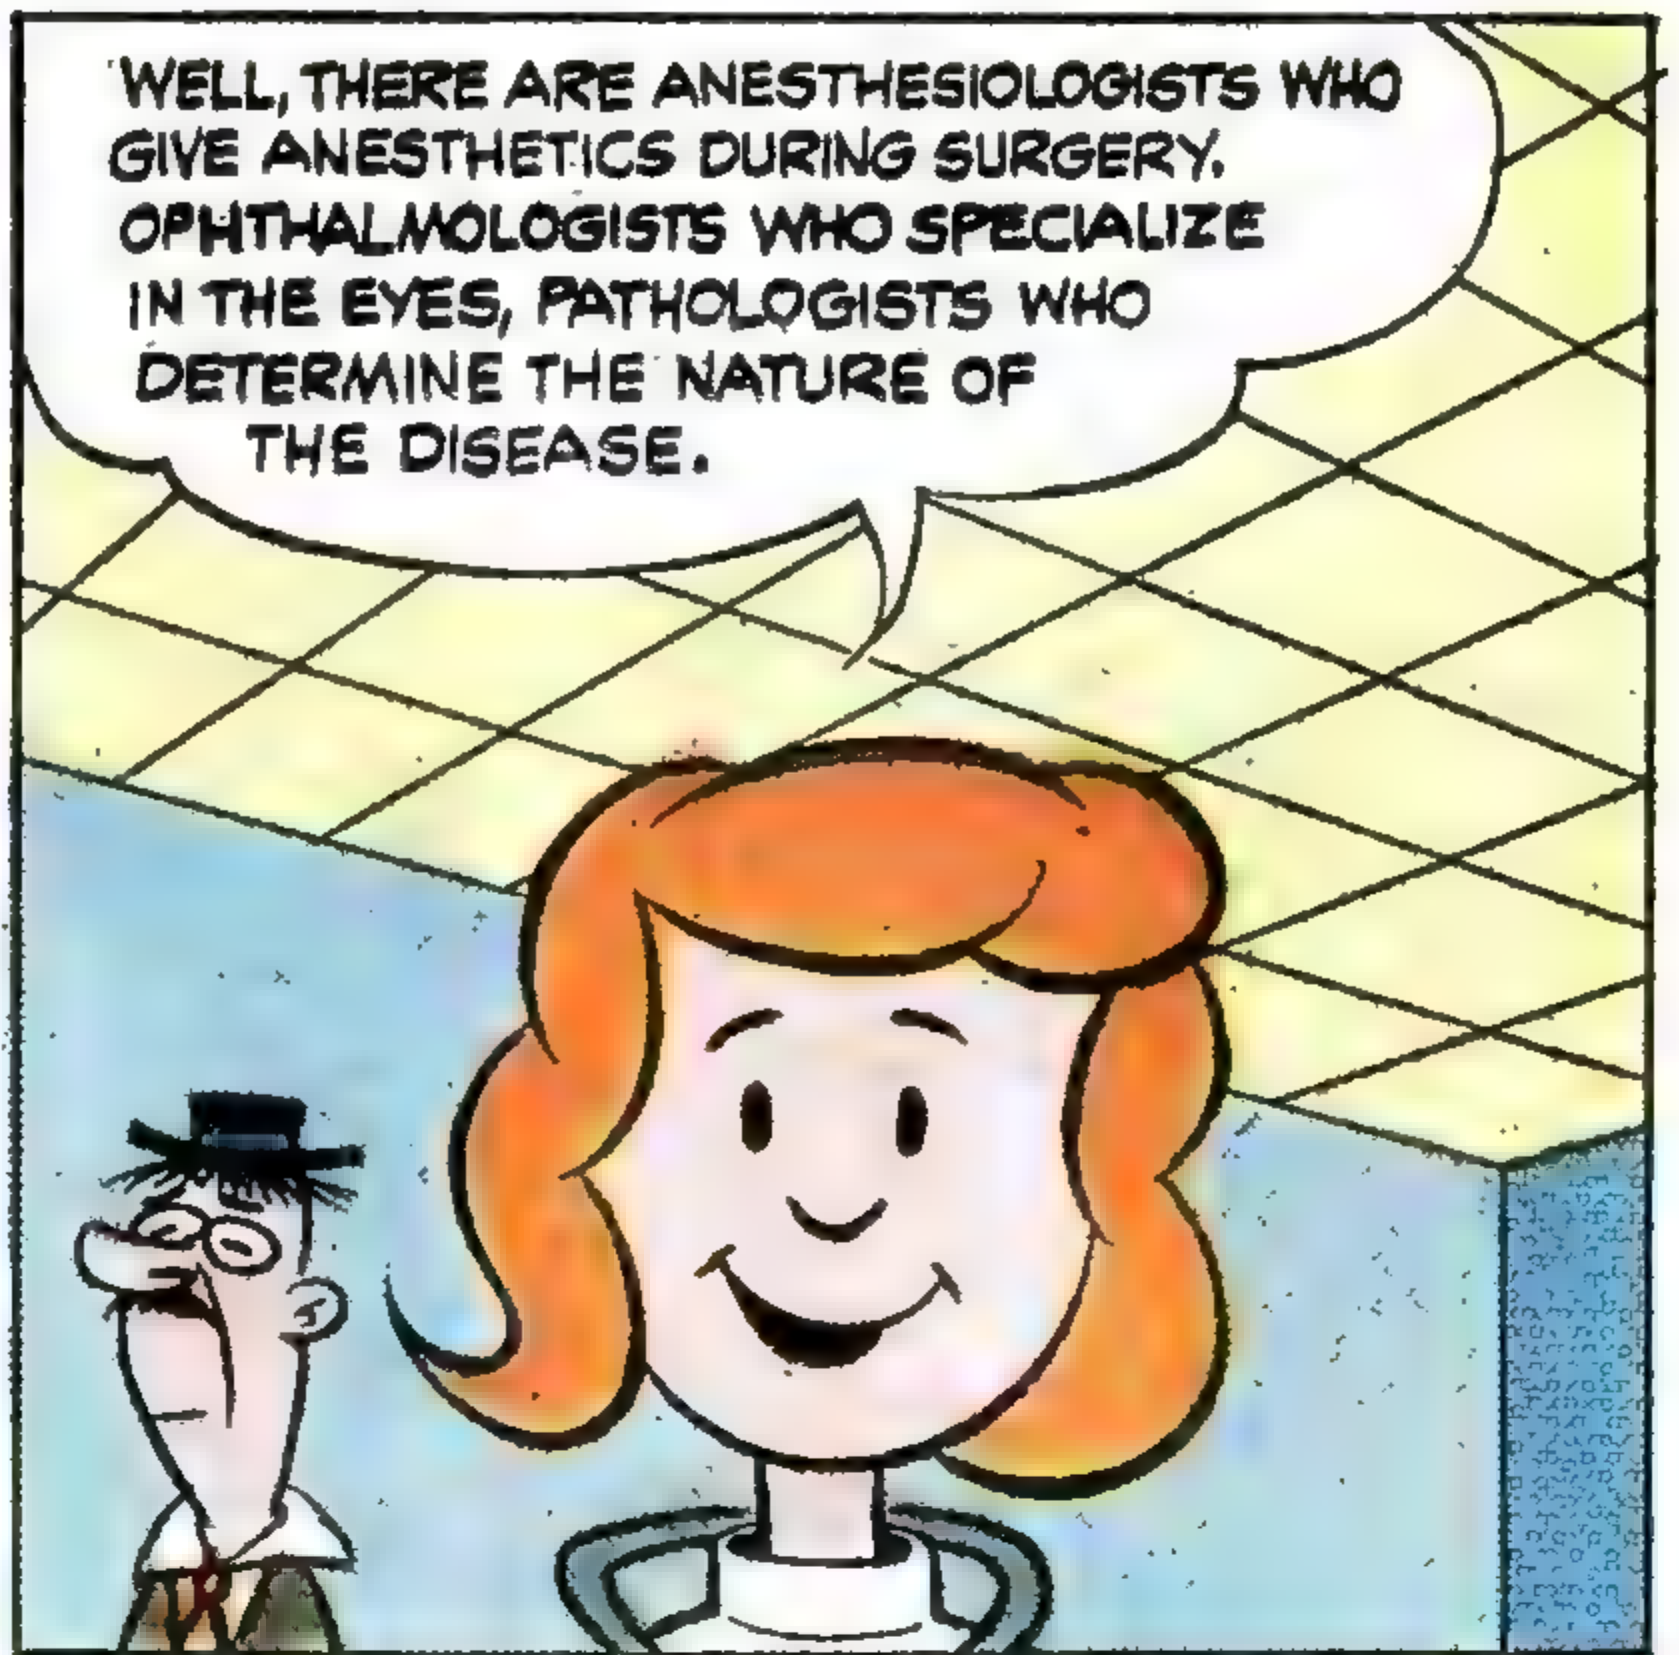

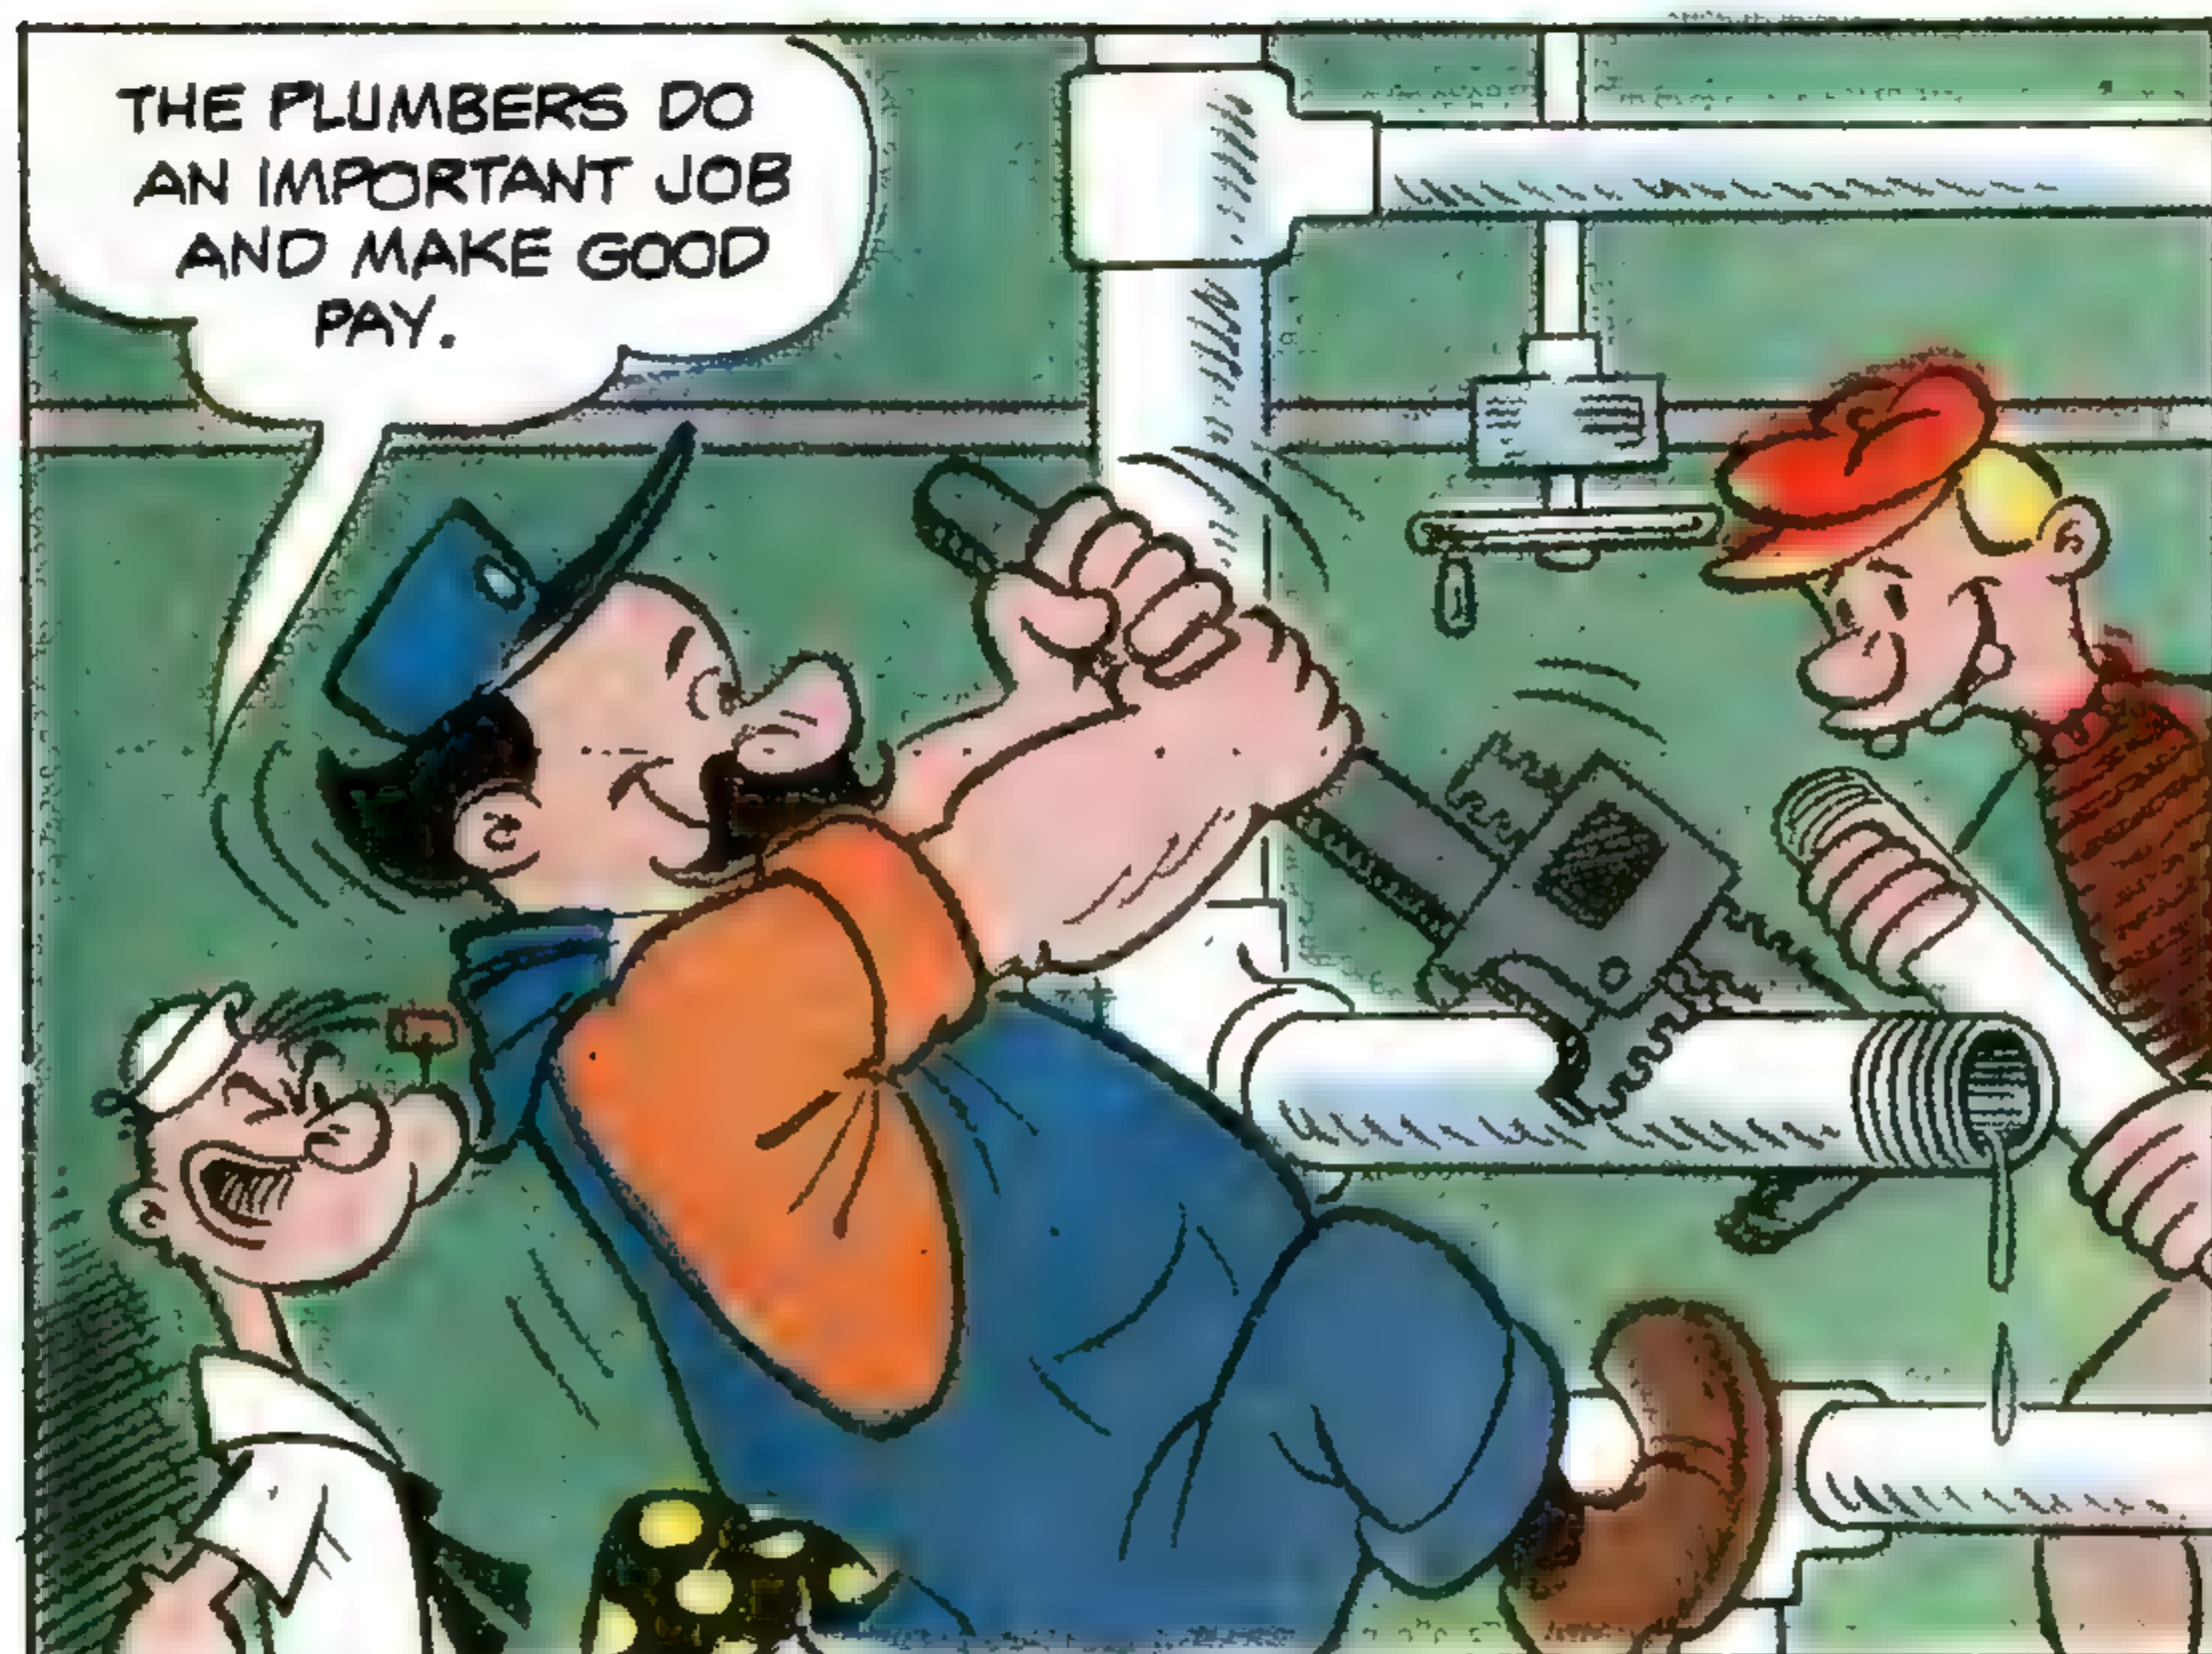

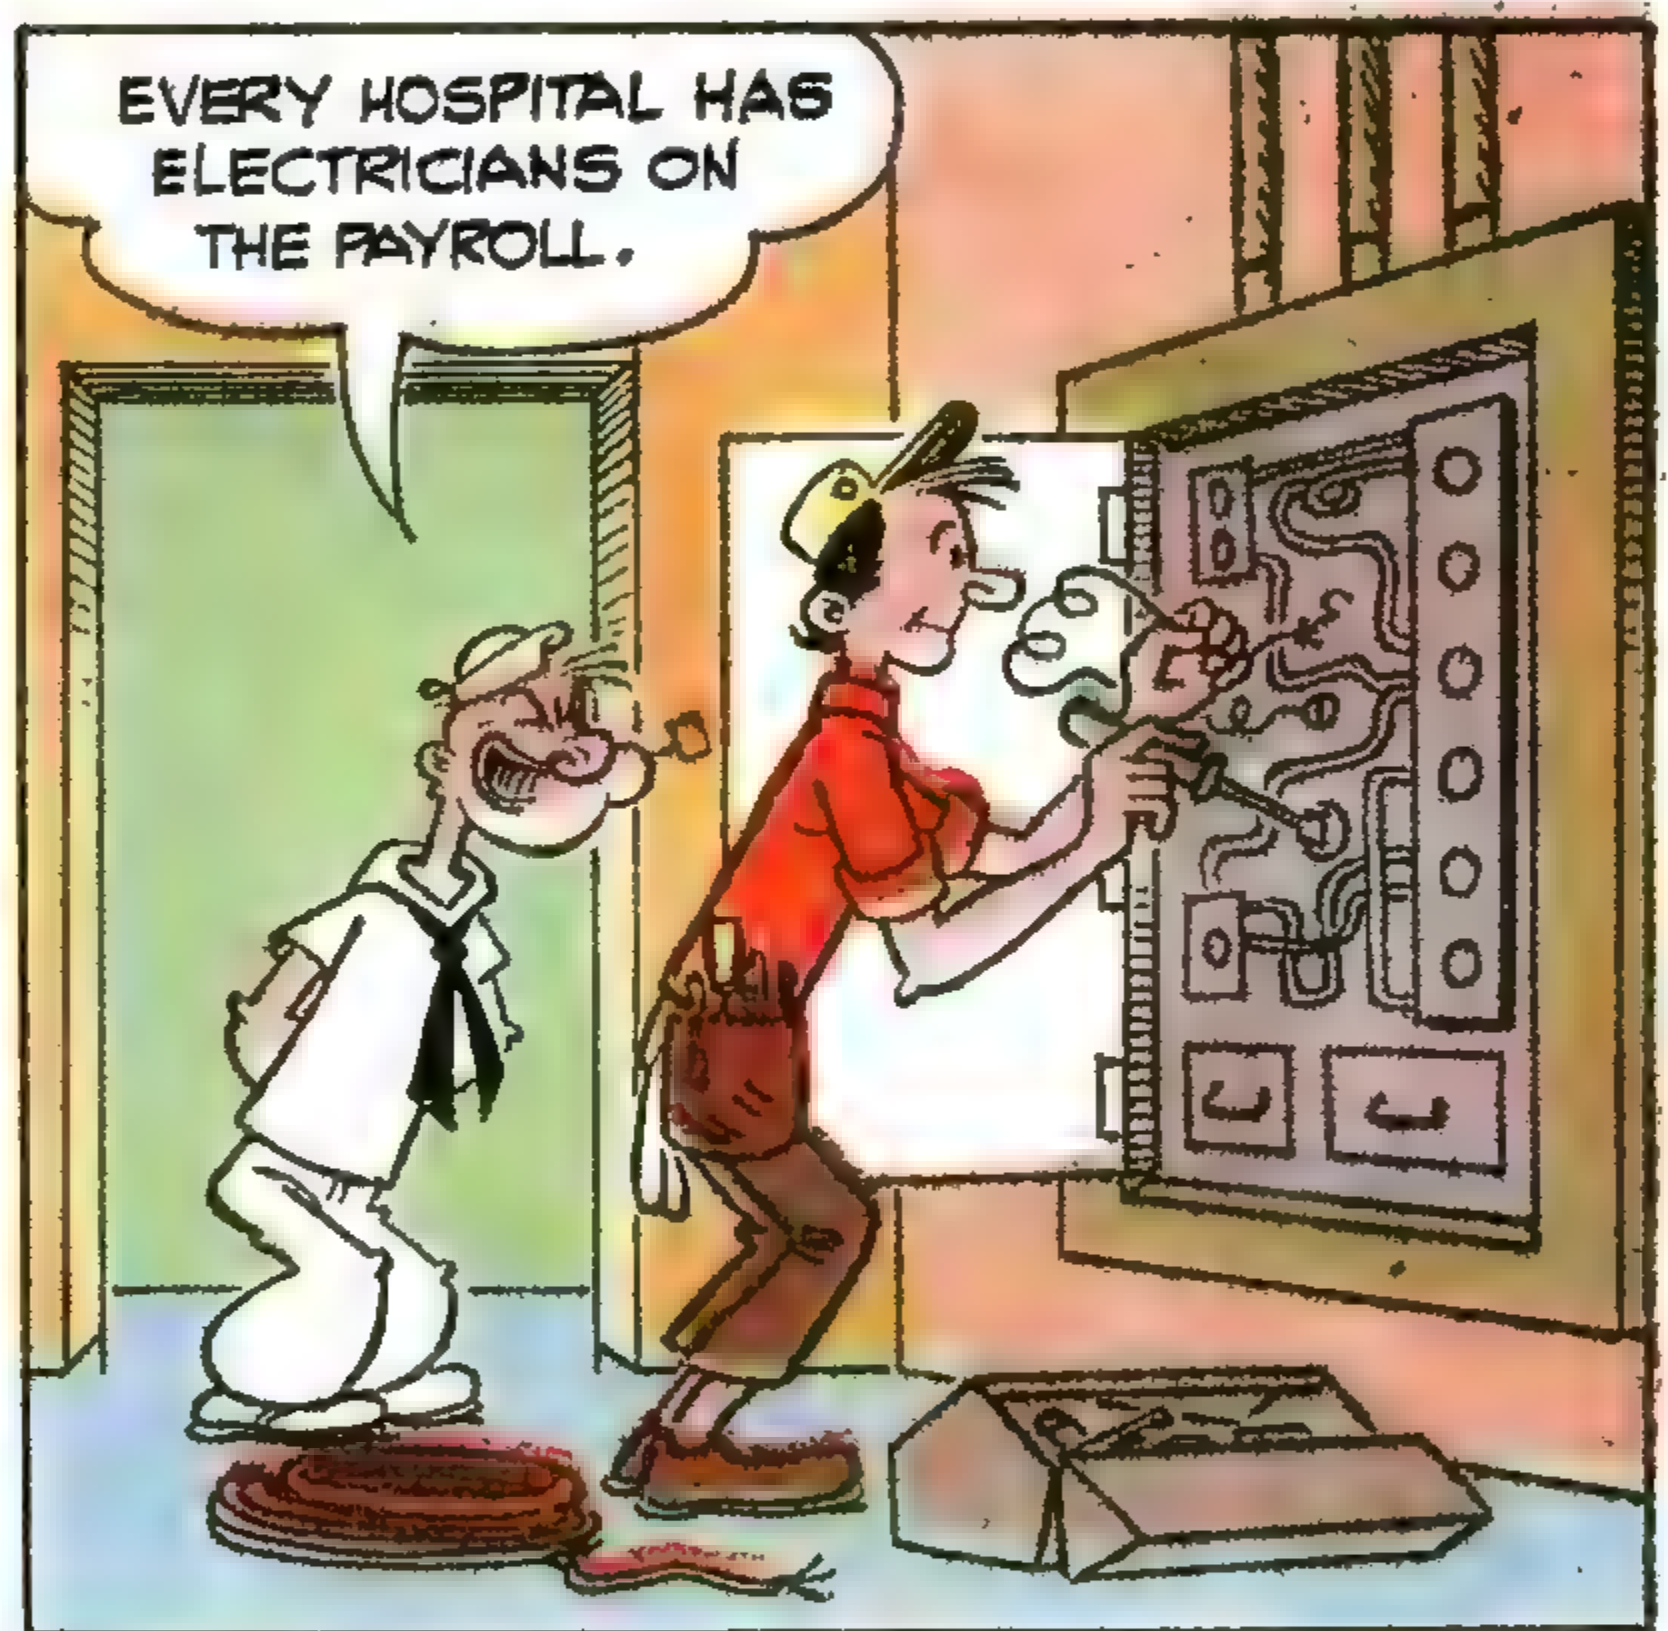

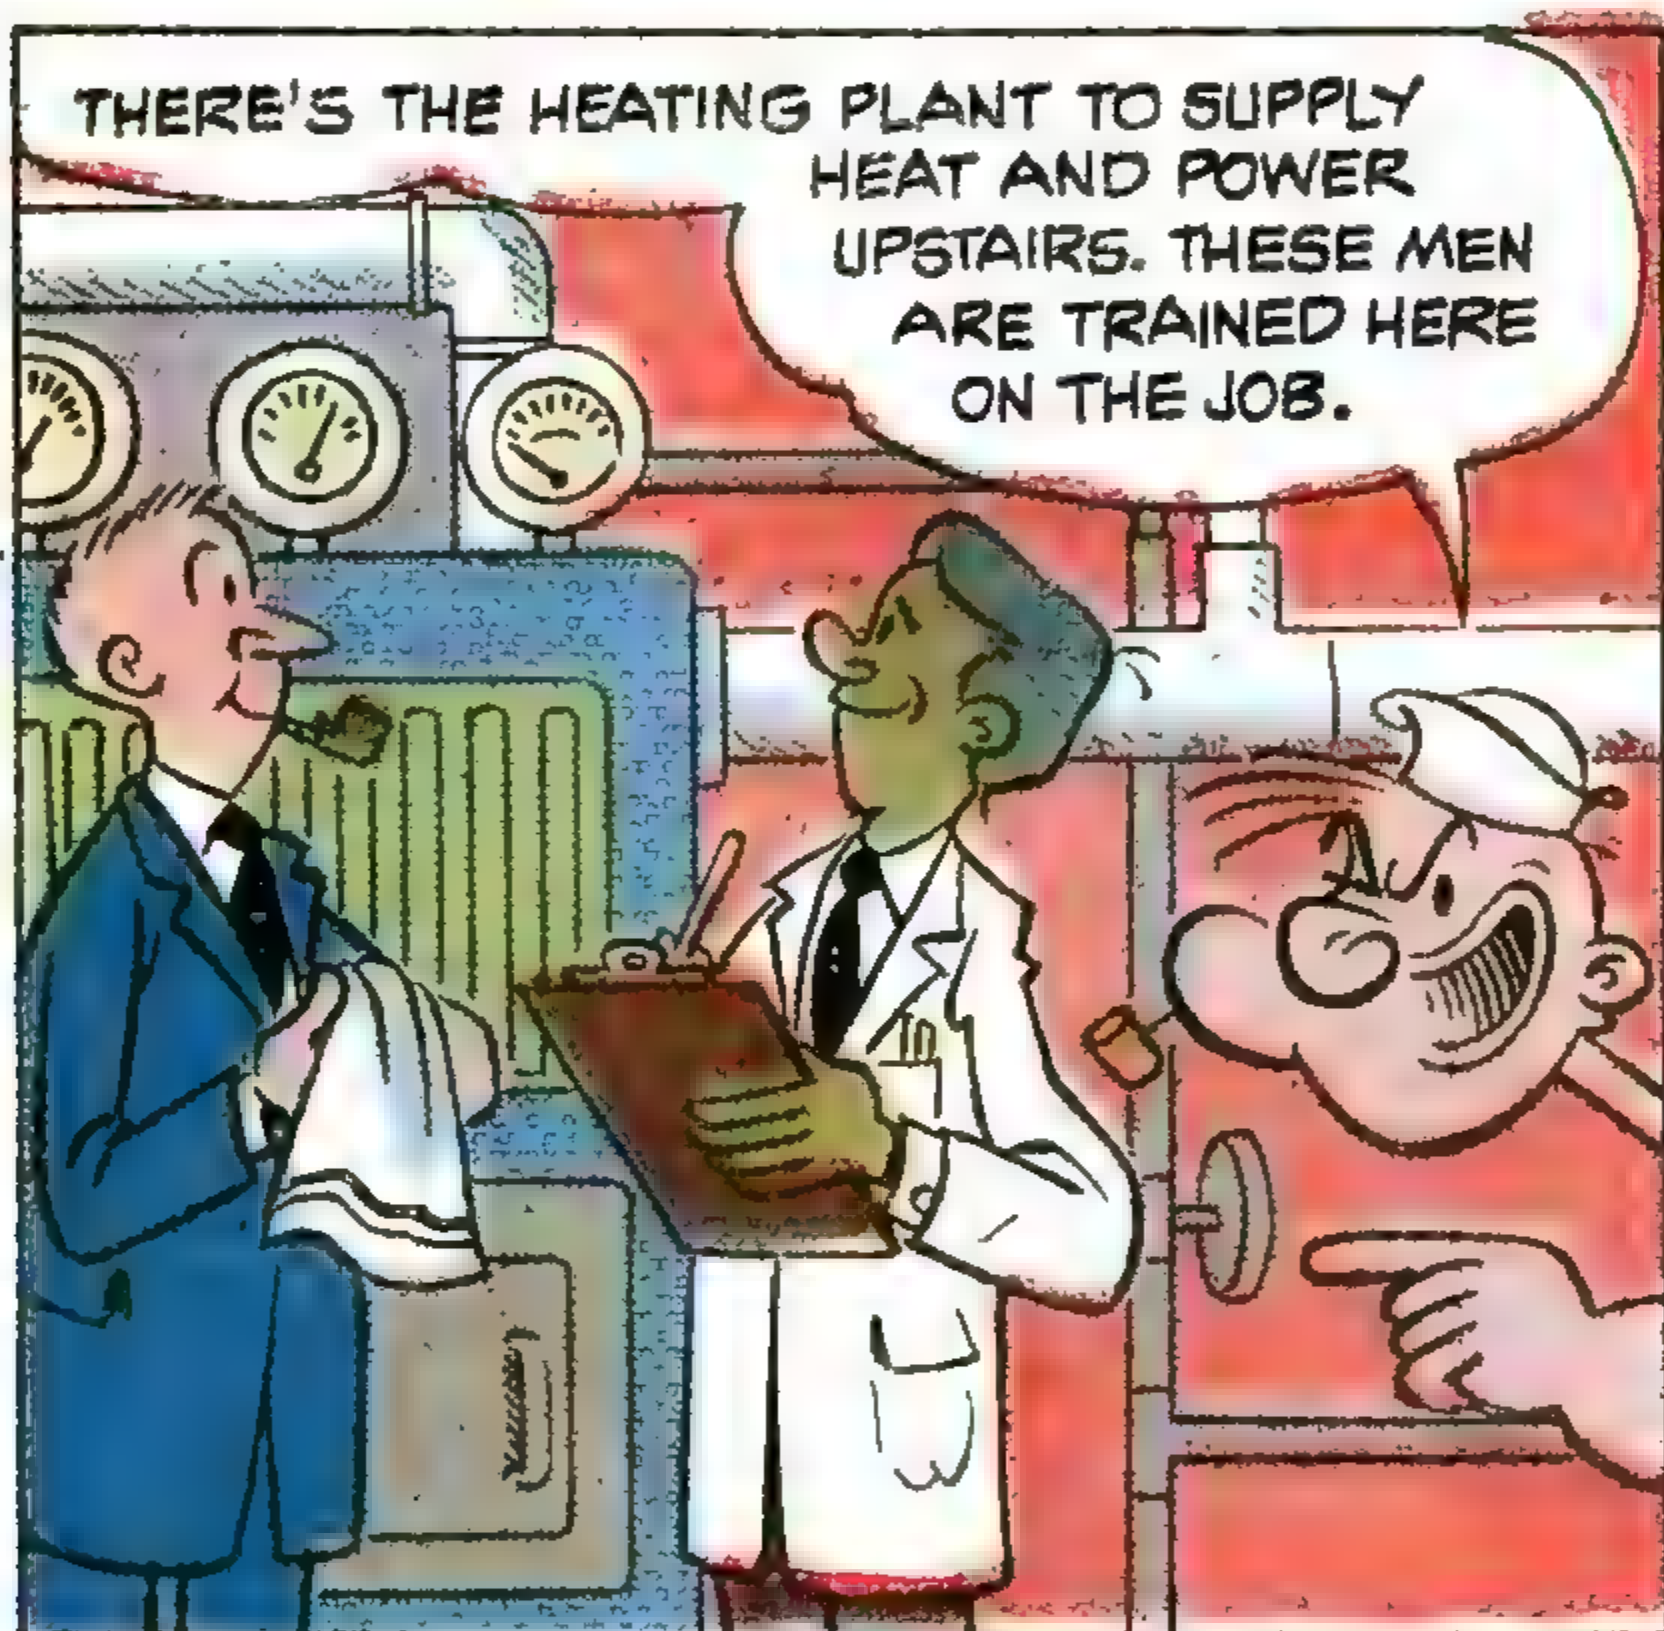

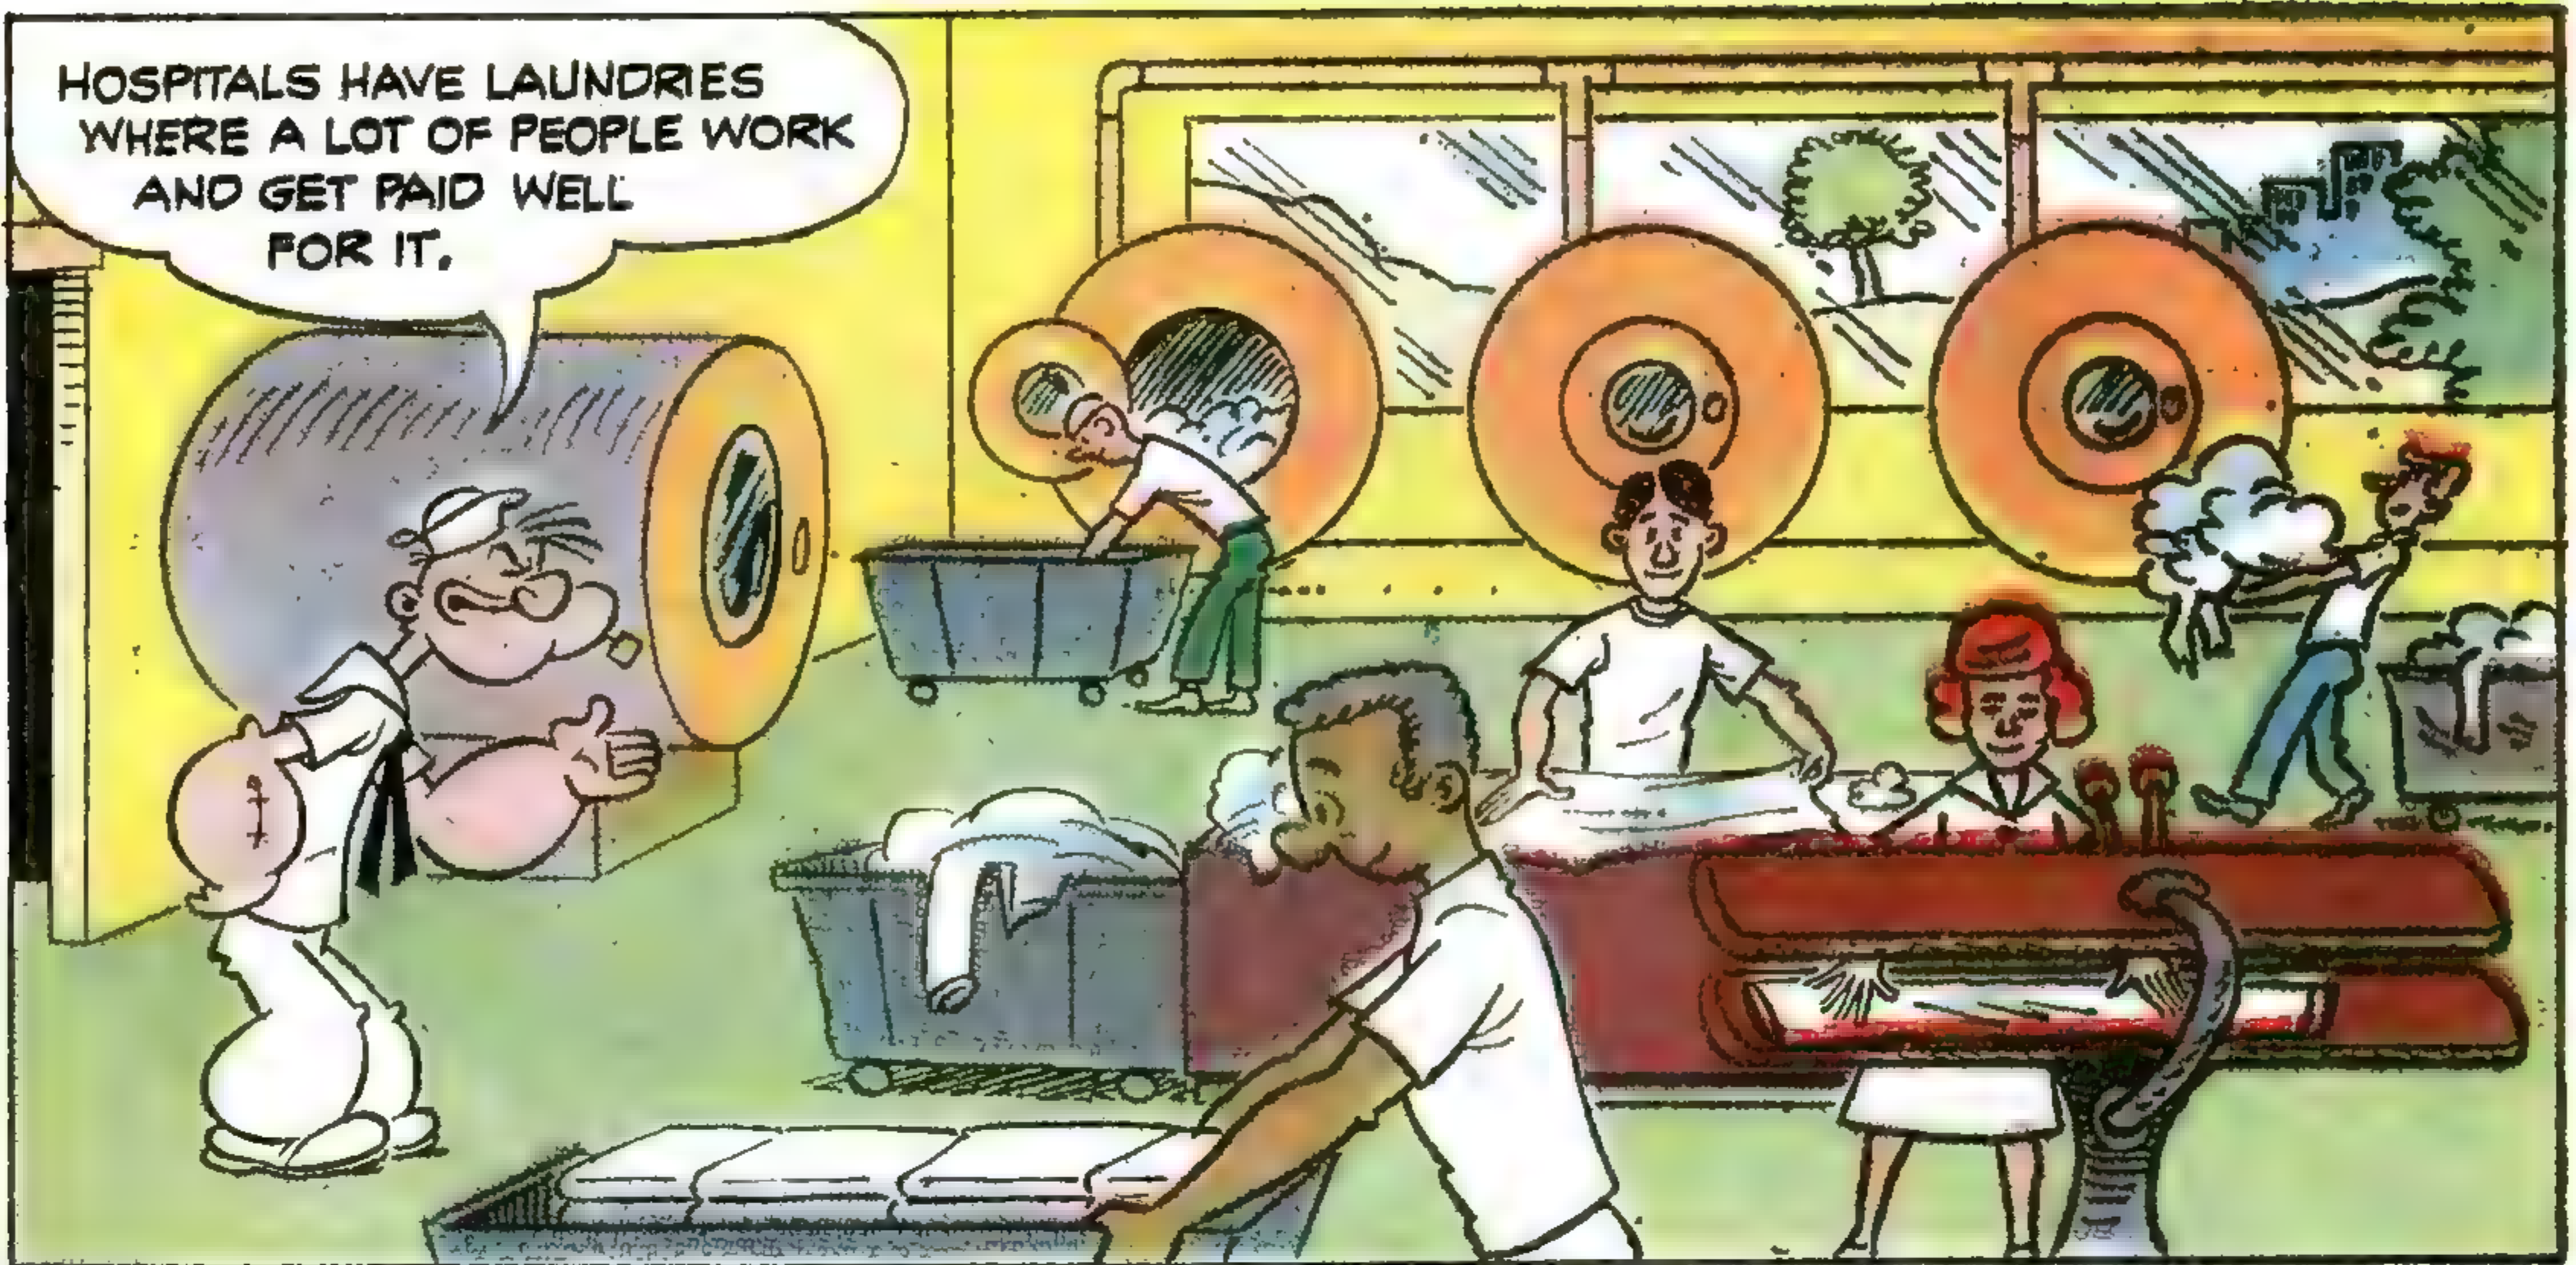

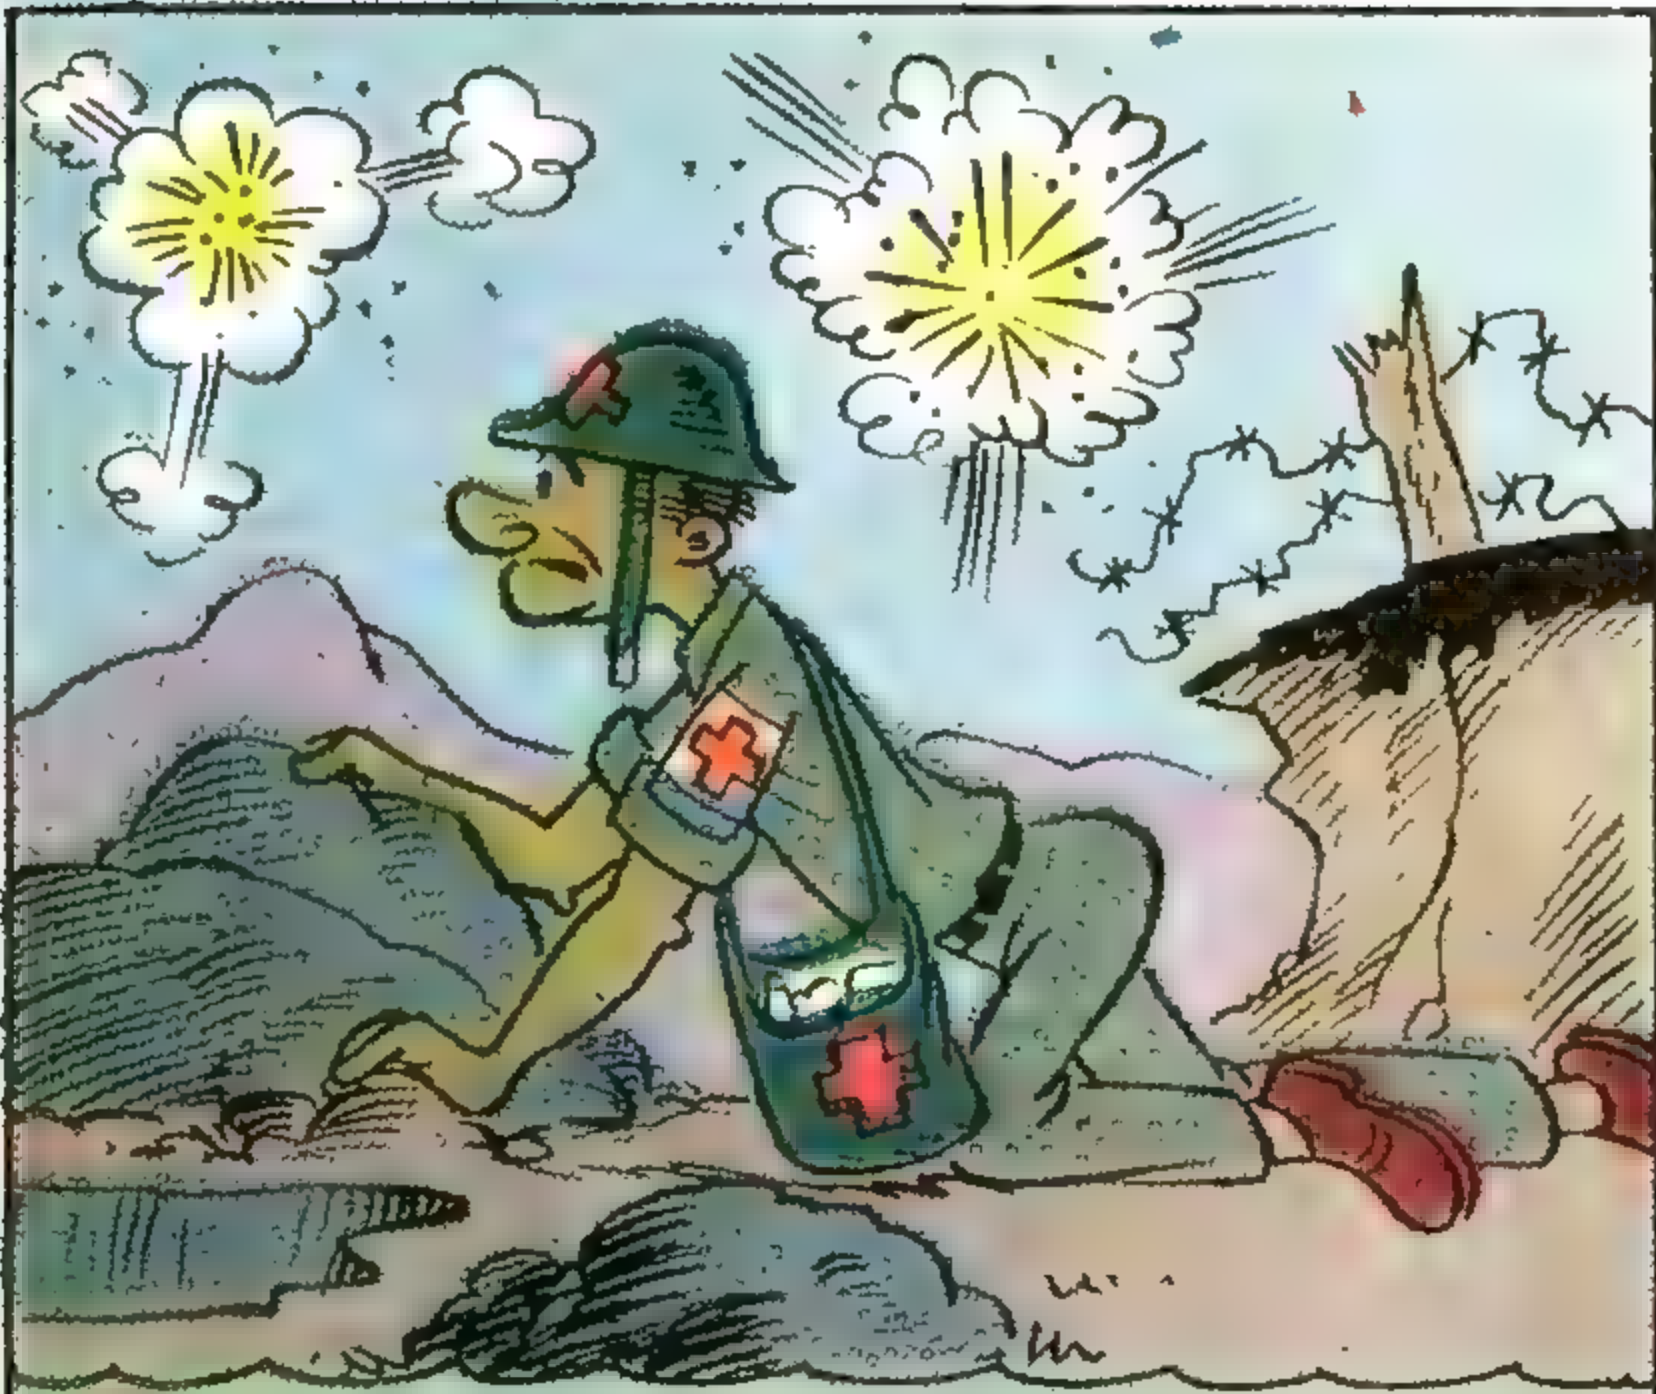

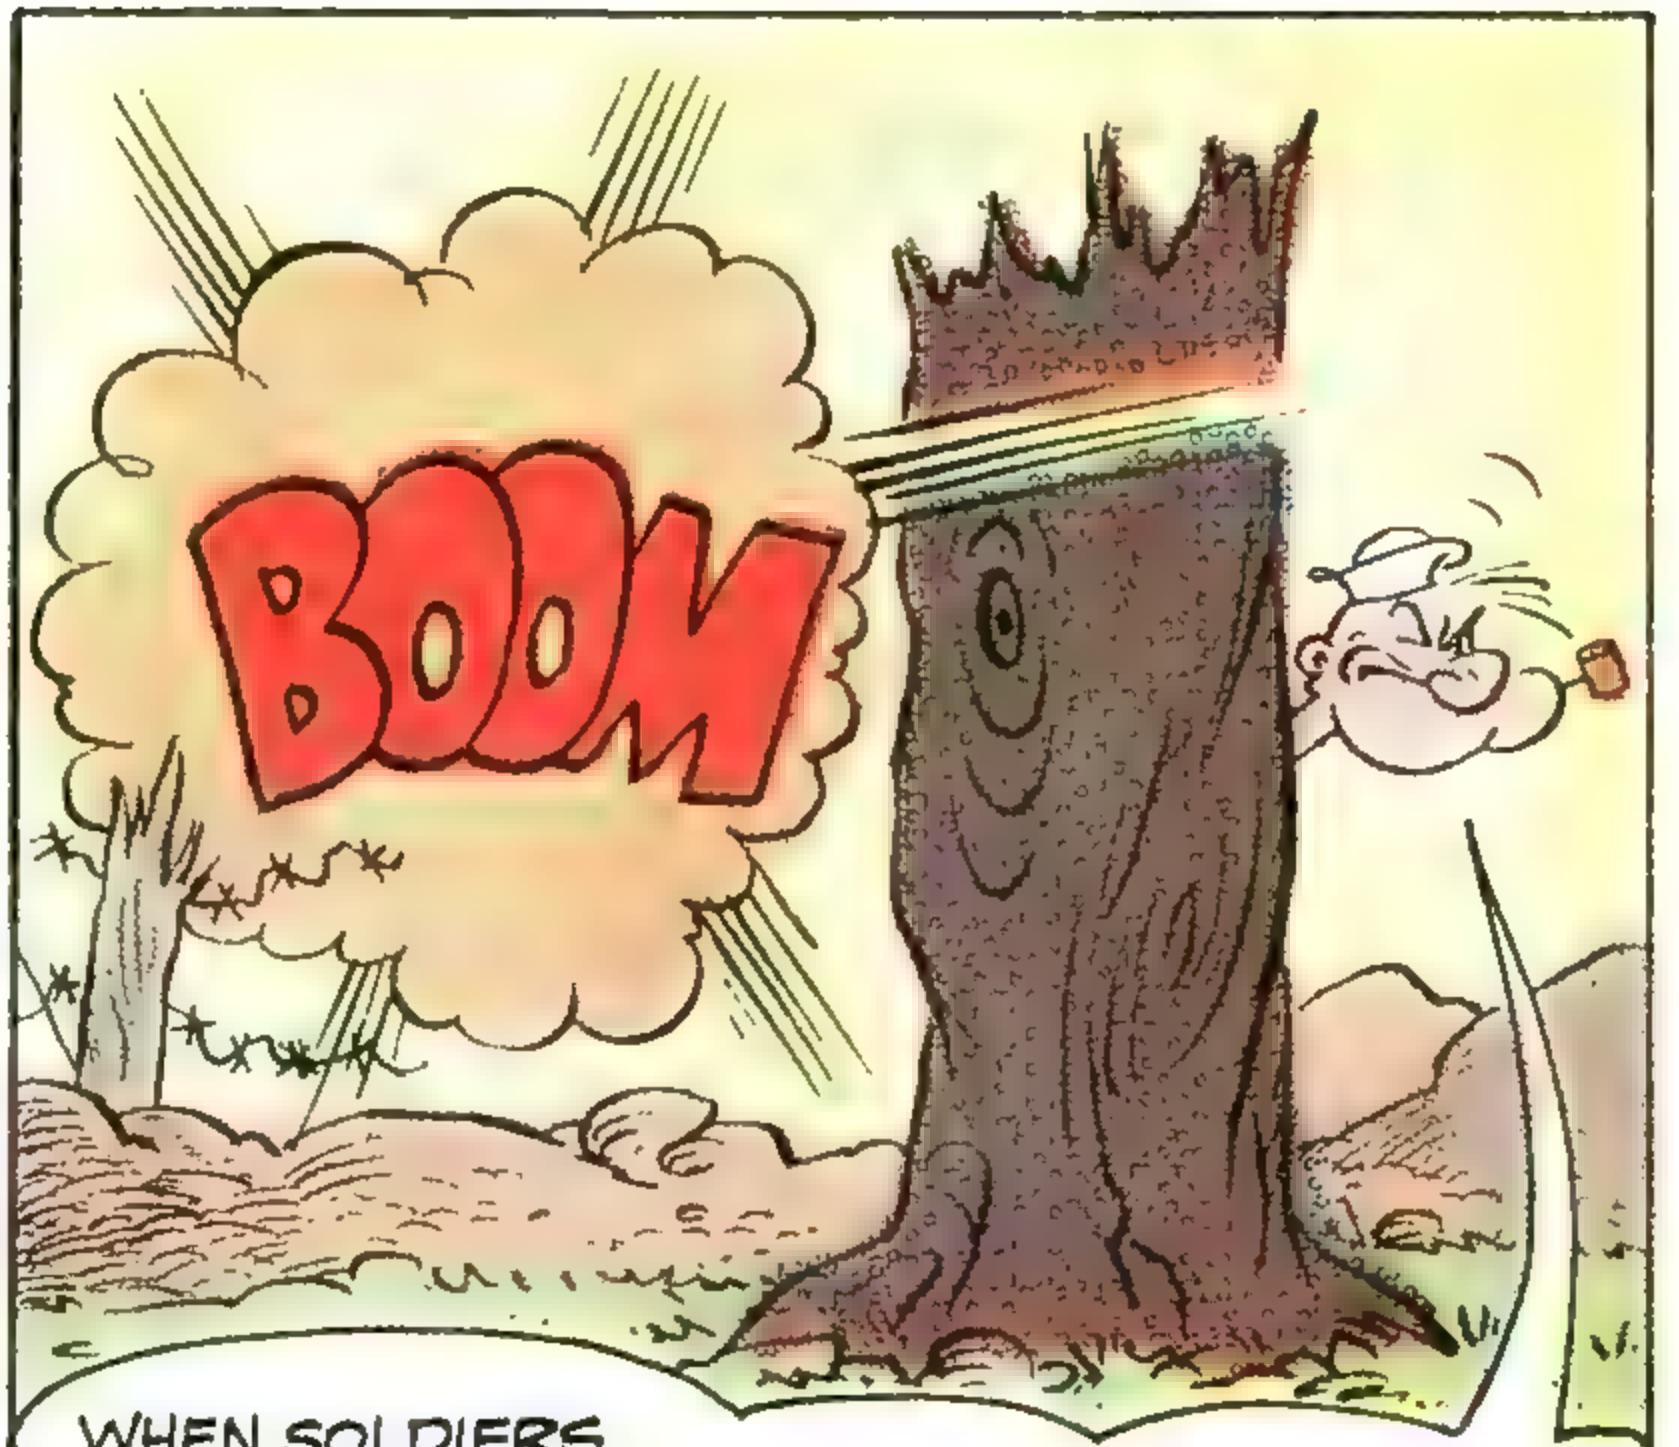

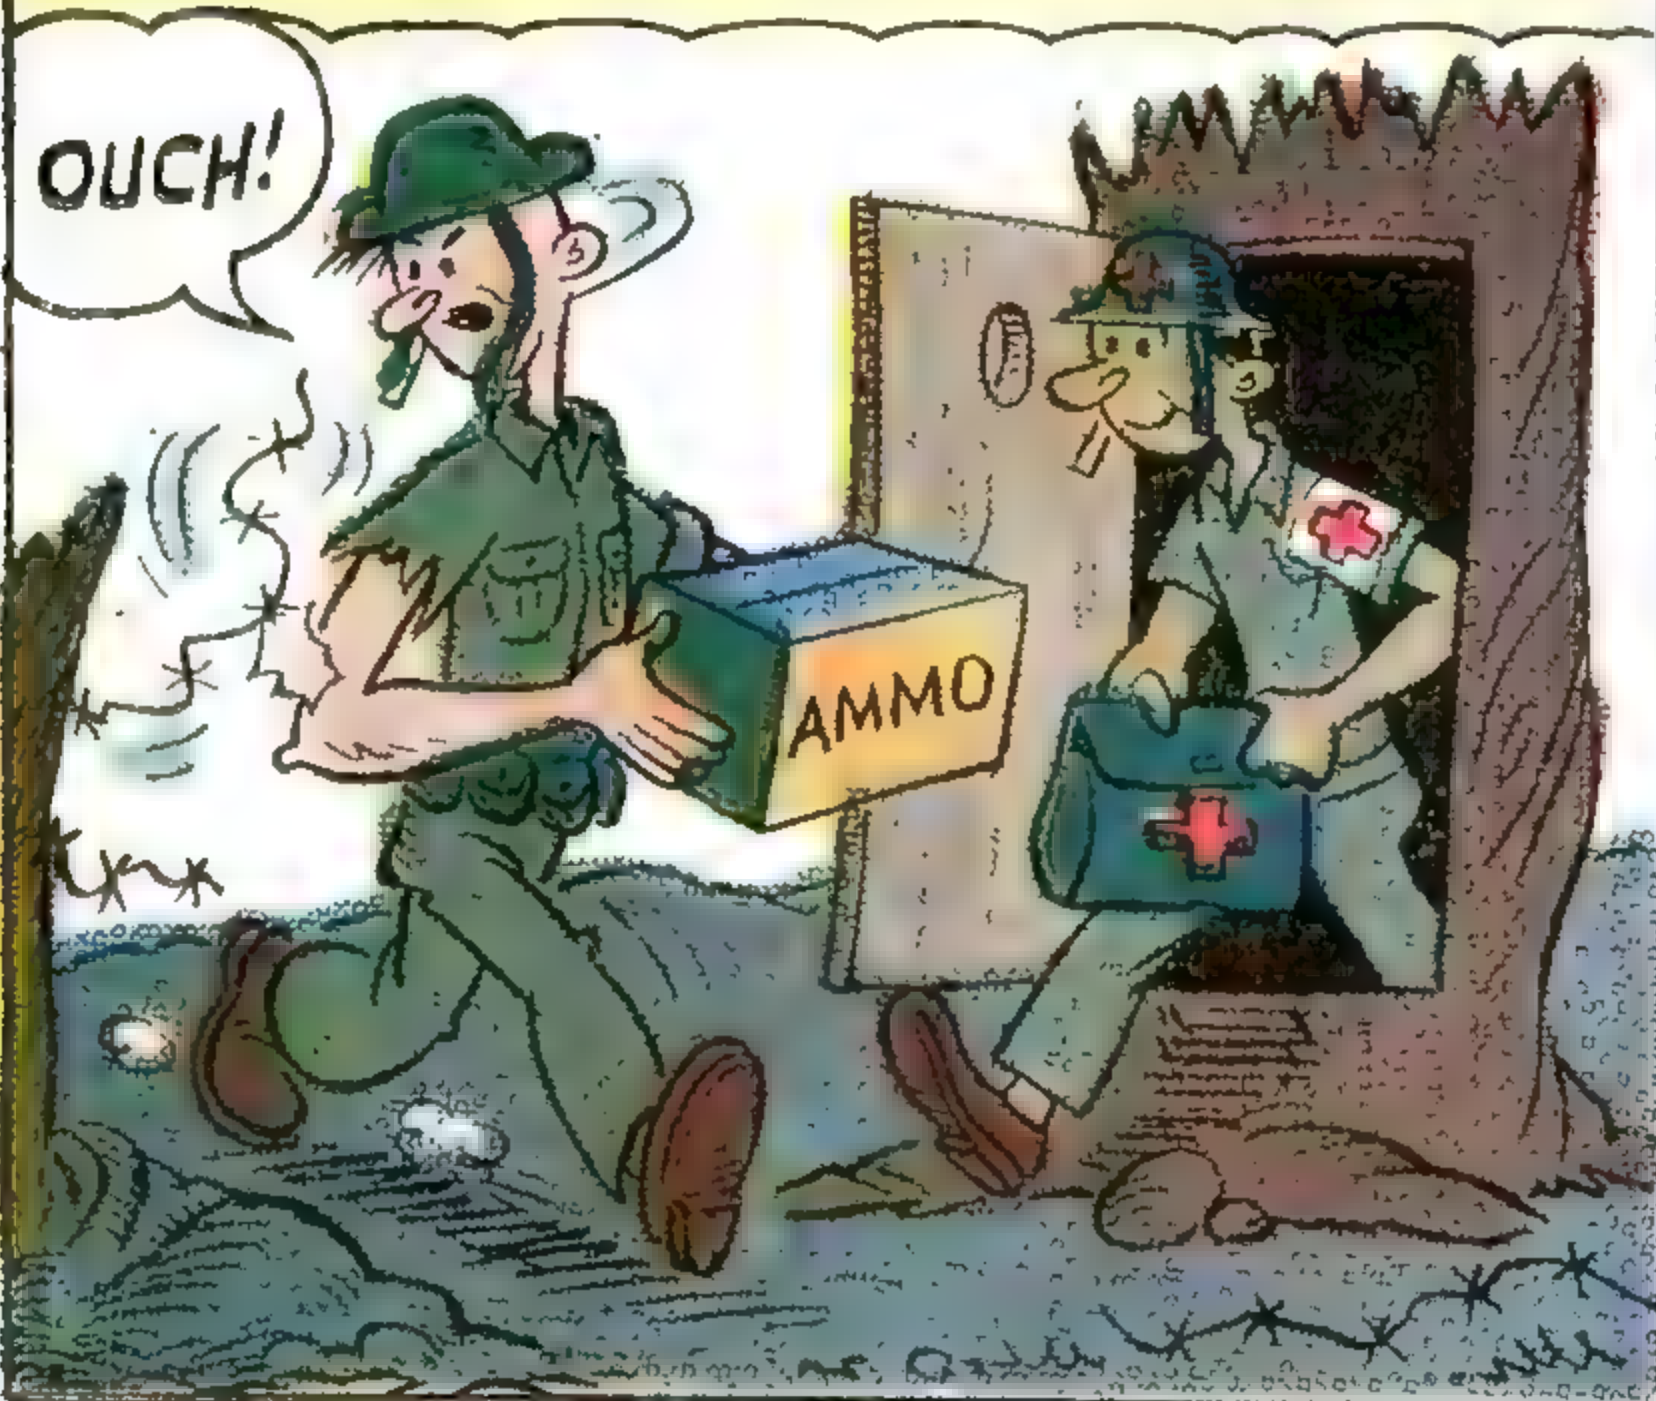

"SOME PEOPLE GET THEIR TRAINING FOR HEALTH CAREERS IN THE ARMY OR NAVY. ARMY MEDICS SAVE A LOT OF LIVES."

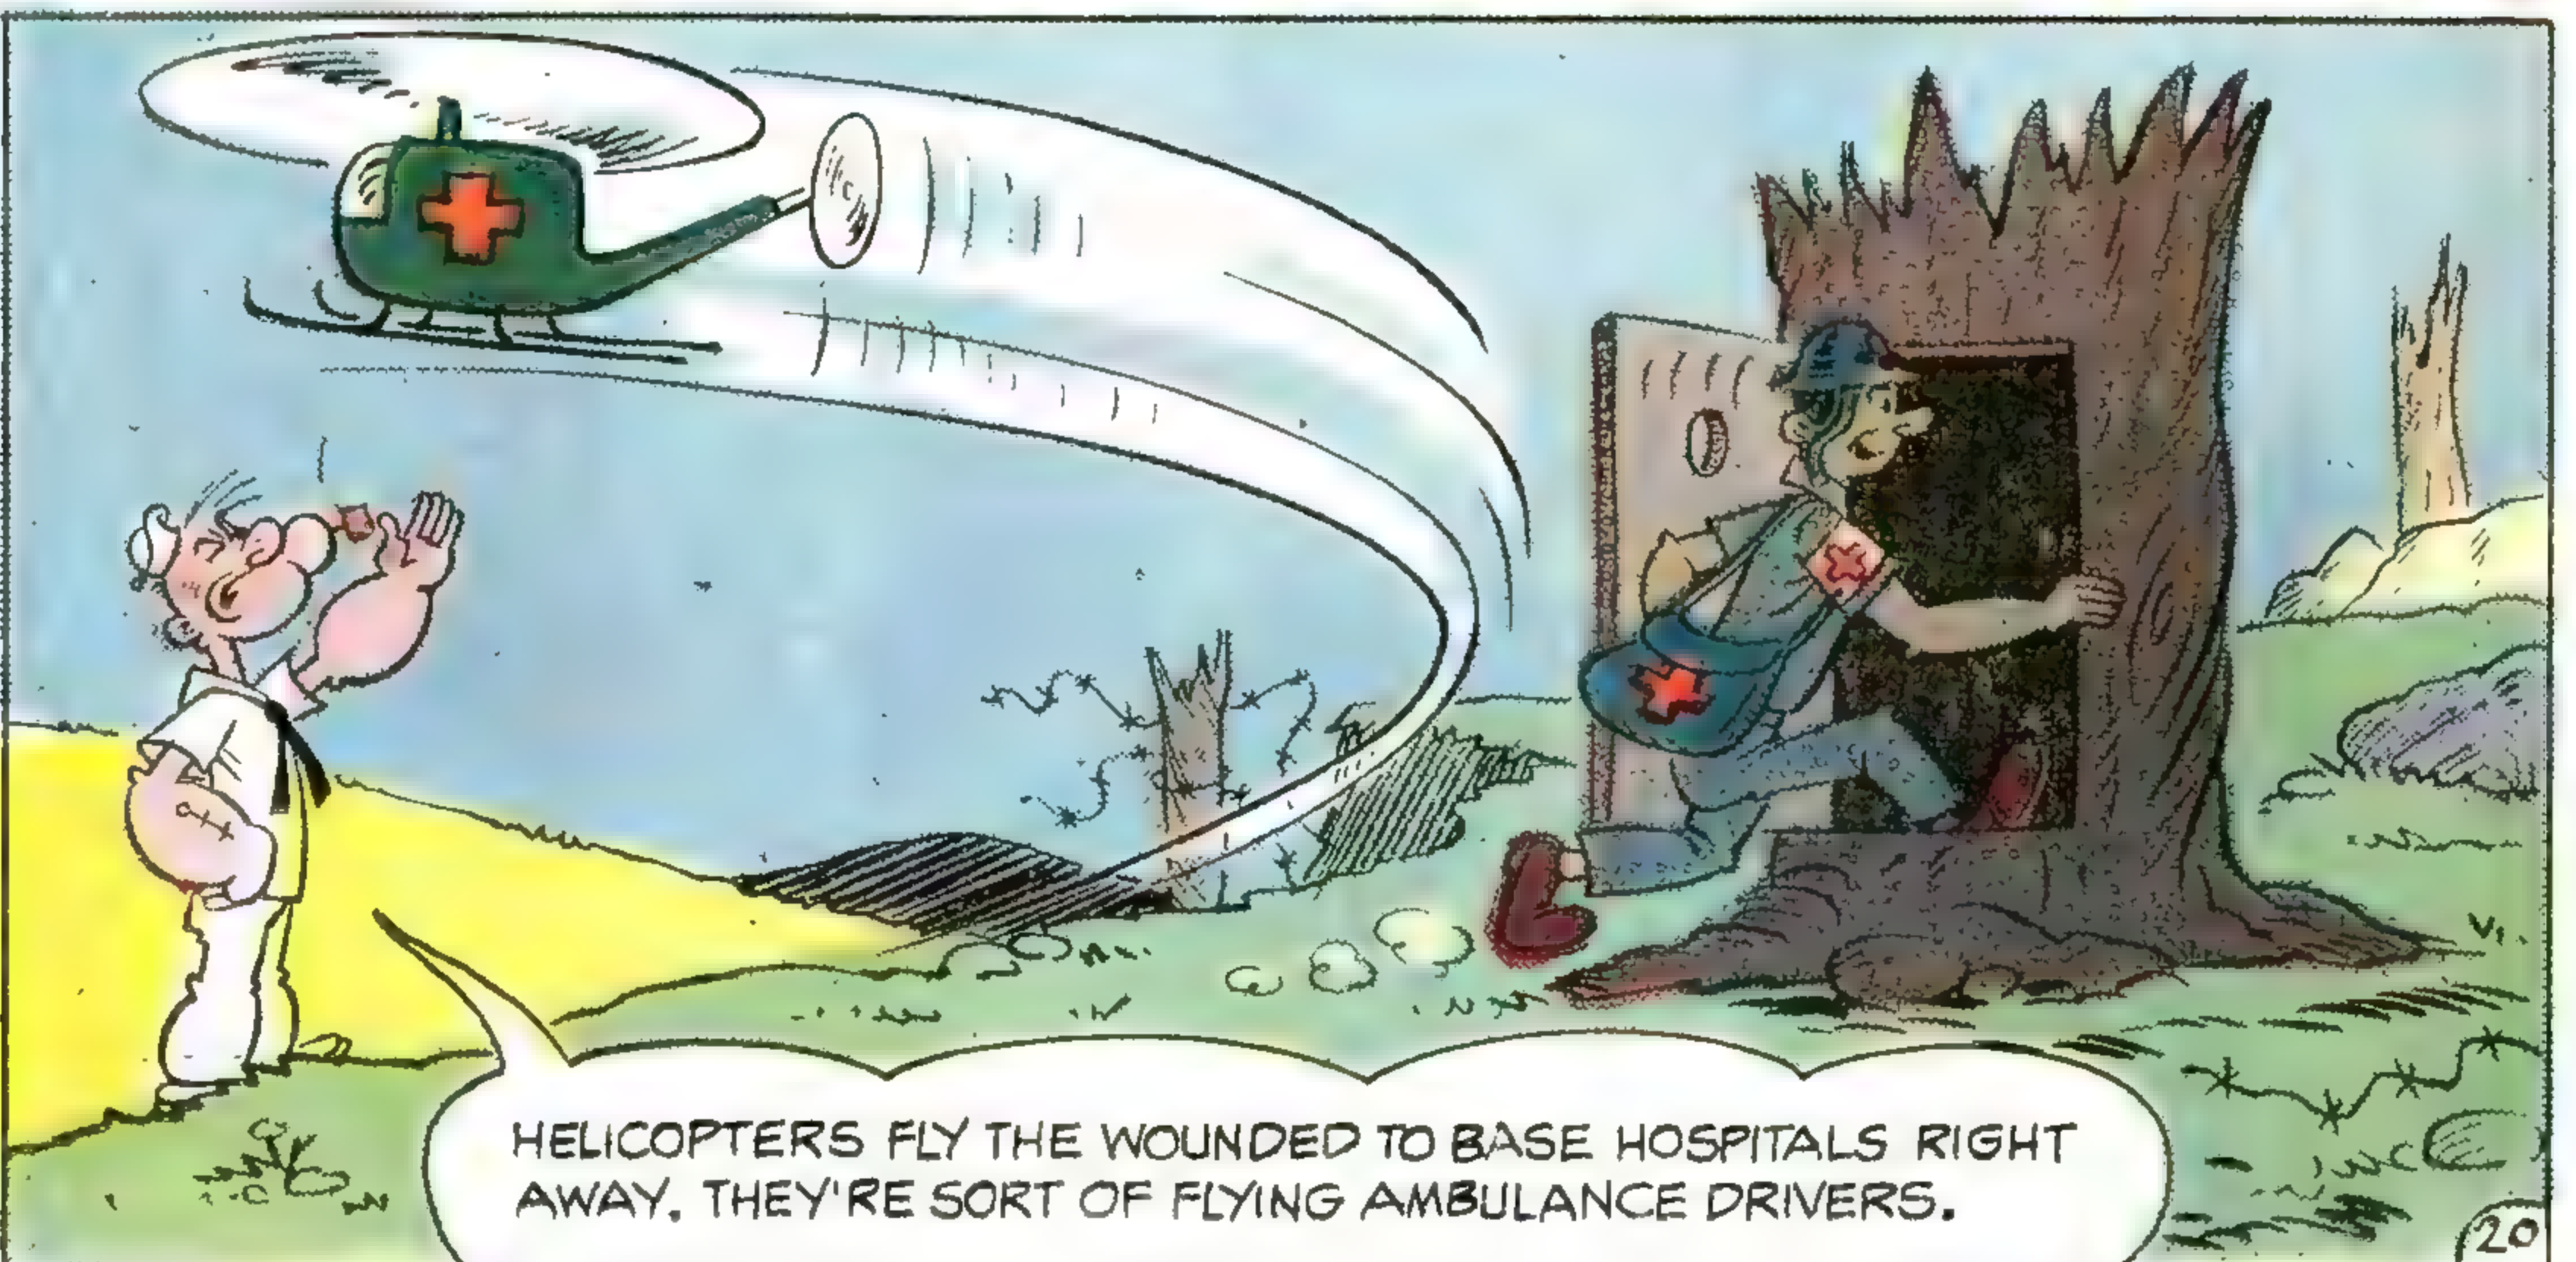

WHEN SOLDIERS GET WOUNDED IN BATTLES, THE MEDICS HAVE TO BE NEAR TO HELP THEM.

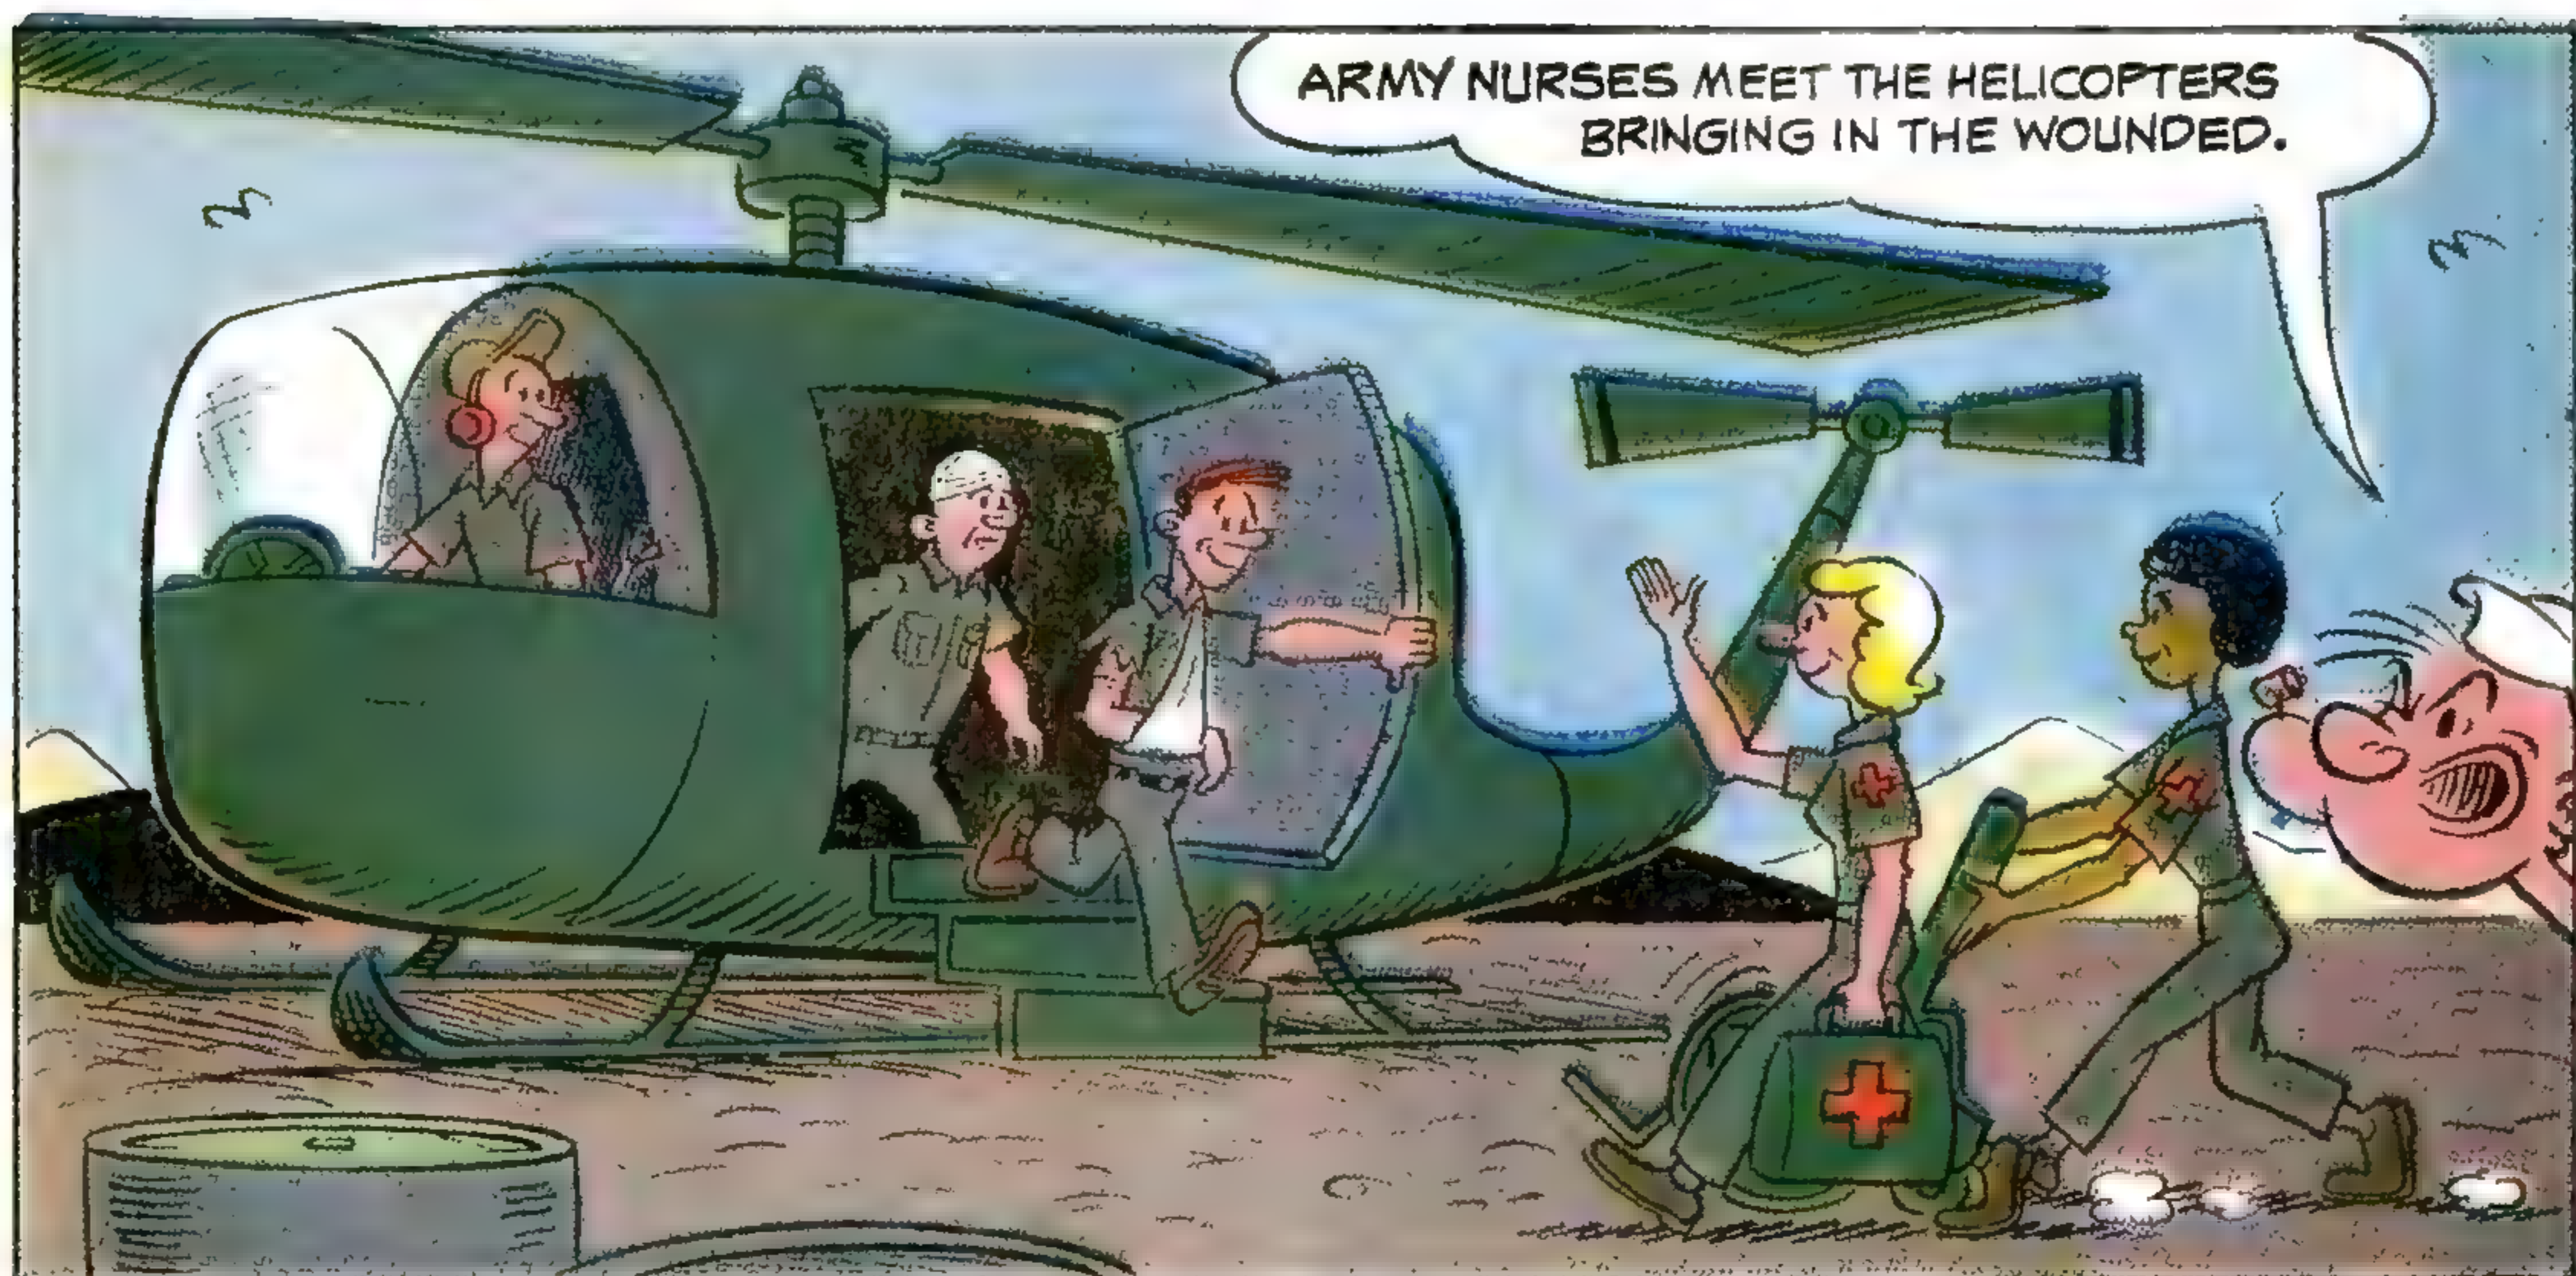

"THE MEDICS ARE TRAINED TO GIVE FIRST AID TO THE WOUNDED RIGHT ON THE BATTLEFIELD."

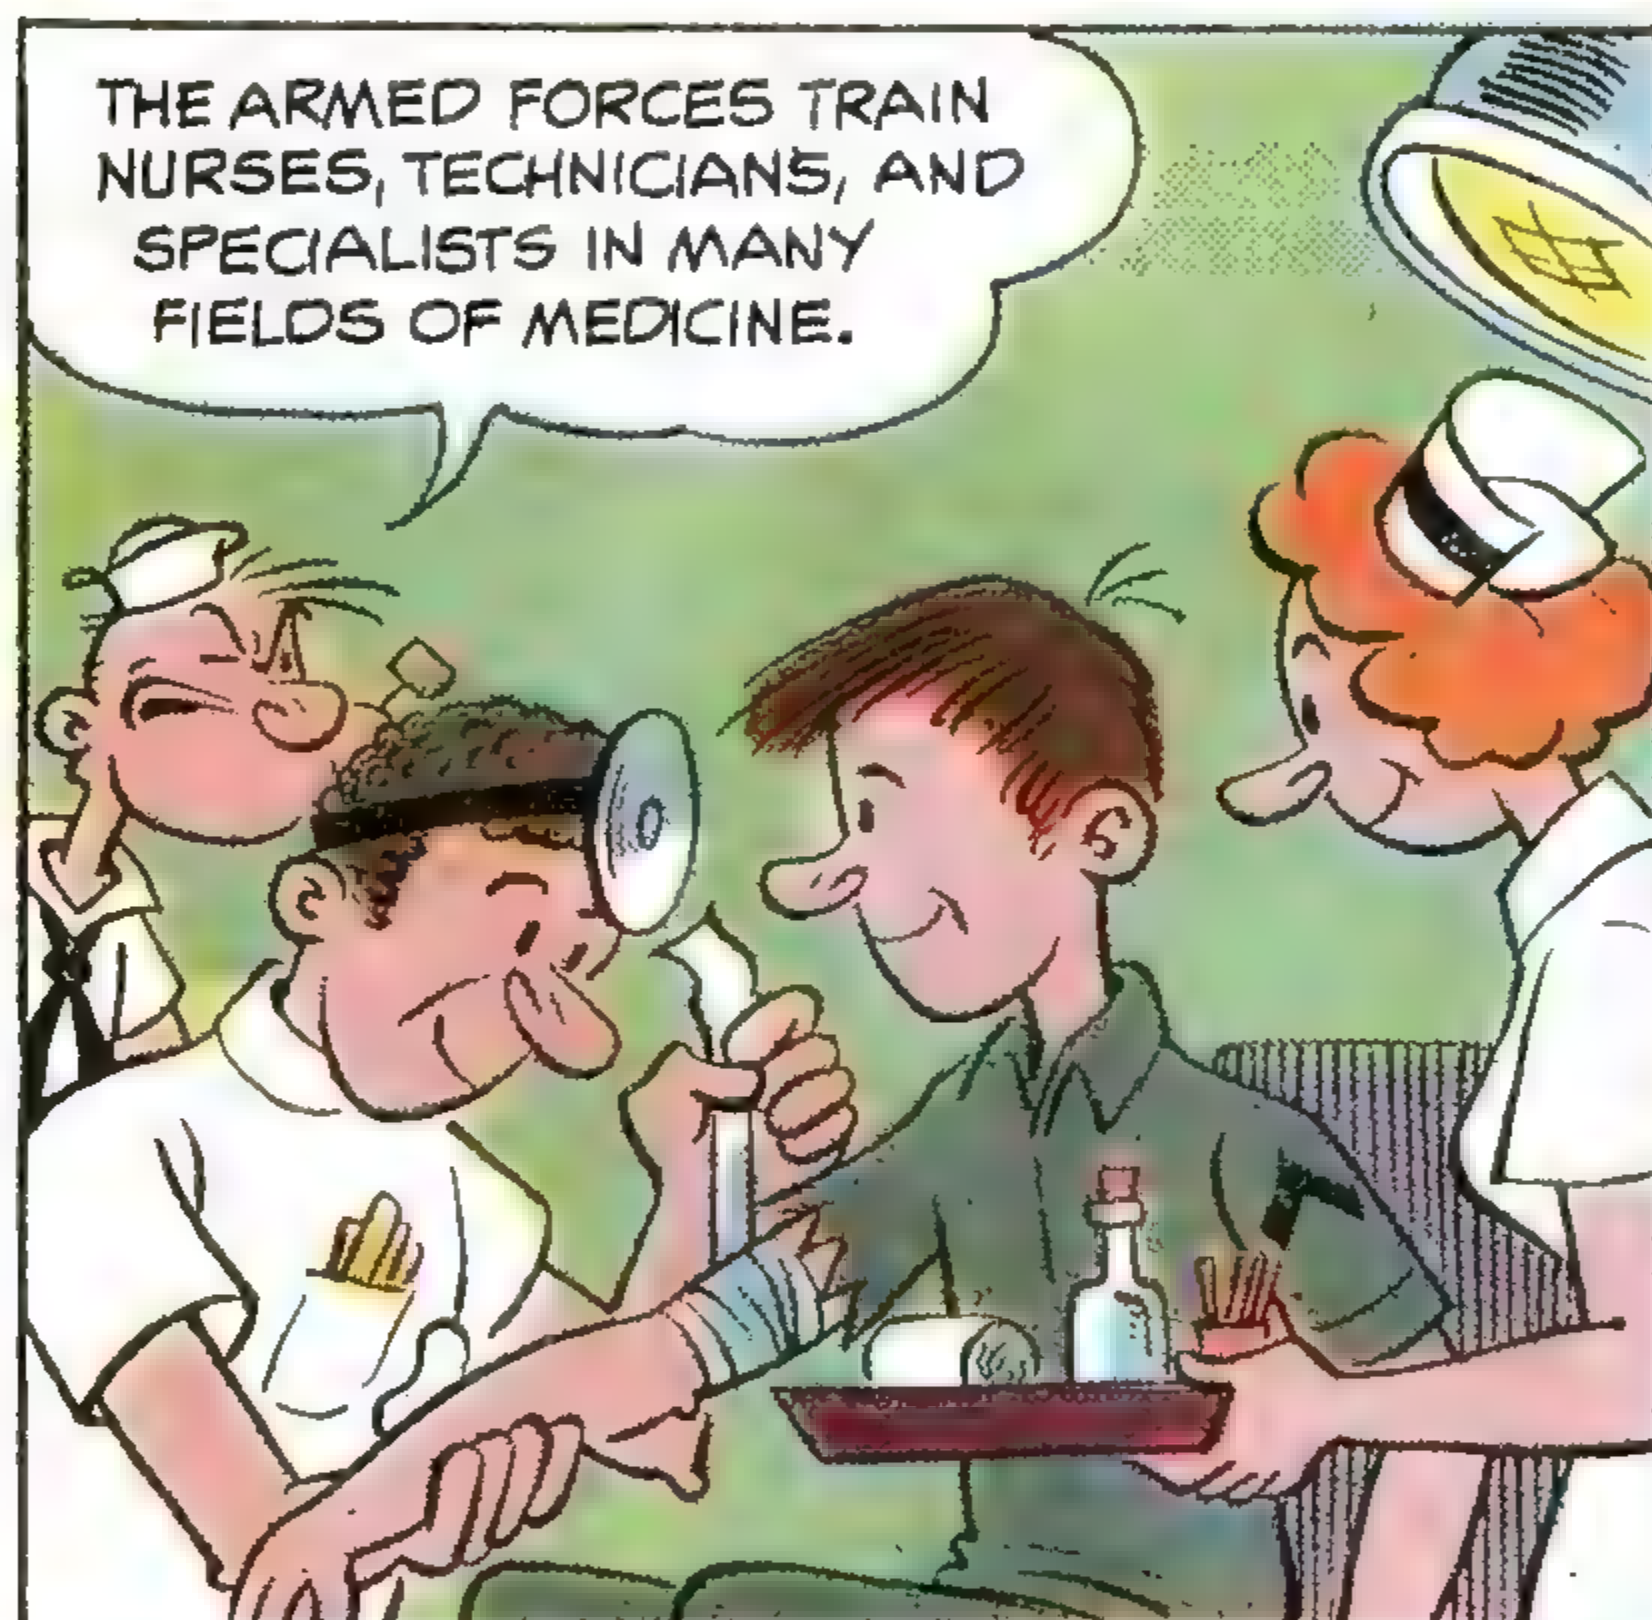

"PROMPT TREATMENT SAVES MANY LIVES."

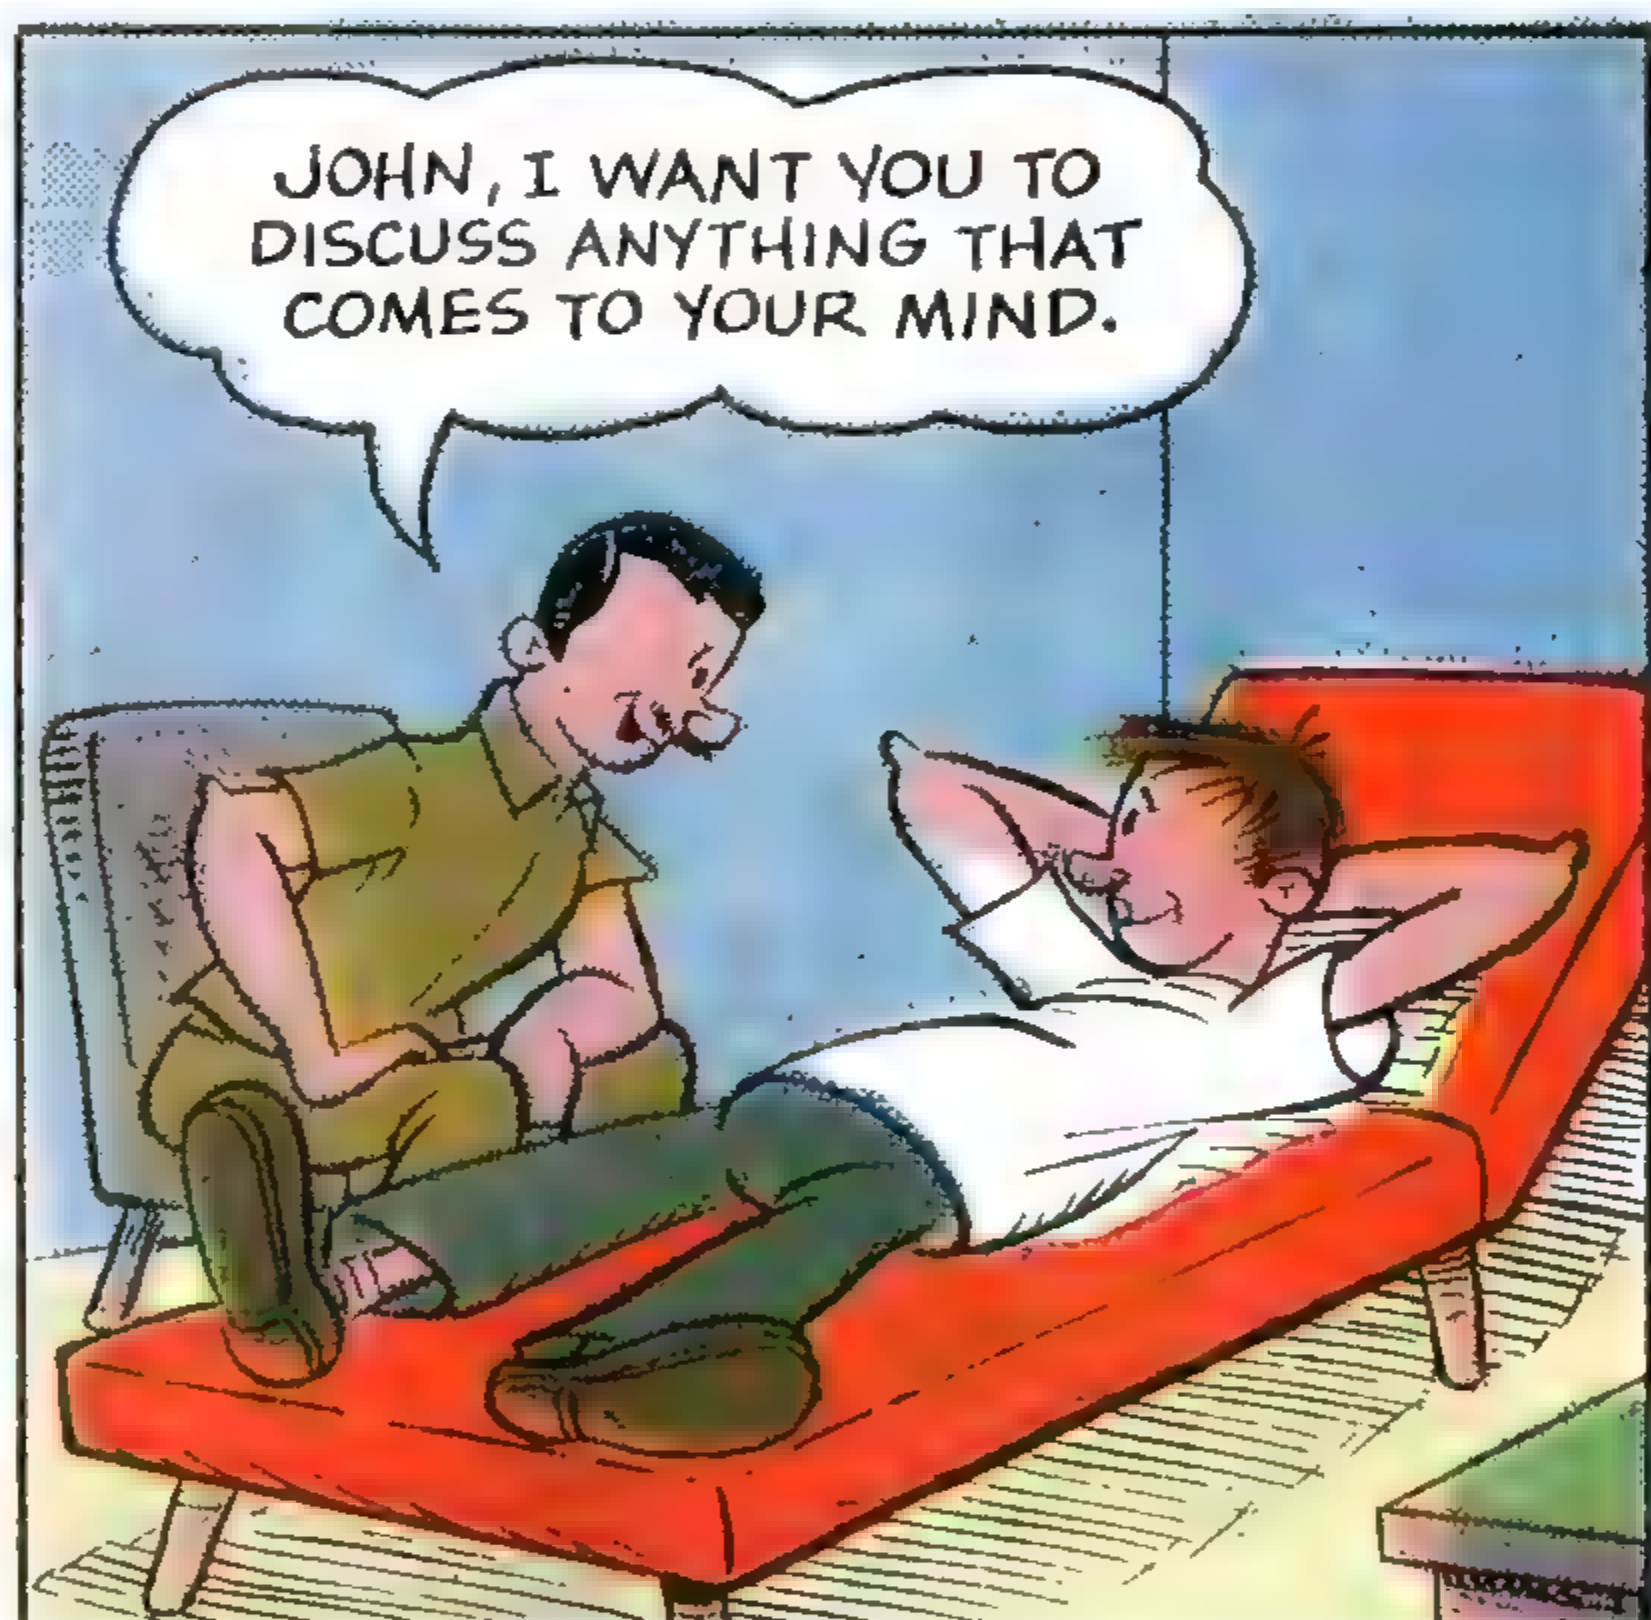

ARMY NURSES MEET THE HELICOPTERS BRINGING IN THE WOUNDED.

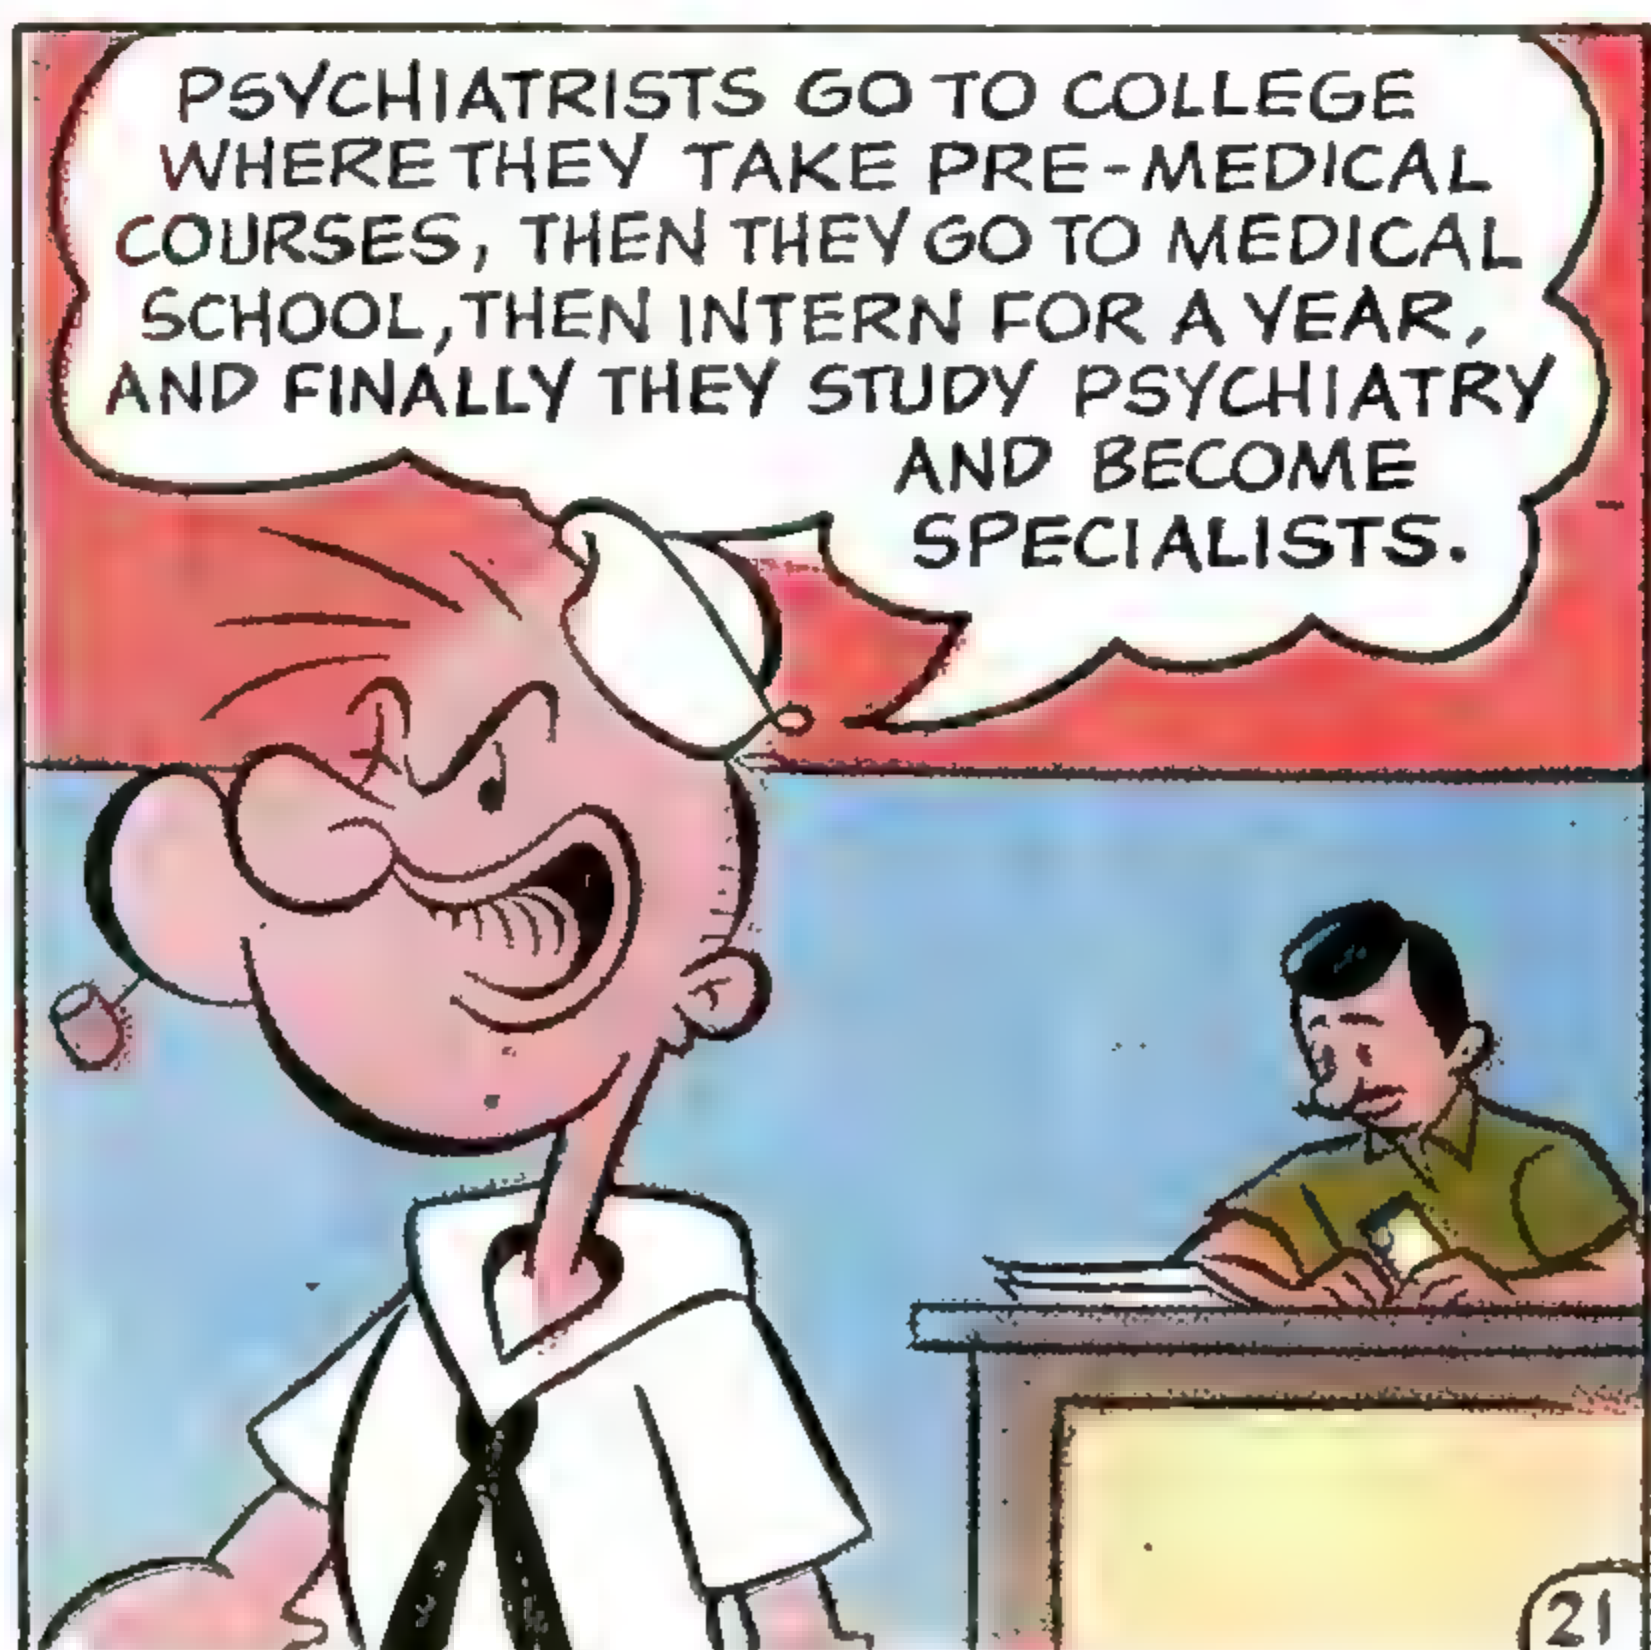

THE ARMED FORCES TRAIN NURSES, TECHNICIANS, AND SPECIALISTS IN MANY FIELDS OF MEDICINE.

JOHN, I WANT YOU TO DISCUSS ANYTHING THAT COMES TO YOUR MIND.

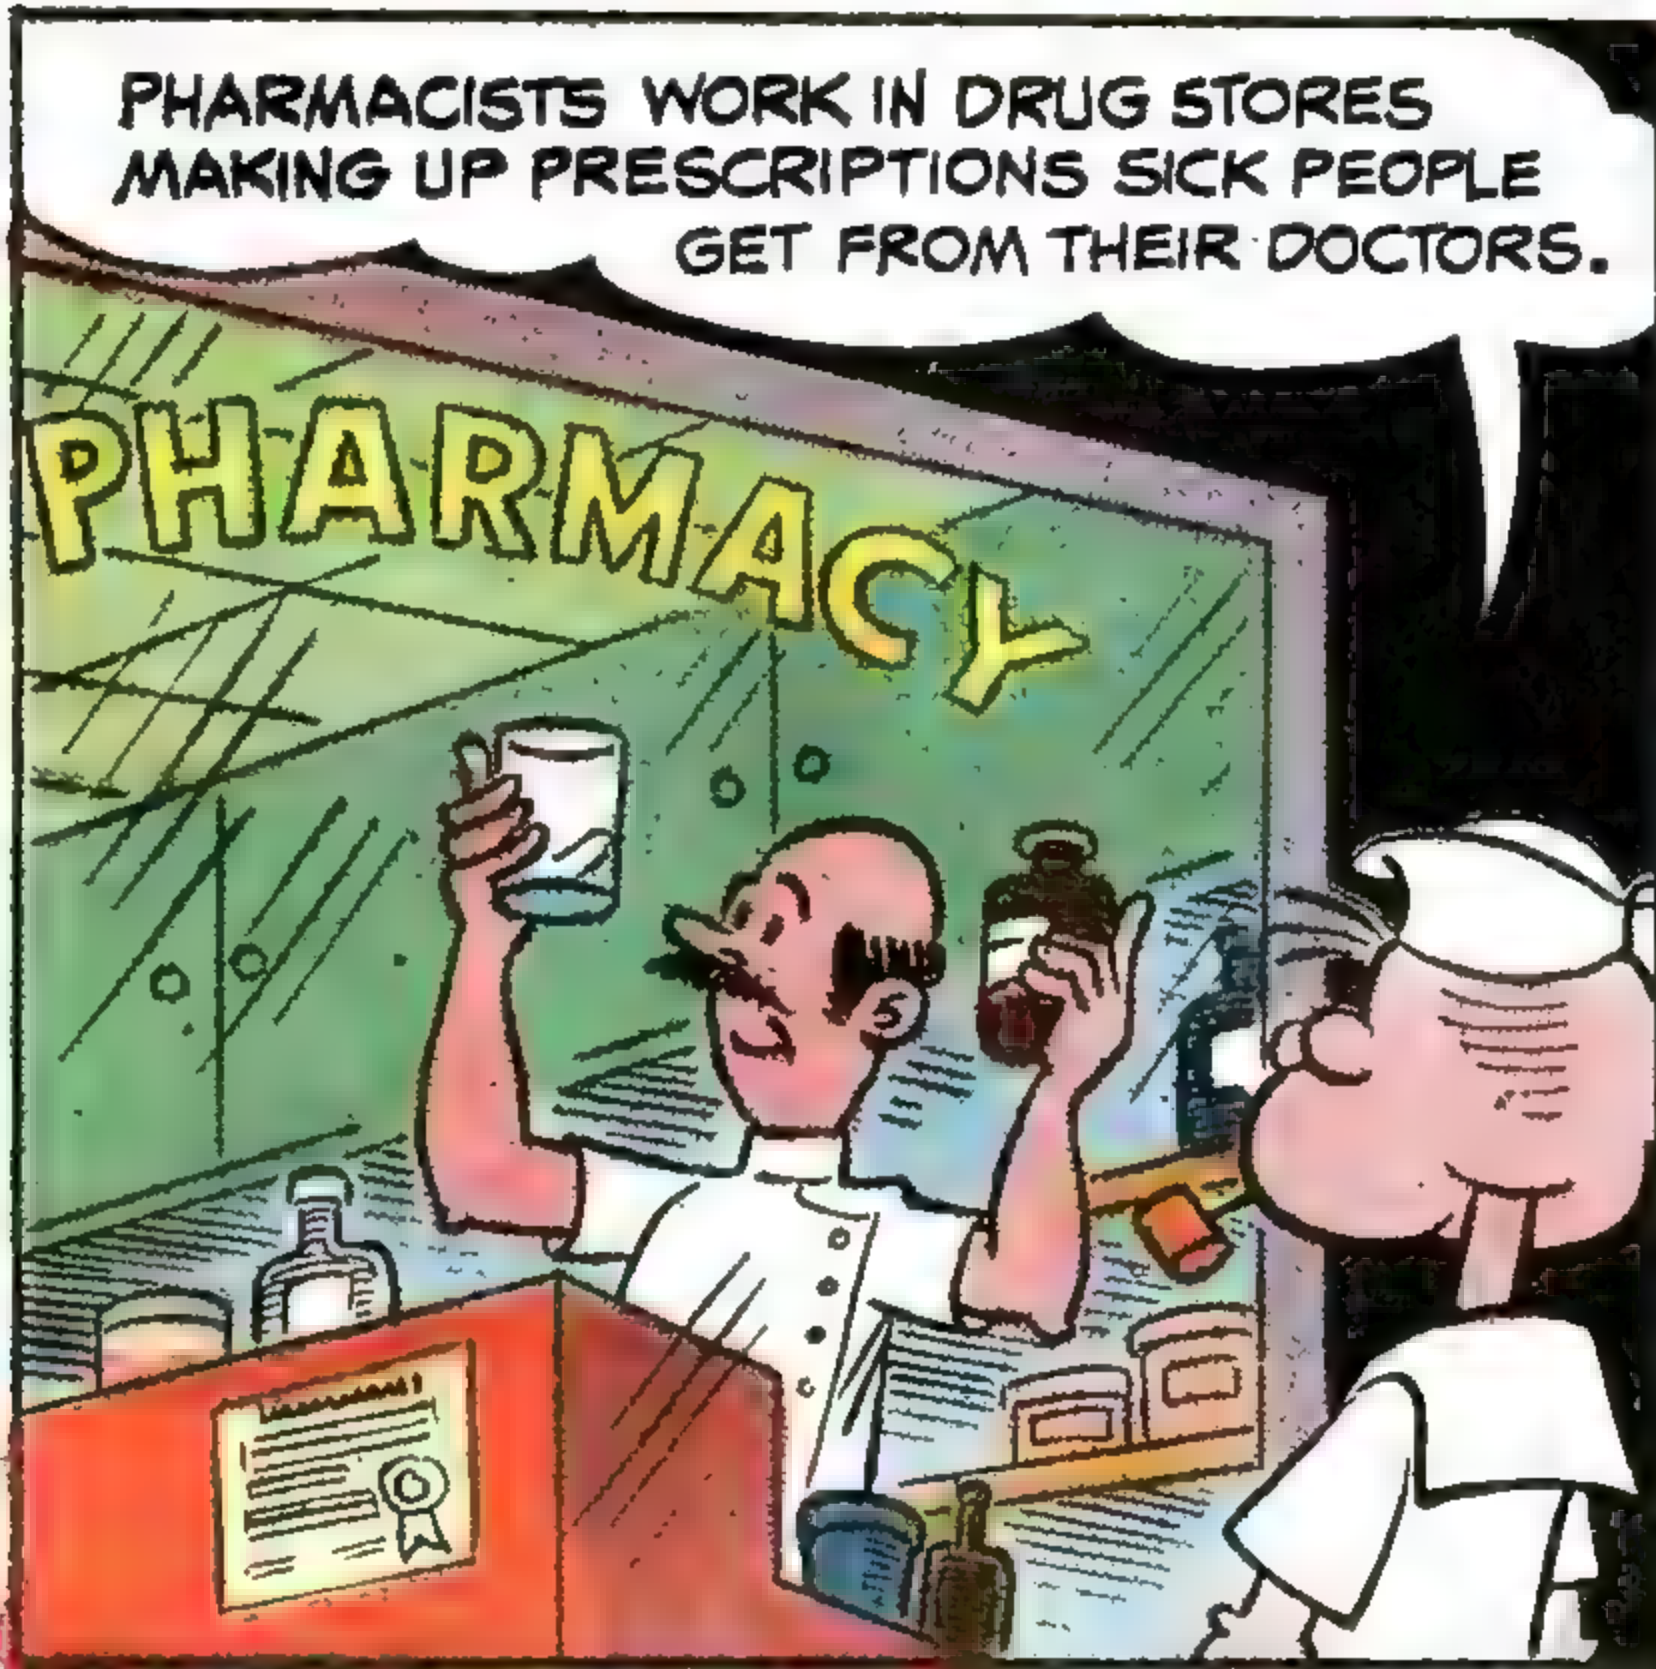

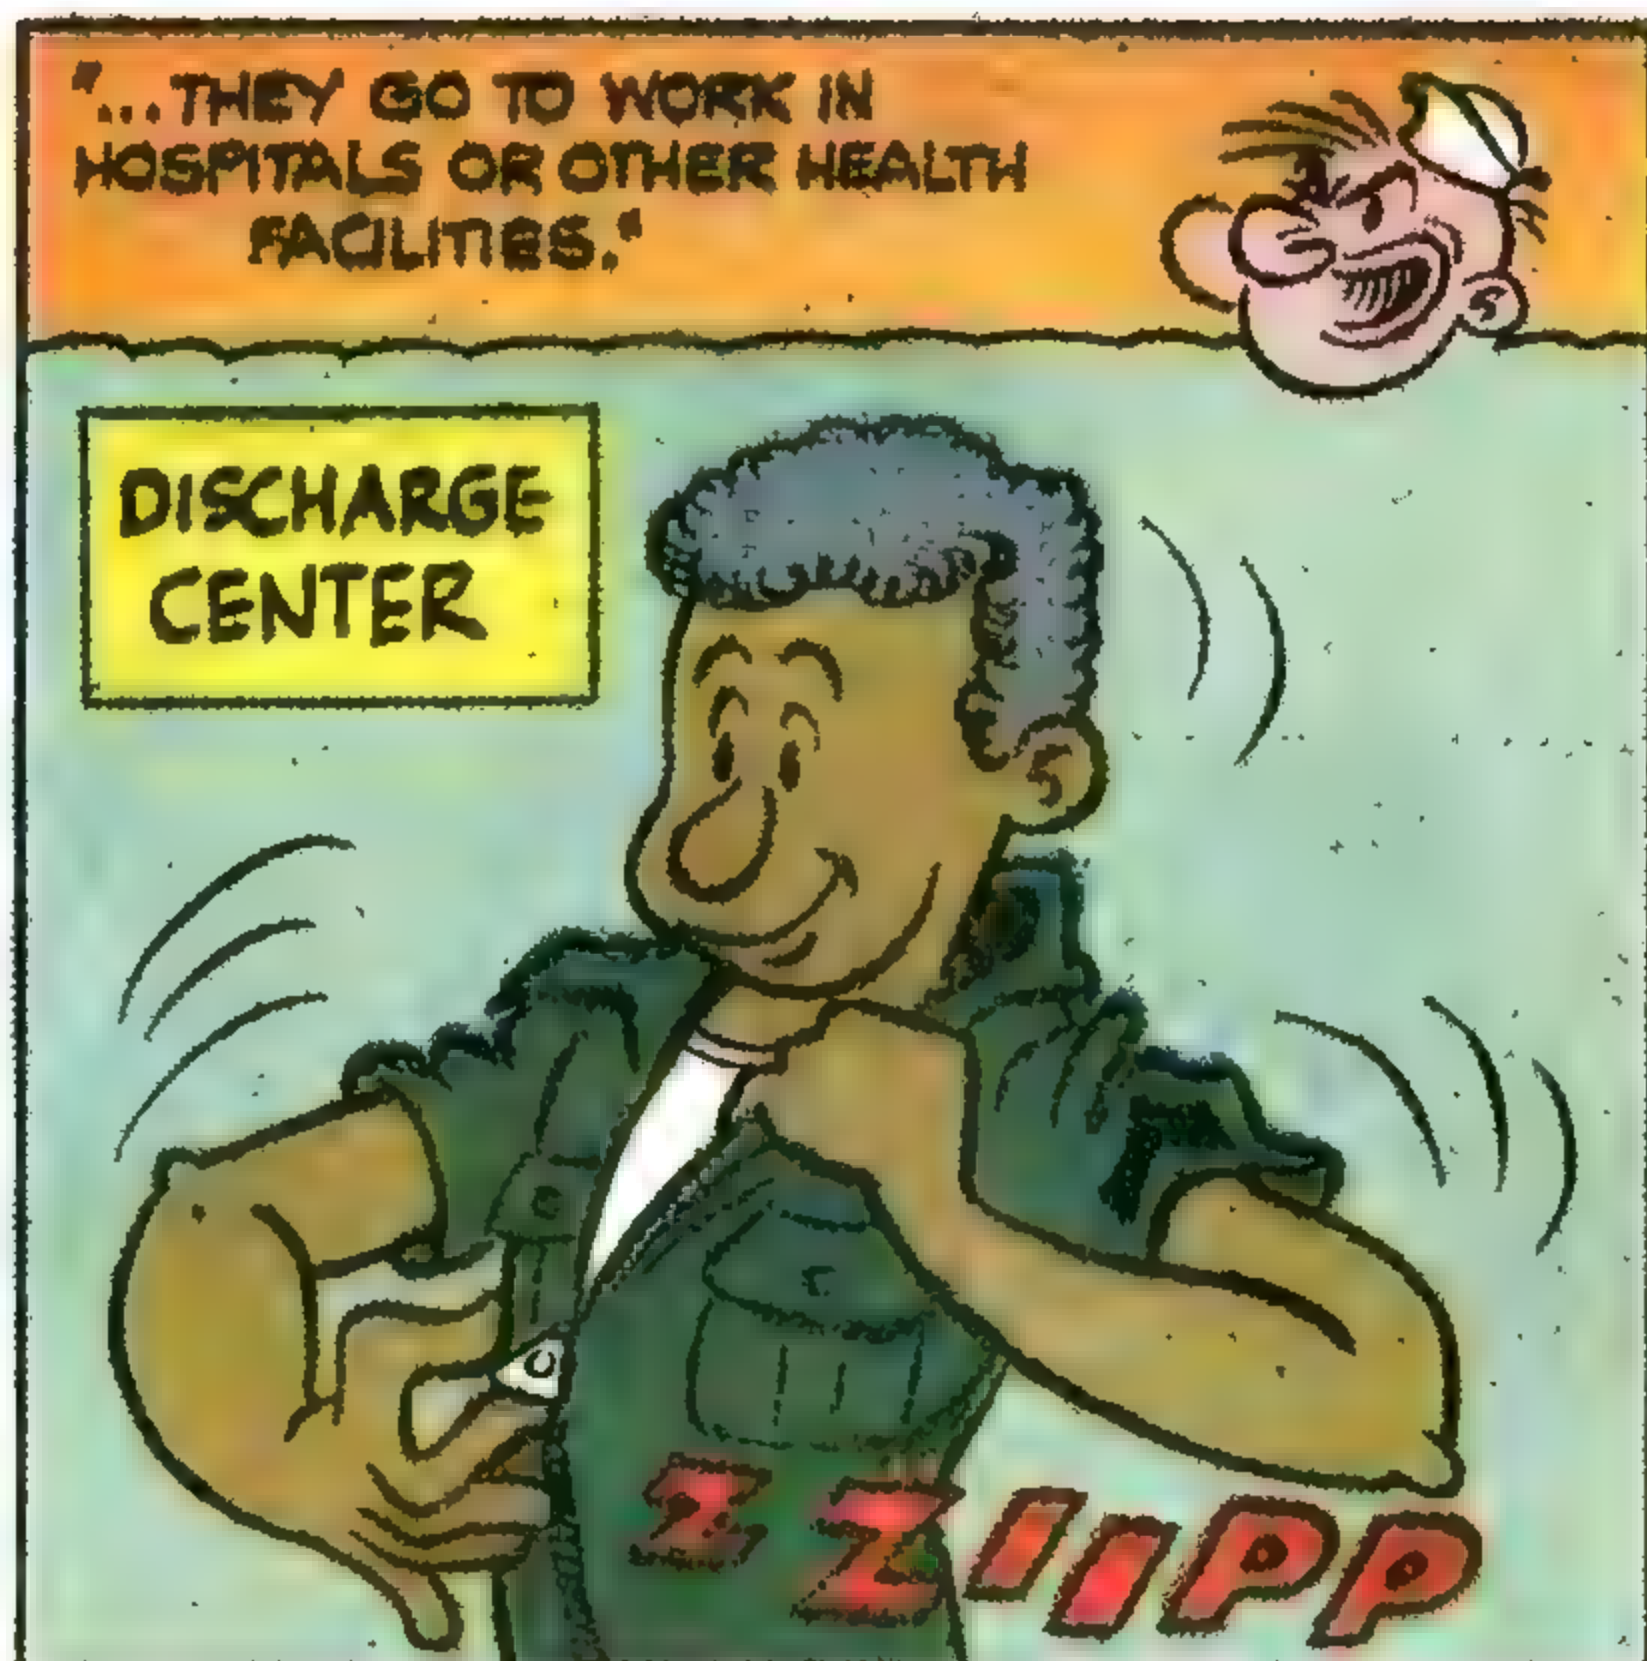

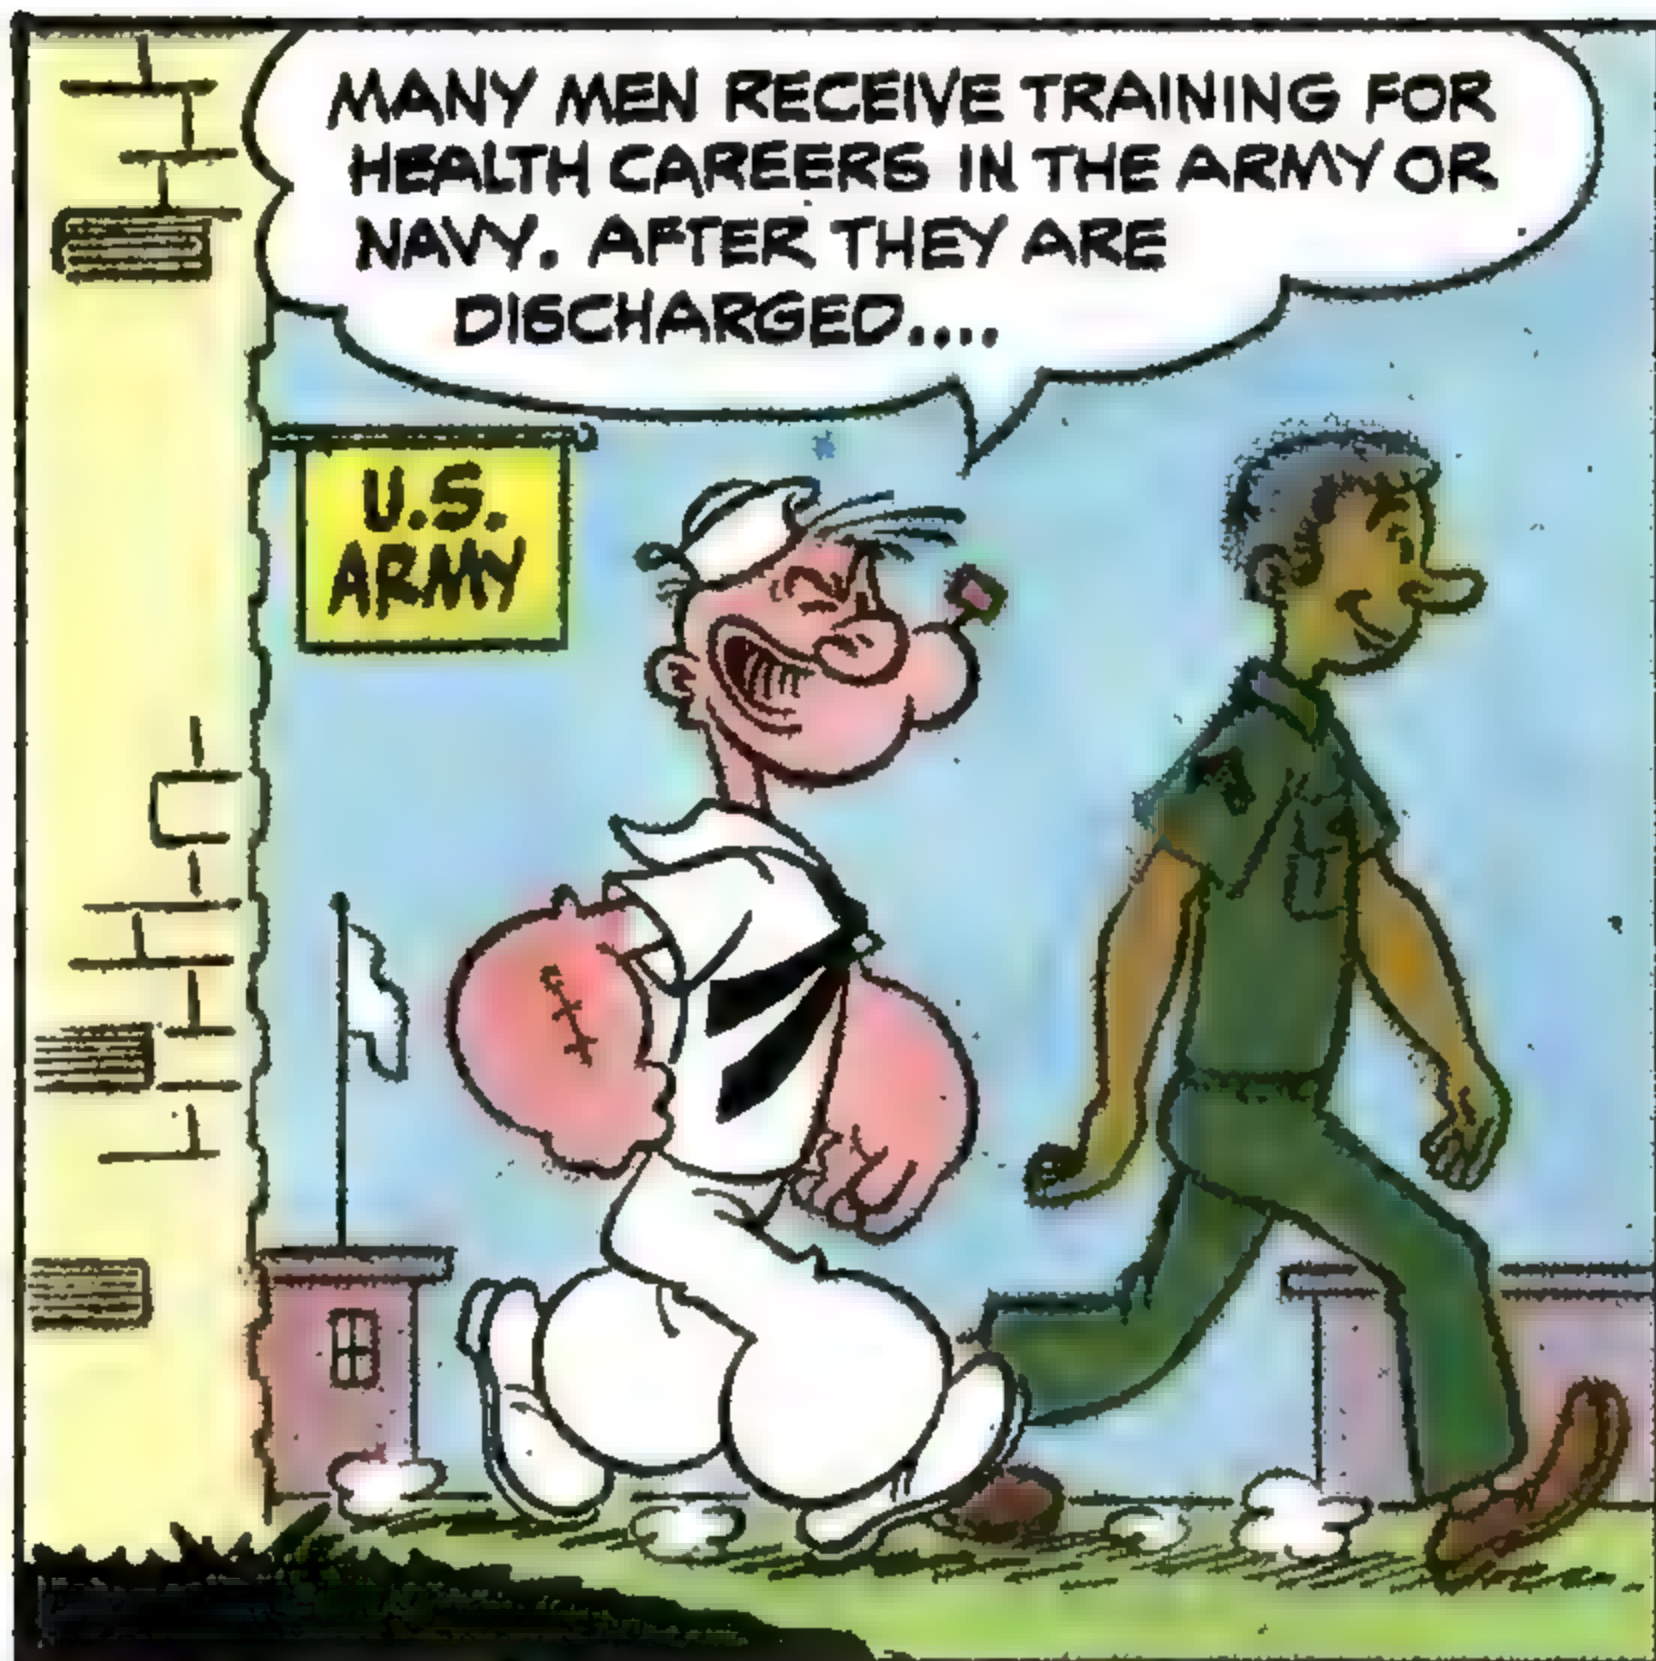

SERVICE PSYCHIATRISTS CAN REALLY HELP TROUBLED PERSONNEL. FREQUENTLY, DISTRESSED PEOPLE DON'T KNOW WHY THEY'RE ILL UNTIL THE PSYCHIATRIST DISCOVERS THE UNDERLYING CAUSE OF THEIR DISTRESS.

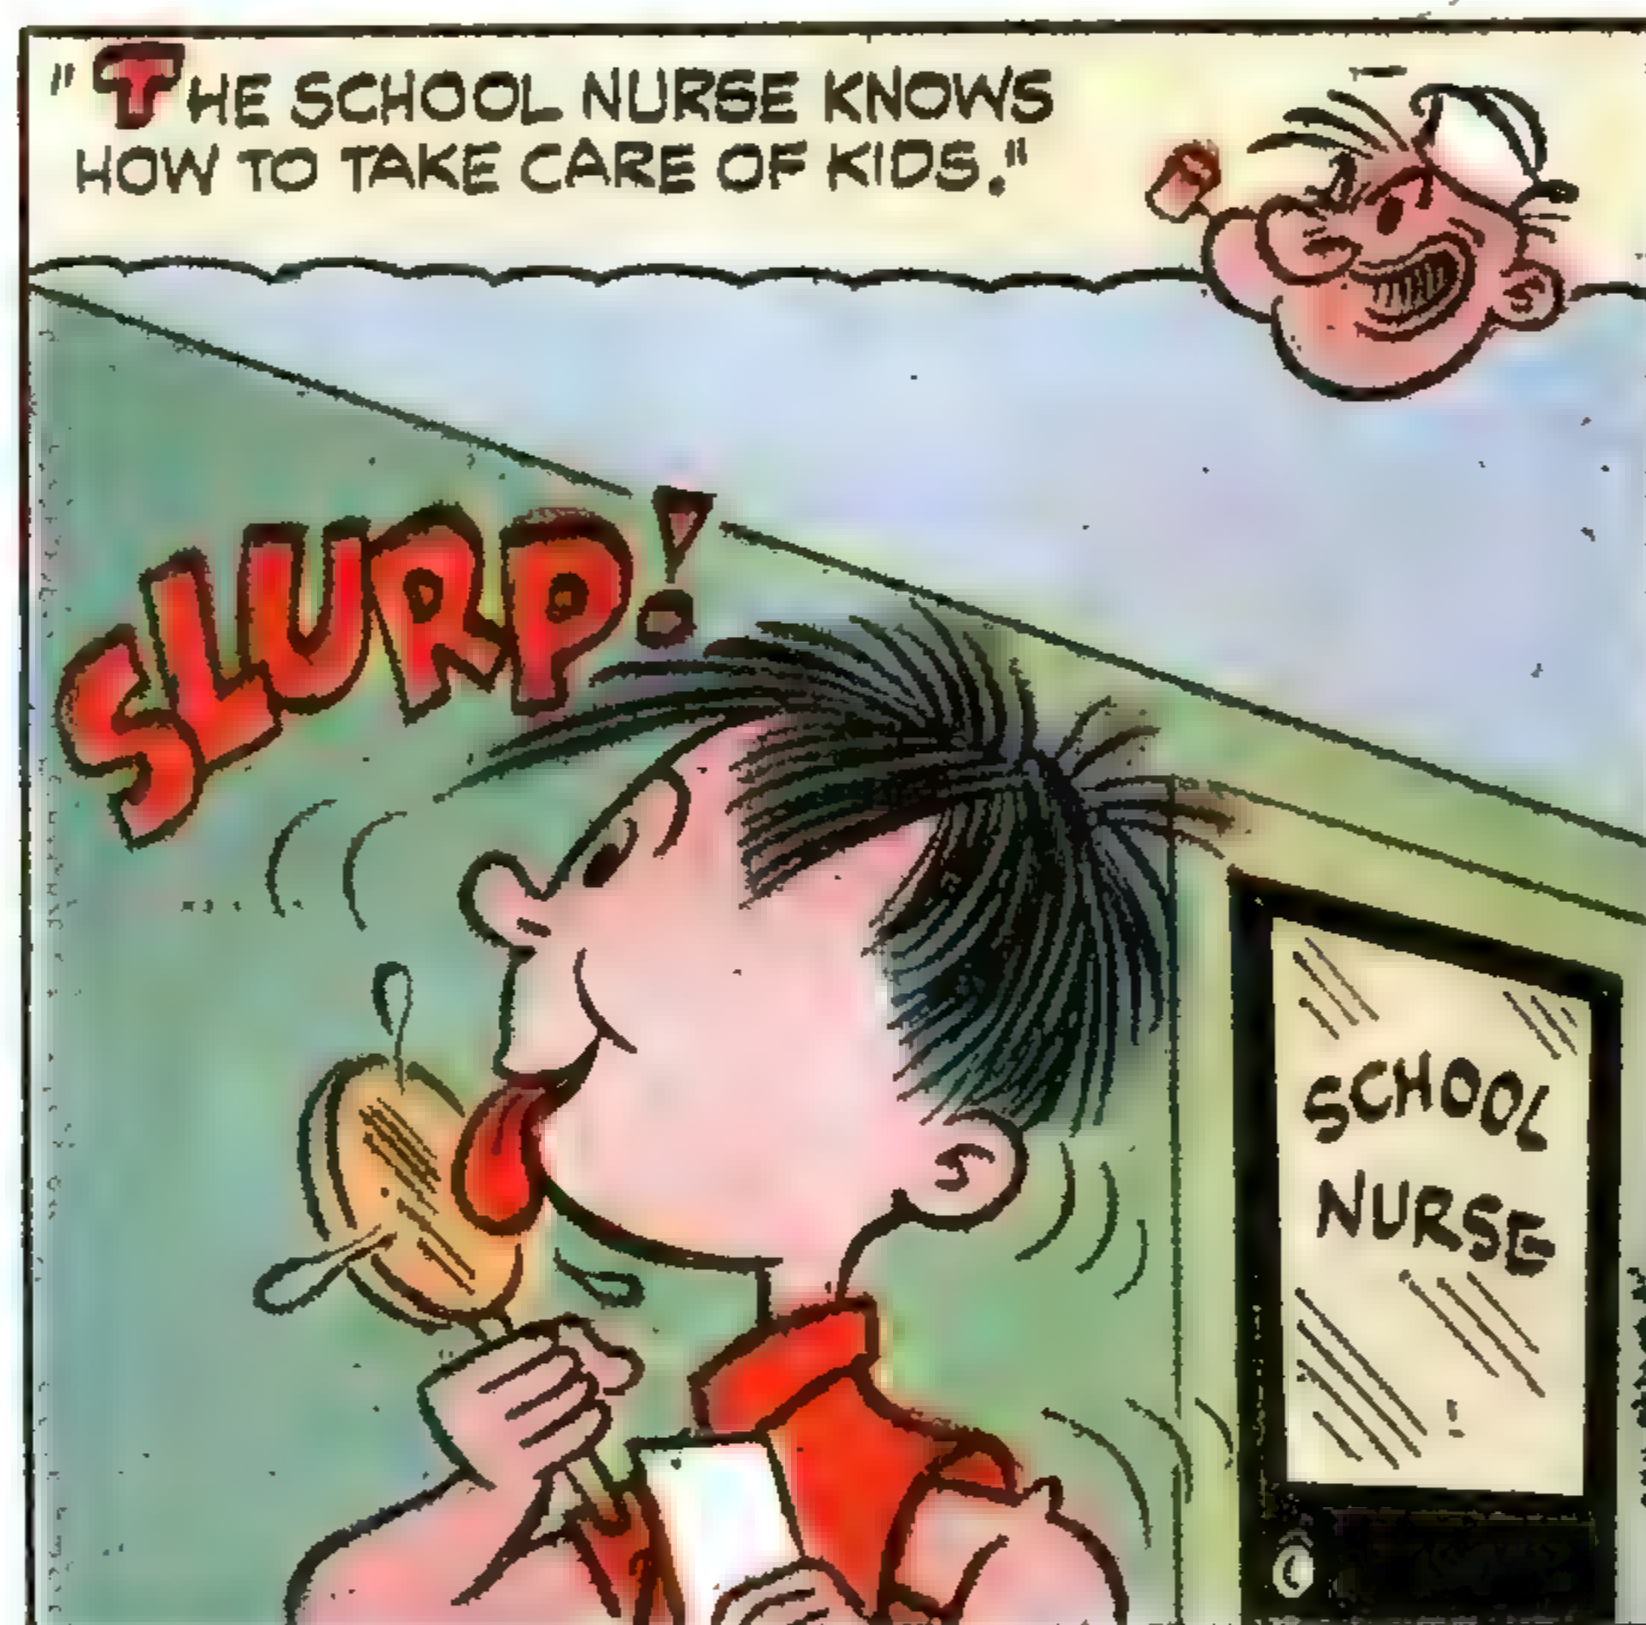

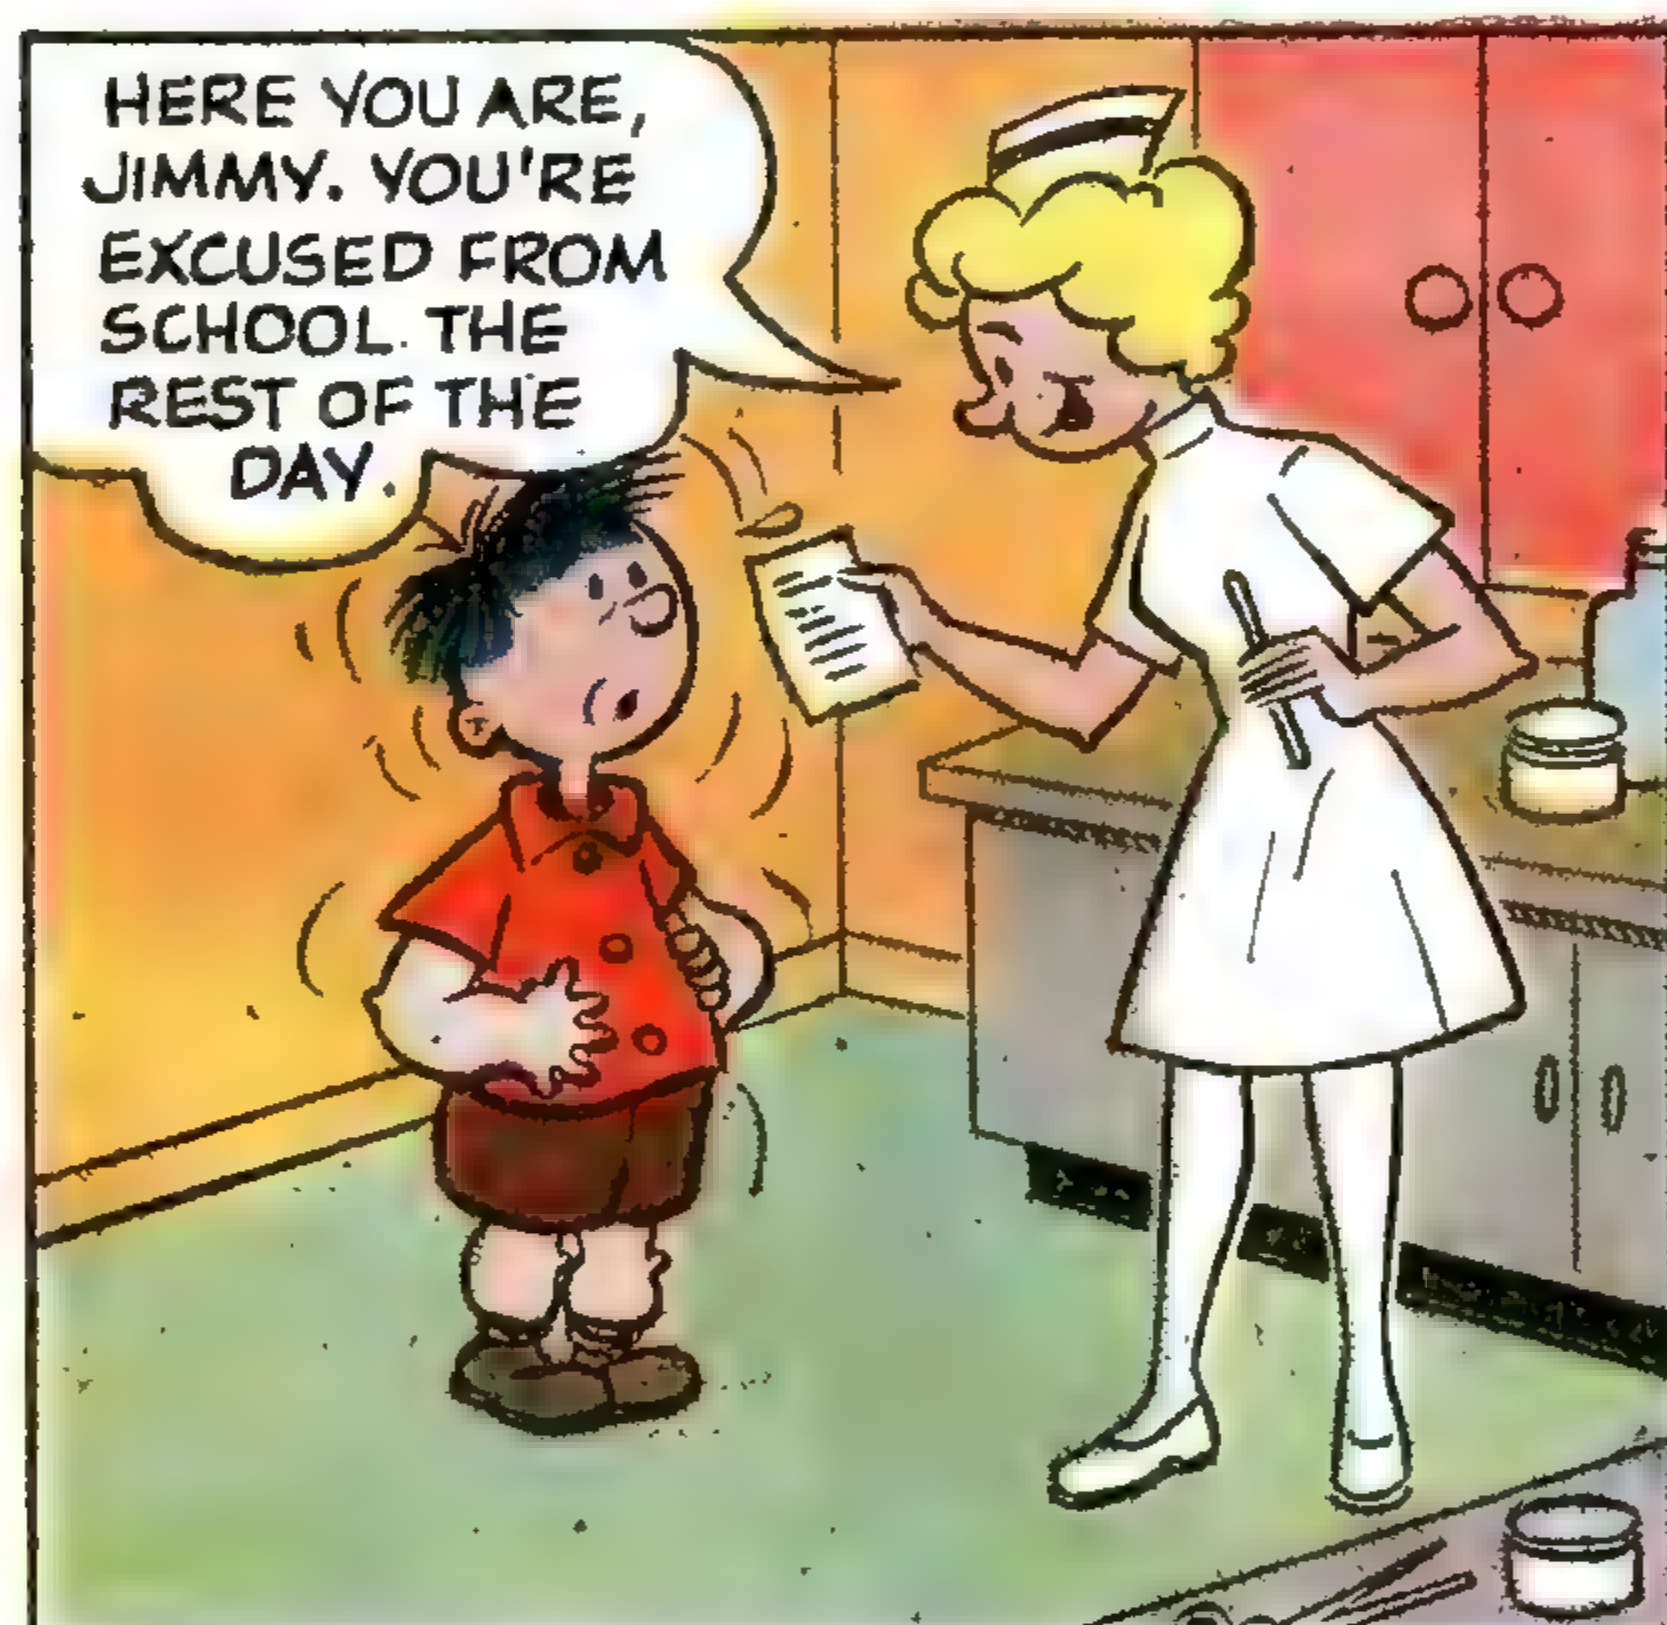

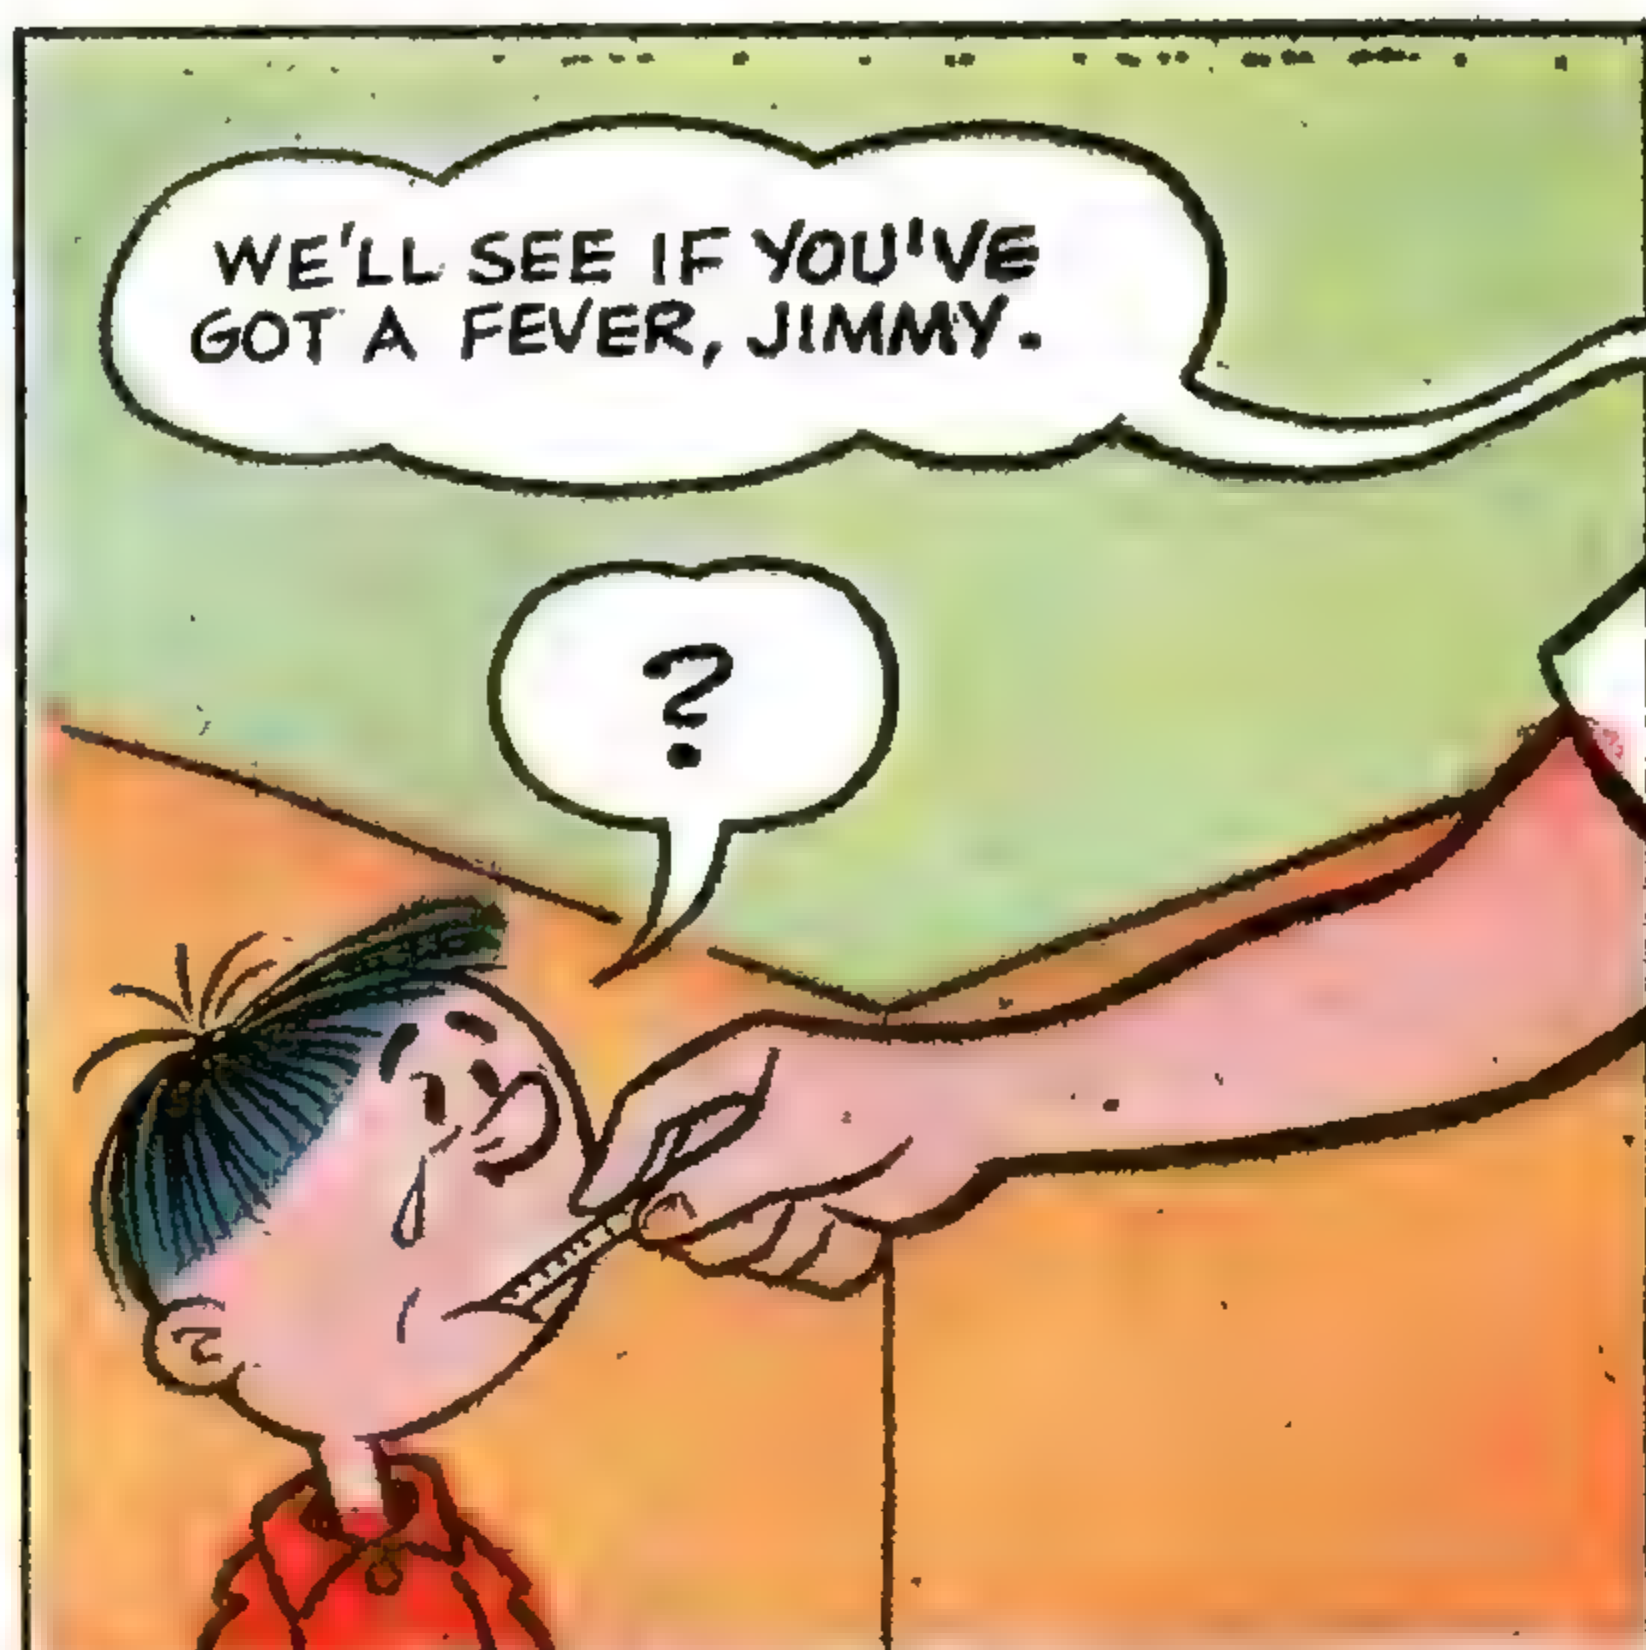

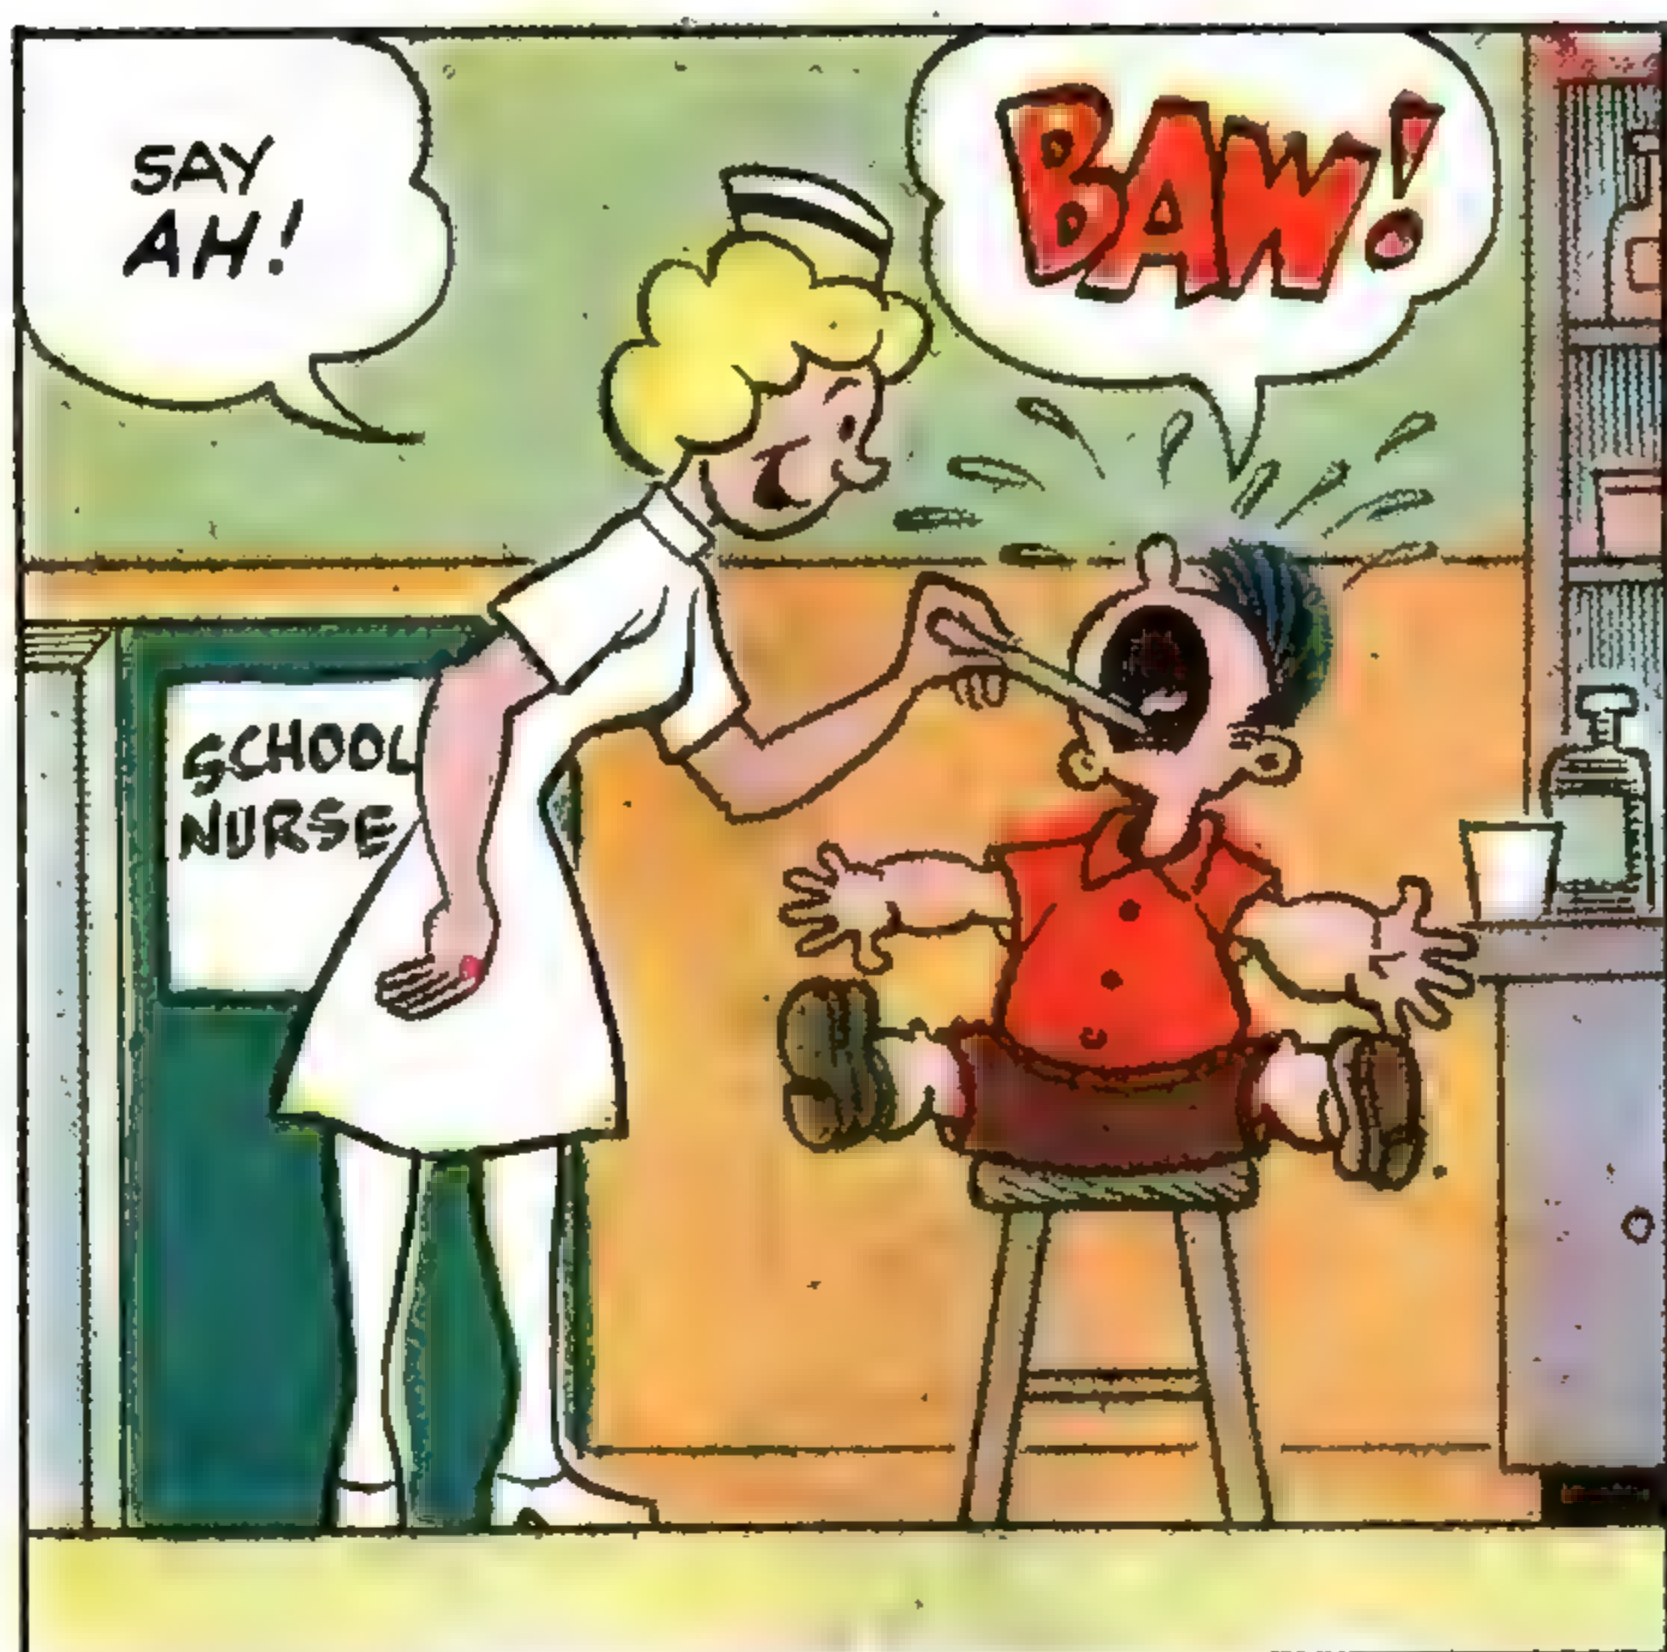

PSYCHIATRISTS GO TO COLLEGE WHERE THEY TAKE PRE-MEDICAL COURSES, THEN THEY GO TO MEDICAL SCHOOL, THEN INTERN FOR A YEAR, AND FINALLY THEY STUDY PSYCHIATRY AND BECOME SPECIALISTS.

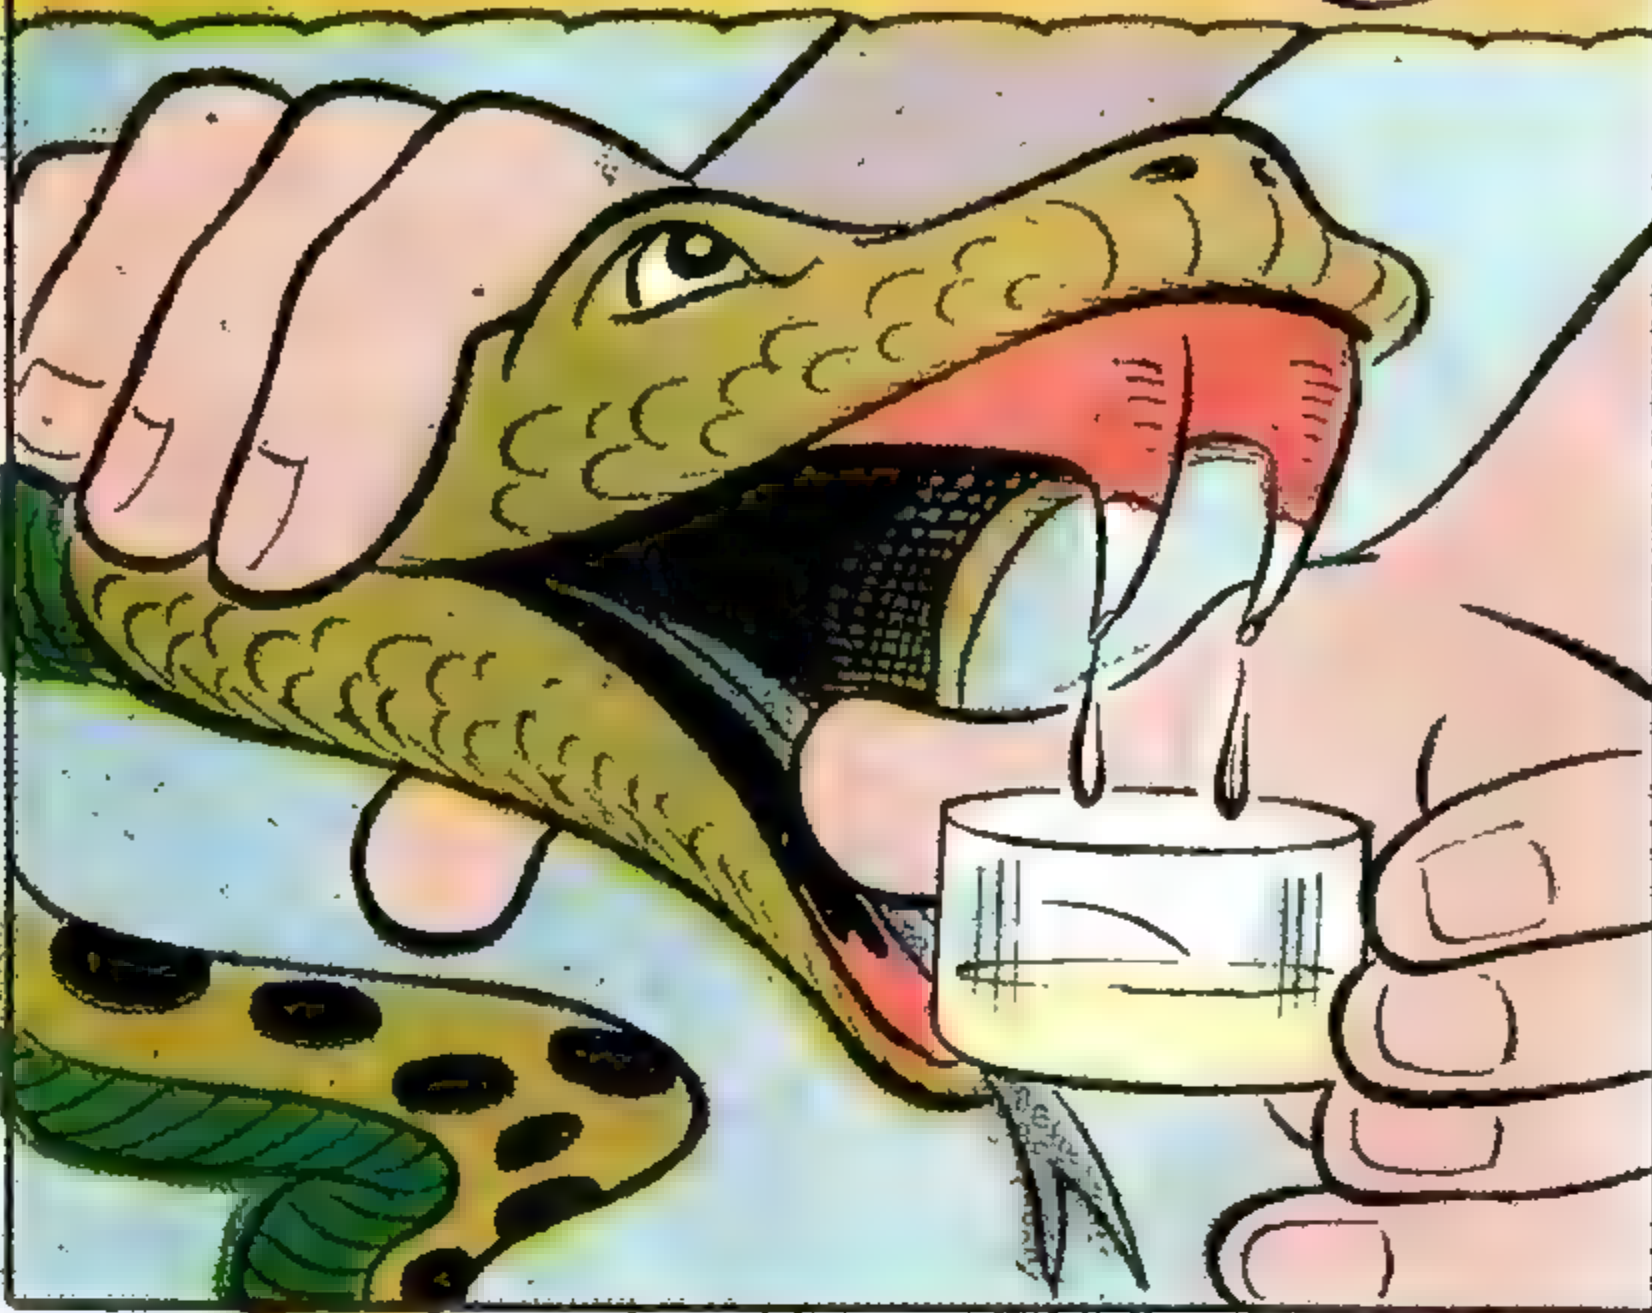

"SNAKE VENOM IS USED  
IN THE TREATMENT OF  
SOME DISEASES."

MEDICAL RECORD LIBRARIANS CATALOGUE  
AND FILE INFORMATION, PURCHASE  
BOOKS, EXCERPT MATERIAL  
FOR DOCTORS  
AND DO OTHER  
THINGS.

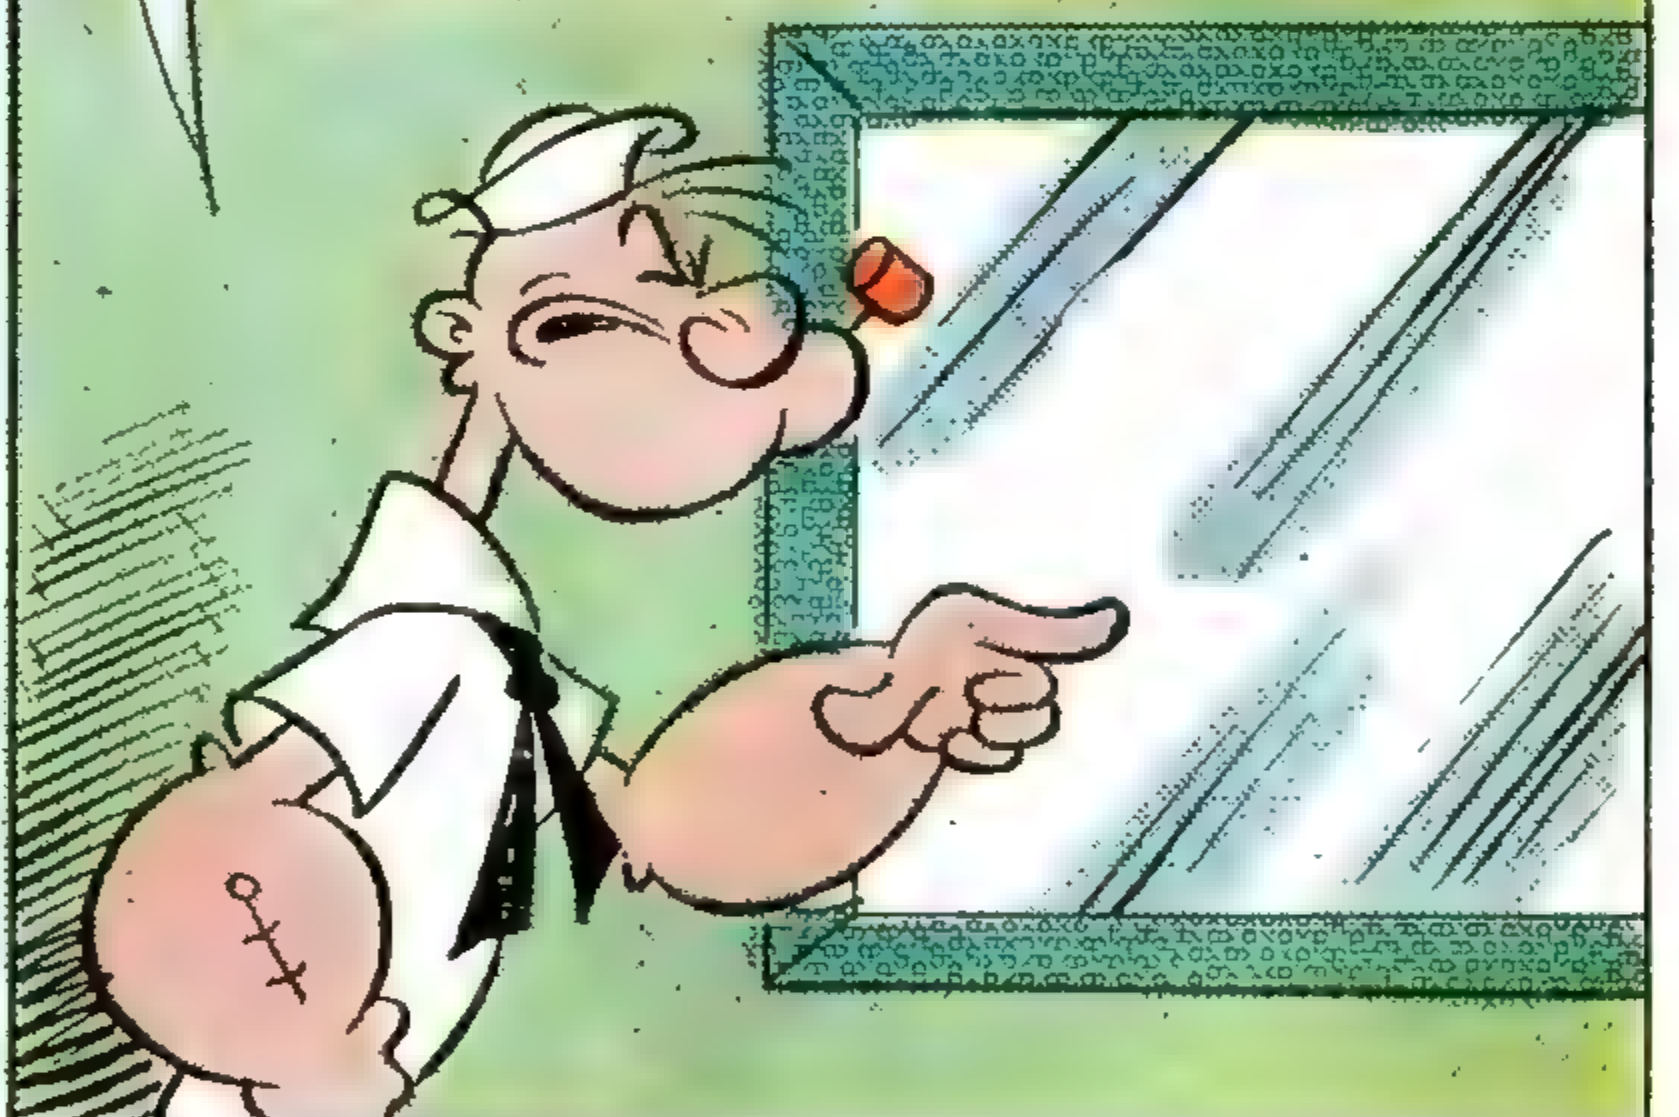

IN THE HEALTH FIELD, THERE ARE DOCTORS,  
NURSES, TECHNICIANS, ADMINISTRATORS,  
COOKS, MAIDS, AND LOTS MORE.

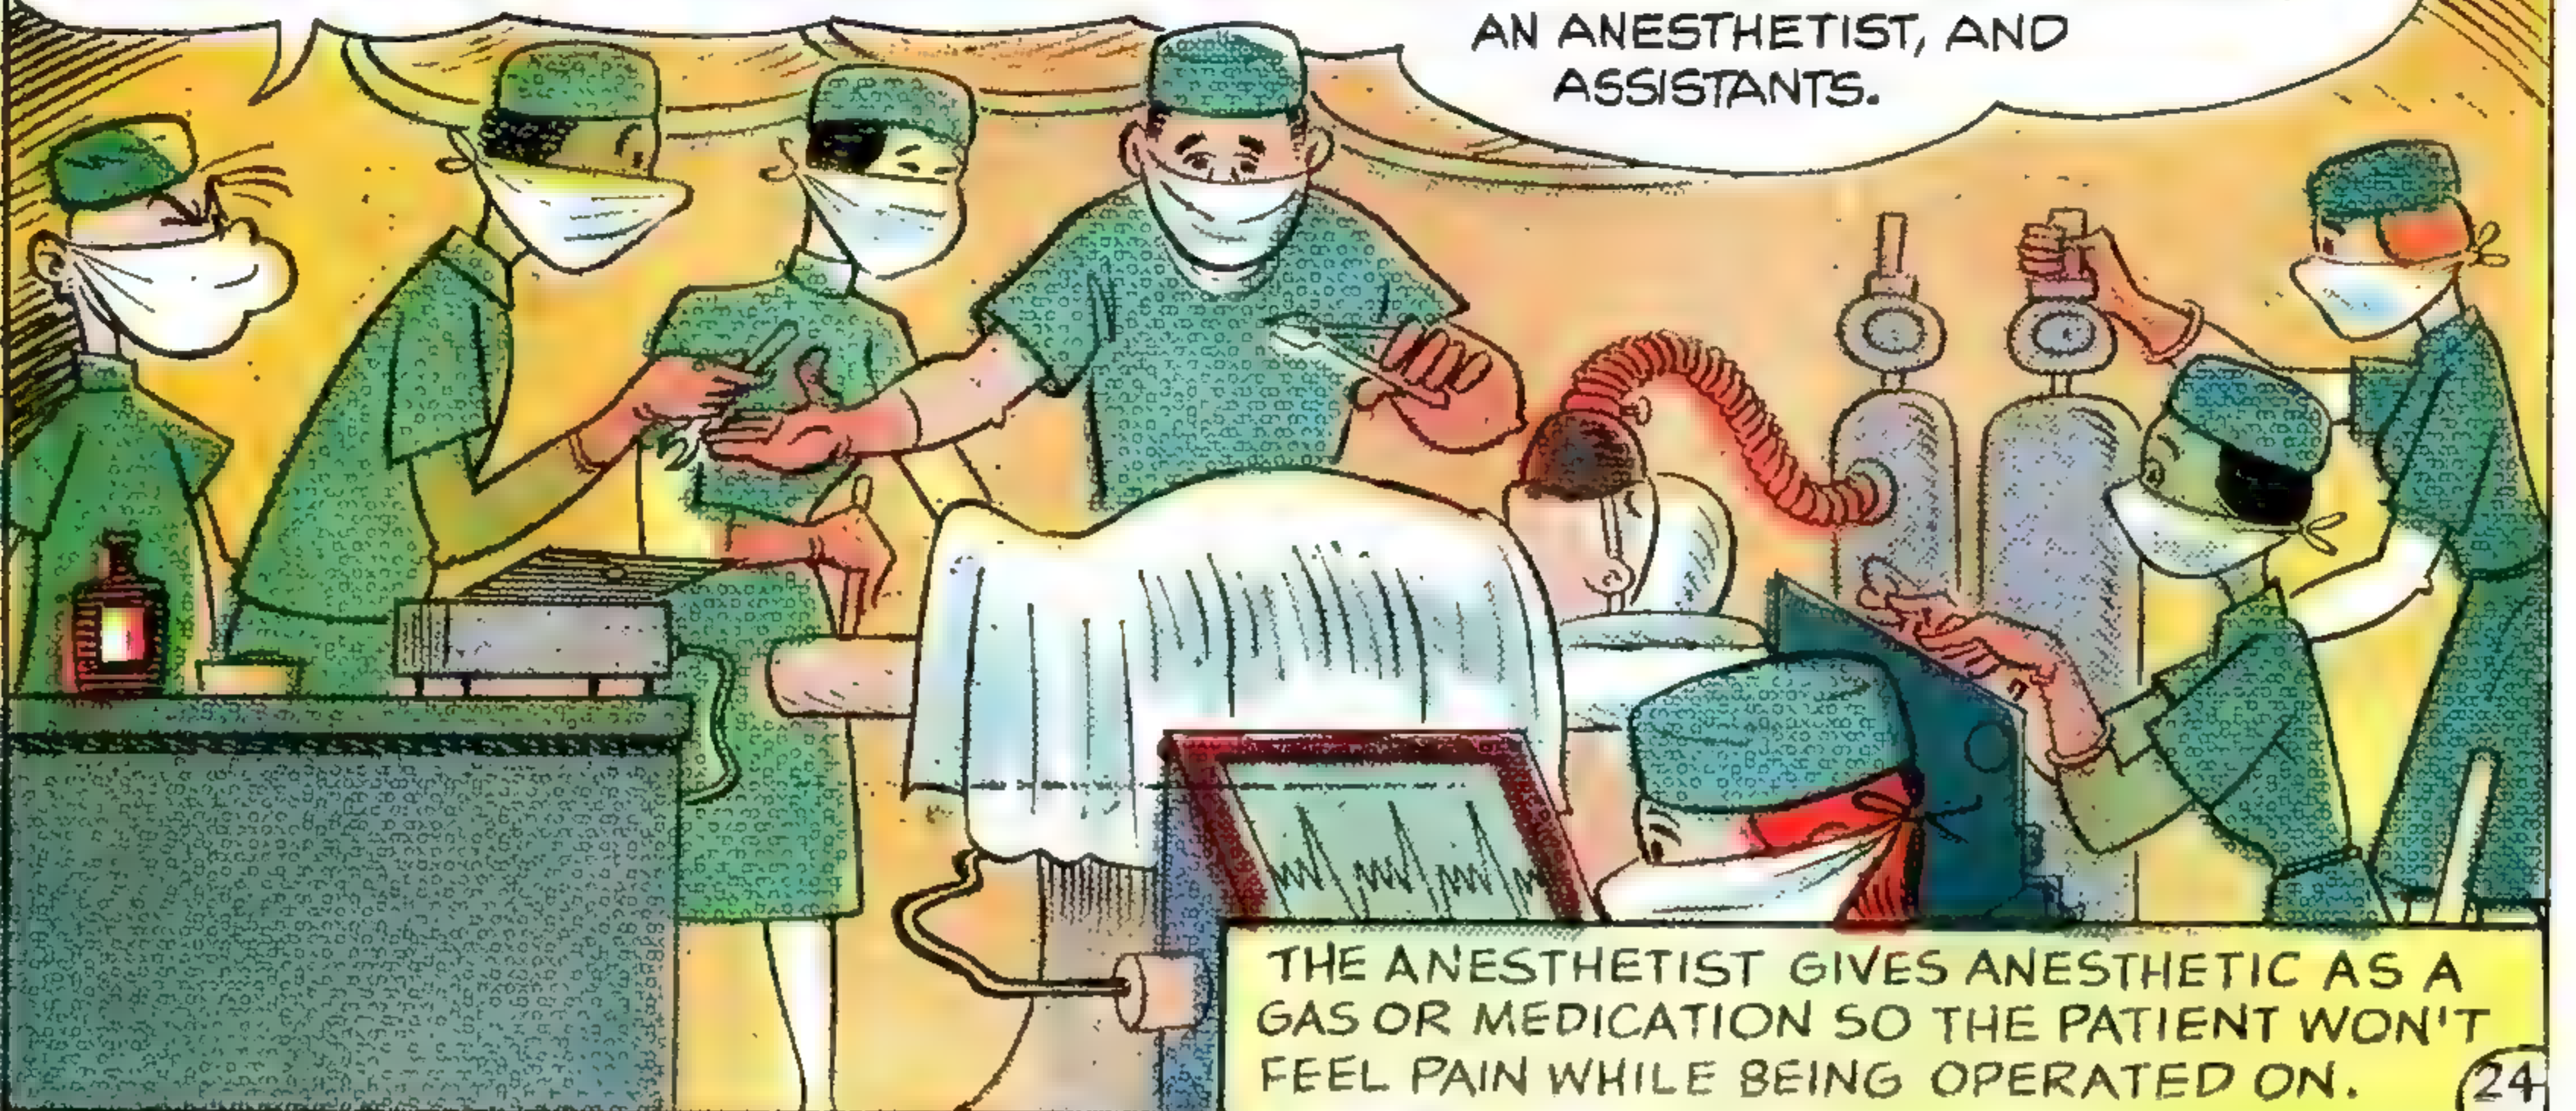

RIGHT NOW, THEY'RE TAKING  
OUT A KID'S APPENDIX!

OPERATING ROOM

THIS IS THE OPERATING TEAM. THE SURGEON IS THE TEAM CAPTAIN. THERE'S THE O.R.  
(OPERATING ROOM) NURSE, A SURGICAL TECHNICIAN HANDING HIM THE INSTRUMENT,  
AN ANESTHETIST, AND  
ASSISTANTS.

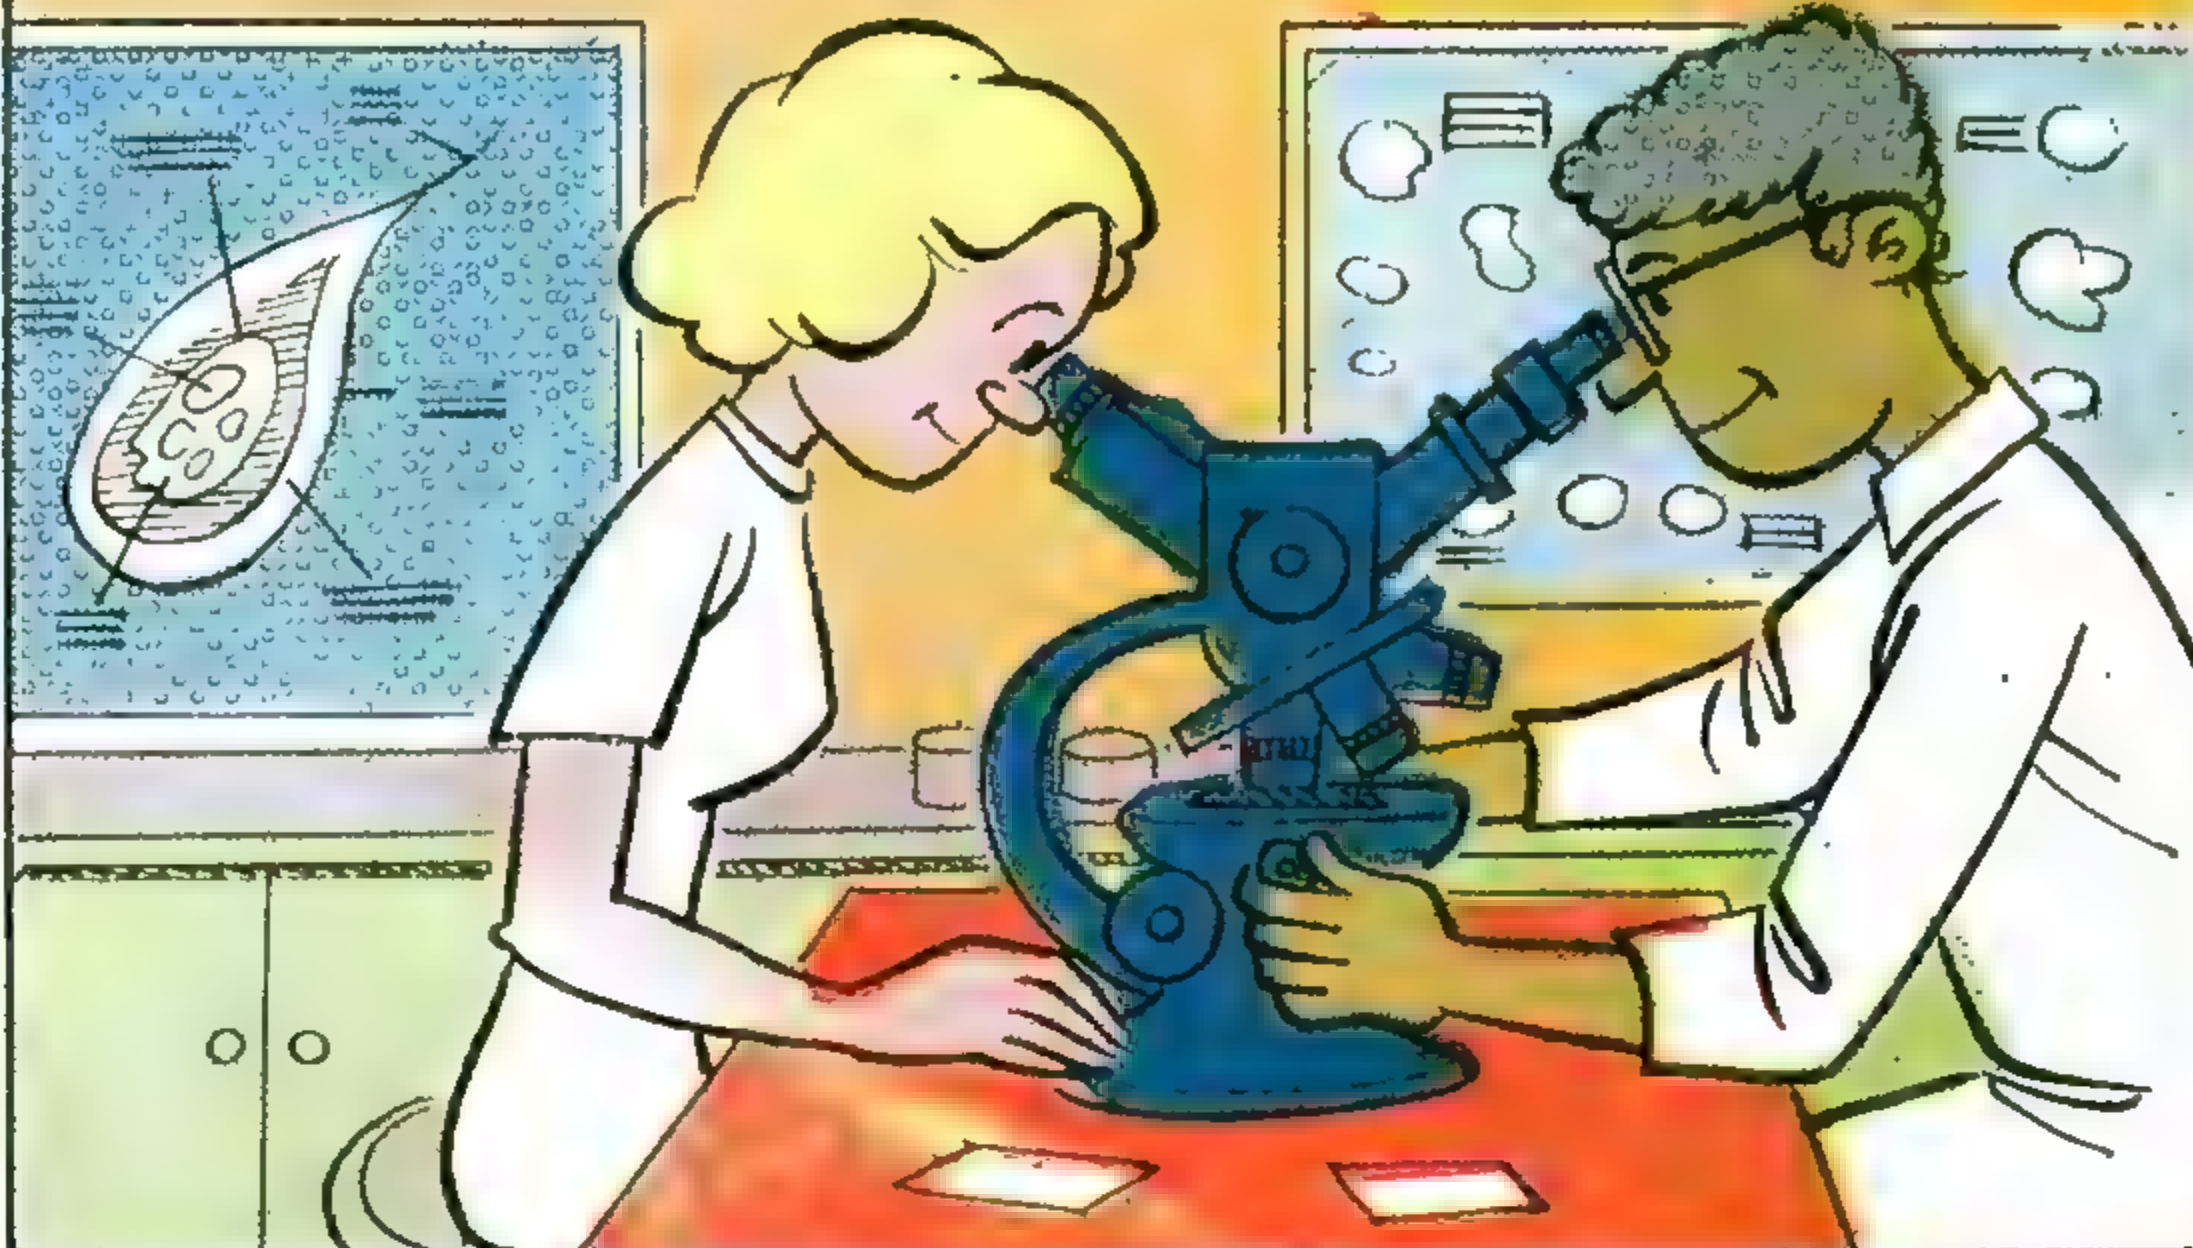

THE ANESTHETIST GIVES ANESTHETIC AS A  
GAS OR MEDICATION SO THE PATIENT WON'T  
FEEL PAIN WHILE BEING OPERATED ON.

THERE ARE OTHERS BACKING UP THIS TEAM. A PATHOLOGIST WILL EXAMINE TISSUE TAKEN FROM THE PATIENT.

THE PATHOLOGIST MAKES SURE THERE ISN'T ANYTHING ELSE WRONG WITH THE PATIENT BY LOOKING AT THE TISSUE UNDER THE MICROSCOPE."

IN THE BLOOD LAB, BLOOD TYPES ARE MATCHED UP SO IF THE PATIENT NEEDS BLOOD IT WILL BE READY."

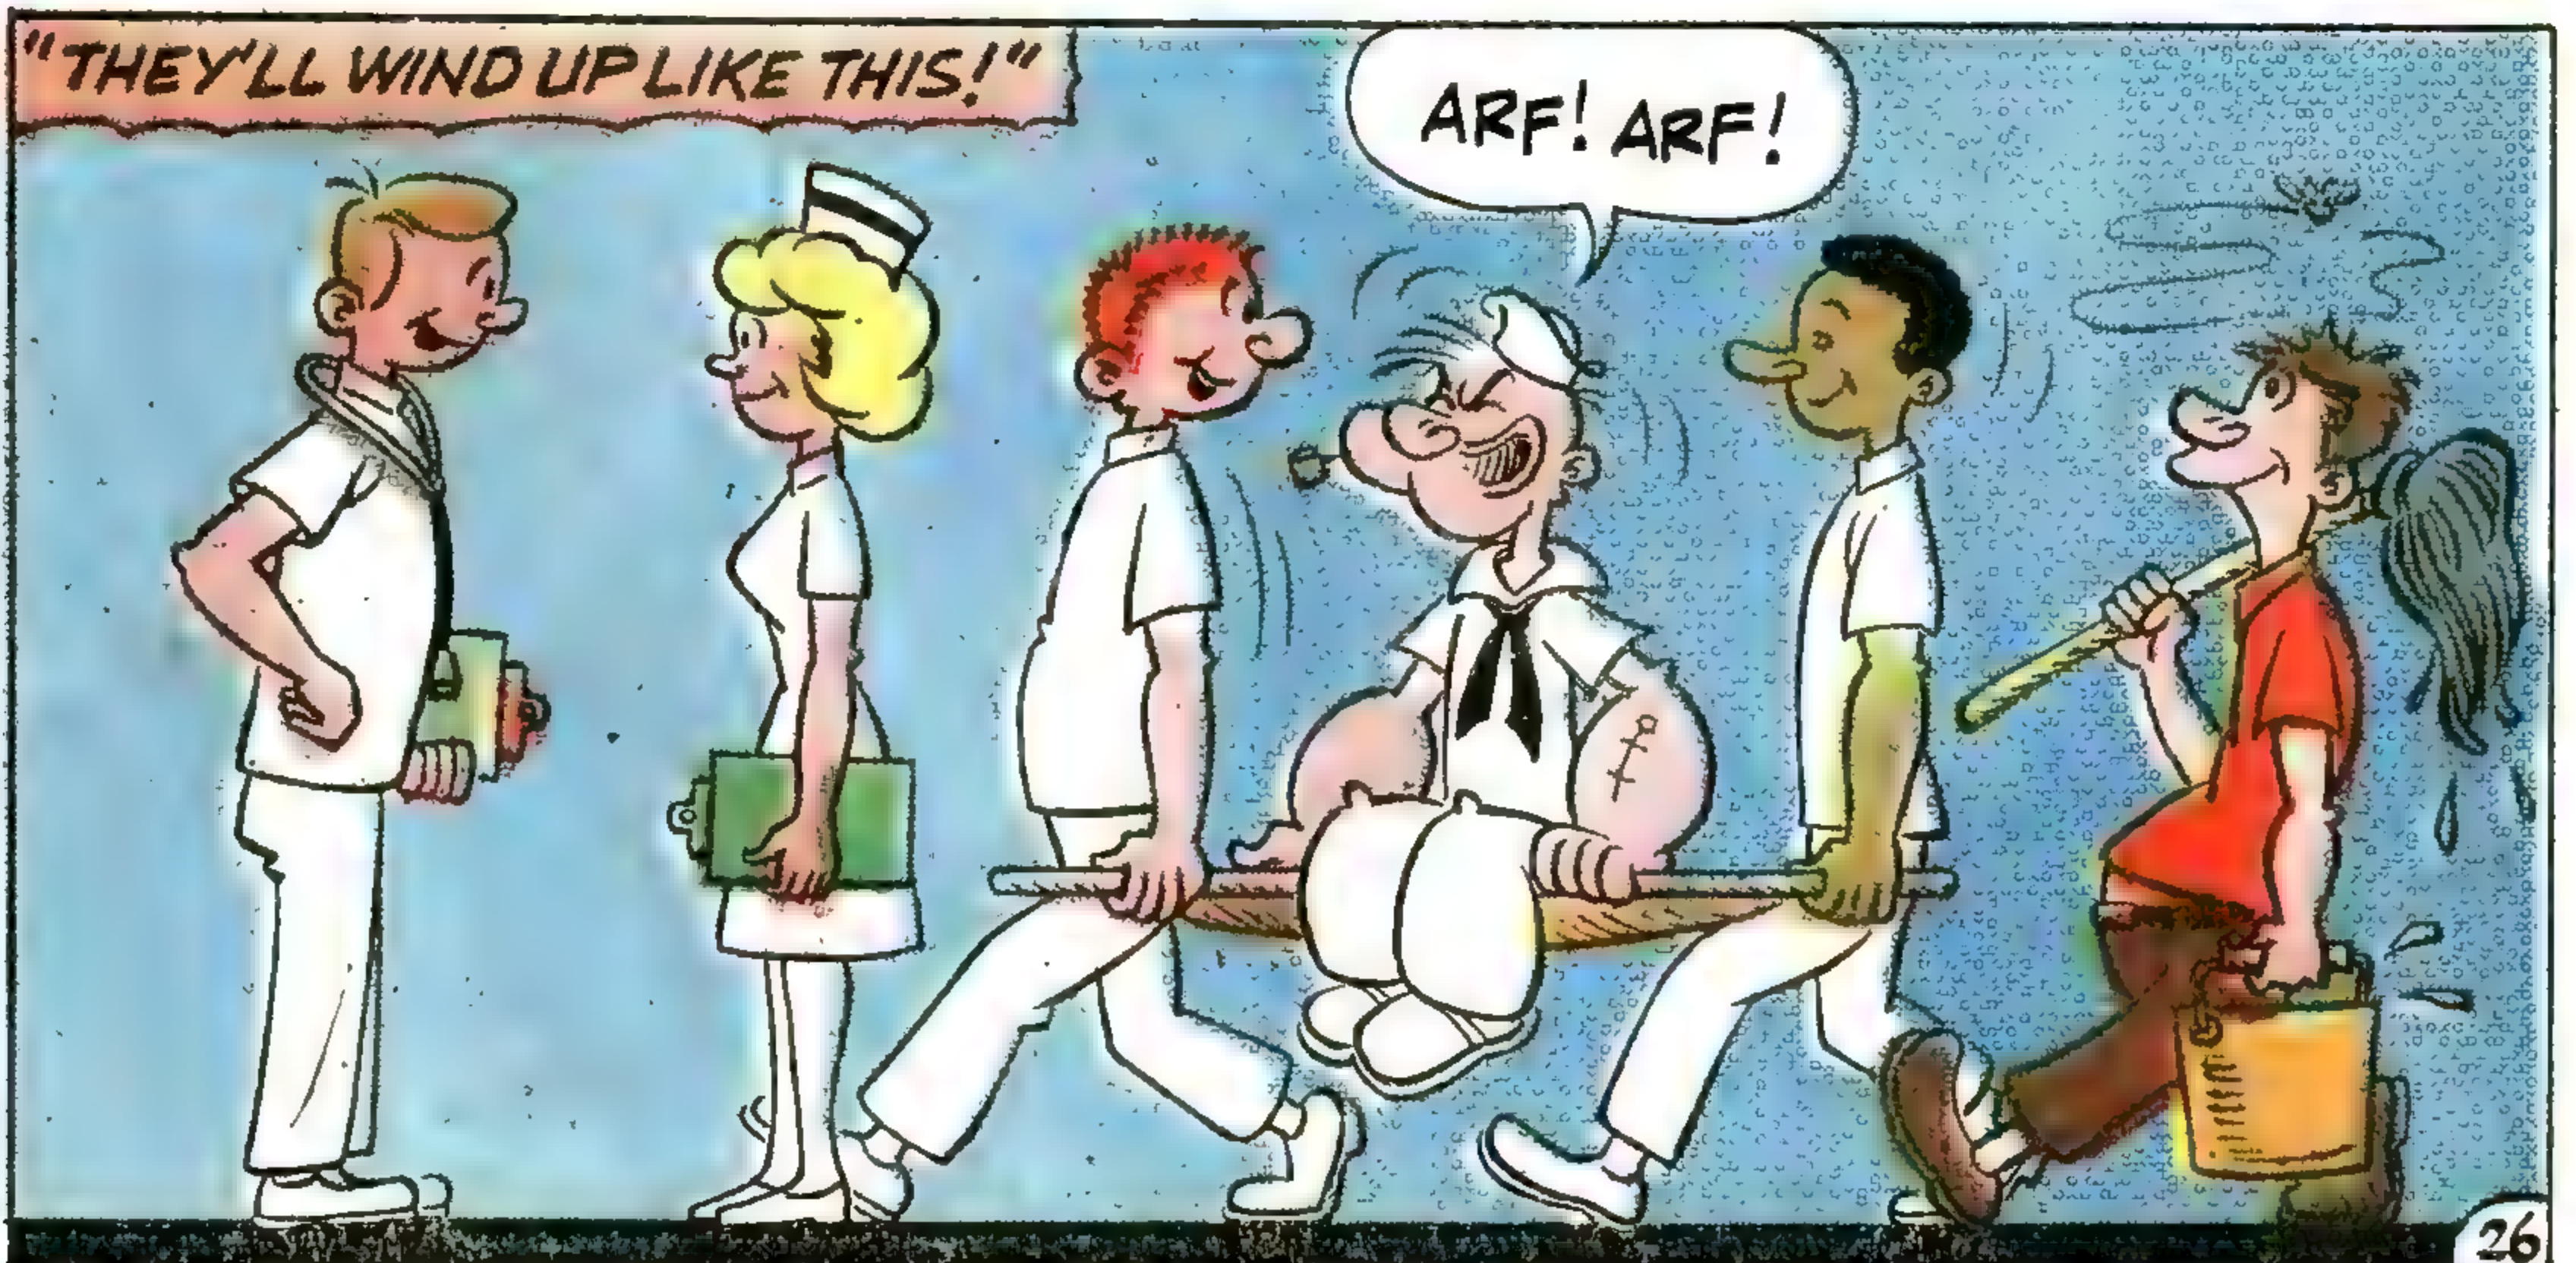

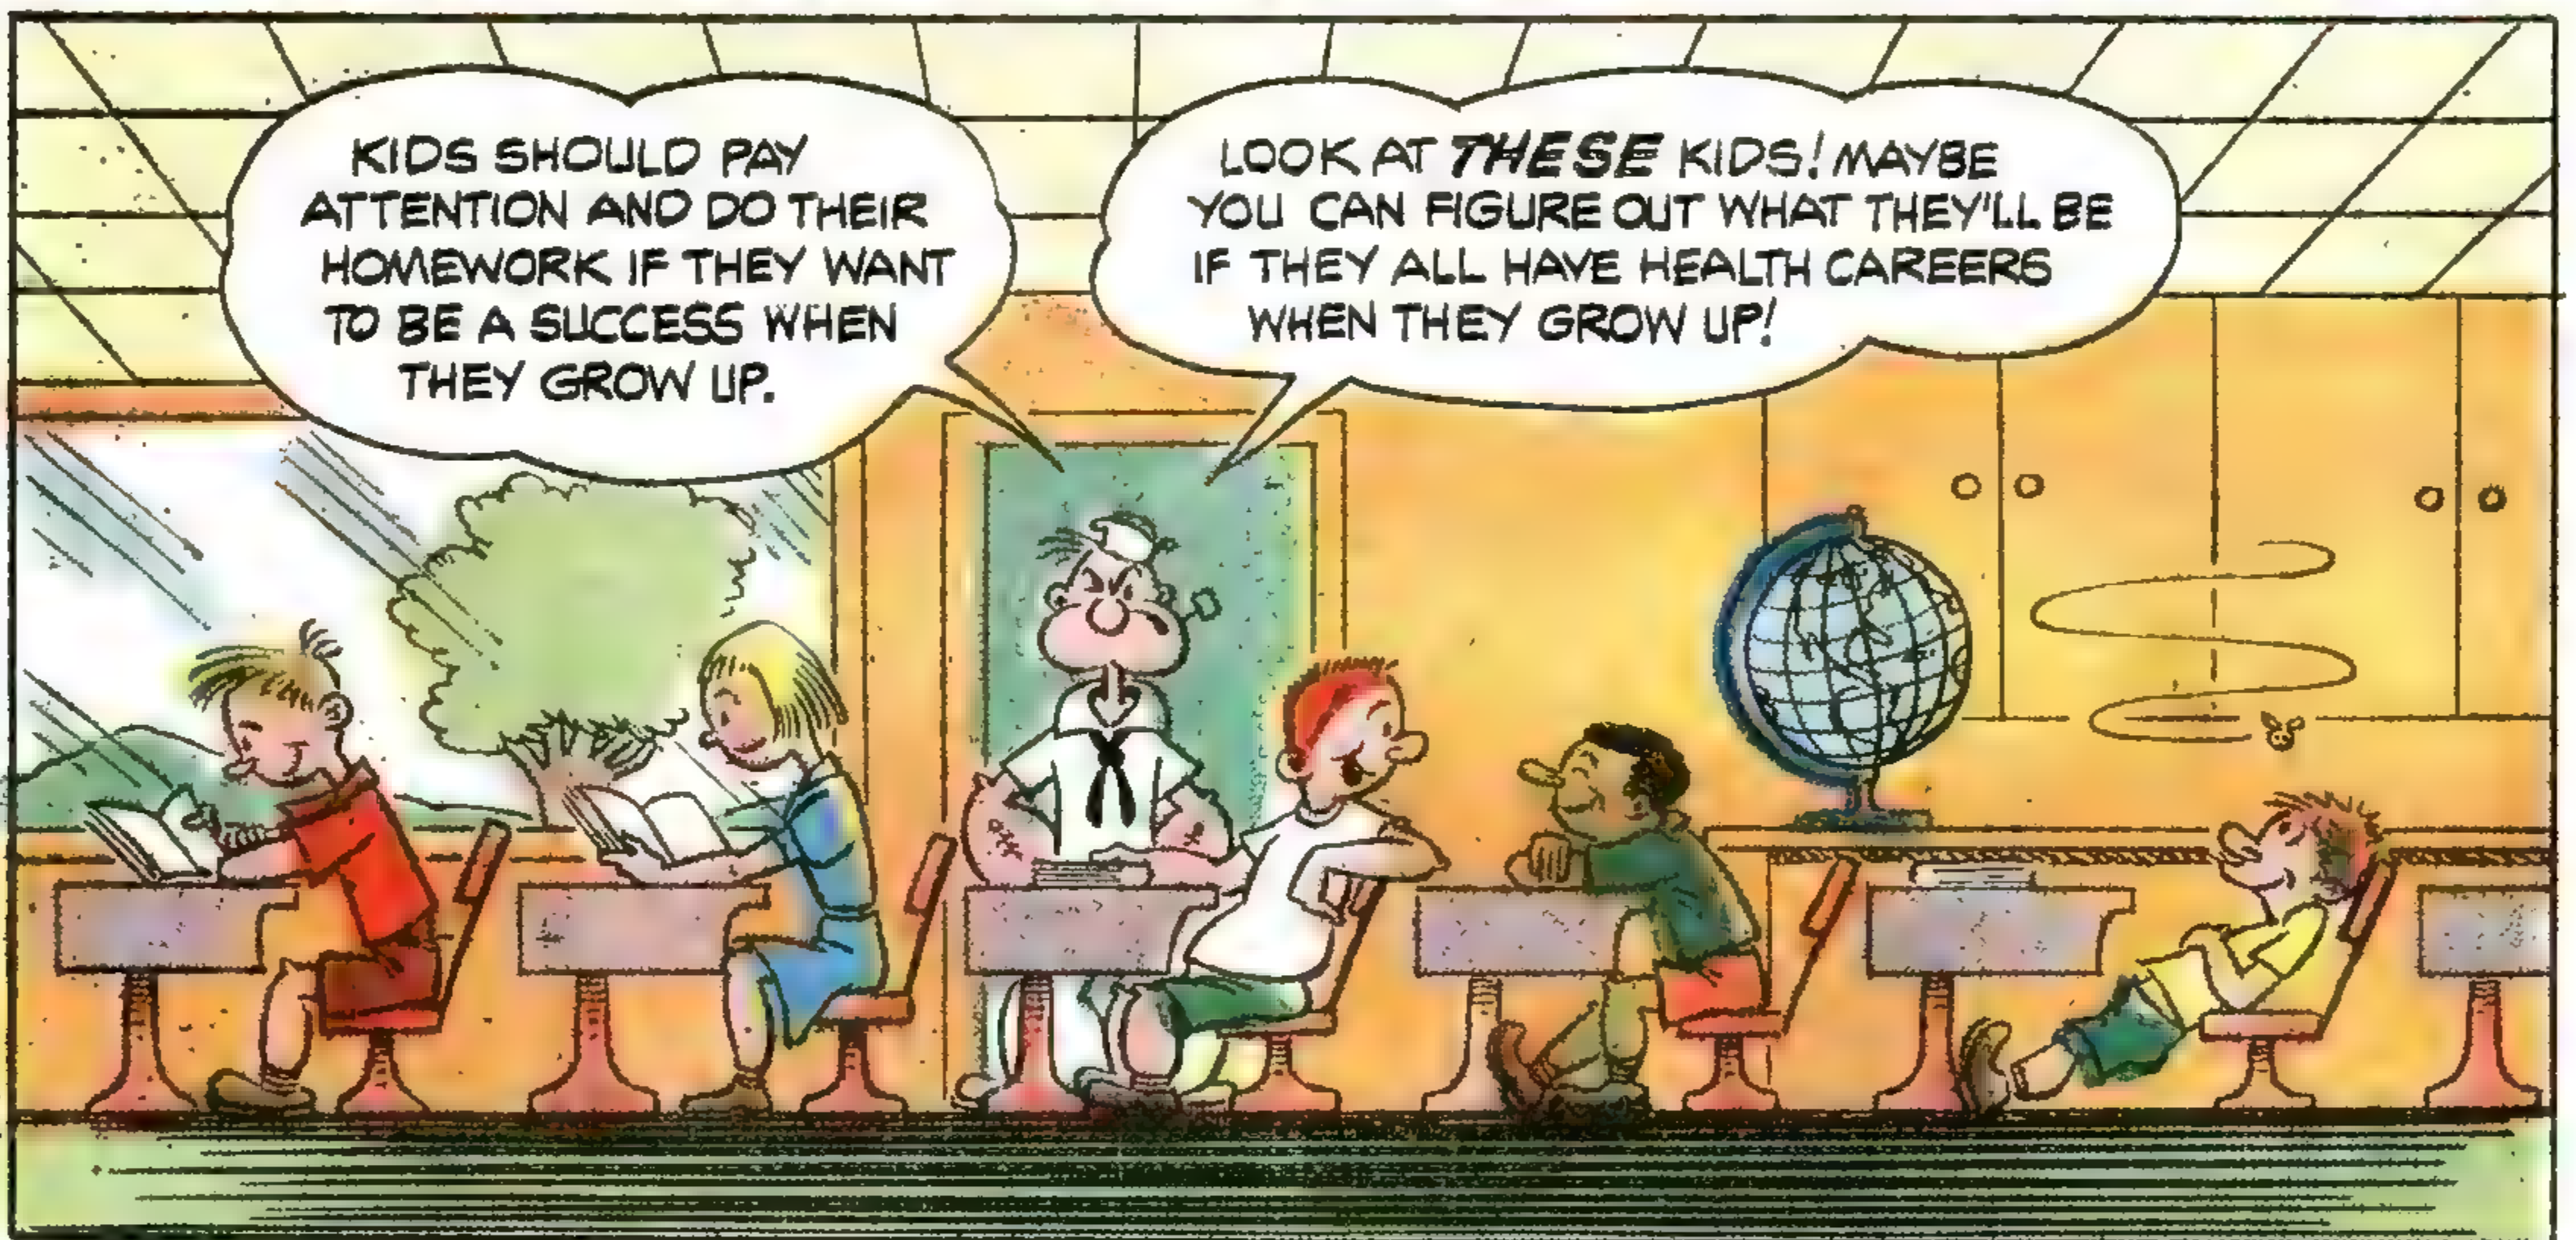

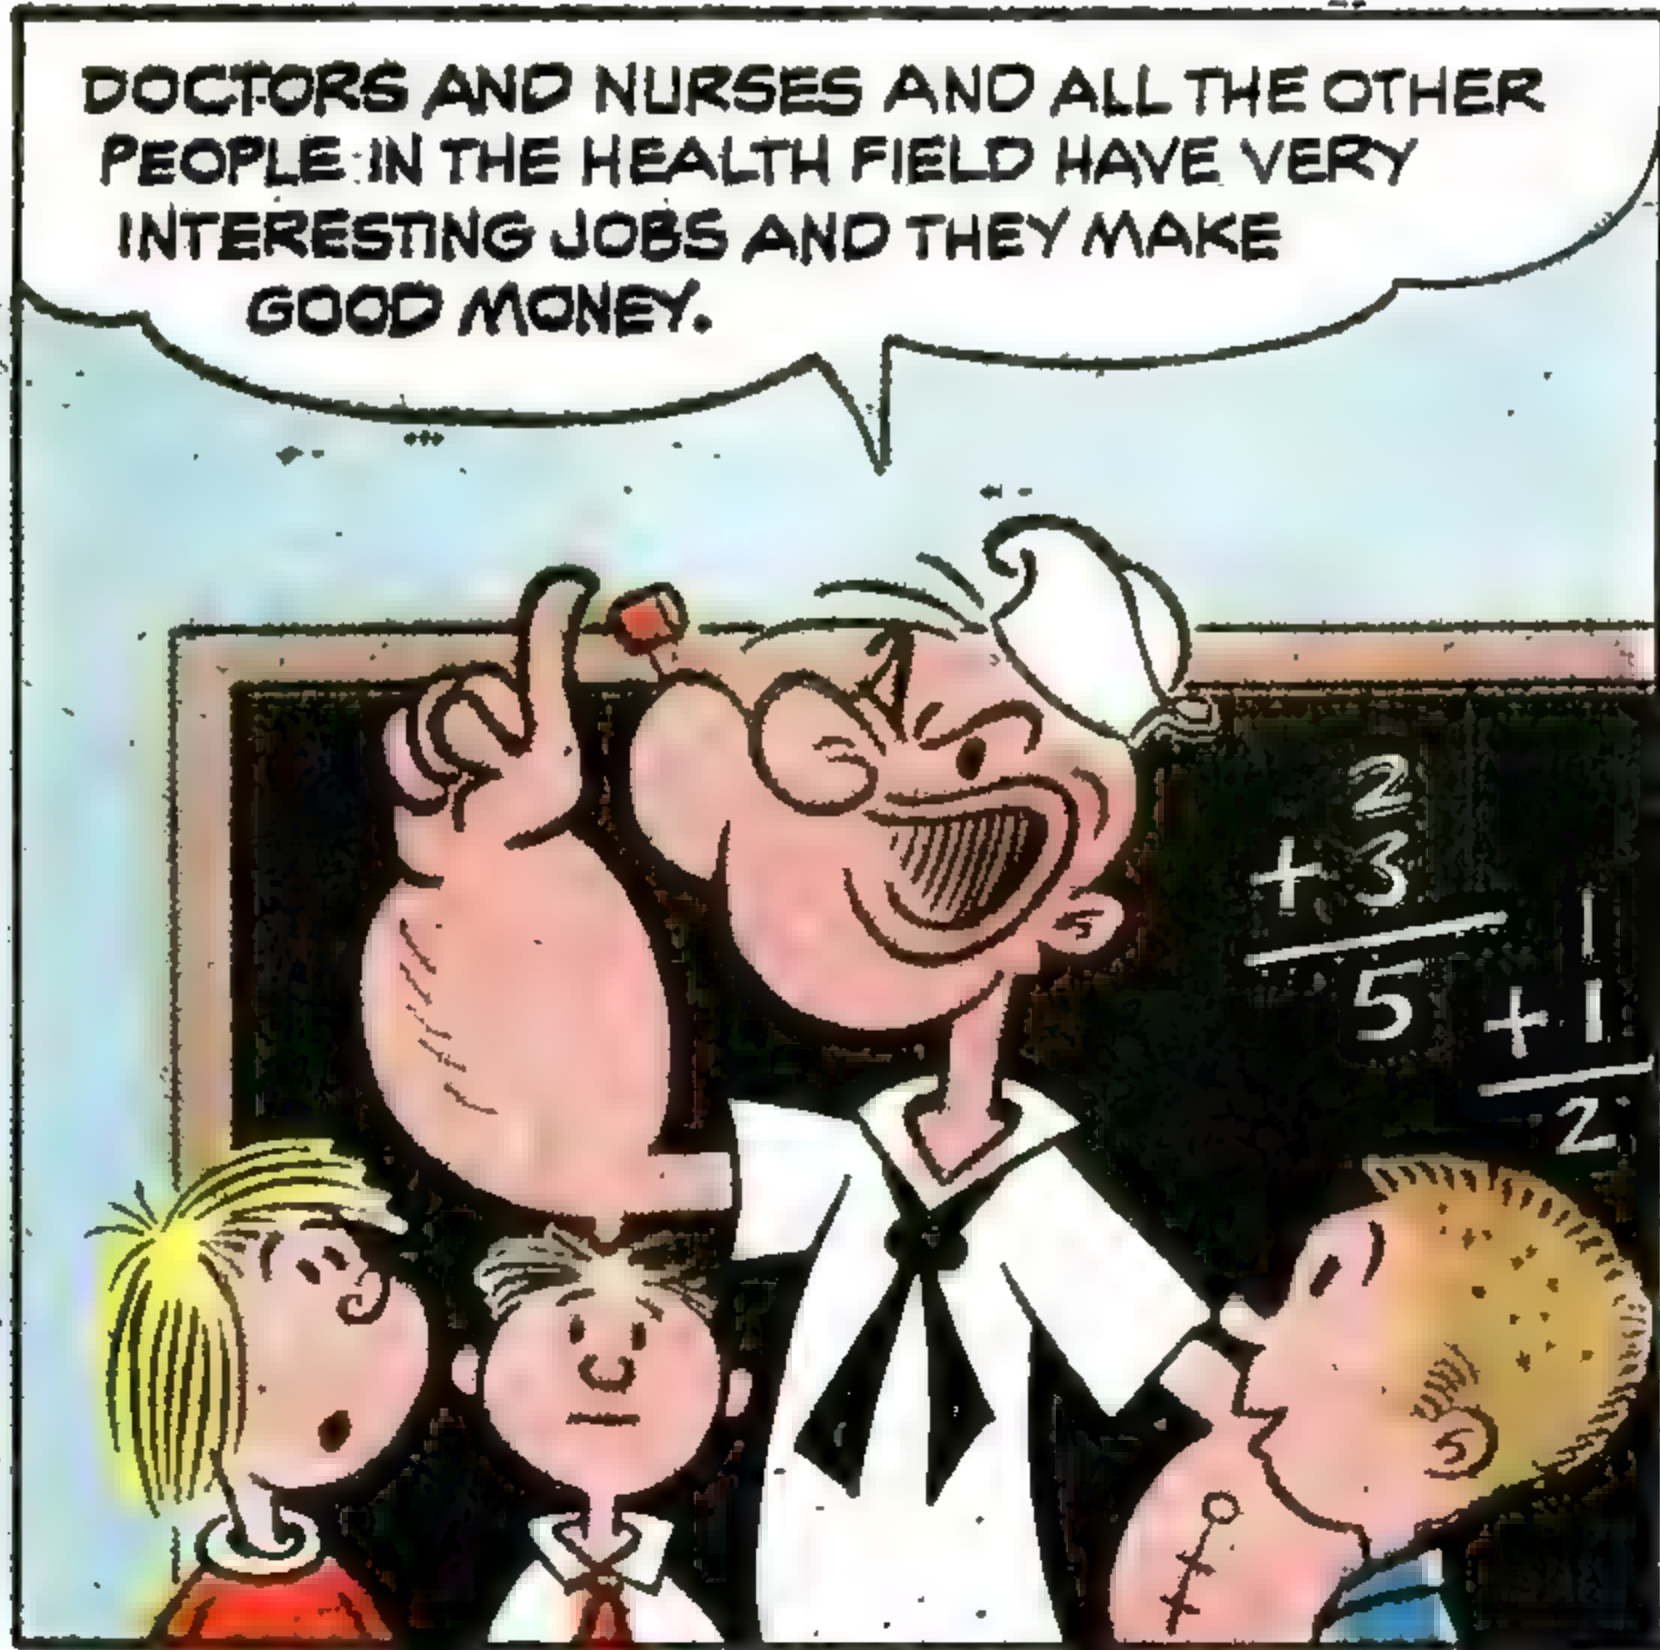

CHEMISTS WORK IN THE HOSPITAL, EMPLOYING MANY INSTRUMENTS AND METHODS TO FIND OUT WHAT'S WRONG WITH THE PATIENT.

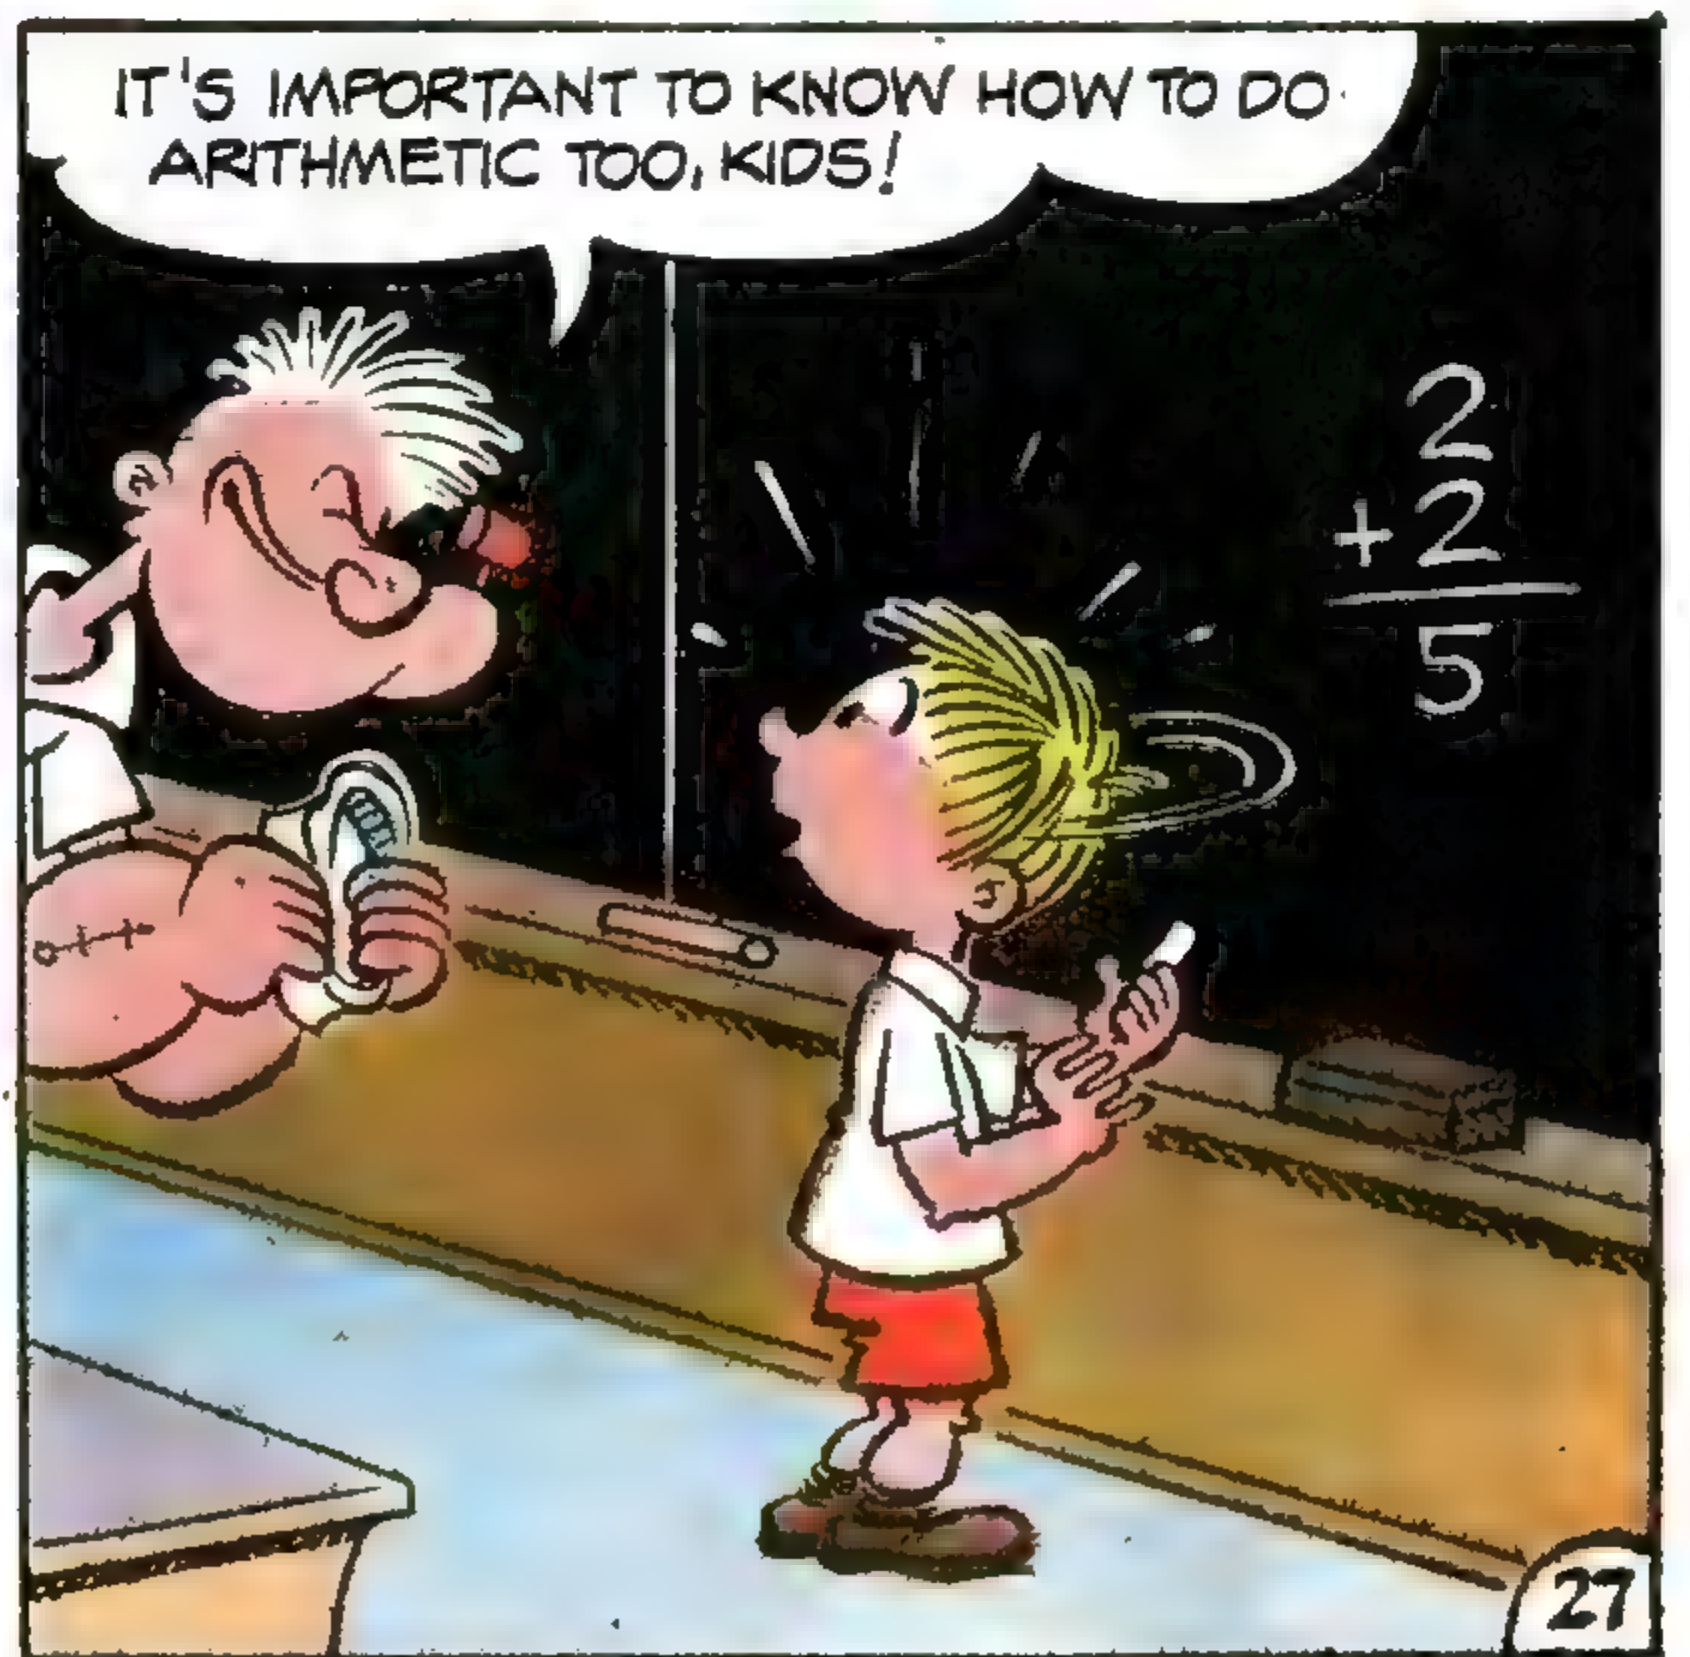

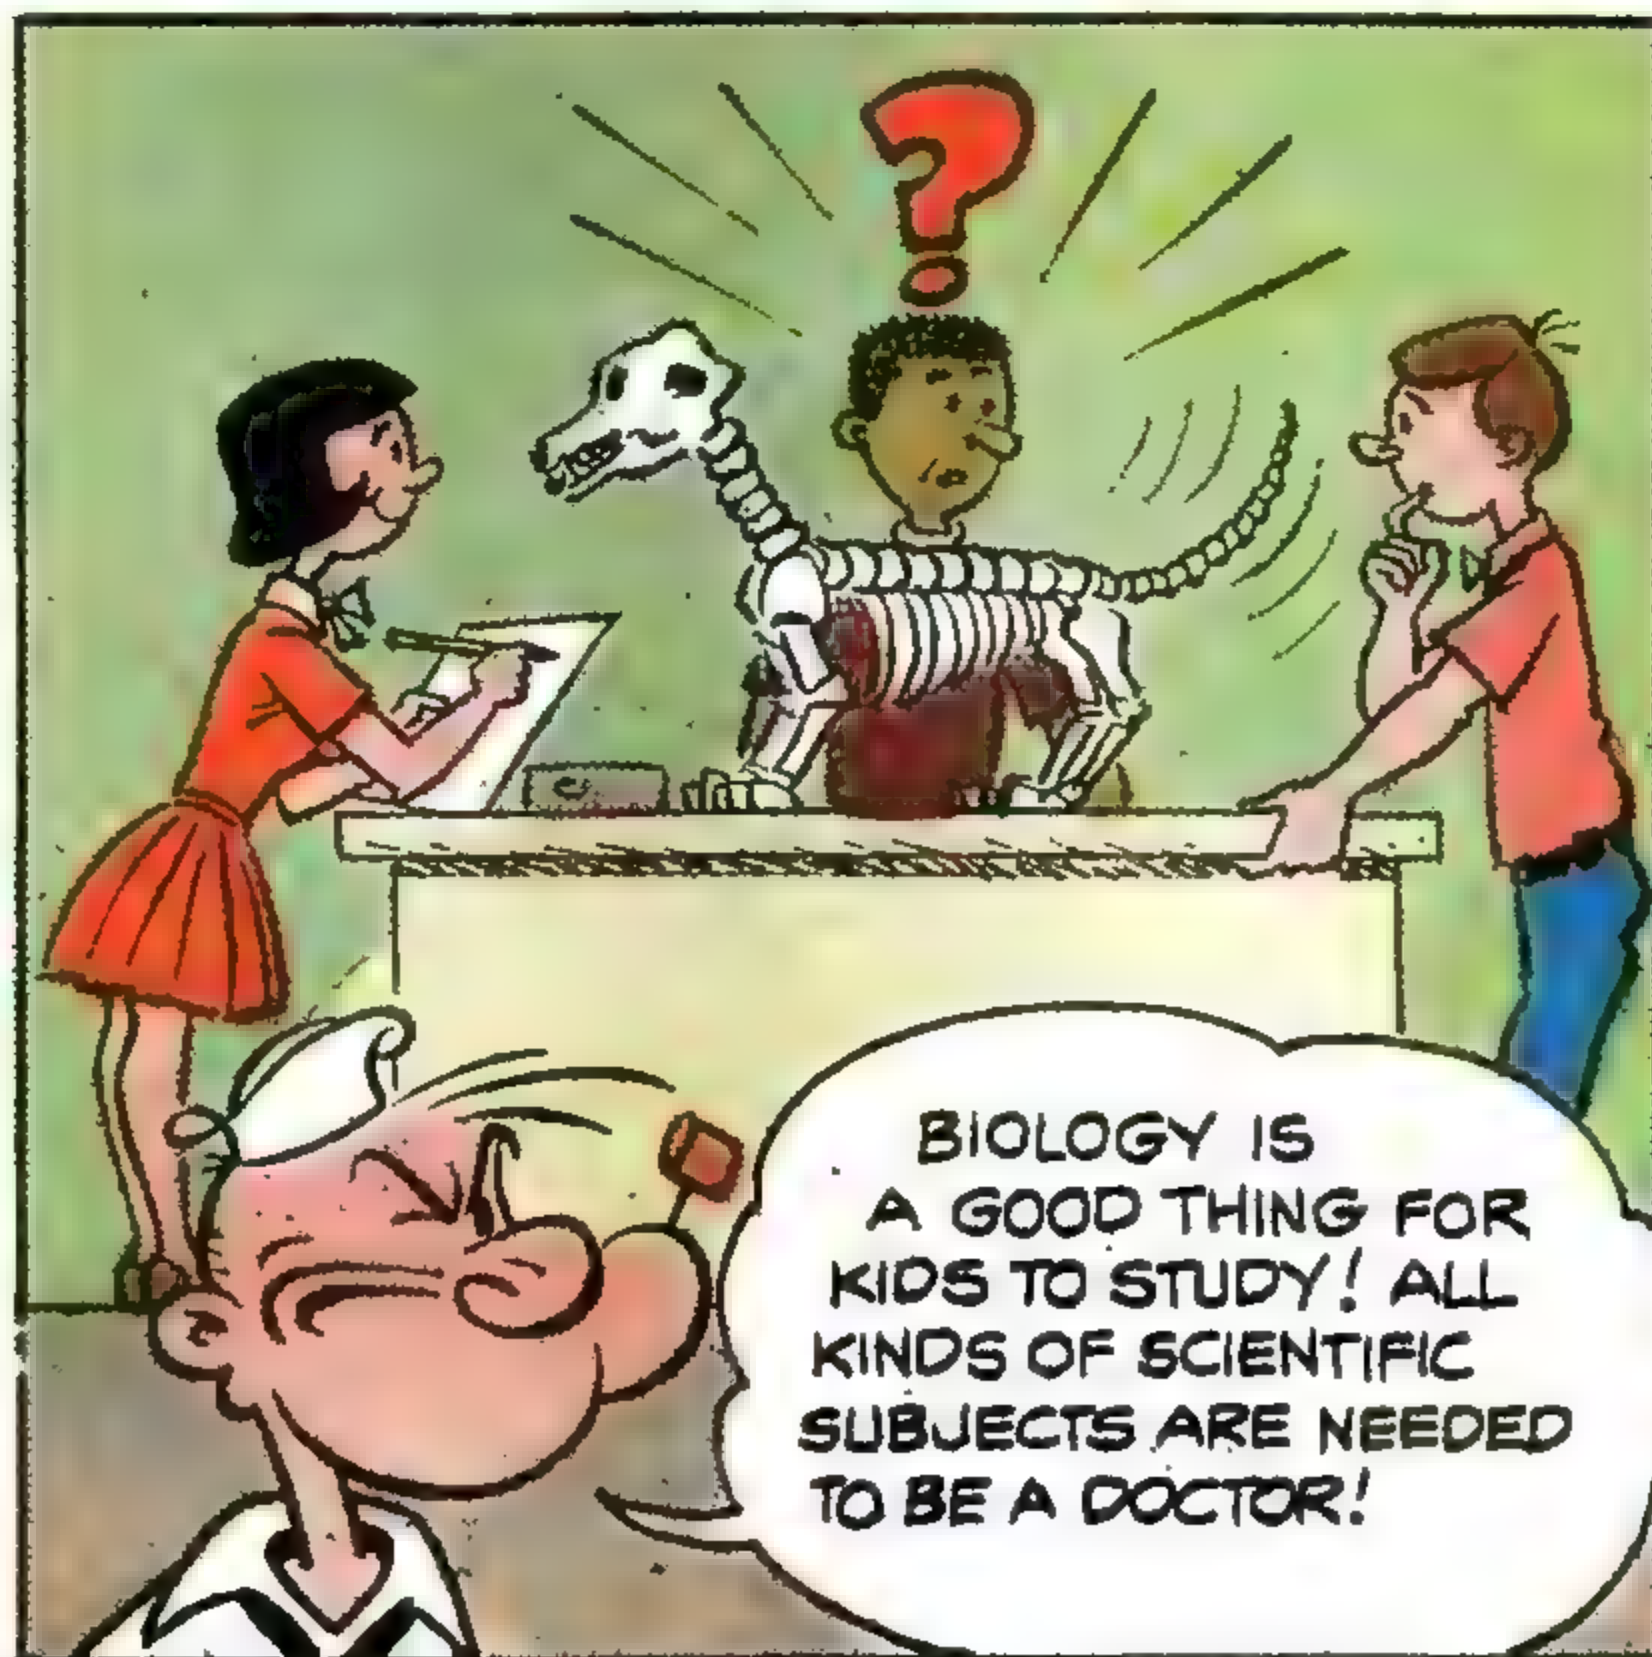

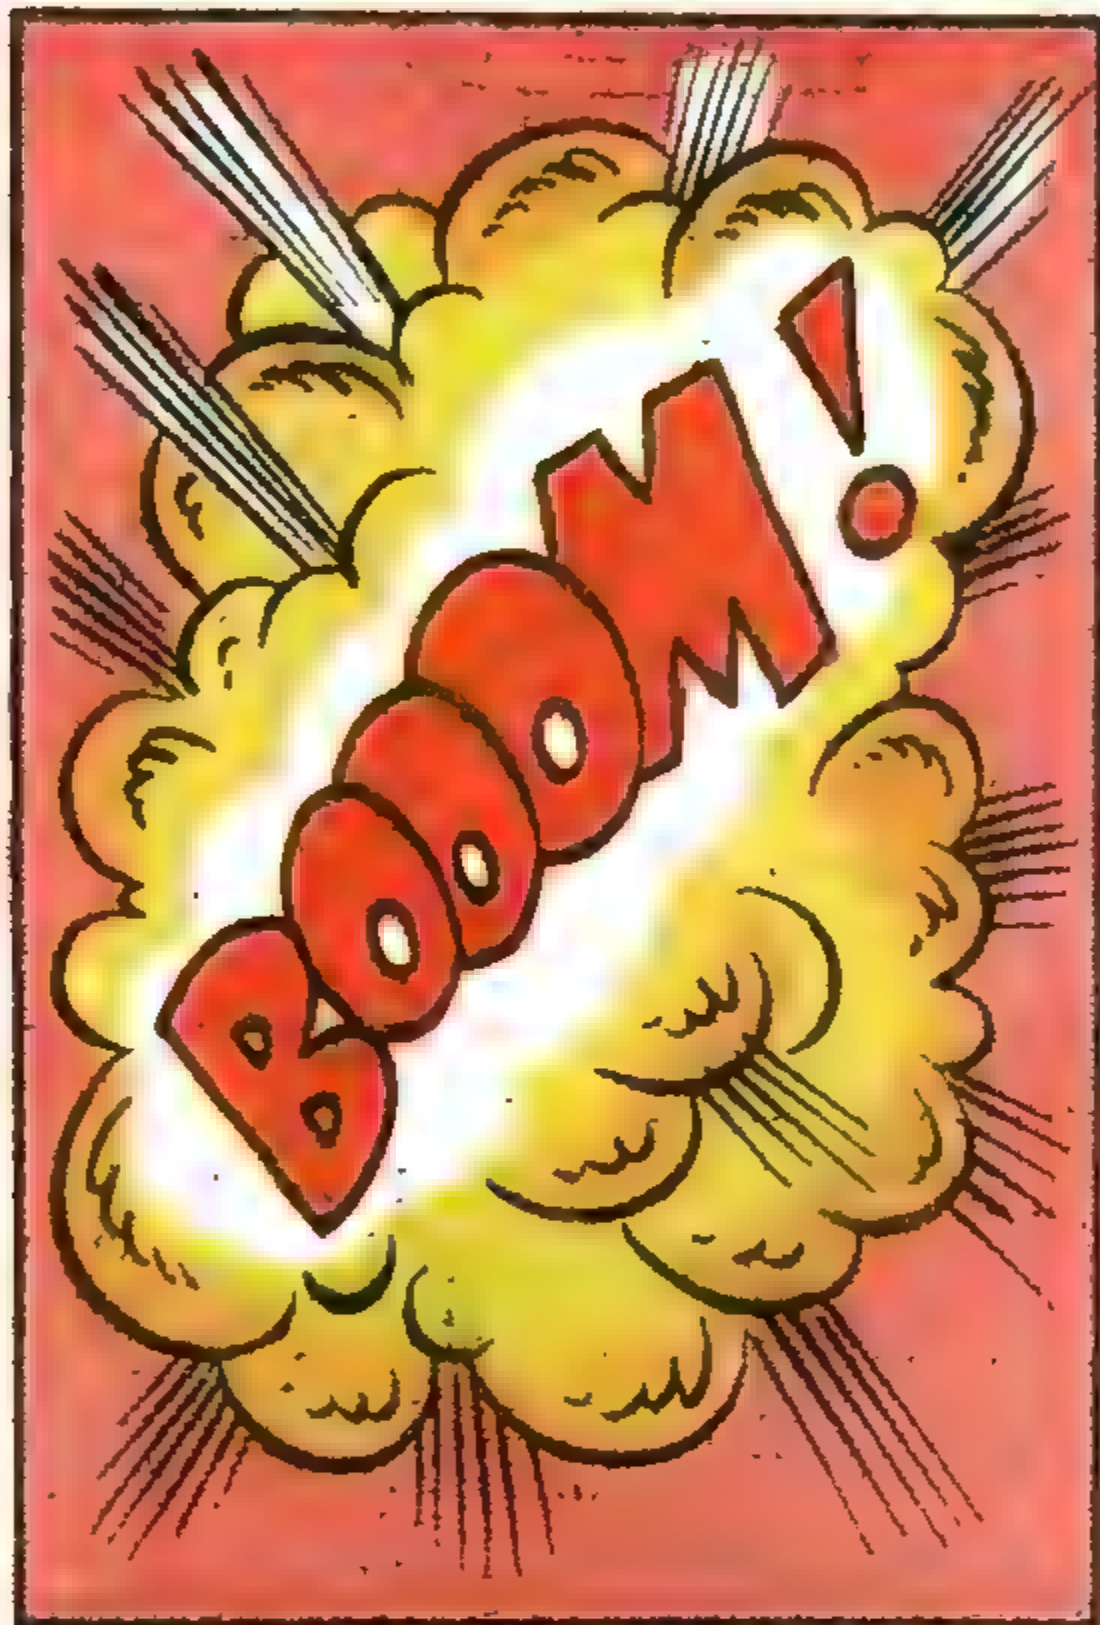

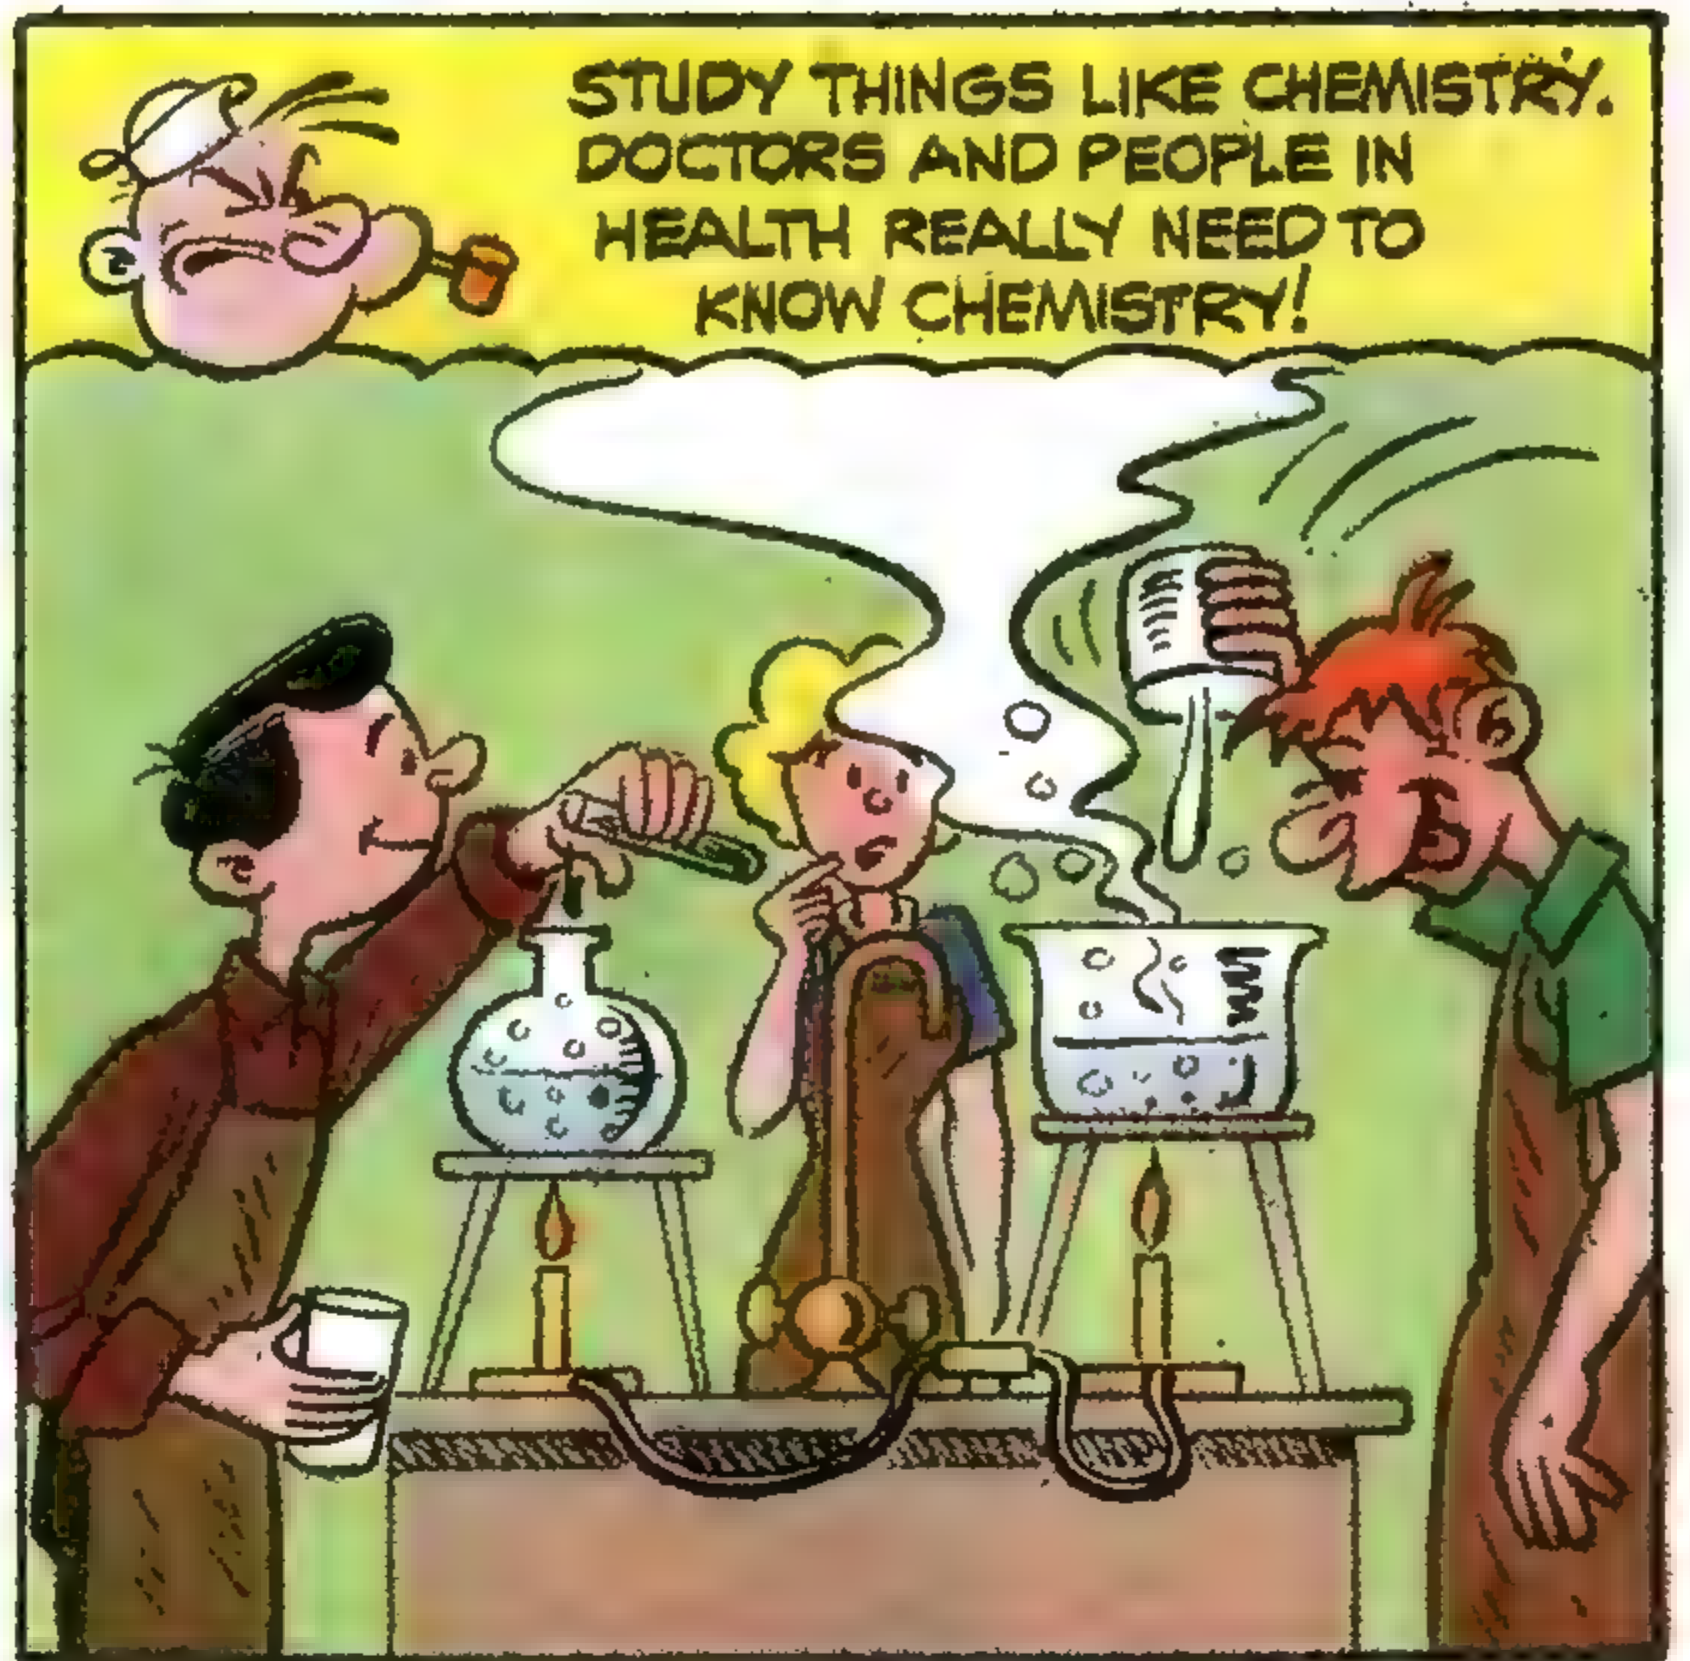

WHILE LITTLE JOHNNY'S HAVING HIS APPENDIX REMOVED, THE WARD CLERK IS TAKING CARE OF THE INFORMATION REQUIRED FOR HIS CARE.

# HEY, KIDS-

**T**HERE ARE MANY SATISFYING AND REWARDING CAREERS FOR YOU IN THE **HEALTH** FIELD. SOME REQUIRE MORE EDUCATION AND TRAINING THAN OTHERS. SOME JOBS MAY BE A STEPPING STONE TO EVEN MORE SATISFYING AND REWARDING HEALTH JOBS, AS YOU GROW OLDER. THESE HIGHER JOBS REQUIRE MORE RESPONSIBILITY, EDUCATION AND TRAINING. FOR EXAMPLE, YOU MIGHT START AS A HOSPITAL ORDERLY, WHICH REQUIRES LITTLE EDUCATION OR TRAINING, AND EVENTUALLY BECOME A MEDICAL TECHNICIAN, DOCTOR OR REGISTERED NURSE.

**A**LTHOUGH THE SATISFACTION AND FINANCIAL REWARDS OF HELPING SICK OR HURT PEOPLE GET WELL ARE MANY, THERE ARE ALSO DISADVANTAGES IN **HEALTH** WORK, SUCH AS THE ONES MENTIONED.

**H**OWEVER, REGARDLESS OF YOUR RACE, COLOR, RELIGION, BACKGROUND, AGE (IF YOU ARE OLD ENOUGH FOR PART-TIME WORK), PHYSICAL OR MENTAL HANDICAP, OR EVEN ABILITY TO SPEAK ENGLISH PROPERLY, THERE ARE OR MAY BE WORTHWHILE JOBS AND POSSIBLY A CAREER IN **HEALTH** WORK FOR **YOU**.

**I**F YOU ARE INTERESTED IN **KNOWING MORE** ABOUT ANY OF THESE JOB OPPORTUNITIES, SEE YOUR CAREER OR VOCATIONAL GUIDANCE DIRECTOR AT SCHOOL.

*Your Pal,  
Popeye*

YES, SIR, KIDS,  
HOSPITALS ARE A  
GREAT PLACE  
TO WORK!
